Disciple IV - Abingdon Press 2005-05

DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

Sociocultural Anthropology - Barbara Miller 2019-12-12

This is the first multi-volume collection of major writings on cultural anthropology, the sub-field of anthropology which is concerned with how people in different places live and understand the world around them. It covers key methodologies (participant observation, ethnography) and topics (kinship, ritual, values) and maps the development of the field from its beginnings in the mid-nineteenth century through to recent and current debates on the 'critique of anthropology' and the rise of new methodologies such as multi-sited research. The four volumes are arranged thematically and each is separately introduced. Drawing upon

essays from anthropology and related disciplines, the volumes together chart the origins of the field, explore its core theories and methods, and trace the proliferation of sub-fields that it has generated, including anthropology of art, urban anthropology, medical anthropology and the anthropology of gender and sexuality. With key texts from James George Frazer, Lewis Henry Morgan, Bronislaw Malinowski, Franz Boas, Ruth Benedict, Margaret Mead, Lucy Mair, Claude Levi Strauss, Melford Spiro, Marshall Sahlins, Laura Nader, Maurice Godelier, David Graeber, Suad Joseph and many more, this set is an essential resource for scholars and students of the subject.

The Hanoverian Dimension in British History, 1714-1837 - Brendan Simms 2007-02-08

For more than 120 years (1714-1837) Great Britain was linked to the German Electorate, later Kingdom, of Hanover through Personal Union. This made Britain a continental European state in many respects, and diluted her sense of insular apartness. The geopolitical focus of Britain was now as much on Germany, on the Elbe and the Weser as it was on the Channel or overseas. At the same time, the Hanoverian connection was a major and highly controversial factor in British high politics and popular political debate. This volume was the first systematically to explore the subject by a team of experts drawn from the UK, US and Germany. They integrate the burgeoning specialist literature on aspects of the Personal Union into the broader history of eighteenth- and early nineteenth-century Britain. Never before had the impact of the Hanoverian connection on British politics, monarchy and the public sphere, been so thoroughly investigated.
