Edgar Degas, 1834-1917 - Bernd Growe 2001

An introduction to the life and work of nineteenth-century French artist Edgar Degas, discussing his cultural and historical importance, and including a chronology and over one hundred color illustrations with explanatory captions.

Degas' Dancers - Edgar Degas 1992

Degas - Jane Munro 2017

A beautiful celebration of six decades of work by Edgar Degas, published in the centennial year of the artist's death Edgar Degas's (1834-1917) relentless experimentation with technical procedures is a hallmark of his lifelong desire to learn. The numerous iterations of compositions and poses suggest an intense self-discipline, as well as a refusal to accept any creative solution as definitive or finite. Published in the centenary year of the artist's death, this book presents an exceptional array of Degas's work, including paintings, drawings, pastels, etchings, monotypes, counter proofs, and sculpture, with approximately sixty key works from private and public collections in Europe and the United States, some of them published here for the first time. Shown together, the impressive works represent well over half a century of innovation and artistic production. Essays by leading Degas scholars and conservation scientists explore his practice and recurring themes of the human figure and landscape. The book opens with a study of Degas's debt to the Old Masters, and it concludes with a consideration of his artistic legacy and

his influence on leading artists of the 20th and 21st centuries, including Francis Bacon, Frank Auerbach, Ryan Gander, David Hockney, Howard Hodgkin, R. B. Kitaj, Pablo Picasso, and Walter Sickert.

Dover Masterworks: Color Your Own Degas Paintings - Marty Noble
2014-03-19

Thirty works by a renowned 19th-century French Impressionist — among them *A Woman with Chrysanthemums*, *Dancer Resting*, *The Bellelli Family*, *The Procession (At the Race Course)*, *The Millinery Shop*, and *Women Combing Their Hair*.

Degas and Cassatt - The Dance of Solitude - Rubio Salva
2021-12-15T00:00:00+01:00

Founder of the Impressionist movement of which he was one of the most merciless critics, too bohemian for the bourgeois and too bourgeois for the artists, Edgar Degas was a man of many paradoxes. A loner, he loved only one woman without ever courting her. Looking into this unique relationship at the twilight of Degas' life, Efa and Rubio open the pages of the artist's notebooks hoping to unravel the mystery of this genius full of contradictions.

Degas and the Dance - Jill Devonyar 2006-09-01

Seeks to illuminate the themes present in the artist's works, presenting new material about Degas's highly informed relationship with the ballet of the nineteenth century.

Six Degas Ballet Dancers Cards - Edgar Degas 1997-04-01

Six masterly studies by great French painter, painstakingly reproduced in postcard form: *The Dance Examination*, *The Dance Class*, *Dancer in a Rose Dress*, *The Rehearsal*, 2 more. Captions.

A Study of a Dancer, Edgar Degas - The Great Masters 2019-08-14

This beautiful Journal cover with a copy of Edgar Degas's masterpiece - *A study of a Dancer*. This book will be a joy to write in, draw in or dot down those special moments you wish to record. This book will make a lovely gift for women, art teachers, fine art enthusiasts, dancers and people who love all things beautiful. Cream paper, 60 sheets 120 pages 6 inches x 9 inches (handy size to fit in a handbag) Cover is a matte finish

Mapping Degas - Roberta Crisci-Richardson 2015-06-18

The New Art History and the Impressionist canon seem to have successfully claimed Edgar Degas as a misogynist, rabid nationalist and misanthrope whose art was both masterly and experimental. By analysing Degas's approach to space and his self-fashioning attitude towards identity within the ambiguities of the political and artistic culture of nineteenth-century France, this book questions the characterisation of Degas as a right-wing Frenchman and artist, and will change the way in which Degas is thought about today.

Edgar Degas - Richard Thomson 1995

Edgar Degas was one of the great pioneers of modern art, and the J. Paul Getty and Norton Simon museums are fortunate to own jointly one of his finest pastels, *Waiting (L'Attente)*, which he made sometime between 1880 and 1882, about midway in his career. In this fascinating monograph, author Richard Thomson explores this brilliant work in detail, revealing both the intricacies of its composition and the source of the emotional pull it immediately exerts upon the viewer. For *Waiting* is, indeed, an extraordinary object both in its craftsmanship and color and, perhaps most especially, in its aura of ambiguity and even mystery.

Edgar Degas - Edgar Degas 1995

Degas and the Little Dancer - Laurence Anholt 2016-07-07

Marie dreams of becoming the most famous ballerina in the world. When she joins the ballet school in Paris, she notices a fierce man sitting at the side, sketching the dancers. The man is the painter, Edgar Degas, and his clay model of Marie does indeed make her the most famous dancer of all.

Degas, Painter of Ballerinas - Susan Goldman Rubin 2019-04-16

Through Edgar Degas's beloved paintings, drawings, and sculptures, Susan Goldman Rubin conveys the wonder and excitement of the ballet world. Degas is one of the most celebrated painters of the impressionist movement, and his ballerina paintings are among the most favorite of his fans. In his artwork, Degas captures every moment, from the relentless hours of practice to the glamour of appearing on stage, revealing a dancer's journey from novice to prima ballerina. Observing young

students, Degas drew their poses again and again, determined to achieve perfection. The book includes a brief biography of his entire life, endnotes, bibliography, where to see his paintings, and an index.

Little Ballerina - H el ene K erillis 2011

When a ballet student named Laura is late to the opera house she quickly changes into her tutu, but soon she finds that her surroundings have changed and she has become a little nineteenth-century dancer named Rosita.

The Dancer - Annette Dixon 2008

A catalog of artwork from an exhibition at the Portland Art Museum which displays works in which dancers are the subject by Edgar Degas and his students Henri de Toulouse-Lautrec and Jean-Louis Forain.

Degas at the Opera -  tablissement public des mus es d'Orsay et de l'Orangerie (France) 2020

Degas and the Dance - Jill Devonyar 2002-10-02

Seeks to illuminate the themes present in the artist's works, presenting new material about his highly informed relationship with the ballet of the nineteenth century.

Degas - Edgar Degas 2005

A discussion of the work of the French master includes commentary by famous art historians, a critical essay on the artist's life and art, a timeline, and a list of museums where the featured paintings can be found.

Pocket Painters - Clarkson Nott Potter 1994

When you have only a little time, a little money, and a little space, you can still learn a lot about great art with Pocket Painters. Here are the twenty best loved paintings -- in faithful color reproduction -- of Impressionist artist Edgar Degas, who captured grace and emotion in women of all walks of life, especially ballet dancers. The Pocket Painters series is a beautifully designed library of the world's best loved painters. Each volume includes a selection of twenty of the finest examples of the artist's work, carefully reproduced in miniature size.

Dancing with Degas - Julie Merberg 2003-07

A follow-up to *In the Garden with Van Gogh* provides a simple introduction to French artist Edgar Degas and his pastel paintings of ballerinas.

Degas Dancers - Richard Kendall 1996

Shows and discusses selected Degas drawings, pastels, prints, paintings, and sculptures of ballet dancers

Degas Drawings of Dancers - Edgar Degas 2012-04-10

Forty-one full-page, six half-page drawings depict dancers on stage, in the classroom, and at rehearsals. Charming, spirited views of dancers pirouetting, executing grand battements and ports de bras, practicing at the barre, and more.

Memories of Degas - George Moore 2019-04-23

Following a rigorous academic training as a young man, Edgar Degas (1834-1917) brought the traditional methods of a classical history painter to bear on the life and society of his own day in works treating a range of subjects, prominently including the world of dance. This engaging volume brings together intimate portraits of the artist by two of his earliest and most important champions. The Irish writer George Moore (1852-1933) and the German-born English painter Walter Sickert (1860-1942) belonged to a network of British and French writers and artists; through this circle they became friends with Degas, whose Paris haunts and studios they both frequented. Long difficult to find in print, their groundbreaking accounts represent some of the most vivid responses to Impressionism in English and offer fascinating insight into the life and personality of one of the late nineteenth century's most important painters. An introduction by the art historian Anna Gruetzner Robins situates their memoirs, which are supplemented here by vivid color illustrations and historical photographs, in the context of their time.

Edgar Degas - Nathalia Brodskaya 2012-01-17

Degas was closest to Renoir in the impressionist's circle, for both favoured the animated Parisian life of their day as a motif in their paintings. Degas did not attend Gleyre's studio; most likely he first met the future impressionists at the Caf e Guerbois. He started his

apprenticeship in 1853 at the studio of Louis-Ernest Barrias and, beginning in 1854, studied under Louis Lamothe, who revered Ingres above all others, and transmitted his adoration for this master to Edgar Degas. Starting in 1854 Degas travelled frequently to Italy: first to Naples, where he made the acquaintance of his numerous cousins, and then to Rome and Florence, where he copied tirelessly from the Old Masters. His drawings and sketches already revealed very clear preferences: Raphael, Leonardo da Vinci, Michelangelo, and Mantegna, but also Benozzo Gozzoli, Ghirlandaio, Titian, Fra Angelico, Uccello, and Botticelli. During the 1860s and 1870s he became a painter of racecourses, horses and jockeys. His fabulous painter's memory retained the particularities of movement of horses wherever he saw them. After his first rather complex compositions depicting racecourses, Degas learned the art of translating the nobility and elegance of horses, their nervous movements, and the formal beauty of their musculature. Around the middle of the 1860s Degas made yet another discovery. In 1866 he painted his first composition with ballet as a subject, *Mademoiselle Fiocre dans le ballet de la Source* (*Mademoiselle Fiocre in the Ballet 'The Spring'*) (New York, Brooklyn Museum). Degas had always been a devotee of the theatre, but from now on it would become more and more the focus of his art. Degas' first painting devoted solely to the ballet was *Le Foyer de la danse à l'Opéra de la rue Le Peletier* (*The Dancing Anteroom at the Opera on Rue Le Peletier*) (Paris, Musée d'Orsay). In a carefully constructed composition, with groups of figures balancing one another to the left and the right, each ballet dancer is involved in her own activity, each one is moving in a separate manner from the others. Extended observation and an immense number of sketches were essential to executing such a task. This is why Degas moved from the theatre on to the rehearsal halls, where the dancers practised and took their lessons. This was how Degas arrived at the second sphere of that immediate, everyday life that was to interest him. The ballet would remain his passion until the end of his days.

Twelve Degas Dancers Bookmarks - Edgar Degas 2001-01-01

Enchanting markers include details from 12 of the famed French artist's

finest paintings, among them *Dancer at the Bar*; *Frieze of Dancers*; *Dancer with Bouquet*, *Curtseying*, and 9 others.

[Edgar Degas the Dance Class Journal](#) - Epic Love Books 2019-04-09
Edgar Degas *The Dance Class Journal*. Beautiful vintage impressionist painting from the 1800s by the famous painter Degas on a lovely dancer notebook. This art portrait features ballerina dancers in green tones during class. 100 page blank lined book.

Degas and the Ballet - Jill Devonyar 2011-11-01

Using drawings, pastels, paintings, prints, sculpture and photographs taken by Degas and his contemporaries, as well as samples of film from the period, this visually stunning volume explores how the artist was influenced by the then-new mediums of photography and film.

Degas and the Dance - Susan Goldman Rubin 2002-10

Explores the life and work of the nineteenth-century French artist who devoted most of his artwork to the subject of ballet.

Little Dancer Aged Fourteen - Camille Laurens 2018-11-20

This absorbing, heartfelt work uncovers the story of the real dancer behind Degas's now-iconic sculpture, and the struggles of late nineteenth-century Parisian life. She is famous throughout the world, but how many know her name? You can admire her figure in Washington, Paris, London, New York, Dresden, or Copenhagen, but where is her grave? We know only her age, fourteen, and the work that she did—because it was already grueling work, at an age when children today are sent to school. In the 1880s, she danced as a “little rat” at the Paris Opera, and what is often a dream for young girls now wasn't a dream for her. She was fired after several years of intense labor; the director had had enough of her repeated absences. She had been working another job, even two, because the few pennies the Opera paid weren't enough to keep her and her family fed. She was a model, posing for painters or sculptors—among them Edgar Degas. Drawing on a wealth of historical material as well as her own love of ballet and personal experiences of loss, Camille Laurens presents a compelling, compassionate portrait of Marie van Goethem and the world she inhabited that shows the importance of those who have traditionally been

overlooked in the study of art.

Little Dancer Aged Fourteen - Camille Laurens 2018-11-20

This absorbing, heartfelt work uncovers the story of the real dancer behind Degas's now-iconic sculpture, shedding light on the struggles of late nineteenth-century Parisian life. She is famous throughout the world, but how many know her name? You can admire her figure in Washington, Paris, London, New York, Dresden, or Copenhagen, but where is her grave? We know only her age, fourteen, and the work that she did—because it was already grueling work, at an age when children today are sent to school. She was fired after several years of intense labor; the director had had enough of her repeated absences. She had been working another job, even two, because the few pennies the Opera paid weren't enough to keep her and her family fed. She was a model, posing for painters or sculptors—among them Edgar Degas. Drawing on a wealth of historical material as well as her own love of ballet and personal experiences of loss, Camille Laurens presents a compelling, compassionate portrait of Marie van Goethem and the world she inhabited that shows the importance of those who have traditionally been overlooked in the study of art.

Degas's Dancers at the Barre - Phillips Collection 2011

Issued in connection with an exhibition held Oct. 1, 2011-Jan. 8, 2012, Phillips Collection, Washington, D.C.

Edgar Degas: Paintings That Dance - Maryann Cocca-Leffler 2001-10-01

Edgar Degas is famous for his paintings of ballerinas, and that's what first attracts Kristin to his artwork. But as she studies him for her report, she discovers that his art ranged far beyond the ballet and she gradually learns exactly what makes Degas's work so unique.

Degas' Drawings - H. G. E. Degas 2012-07-16

Carefully reproduced from a rare 1923 limited edition, most of these magnificent drawings are unavailable elsewhere in published form. Dancers, nudes, portraits, travel scenes, and more. 100 drawings,

including 8 in full color.

Dancing for Degas - Kathryn Wagner 2010-03-16

In the City of Lights, at the dawn of a new age, begins an unforgettable story of great love, great art—and the most painful choices of the heart. With this fresh and vibrantly imagined portrait of the Impressionist artist Edgar Degas, readers are transported through the eyes of a young Parisian ballerina to an era of light and movement. An ambitious and enterprising farm girl, Alexandrie joins the prestigious Paris Opera ballet with hopes of securing not only her place in society but her family's financial future. Her plan is soon derailed, however, when she falls in love with the enigmatic artist whose paintings of the offstage lives of the ballerinas scandalized society and revolutionized the art world. As Alexandrie is drawn deeper into Degas's art and Paris's secrets, will she risk everything for her dreams of love and of becoming the ballet's star dancer?

Edgar Degas (1834-1917) - Jp Calosse 2019-12-09

Degas was a French artist famous for his work in painting, sculpture, printmaking, and drawing. His career was long and his style, unlike that of most famous artists who worked into their old age, never ceased developing. He is regarded as one of the founders of Impressionism and is especially identified with the subject of dance (over half of his works depict dancers such as The Dance Class or the sculpture Little Ballet Dancer). These display his mastery in the depiction of movement, as do his less common themes of horse racing and female nudes (After the Bath). His portraits are considered to be among the finest in the history of art. His work was strongly influenced by Ingres and Delacroix combining the expressive qualities of Ingres with the colour of Delacroix. *Degas by Himself Handbook* - Richard (Editor) Kendall 2004

Degas at the Opera - Henri Loyrette 2020-05-05

A lavish new investigation into the Paris Opera's influence on Edgar Degas's painting. From his debut in the 1860s up to his final works after 1900, the Paris Opera formed a focal point of Edgar Degas's paintings. He explored the theater's various spaces—auditorium and stage, private

boxes, foyers, and dance studios—and painted those who frequented them: dancers, singers, orchestral musicians, audience members, and subscribers watching from the wings. This theater presented a microcosm of infinite possibilities, allowing him to experiment with multiple points of view, contrasting lighting, motion, and the precision of movement. This catalog, created in concert with an exhibition at the Musée d'Orsay in Paris, and the National Gallery of Art in Washington, DC, considers the Paris Opera's influence on Degas as a whole, examining not only his passionate relationship with the house and his musical tastes, but also the infinite resources of the opera's marvelous toolbox. Filled with striking reproductions of Degas's work and including insightful essays by leading curators and scholars, Degas at the Opera offers admission into the world of Degas and the Paris Opera of the nineteenth century.

Edgar Degas: Paintings in Close Up - Annabelle Thornhill 2015-01-06
Edgar Degas seems never to have reconciled himself to the label of "Impressionist," preferring to call himself a "Realist" or "Independent." Nevertheless, he was one of the group's founders, an organizer of its

exhibitions, and one of its most important core members. Like the Impressionists, he sought to capture fleeting moments in the flow of modern life, yet he showed little interest in painting plain air landscapes, favoring scenes in theaters and cafes illuminated by artificial light, which he used to clarify the contours of his figures, adhering to his Academic training. He is especially identified with the subject of dance; more than half of his works depict dancers. He also was a superb draftsman, and particularly masterful in depicting movement, as can be seen in his interpretations of dancers and female nudes. His portraits are notable for their psychological complexity and for their portrayal of human isolation.

Edgar Degas - Alix Wood 2014-12-15

Edgar Degas was a French artist who rose to fame in the late 1800s. His paintings and sculptures of both horses and dancers are still known throughout the world today. Readers explore Degas's life by taking an in-depth look at some of his most famous works of art. Facts about this artist and the techniques he employed are presented alongside historical images as well as images of Degas's masterpieces. Sidebars provide additional information about the life and work of one of the founders of Impressionism.
