Shackleton's Whisky - Neville Peat 2012-10-05

A vivid account of Ernest Shackleton's 1907 Antarctic Expedition, and the cases of Mackinlay's single malt whisky that he left behind. The incredible tale of Antarctica, malt whisky and an epic journey. Sir Ernest Shackleton's world fame is founded on the Endurance expedition of 1914-17, an attempt to cross the Antarctic continent that was foiled by the crushing of his ship in pack ice. The heroics that followed ensured that Shackleton and his men would forever have a place in the annals of polar history and world exploration. But Shackleton had come south seven years prior, leading the 1907 British Antarctic Expedition and targeting the South Pole from the opposite side of Antarctica. Rarely did Shackleton consume strong drink, and on his expeditions he tolerated only a 'mild spree' at times of celebration. But in 1907 25 cases - 300 bottles - of Rare Old Highland Malt Whisky whisky, three cases of which

would ultimately lie forgotten beneath his hut at Cape Royds in the McMurdo Sound region for over 100 years, were loaded aboard his ship the Nimrod. The discovery of the whisky in 2007, and its subsequent reblending by the Mackinlay distillery, inspired Neville Peat to reexamine and explore Shackleton's first Antarctic expedition, the 'heroic' era of Antarctic exploration, and the craft and lore behind Scotland's finest dram.

Atomic Love - Jennie Fields 2020-08-18

"A novel of science, love, espionage, beautiful writing, and a heroine who carves a strong path in the world of men. As far as I'm concerned there is nothing left to want."-- Ann Patchett, author of The Dutch House "A highly-charged love story that reveals the dangerous energy at the heart of every real connection...Riveting."--Delia Owens, author of Where the Crawdads Sing Love. Desire. Betrayal. Her choice could save a nation. Chicago, 1950. Rosalind Porter has always

defied expectations--in her work as a physicist on the Manhattan Project and in her passionate love affair with colleague Thomas Weaver. Five years after the end of both, her guilt over the bomb and her heartbreak over Weaver are intertwined. She desperately misses her work in the lab, yet has almost resigned herself to a more conventional life. Then Weaver gets back in touch--and so does the FBI. Special Agent Charlie Szydlo wants Roz to spy on Weaver, whom the FBI suspects of passing nuclear secrets to Russia. Roz helped to develop these secrets and knows better than anyone the devastating power such knowledge holds. But can she spy on a man she still loves, despite her better instincts? At the same time, something about Charlie draws her in. He's a former prisoner of war haunted by his past, just as her past haunts her. As Rosalind's feelings for each man deepen, so too does the danger she finds herself in. She will have to choose: the man who taught her how to love . . . or the man

her love might save?

The Good Soldier - Ford Maddox Ford 2021-01-28
The Good Soldier is considered Ford's masterpiece. This tale of adultery and deceit centers around two couples, Edward and Leonora Ashburnham, and their American friends, John and Florence Dowell. John Dowell narrates the events of Florence's affair with Edward, the "good soldier," and her subsequent suicide. Through Dowell's confused and perhaps unreliable narrative, Ford attempted to recreate real thoughts. This literary technique was a forerunner to literary techniques employed by such later writers as Samuel Beckett and J.M. Coetzee. Ford Maddox Ford (Ford Maddox Hueffer) was born in 1873. He was a novelist, poet, literary critic, editor, and one of the founding fathers of English Modernism. He published over eighty books, including two collaborations with Joseph Conrad (*Inheritors* in 1901 and *Romance* in 1903). He died in 1939.

Highs in the Low Fifties -

Marion Winik 2013-06-18

A cross between Nora Ephron and David Sedaris, longtime NPR commentator Marion Winik has a uniquely hilarious and relatable way of looking at life. Her stories of being single in middle age, marked by stylish writing and stunning candor, left readers bent double with laughter when they appeared in her column, rated "Best of Baltimore" by Baltimore Magazine. *Highs in the Low Fifties* follows Winik's attempt to rebuild her world as a once-widowed, once-divorced single mom. With her signature optimism, resilience, and poor judgment, Winik dives into a series of ill-starred romantic experiences. Her clarity about

her mistakes and ability to find humor in the darkest moments—in love, and in all parts of life—has won her a growing crowd of devoted followers . . . and a few voyeurs.

Man and His Symbols - Carl G. Jung 1968-08-15

The landmark text about the inner workings of the unconscious mind—from the symbolism that unlocks the meaning of our dreams to their effect on our waking lives and artistic impulses—featuring more than a hundred images that break down Carl Jung's revolutionary ideas "What emerges with great clarity from the book is that Jung has done immense service both to psychology as a science and to our general understanding of man in society."—The Guardian "Our psyche is part of nature, and its enigma is limitless." Since our inception, humanity has looked to dreams for guidance. But what are they? How can we understand them? And how can we use them to shape our lives? There is perhaps no one more equipped

to answer these questions than the legendary psychologist Carl G. Jung. It is in his life's work that the unconscious mind comes to be understood as an expansive, rich world just as vital and true a part of the mind as the conscious, and it is in our dreams—those personal, integral expressions of our deepest selves—that it communicates itself to us. A seminal text written explicitly for the general reader, *Man and His Symbols* is a guide to understanding the symbols in our dreams and using that knowledge to build fuller, more receptive lives. Full of fascinating case studies and examples pulled from philosophy, history, myth, fairy tales, and more, this groundbreaking work—profusely illustrated with hundreds of visual examples—offers invaluable insight into the symbols we dream that demand understanding, why we seek meaning at all, and how these very symbols affect our lives. By illuminating the means to examine our prejudices,

interpret psychological meanings, break free of our influences, and recenter our individuality, *Man and His Symbols* proves to be—decades after its conception—a revelatory, absorbing, and relevant experience.

Going All the Way - Dan Wakefield
2016-02-09

Two friends return home from the Korean War to find their world—and themselves—irrevocably altered in this novel hailed by Kurt Vonnegut as “gruesomely accurate and enchanting” and “wildly sexy” Willard “Sonny” Burns and Tom “Gunner” Casselman, Korean War vets and former classmates, reunite on the train ride home to Indianapolis. Despite their shared history, the two young men could not be more different: Sonny had been an introverted, bookish student, whereas Gunner had been the consummate Casanova and athlete—and a popular source of macho pride throughout the high school. Reunited by the pains of war, they go in search of finding love, rebuilding their lives, and shedding the repressive expectations of their families. As Sonny and Gunner seek their true passions, the stage is set for a wounded, gripping account of disillusionment and self-discovery as seen through the lens of the conservative Midwest in the summer of

1954. Rendered in honest prose, national bestseller *Going All the Way* expertly and astutely captures the joys and struggles of working-class Middle America, and the risks of challenging the status quo. Author Dan Wakefield crafts this enduring coming-of-age tale with fluidity, grace, and deep humanity.

No Tomorrow - Carian Cole
2018-09-13

The people we love are thieves. They steal our hearts. They steal our breath. They steal our sanity. And we let them. Over and over and over again. * * * * * They say you never forget your first love. Mine was a homeless musician who wandered straight into my soul. He was my first everything. And fourteen years later, I still can't get him out of my head. He broke all my rules. He also broke my heart. I watched him climb to stardom, cheering him on from afar. But I was never a fan; just a girl in love. Like a tornado, he spiraled, leaving a path of destruction in his wake. But love conquers all, right? It

has to. Because here I stand,
ravaged and ruined, needing it
to be true. We can't go back,
but I want to. Back to the park.
Back to when he sang only for
me. Before he was famous.
Before he shattered my heart. I
thought I knew everything
about him. But I could not have
been more wrong. He promised
me every tomorrow. And here I
am, waiting. And hoping.
Again.

Closing of the American Mind -
Allan Bloom 2008-06-30

The brilliant, controversial,
bestselling critique of
American culture that "hits
with the approximate force and
effect of electroshock therapy"
(*The New York Times*)—now
featuring a new afterword by
Andrew Ferguson in a twenty-
fifth anniversary edition. In
1987, eminent political
philosopher Allan Bloom
published *The Closing of the
American Mind*, an appraisal of
contemporary America that

“hits with the approximate force and effect of electroshock therapy” (The New York Times) and has not only been vindicated, but has also become more urgent today. In clear, spirited prose, Bloom argues that the social and political crises of contemporary America are part of a larger intellectual crisis: the result of a dangerous narrowing of curiosity and exploration by the university elites. Now, in this twenty-fifth anniversary edition, acclaimed author and journalist Andrew Ferguson contributes a new essay that describes why Bloom’s argument caused such a furor at publication and why our culture so deeply resists its truths today.

Haqiqatul-Wahi - Hazrat Mirza Ghulam Ahmad
2018-06-01

In this book the Promised Messiah, on whom be peace, discusses the philosophy of divine revelation, the three categories of people who claim to receive revelation, and the distinction of the truthful from the false. He then establishes

his truthfulness by documenting over 200 Signs, including the fulfillment of prophecies made by the Holy Prophet Muhammad, may peace and blessings of Allah be upon him, other men of God, earlier scriptures, and his own revelations spanning over twenty-five years. The author cites numerous examples of his enemies who publicly predicted his downfall and demise, only to become the very victims of their own prophecies. God, however, protected him against every assault, while continuously reassuring him of His promise to bless his Community—a promise which continues to bear the seal and testimony of history. The author also appeals to the followers of different faiths to read this book cover to cover to appreciate and accept this evidence as proof that God is One and the Holy Prophet Muhammad is the Messenger of God, and that he is the Promised Messiah raised to unite humanity under the banner of Islam.

It Wasn't Meant to Be Like This

- Lisa Wilkinson 2021-11-01
The long-awaited autobiography from one of Australia's most popular, much-loved and enduring media stars, Lisa Wilkinson. Lisa Wilkinson has lived much of her life in the public eye. One of Australia's most respected journalists and media personalities, her warm, intelligent and elegant presence has graced our television screens for many years, where she has shared, shaped and even shifted many important national conversations. But it all could have been so different ... Subjected to horrific bullying as a teenager, Lisa survived by making herself as small as possible. But she swore when she left school that no one was ever again going to determine who she was - or limit what she was capable of. That determination and drive led to Lisa blazing an unprecedented and enormously successful trail through the Australian media and cultural landscape for more than four decades. An early ground-breaking career

in publishing - at 21, Lisa was the youngest editor ever appointed to take charge of a national magazine, Dolly, before spending ten years as editor of the iconic Cleo magazine - then led to a stunning television success story. This included spending more than a decade as co-host of the Nine Network's Today show, before she caused a media storm across Australia and the world on the issue of the gender pay gap, when she moved to the Ten Network as co-host of its prime-time award-winning program The Project. It Wasn't Meant to Be Like This is the story of how a young girl from Sydney's western suburbs came to be such a force in Australian cultural life. It is a story that is honest, funny, engaging - and powerfully inspirational. 'Told with humour and a 'did this really happen to me' relatability ... generous and gracious' The Daily Telegraph *Love in Idleness* - Amanda Craig 2007-12-18
In her delightful reimagining of A Midsummer's Night Dream,

Amanda Craig slyly serves up a witty cross-cultural farce, a modern-day tale of love and lies set against the magical landscape of Tuscany. When Theo, a workaholic lawyer, his English wife Polly, and their two children rent an idyllic Italian villa, they expect a relaxing summer holiday together. Polly, with her loved ones' romantic interests at heart, has invited an eccentric mix of friends and family along—including three eligible bachelors, a former model, an Indian-British divorcee with a young son, and her own appalling mother-in-law. They soon discover the Casa Luna is a strange, enchanted place where people find their heart's desire—but at a price.

Everyone falls in love, though not with the people they expect, and the results are surprising and hilarious.

Resisting Empire: The Book of Revelation as Resistance - C. Wess Daniels 2019-10-07

Revelation speaks to the reality that we are caught in the fray of cosmic conflict. We are guilty. We've already been contaminated. But it's not too late for us to exit empire and enter the kingdom. We are yet both victim and victimizer. We have healing work to do, and we must take responsibility for the ways in which we have benefited from and been complicit with the religion of empire. This is the truth of Revelation. God wants to liberate us in body, heart, soul, and mind. Revelation reveals how scapegoating functions within empire to define its own boundaries and contours as being over and against wicked others. Revelation critiques wealth and shows that even in the first century there was prophetic critique against an economic system that was based on abundance for some, while exploiting the rest. Revelation demonstrates the importance of liturgy as something that forms people

into the likeness of either empire or the lamb. Revelation reveals an alternative social order which becomes the center of resistance rooted in a vision of what the book describes as "the multitude."
