Why Do I Have to Learn This Stuff? - Kyle
Stevens 2003

One of the most common questions asked by
high-school students is: 'Why do I have to learn
this stuff?' High-school English textbooks answer
this question, with regard to what is taught in
English class anyway, and the answer is what
students have always suspected: There is no
good reason to know much of what they are
being taught. English textbooks are full of such
egregious errors that their publication
demonstrates that one needs no more than a
superficial knowledge of their subject matter to
edit or write for them. If those who are
responsible for introducing students to literary
studies do not need to know the subject,
indifferent adolescents have a right to wonder
why they should bother to do their schoolwork.
Indeed, if teachers are passing on the
information that is being provided by textbook
companies, students may be better off ignoring
their reading assignments. Excerpt The
examination of the lives of Desiderius Erasmus
and Thomas More is particularly revealing of the
kind of ignorance that a book publisher will
accept from its employees. After briefly
reviewing his life and interests, the text notes
that Erasmus was friends with More and points
out that the two friends "had much in common"
(199). This is true enough, but having stumbled
upon the fact that Erasmus and More had much
in common, the text proceeds to explain what
they had in common, and error, egregious as

well as obvious, raises its ugly head. To
determine the commonalities between these two
thinkers, the person working on the text must
have decided that what was true of Erasmus
must also have been true of More. Both thinkers,
the person thus concludes, must have been
"dedicated churchmen" (199). Erasmus was a
churchman: He was a monk. More, by contrast,
was a lawyer who became Lord Chancellor of
England, something mentioned in the text. He
was, in other words, a layman, not a churchman,
despite his refusing to acknowledge that Henry
VIII was Supreme Head of the Church of
England and losing his head for his
intransigence. A churchman, as Catholics
understand the term, is one who has taken
religious vows and become a member of the
clergy, as More considered doing before he
settled into his career as a lawyer. The word
churchman, it is true, began to mean a member
of a Church in the late seventeenth century, but
when it is used in this sense, the word is only
applied to the members of Anglican state
churches throughout the world, that is, The
Church of England, The Church of Ireland, and
so on (OED). Neither Erasmus nor More were
churchman in this sense, both being Catholics,
and anyone in possession of a decent dictionary
could have found that out. Catalogue

Open Sesame - Tom Holt 2012-09-04

There was something wrong! Just as the boiling
water was about to be poured on his head and
the man with the red book appeared and his life
flashed before his eyes, Akram the Terrible, the
most feared thief in Baghdad, knew this had
happened before. Many times. And he was
damned if he was going to let it happen again.
Just because he was a character in a story didn't
mean that it always had to end this way.
Meanwhile, back in Southampton, it's a bit of a
shock for Michelle when she puts on her Aunt
Fatima's ring and the computer and the
telephone start to bitch at her for past
misdemeanors. But that's nothing compared to
the story that her kitchen appliances have to tell
her.

The Better Mousetrap - Tom Holt 2012-09-04

It touches all our lives--our triumphs and tragedies, our proudest achievements, our most traumatic disasters. Alloyed of love and fear, death and fire, and the inscrutable acts of the gods, insurance is indeed the force that binds the universe together. Hardly surprising, therefore, that Frank Carpenter, one of the foremost magical practitioners of our age, felt himself irresistibly drawn to it. Until, that is, he met Jane, a high-flying corporate heroine with an annoying habit of falling out of trees and getting killed. Repeatedly. It's not long before Frank and Jane find themselves face to face with the greatest enigma of our times: When is a door not a door? When it's a mousetrap.

Teaching Emergent Bilingual Students - C.

Patrick Proctor 2016-08-05

Recent educational reform initiatives such as the Common Core State Standards (CCSS) largely fail to address the needs--or tap into the unique resources--of students who are developing literacy skills in both English and a home language. This book discusses ways to meet the challenges that current standards pose for teaching emergent bilingual students in grades K-8. Leading experts describe effective, standards-aligned instructional approaches and programs expressly developed to promote bilingual learners' academic vocabulary, comprehension, speaking, writing, and content learning. Innovative policy recommendations and professional development approaches are also presented.

In Search of Mockingbird - Loretta Ellsworth 2007-04-03

A runaway seeks Harper Lee for answers. Sometimes the things that need to be discovered aren't so easily found at home. Erin is certain that this is true in her case. A book is all that connects Erin to her mother, who died when she was a baby. But how much can Erin really learn about her mother from a tattered copy of *To Kill a Mockingbird*? On the eve of her sixteenth birthday, Erin decides it's finally time to find out. And so begins her bus journey from Minnesota to Alabama in search of Harper Lee, the reclusive author of *To Kill a Mockingbird*. In a novel full of quirky characters, strange coincidences, and on-the-road adventures, *In Search of Mockingbird* by Loretta Ellsworth deftly traces a unique voyage of self-discovery, perfect for fans of *To Kill a Mockingbird* and *Go Set a Watchman*. "Light, contemporary quest story . . . Suggest this as a follow-up to Lee's classic novel." —Booklist "Erin's journey of self-discovery gives her the courage to confront her

own failings and the maturity to accept her father's plans to marry. . . . Readers will root for her while reaching for a copy of *To Kill a Mockingbird*." —Publishers Weekly "Ellsworth makes Erin's unlikely coming-of-age trip convincing. Designed to look like an old journal, the story's searching-for-mother theme should make it especially appealing to older fans of Kate DiCamillo's *Because of Winn Dixie* (2000) and Phyllis Reynolds Naylor's *Alice Books*. An engaging road trip." -Kirkus Reviews
