This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it.

This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and

possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**The Betrothed** - Alessandro Manzoni 1834

Henry IV - Luigi Pirandello 2012

Luigi Pirandello [28 June 1867 - 10 December 1936) was an Italian dramatist, novelist, and short story writer awarded the Nobel Prize in Literature in 1934, for his "bold and brilliant renovation of the drama and the stage."

Pirandello's works include novels, hundreds of

short stories, and about 40 plays, some of which are written in Sicilian. Pirandello's tragic farces are often seen as forerunners for Theatre of the Absurd. Henry IV is a man who went mad after being knocked off his horse during a masquerade. At the time he was playing the part of Henry IV, and his delusion for over twelve years after the fall was that he was King Henry IV of Germany during the eleventh century. He has been placed in a "castle" with four valets, or "private counselors," all paid for by his nephew Di Nolli. The play opens in the throne room with Berthold, a new valet who has just been hired, learning from the other three valets. Berthold is being taught everything he needs to know in order to work for Henry IV and take care of the madman...

*The Book of Disquiet* - Fernando Pessoa  
2010-12-09

Sitting at his desk, Bernardo Soares imagined himself free forever of Rua dos Douradores, of his boss Vasques, of Moreira the book-keeper, of all the other employees, the errand boy, the post boy, even the cat. But if he left them all tomorrow and discarded the suit of clothes he wears, what else would he do? Because he would have to do something. And what suit would he

wear? Because he would have to wear another suit. A self-deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his life, *The Book of Disquiet* is a classic of existentialist literature.

**Dizionario portatile delle belle arti** - Jacques Lacombe 1768

**The Day** - Giuseppe Parini 2010-04-01  
One of the most studied and popular works of Italian literature, Giuseppe Parini's *The Day* has been unjustly neglected in the English-speaking countries. This edition reissues of Herbert Morris Bower's beautiful verse translation, the only complete English version of the poem, is enriched by facing original text and extra end notes. Parini's satirical description of a lazy

young nobleman's fashionable day, from his awakening late in the morning to the fatuous pleasures that noon and evening bring, has been often compared to *The Rape of the Lock*, and displays the same gentle tone, pointed wit, and enduring charm of Pope's masterpiece.

**Dizionario portatile delle belle arti; ovvero Ristretto di ciò, che spetta all'architettura, alla scultura, alla pittura, all'intaglio, alla poesia, ed alla musica; con la definizione di queste arti, la spiegazione delle voci, e delle cose, che ad esse appartengono: insieme con i nomi, la data della nascita, e della morte, le più rilevanti circostanze della vita, ed il genere particolare di talento delle persone, che si sono segnalate in queste differenti arti, ... - Jacopo Ferretti 1827

Zibaldone - Giacomo Leopardi 2013-07-16

A groundbreaking translation of the epic work of one of the great minds of the nineteenth century Giacomo Leopardi was the greatest Italian poet of the nineteenth century and was recognized by readers from Nietzsche to Beckett as one of the towering literary figures in Italian history. To many, he is the finest Italian poet after Dante. (Jonathan Galassi's translation of Leopardi's *Canti* was published by FSG in 2010.) He was also a prodigious scholar of classical literature and philosophy, and a voracious reader in numerous ancient and modern languages. For most of his writing career, he kept an immense notebook, known as the *Zibaldone*, or "hodge-podge," as Harold Bloom has called it, in which Leopardi put down his original, wide-ranging, radically modern responses to his reading. His

comments about religion, philosophy, language, history, anthropology, astronomy, literature, poetry, and love are unprecedented in their brilliance and suggestiveness, and the *Zibaldone*, which was only published at the turn of the twentieth century, has been recognized as one of the foundational books of modern culture. Its 4,500-plus pages have never been fully translated into English until now, when a team under the auspices of Michael Caesar and Franco D'Intino of the Leopardi Centre in Birmingham, England, have spent years producing a lively, accurate version. This essential book will change our understanding of nineteenth-century culture. This is an extraordinary, epochal publication.

*O.G.P.U. Prison* - Sven Hassel 2010-07-22

The Russian uses his machine pistol like a scythe. Feldwebel remains standing for a fraction of a second. The rain of bullets pours into him, making him twitch violently. He falls to the floor. The Russian grins. There is no doubt that he is enjoying himself. Sven Hassel and his comrades are ordered to take O.G.P.U. Prison in any way they can, even if it means killing the Russians with their bare hands. Armed with flame-throwers and heavy artillery, the 27th

Penal Regiment plan their attack. O.G.P.U. PRISON is one of Sven Hassel's most compulsively readable novels, full of battle scenes, written in the gritty style that Hassel is renowned for.

**Film and Reform** - Ian Aitken 2013-12-13

Best known for his documentaries such as *Drifters*, *North Sea*, and *Housing Problems*, John Grierson was the most important figure in the British documentary film movement and one of the most influential of British film theorists. This major assessment of Grierson and the documentary film movement examines the intellectual and aesthetic influences on his work, focusing on the material he produced in the inter-war years and comparing the idealistic strain of Grierson's social commentary with other social reformists such as the Next Five

Years Group and writers like Orwell and Priestley. Underlining the link between film and reform, the book clarifies the meaning and significance of Grierson's ideas and the historical role of the documentary film movement. Originally published in 1990.
