He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a standalone New Adult romance. It is suitable for ages 18+.

In this honest and emotional autobiography, Ken tells how he went from the World Snooker final at the Crucible to qualifying tables of Prestatyn and back again - and reveals what it means to lead a Life in the Frame. Born in Ranelagh, a south-eastern district of Dublin, Ireland, Doherty learnt his trade in the legendary 'Jason's' snooker hall, standing on a biscuit tin to try and reach the balls. In 1989 - at the ripe age of 20 - Doherty won the World Amateur Championship and was duly invited to become a professional of the game. Four years later, after losing his first Grand Prix to Jimmy White, Ken went on to win his first ranking title, the Welsh Open, which

was enough to catapult the 'Darlin of Dublin' into the top 16 players in the world. Doherty etched his name in the record books in 1997 by becoming only the third player outside the United Kingdom to win the World Championship, beating Stephen Hendry 18-12 in the final at the Crucible. Returning to Ireland a hero, Doherty would go on to play in two more World Championship finals and stay in the top 16 for over a decade. Crucible's Greatest Matches - Hector Nunns 2017-04-14

Since 1977 the Crucible Theatre in Sheffield has staged the snooker World Championship and in that time become one of the most beloved and iconic venues in sport. In this book the UK's leading snooker writer Hector Nunns makes his selection of the greatest matches ever played in the famous amphitheatre, featuring the heroes of the early years right through to the household names of the present day. With exclusive contributions from the players involved, and how they saw the build-up, the match itself, the agony of defeat and ecstasy of victory, and the experience of being involved in a memorable encounter on the sport's greatest stage, in what is always the biggest, best and final tournament of the season. *The Crucible's Greatest Matches* recalls how promoter Mike Watterson stumbled across the theatre with the help of his wife Carole and throws the spotlight on classic matches involving Ronnie O'Sullivan, Stephen Hendry, Jimmy White, the late and much-missed Alex Higgins and Paul Hunter, Cliff Thorburn, Terry Griffiths, Ken Doherty and of course the 1985 black-ball final between Dennis Taylor and Steve Davis.

Interesting - Steve Davis 2015-04-09

Steve Davis was just a rookie from Plumstead, south London, learning how to play from an old book his snooker-obsessed father had given him, when an encounter with Barry Hearn changed his life forever. With his backing, Steve began touring the country in a clapped-out car as an amateur. Challenging established professionals and winning titles, supported by his loyal following the Romford Roar, it wasn't long before he progressed to the world's stage. By the eighties, Steve had helped transform a previously shady sport into a national obsession. He and a cast of legends such as Ray Reardon, Dennis Taylor and Alex Higgins,

with other young guns like Jimmy White, were doing silent battle in front of huge audiences. Tens of millions of viewers would witness the nail-biting conclusions of his world championship finals; this was snooker's golden era. The man behind the 'boring' tag has always been the sport's smartest and sharpest man. With his cool, obsessive approach, Steve rewrote the rule book and became untouchably the best player in the world and the best paid sportsman in the country. Interesting lays it all bare: what it was like to win in those pressure-cooker situations; how to cope at the top, when everyone wants you to lose; and how you deal with the moment when a man comes along who is finally better than you. This is a memoir that closely evokes the smoke-filled atmosphere of those arenas, the intrigue behind the scenes and the personal psychology and sacrifice that is required to stay at the top of such an exacting sport.

His supreme talent and style have made him the People's Champion and, as one commentator put it, 'the question is not how much does Ronnie O'Sullivan need snooker, but how much does snooker need Ronnie O'Sullivan?' A honest and candid account of his extraordinary life, Ronnie tells of the infant who was introduced to legendary snooker clubs at an impossibly early age; of the boy who frightened off the bookies aged just 12; of the teenager whose life was decimated when his father and mentor was sent to prison for life; and of the man dubbed the 'genius' of the modern game who regularly threatened to quit the sport to pursue other interests at the grand old

age of 28. 'A fine autobiography ... compelling' - Independent 'O'Sullivan is as frank about his spell in the Priory clinic as he is about his father's murder conviction. His accounts of snooker tournaments and sketches of the sport's personalities will fascinate fans, but even snooker haters will be rooting for Ronnie in the game of life' - OK!
