Presenting hundreds of ideas, this all-in-one book is divided into six sections: "Art" spotlights titles that are natural hooks for art or craft activities alongside ideas on how to create art just like the character in the story, while an appendix includes art patterns that can be used as coloring sheets; "Games" includes searching games, follow-the-leader games, and guessing games to enhance the books in this section; "Movement" features books that kids can jump, stomp, clap, chomp, waddle, parade, wiggle, and stretch with; "Music" chooses books perfect for activities like shaking a maraca, singing, dancing between the pages, and creating new sound effects; "Playacting" lets kids pretend along with the characters in these books, whether it's washing their face, swimming

with fish, or hunting a lion; “Props” encourages storytime leaders to bring out their puppets, flannelboard pieces, and scarves—these books have enough props for everyone in the program to have a part.
