The Mammoth Book of Angels & Demons - Paula Guran 2013-05-16

Despite our tendency to think of the demonic as evil and the angelic as good, our own legends don't always bear this out. Angels can be the incarnation of light and salvation, but they can also fall - Satan himself is a fallen angel. Demons can be truly demonic, but these unearthly creatures can also, on occasion, lend humankind a hand. Temptation can lead to revelation, supernatural messengers who bring true justice may not be welcomed, and beings seeking redemption can be blind to mortal needs. Stories from world-renowned authors of science fiction and fantasy - including Neil Gaiman, George R. R. Martin and Joyce Carol Oates - and rising stars portray angels in all their glory, demons at their most dreadful, and a surprising variety of modern interpretations of ancient myth.

My Dirty California - Jason Mosberg 2022-08-30

In this literary thriller, a young man descends into the Los Angeles underworld to find his family's killer—aided by a group of strangers with their own shadowy pasts. When Marty returns to Pennsylvania after living in California for ten years, he's happily welcomed by his father and older brother, Jody. The joyful reunion is short-lived. Two days later, Jody enters the house to find his father and Marty shot dead as their masked killer flees out the back door. Without any answers from the local police, Jody heads to Los Angeles looking for who murdered his family and why. Soon, he finds a trove of strange videos recorded by his brother that leads him into the city's most dangerous corners, where he comes up against drug dealers, crooked cops, surf gangs, and black-market profiteers. As his investigation expands, it also intersects with Pen, a documentary filmmaker who suspects humanity is living in a simulation and that her missing father found a portal to escape; Renata, an undocumented immigrant who might have evidence to support Pen's theory; and Tiph, a young mother whose desperate efforts to support her only child via a stolen art stash could prove the key to answering all these mysteries. My Dirty California is a cinematic, suspenseful, intricately plotted thriller that explores the darker side of the glamorous Golden State.

The Mammoth Book of Women's Erotic Fantasies - Sonia Florens 2011-01-27

What do women really want? What are their most intimate erotic desires? The confessions gathered together in this volume come from 50

perfectly ordinary women from all parts of the United Kingdom, elsewhere in Europe, North America and Australia. They offer up their most private dreams and most closely kept sexual secrets. Some of their fantasies are shocking, others playful, but all are utterly captivating. The stories lay bare the often bizarre nature of female desire, a buried thread in sometimes mundane lives. Juices run freely at breakfast with Tiffany; another woman enjoys a knickerless ride on public transport; a student experiences an oral examination by the professor of poetry; a housewife joins Club Ped in a foot-fetish fantasy; another woman sleeps her way across America with Kerouac. Erotic and illuminating, these are stories for open-minded, sensual readers.

This thought-provoking collection not only takes us into the past and the future, but also explores what might happen if we attempt to manipulate time to our own advantage. These stories show what happen once you start to meddle with time and the paradoxes that might arise. It also raises questions about whether we understand time, and how we perceive it. Once we move outside the present day, can we ever return or do we move into an alternate world? What happens if our meddling with Nature leads to time flowing backwards, or slowing down or stopping all together? Or if we get trapped in a constant loop from which we can never escape. Is the past and future immutable or will we ever be able to escape the inevitable? These are just some of the questions that are raised in these challenging, exciting and sometimes amusing stories by Kage Baker, Simon Clark, Fritz Leiber, Christopher Priest, Kristine Kathryn Rusch, Robert Silverberg, Michael Swanwick, John Varley and many others.
