My Personal Spelling Dictionary Logbook - Composition Notebooks 2017-10-24

The friendliest way to inspire your kids to take notes and master their spelling! This "My Personal Spelling Dictionary Logbook: The Notebook for Kids' Collection of Their Hard Words to Spell, for Spelling Practice & Enhancing Word Power!" comes with 220 wide ruled pages for kids to write in the words they found challenging, either in their daily life or classrooms. Each page pair comes with a big alphabet (in dictionary-like format) that signifies the letter with which the words inside the pages start. Due to its size of 6 x 9 inches, kids can carry this personal dictionary logbook along anywhere they want and well keep up with the vocabulary they want to master! In addition to the over two hundred blank dictionary-like pages

inside, the very first page of this book is the owner's page where kids can write their own name, making this spelling dictionary truly personal, and also making the book great as gifts for children of any age. Followed by the lists of Top 20 hardest words, and Top 20 most favorite words, (of their own) which will definitely add fun to children's vocabulary learning experience. The last couple pages are intentionally reserved unlined, so children can give illustrations to some words in their own terms, which is a great way to help them deal with those more challenging words! The pages are bound by the book industry standard binding (the same binding as most paperbacks in the library) and the book covers are laminated with matte finish that helps repel liquid and toughens the cover, so that this one-and-only personal dictionary may keep the vocabulary collection with you and your little child longer. Plus, the book cover and the spine is writable, so, once this book is used up, kids can simply write its subject and volume

number, then continue on the next "My Personal Spelling Dictionary Logbook" (available on leading on-line and brick-and-mortar bookstores) to continue the compilation they are proud of, without any disruption! Now with this book, your children can be friends with any words they found challenging, and continuously building on their vocabulary effortlessly, through the semester and beyond!

Esther the fairy is back, to investigate the water cycle! From the award-winning author of *The Most Magnificent Thing*, for fans of *Ada Twist*,

Scientist and Hidden Figures. Esther the fairy doesn't believe in magic. But fairies are all about magic, despite Esther's best efforts to reveal the science of their world. This time around, though, she's got her fairy pals Clover and Fig, along with trusty sidekick Albert the bird, to help create a more science-oriented entry for their school's "Magic Fair" -- Pixieville's magical answer to a science fair, which has never gone well for Esther before. When the local pond disappears, Esther realizes this might be the perfect opportunity for a real experiment! It's up to Esther and her fairymates to ask questions, make hypotheses, do research and show their conclusions -- this time, all about the water cycle. But when everyone Esther knows believes that Jack Frost is responsible for ice and that moon sneezes cause evaporation, she'll have to learn that sometimes discovery is its own reward. *Solid, Liquid, Gassy (A Fairy Science Story)* is the second book in Ashley Spires' hilarious picture book series about a charming,

determined heroine who celebrates the joys of curiosity and wonder.
