Meeting St. Mark Today -

Daniel J. Harrington

2011-11-01

A clear, concise, and respectful presentation of Mark's Gospel—and what Jesus' suffering means for us Daniel J. Harrington, SJ, is well known for his superb New Testament

scholarship, but he is also highly regarded for his exceptional ability to bridge the gap between modern biblical scholarship and authentic Christian spirituality. In *Meeting St. Mark Today*, the final book in this series on the Gospels, Harrington has provided another straightforward, practical resource for lay Catholics who want a better understanding of this synoptic Gospel. The book begins with background information on the Evangelist and his Gospel. It moves quickly into a concise but complete narrative analysis of the Gospel, which clearly demonstrates the human side of Jesus. Part Three of the book explains how Mark's Gospel provides answers to two essential questions: What did Jesus suffer?, and Why did Jesus suffer? It also proposes answers to the universal question, Why do people suffer? The book's final section includes five meditations on suffering, based on lectionary readings from Year B (St. Mark) in the Sunday lectionary

cycle. Each chapter concludes with questions for reflection and discussion, making Meeting St. Mark Today an ideal resource for individual Scripture study or group Bible study. The readings from Mark's Gospel for all Sundays and Feasts in Cycle B are listed at the end of the book.

Ultimately, Meeting St. Mark Today opens the theological treasure chest of this easily overlooked Gospel, enabling us to see how Jesus' suffering and the mystery of the cross can reshape our faith and our lives.

In this addition to the Catholic Commentary on Sacred Scripture, two well-respected New Testament scholars interpret the Gospel of John in its historical and literary setting as well as in light of the Church's doctrinal, liturgical, and spiritual tradition. They unpack the wisdom of the Fourth Gospel for the intellectual and spiritual transformation of its readers and connect the Gospel with a range of witnesses throughout the whole history of Catholicism. This volume, like each in the series, is supplemented by features designed to help readers understand the Bible more deeply and use it more effectively in teaching, preaching, evangelization, and other forms of ministry.

The Gospel of John in Modern Interpretation - Stanley E.

Porter 2018-10-30

The Gospel of John in Modern Interpretation provides a unique look at the lives and work of eight interpreters who have significantly influenced Johannine studies over the last two centuries. The chapters contain short biographical sketches of the scholars that illuminate their personal and academic lives, followed by summaries and evaluations of their major works, and concluding with an analysis of the ongoing relevance of their work in contemporary Johannine scholarship. Key thinkers surveyed include C. H. Dodd, Rudolph Bultmann, Raymond Brown, Leon Morris, and R. Alan Culpepper. An introduction and conclusion by general editors Stanley Porter and Ron Fay trace the development of Johannine scholarship from F. C. Baur to the present, and examine how these eight scholars' contributions to Johannine studies have shaped the field. Anyone interested in the recent

history of the study of John will find this volume indispensable.

St. John's Gospel - Stephen K. Ray 2002

As Catholics in ever-growing numbers are taking part in Bible studies, many questions arise. How do I study the Bible? Where do I begin? Is it OK to interpret the Bible for ourselves? What Bible should I use? How can I understand such a deep book as the Gospel of St. John? How can I be guided in my studies?

Commentary on the Gospel of John - Theodore of

Mopsuestia 2010-03-26

Theodore of Mopsuestia serves as one of the most important exemplars of Antiochene exegesis of his generation. While charges of heterodoxy against Theodore

may not be entirely justified, there remains an apparent dualism in his Christology that should be critically viewed in light of the later Chalcedonian formula. With this caution, there still remains much that is valuable for contemporary readers, whether preachers, students or lay people interested in the early church's understanding of the Gospel of John. Here for the first time is a complete English translation of this valuable work, ably translated by Marco Conti and edited by Joel C. Elowsky.

The Interpretation of St. John's Gospel 11-21 - R. C. H. Lenski 1942

This item is part of: Lenski New Testament: In Twenty Volumes. Pastors and students of the Bible who seek deep and detailed engagement with the text of the New Testament have long relied on R.C.H. Lenski's classic text now available again. Even though its historical-critical work has been surpassed, the strong

narrative quality, accessibility, and "holy reverence for the Word of God" (Moody Monthly) of Lenski's work have allowed his commentary to continue as an excellent resource for serious study of the New Testament and sermon preparation.

The Gospel According to John and the Johannine Letters - Scott M. Lewis 2016-12-01

Thought-provoking and understandable, Scott M. Lewis, SJ, breaks the Gospel of John down into manageable sections with commentary vital to new and returning readers. Using themes from John's

prologue to provide a focus, Lewis encourages his readers to question and ponder, rather than gloss over, this deceptively simple text. The Gospel According to John and the Johannine Letters offers a brief commentary, incorporating recent scholarship, with a general approach. Ideally suited for Bible study groups as well as individual reflection, it is accessible to a broad range of people. Scott M. Lewis, SJ, STD, is associate professor of New Testament at Regis College, Toronto, Ontario, and is engaged in retreat ministry.

The Gospel of Luke (Catholic Commentary on Sacred Scripture) - Pablo T. Gadenz 2018-09-18

In this addition to the successful Catholic Commentary on Sacred Scripture series, Fr. Pablo Gadenz examines the Gospel of Luke from within the living tradition of the Church for pastoral ministers, lay readers, and students alike. Gadenz explains the biblical text clearly and concisely in light of

recent scholarship and pays particular attention to the themes, theology, and Old Testament background of Luke's Gospel. Sidebars explain the biblical background and offer theological insights from Church fathers, saints, and popes, and reflection and application sections offer suggestions for daily Christian living.

John's Wisdom - Ben

Witherington 1995-01-01

Jesus as depicted in the Fourth Gospel is remarkably dissimilar to the Jesus found in the synoptic gospels. In this book, Witherington places the Gospel of John within its proper literary, historical, social and theological contexts. What emerges is a compelling argument that the Gospel of John has an agenda for mission, in addition to concerns for discipleship and community life.

The Gospel According to

John - D. A. Carson 1991

This commentary seeks above all to explain the text of John's Gospel to those whose privilege and responsibility it is to

minister the Word of God to others, to preach and to lead Bible studies. I have tried to include the kind of information they need to know, but to do so in such a way that the informed layperson could also use the work in personal study of the Bible, exclusively for purposes of personal growth in edification and understanding. In particular, I have attempted: (1) To make clear the flow of the text. (2) To engage a small but representative part of the massive secondary literature on John. (3) To draw a few lines towards establishing how the Fourth Gospel contributes to biblical and systematic theology. (4) To offer a consistent exposition of John's Gospel as an evangelistic Gospel. - Preface.

Life Abounding - Brendan

Byrne 2014-08-06

The fourth gospel addresses the thirst for life that lies at the depth of every human heart. The life in question is not just physical life but the "more abundant life" (John 10:10) that is nothing less than a share in the "eternal life" of

the divine communion of love. In *Life Abounding*, Brendan Byrne, SJ, facilitates a reading of John for readers today so that it may move them from mere existence to a conscious sense of sharing the divine eternal life—and the joy that goes with it. The reading of the Fourth Gospel offered here remains conscious of the difficulties John presents on several fronts for contemporary readers. Byrne explains the text in a way that is critical yet sensitive to the gospel's distinctive character and the untapped treasures it may yet contain for theology and spirituality today. This volume represents the completion of Byrne's highly successful series of books on the four gospels, which have proven to be rich resources for preachers, teachers, and all who desire a more profound understanding of the life of Jesus as it is presented in the gospels.

Wisdom Commentary: John 1-10 - Mary L Coloe, PBVM
2021-07-15
Teaching and researching the Gospel of John for thirty years

has led author Mary L. Coloe to an awareness of the importance of the wisdom literature to make sense of Johannine theology, language, and symbolism: in the prologue, with Nicodemus, in the Bread of Life discourse, with Mary and Lazarus, and in the culminating "Hour." She also shows how the late Second Temple theology expressed in the books of Sirach and Wisdom, considered deuterocanonical and omitted from some Bible editions, are essential intertexts. Only the book of Wisdom speaks of "the reign of God" (Wis 10:10), "eternity life" (Wis 5:15), and the ambrosia maintaining angelic life (Wis 19:21)—all concepts found in John's Gospel. While the Gospel explicitly states the Logos was enfleshed in Jesus, this is also true of Sophia. Coloe makes the case that Jesus's words and deeds embody Sophia throughout the narrative. At the beginning of each chapter Coloe provides text from the later wisdom books that resonate with the Gospel

passage, drawing Sophia out of the shadows.

The Gospel of John -

Frederick Dale Bruner

2012-02-22

The author of a much-loved two volume Matthew commentary (1990) that he greatly revised and expanded fourteen years later, Frederick Dale Bruner now offers *The Gospel of John: A Commentary* -- more rich fruit of his lifetime of study and teaching. Rather than relying primarily on recent scholarship, Bruner honors and draws from the church's major John commentators throughout history, including Augustine, Chrysostom, Aquinas, Luther, Calvin, Bultmann, Barrett, and many more. Alongside this "historical interpretation" is Bruner's own contemporary interpretation, which incorporates a lucid translation of the text, references to recent scholarship, and his pastoral application of the Gospel to present-day experience. Like Bruner's other work, this commentary is rich in biblical insights, broadly historical, and deeply theological. Here is

what Eugene Peterson said about Bruner's earlier work on Matthew: "This is the kind of commentary I most want -- a theological wrestling with Scripture. Frederick Dale Bruner grapples with the text not only as a technical exegete (although he does that very well) but as a church theologian, caring passionately about what these words tell us about God and ourselves. His Matthew commentary is in the grand traditions of Augustine, Calvin, and Luther -- expansive and leisurely, loving the text, the people in it, and the Christians who read it." The same could well be said about the present John commentary, which promises to be another invaluable resource for pastors, teachers, and laypeople alike.

Come to the Light - Brendan Byrne, SJ 2021-07-15

These profound and inspiring reflections on the Gospel of John will open to preachers, religious, and parish groups interested in Scripture, the treasures that the Fourth Gospel contains for the life of the world. Brendan Byrne

draws on the insights in Life Abounding, his academic commentary on the Fourth Gospel, to enrich the understanding of non-scholars in Come to the Light. Discussion questions provided at the end of each talk serve as a starting point for the reader's personal contemplation.

The Gospel of John - David F. Ford 2021-12-07

John is a Gospel of abundant truth, life, and love. David Ford, one of the world's leading Christian theologians, invites readers into a fresh, profound encounter with Jesus through the Gospel of John in this comprehensive theological commentary. This commentary will appeal to a wide audience, including pastors, church leaders, and other readers interested in the intersection of theology and spirituality. It will also be of interest to professors and students doing research on John and the reception of the Gospel in Christian theology.

[The Historical Reliability of John's Gospel](#) - Craig L.

Blomberg 2011-10-20

Because the twentieth century

search for the historical Jesus so heavily favored the Synoptic Gospels, we are long overdue for a reassessment of the evidence presented in the Gospel of John. Craig L. Blomberg offers a foundational introduction and commentary, focusing with intelligence and care on the historicity of John's Gospel.

Mary's Voice in the Gospel According to John - Michael Pakaluk 2021-02-16

A New Light on John's Gospel
The Gospel according to John has always been recognized as different from the "synoptic" accounts of Matthew, Mark, and Luke. But what explains the difference? In this new translation and verse-by-verse commentary, Michael Pakaluk suggests an answer and unlocks a two-thousand-year-old mystery. Mary's Voice in the Gospel according to John reveals the subtle but powerful influence of the Mother of Jesus on the fourth Gospel. In his dying words, Jesus committed his Mother to the care of John, the beloved disciple, who "from that hour .

.. took her into his own home.” Pakaluk draws out the implications of that detail, which have been overlooked for centuries. In Mary’s remaining years on earth, what would she and John have talked about? Surely no subject was as close to their hearts as the words and deeds of Jesus. Mary’s unique perspective and intimate knowledge of her Son must have shaped the account of Jesus’ life that John would eventually compose. With the same scholarship, imagination, and fidelity that he applied to Mark’s Gospel in *The Memoirs of St. Peter*, Pakaluk brings out the voice of Mary in John’s, from the famous prologue about the Incarnation of the Word to the Evangelist’s closing avowal of the reliability of his account. This remarkably fresh translation and commentary will deepen your understanding of the most sublime book of the New Testament.

Gospel According to St John

- Andrew Lincoln 2005-11-25
The magnificent series of biblical commentaries known as Black's New Testament Commentaries (BNTC) under the General Editorship of Professor Morna Hooker has had a gap for far too long - it has lacked an up to date commentary on the Fourth Gospel. Professor Andrew Lincoln now fills this gap with his excellent new commentary. The key questions for scholars are gone into thoroughly-

questions of historicity, the use of historical traditions and sources, relationship to the Synoptics, authorship, setting, first readers and Professor Lincoln makes his own position on these issues abundantly clear. The Fourth Gospel raises a number of problems generally known as The Johannine Question. According to tradition the Gospel was written by St John the Apostle. The authenticity of the tradition is examined in the introduction but the textual issues are examined within the commentary itself. For example one problem is that Chapters 15 and 16 seem in early versions to have preceded chapter 14. Chapter 21 must have been a later addition. The purpose of the Gospel as stated in Chapter 20 v 31 is to strengthen the reader's faith in Jesus as the Christ and the Son of God. But even the celebrated prologue has given rise to much speculation, whereas most commentators believe it is the key to the Gospel as a whole. These issues are meat and drink to scholars but in

Professor Lincoln's expert hands they are extremely interesting and highly pertinent to our contemporary understanding of the Gospel.

A Commentary on the Gospel of John - Johannes

Beutler 2017

New Testament scholar Johannes Beutler brings together a lifetime of study and reflection in this acclaimed commentary, first published in German in 2013 and now available to English-speaking audiences for the first time. Moving through the Gospel of John with a careful and critical eye, Beutler engages the relevant primary and secondary sources; summarizes the existing discussion; and presents syntactic, semantic, and pragmatic analyses of the text. As he meticulously examines the Fourth Gospel, Beutler pays special attention to the influence of Old Testament and Early Jewish traditions, to the overall structure of the Gospel of John, and to evidence suggesting a later stratum of contextualized "re-readings" in the

composition of the Gospel. Bold, literary, and theological, this volume represents a landmark work of German biblical scholarship.

Conversations with Scripture - Cynthia Kittredge 2007-09

For contemporary Christians, John's Gospel is a paradox. On the one hand, it stresses boundaries: No one comes to the Father except through me, while on the other it stresses community: I have no longer called you servants, but friends. Here, readers are encouraged to draw out the tensions between these two perspectives to make the gospel more meaningful to their lives.
