**The Way of All Flesh** - Samuel Butler 2019-12-11T22:48:45Z

The Way of All Flesh is often considered to be Samuel Butler's masterpiece, and is frequently included in many lists of best English-language novels of the 20th century. Despite this acclaim, Butler never published it in his lifetime—perhaps because the novel, a scathing, funny, and poignant satire of Victorian life, would have hit his contemporaries too close to home. The novel traces four generations of the Pontifex family, though the central character is Ernest Pontifex, the third-generation wayward son. The reader follows Ernest through the eyes of his watchful godfather, Mr. Overton, as he strikes out from home to find his way in life. His struggles along the way illustrate the complex relationships between a son and his family, and especially his father; all while satirizing Victorian ideas about family, church, marriage, and schooling. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

**The Plastic Problem** - Lonely Planet Kids 2020-04-21

Look around you--plastic is everywhere! It's in your shoes, pens, toothbrush, car, toys, TV, water bottles, food packaging... It's almost impossible to get through one day without using it. And it's creating major problems for our world, our oceans, our animals and marine life, and ourselves. In The Plastic Problem, from the team that brought you 101 Small Ways to Save the World, you'll learn how to become a 'plastic patroller' instead of a plastic polluter by learning about the easy ways you can cut plastic out of your life. The simple actions found in this practical guide will help you protect our world and inspire your friends and family to do the same. Tips include: Pack a zero waste travel kit to help your family reduce its rubbish on trips Take better care of your clothes, swap items with friends, and get excited about hand-me-downs Switch your toothpaste for natural tooth powders and choose an electric, non-throwaway toothbrush Take your lunch to school in a reusable container and bring reusable cutlery Reduce the amount of things you buy, reuse what you have, and recycle what you no longer need Take reusable bags to the supermarket or with you when you go shopping Think twice about single-use bottled water and fruit juices As a future guardian of the planet, you can say no to plastic. Your actions, however small, can make a big difference every day. Are you up to the challenge? **Stuff You Should Know** - Josh Clark 2020-11-24

From the duo behind the massively successful and award-winning podcast Stuff You Should Know comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast Stuff You Should Know back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making Stuff You Should Know one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from

your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with *Stuff You Should Know*. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).
