The Severe Style of Ancient Greek Art - Art History for Kids | Children's Art Books - Baby Professor 2017-05-15

The Ancient Greeks didn't just excel in math and philosophy. They also soared when it came to art. Art history is a refreshing way of knowing the local culture, customs and traditions. It details the truths of the world and myths, too. Without art, history will be boring and handing it down from one generation to the next will prove to be a challenge.

Children and Childhood in Classical Athens - Mark Golden 1993-02
 "Mark Golden has produced a superb book, an important substantive and methodological contribution to the social history of ancient Athens and a model for comparable studies." -- American Historical Review
It's All Greek to Me #8 - Jon Scieszka 2004-04-26

Everyone's favorite time-travelers are changing their styles! The Time Warp Trio series now features a brand-new, eye-catching design, sure to appeal to longtime fans, and those new to Jon Scieszka's wacky brand of humor.

Greek Myths - DK 2020-07-14

This collection contains more than 30 enthralling new retellings of favorite myths as well as some you might not have heard before! Including Theseus and the Minotaur, The Twelve Labors of Heracles, and the escapades of Jason and the Argonauts, each myth is told in engaging modern language, which is easy for children to understand yet still retains the humor and intrigue of the original tales. Stunning illustrations by multi-award winning artist Katie Ponder breathe new life into each classic story. Additional feature pages delve deeper into the mythical world, providing profiles of the gods. The reference section provides key background information, such as Ancient Greek storytelling and the incredible beasts of the myths, and a pronunciation guide. Greek Myths is the perfect gift, featuring foil on the cover and beautiful illustrations throughout. Children will love exploring the tales by themselves or as bedtime stories. It will be treasured forever.

If I Were a Kid in Ancient Greece - Lou Waryncia 2007-02

Describes what life was like for children in ancient Greece, discussing education, entertainment, food, and religion.

Ancient History for Kids - Captivating History 2022-02-26

Three captivating manuscripts in one book: Ancient Greece for Kids: A

Captivating Guide to Greek History, from the Mycenaean Civilization and the Trojan War through the Golden Age of Pericles to the Hellenistic Era and Roman Conquests Ancient Rome for Kids: A Captivating Guide to Roman History, from the Rise of the Republic through the Roman Empire to Byzantium Ancient Egypt for Kids: A Captivating Guide to Egyptian History, from the Early Dynastic Period through the Early, Middle, and Late Kingdom to the Death of Cleopatra Come dive into the world of the Ancient Greeks! From their myths and culture to their wars and ultimate defeat by the Romans, part one of this book covers it all! Both parents and children will enjoy learning what made Ancient Greece such an amazing civilization and seeing why the modern world owes them so much. In part two of this book, you will travel back to Ancient Egypt, when kings were considered gods, pharaohs built towering pyramids, great battles were fought, and the world as we know it today was formed. Exciting images and maps help you to imagine yourself there and become an expert in no time! In this part three of this book, you will travel back to Ancient Rome, where gladiators fought in the famous Colosseum, emperors were murdered to make way for new emperors, calendars were created, and Greek mythology was re-made into Roman mythology! Have fun seeing what's left of this amazing society as you explore ancient ruins and war maps! Some of the topics covered in part one of this book include: Greek cities rocked! The Face that launched 1,000 ships Achilles - and his famous heel The Olympic Games - no prizes for second and third place! From Dark Ages to the Golden Age - and back again Draco's severe punishment system The original Spartans - their story Only seven years old - and in military school? BC versus BCE, AD versus CE - why, and what's the difference? Longbows and bronze shields - who won? Pericles, Athena, and the Parthenon The Peloponnesian Wars? And much, much more! Some of the topics covered in part two of this book include: How elephants helped win an important battle The island that two cities fought for How we use the same type of government used back then Plebeians and Patricians - which would you want to be? Why? How did a great talker become so important? Why a city started another war with the city it had just beaten! When the

Romans met the Greeks Everyone was a citizen, except for . . . can you guess? Changing your name - everyone did it! This Cleopatra - or THAT Cleopatra? And so much more! Some of the topics covered in part three of this book include: The longest river in the world - and it runs backward! Kings or Pharaohs - which came first? Menes and the Narmer Palette - what's the big deal? Gods and Kings - or both? Sunsets, underworlds, and tombs The first pyramid ever built in Ancient Egypt Sneferu's mistake The Great Pyramid of Giza - the tallest structure on earth until . . . Pharaohs of the Middle Kingdom King Senusret III - The "Warrior King" Amenemhat's labyrinth - with over 3,000 rooms! The Hyksos - a painting ends a theory Ramesses II - Why so popular? Here come the Assyrians and Persians - uh oh... Alexander the Great Cleopatra - why she married her 12-year-old brother And so much more! Children in Greek Tragedy - Emma M. Griffiths 2020-02

Astyanax is thrown from the walls of Troy; Medeia kills her children as an act of vengeance against her husband; Aias reflects with sorrow on his son's inheritance, yet kills himself and leaves Eurysakes vulnerable to his enemies. The pathos created by threats to children is a notable feature of Greek tragedy, but does not in itself explain the broad range of situations in which the ancient playwrights chose to employ such threats. Rather than casting children in tragedy as simple figures of pathos, this volume proposes a new paradigm to understand their roles, emphasizing their dangerous potential as the future adults of myth. Although they are largely silent, passive figures on stage, children exert a dramatic force that transcends their limited physical presence, and are in fact theatrically complex creations who pose a danger to the major characters. Their multiple projected lives create dramatic palimpsests which are paradoxically more significant than their immediate emotional effects: children are never killed because of their immediate weakness, but because of their potential strength. This re-evaluation of the

significance of child characters in Greek tragedy draws on a fresh examination of the evidence for child actors in fifth-century Athens, which concludes that the physical presence of children was a significant factor in their presentation. However, child roles can only be fully appreciated as theatrical phenomena, utilizing the inherent ambiguities of drama: as such, case studies of particular plays and playwrights are underpinned by detailed analysis of staging considerations, opening up new avenues for interpretation and challenging traditional models of children in tragedy.

Introduction to Greek Mythology for Kids - Richard Marcus
 2021-05-11

Discover the exciting and fascinating world of Greek and Roman gods, goddesses, monsters, and heroes, from Zeus and Athena to Hercules, Medusa, and more! Take a journey through Mount Olympus, Ancient Greece, and Ancient Rome with this collection of the greatest tales found in Greek and Roman mythology. From origin stories to family drama, you'll learn about the most powerful Olympic gods including Zeus, Hera, Poseidon, Athena, Apollo, Artemis, Aphrodite, Hades, and more. But this book has more than just gods and goddesses! You'll also discover the dangerous and intriguing world of ancient monsters, fantastical creatures, and mortal heroes that populate some of the most awesome stories from the time, including: Atlas, who carries the weight of the world on his shoulders Kronos, a Titan who swallows his newborn children Persephone, a kidnapped goddess who becomes queen of the Underworld Minotaur, a half-bull, half-man imprisoned in a labyrinth Hydra, a poisonous serpent who grows two heads when one is severed Sirens, sea nymphs whose irresistible singing lures sailors to their doom All of these tales and more are written in a fun, kid-friendly manner, perfect for children interested in history or for fans of the Percy Jackson series.

It explains the strength of a mother's love and the consequences of trying to run away from the fear of retribution. Will your fourth grader understand the story of Cronus? Find out today!

Baby and Child Heroes in Ancient Greece - Associate Professor of Classical Studies Corinne Ondine Pache 2004

"Baby and Child Heroes in Ancient Greece is the first systematic study of the considerable number of Greek babies and children who became enduring myths, objects of worship, and the recipients of sacrifice."

"Examining literary, pictorial, and numismatic representations, Pache opens up a vast territory once occupied by children such as Charila,

Opheltes, Melikertes, and the children of Hercules and Medea. She argues that the stories, songs, and sanctuaries honoring these heroes express parental fears and guilt about children's death."--Jacket.

The Fabulous Lost & Found and the Little Greek Mouse - Mark Pallis 2020-06

A little mouse has lost something precious but can only speak Greek. Can you help? Laugh as you learn 50 Greek words with this fun, heartwarming English Greek children's book.

Who Was Hercules? Greek Mythology for Kids Children's Greek & Roman Books - Baby Professor 2017-03-15

Reading stories of powerful creatures never fail to attract a child's attention. Made-up worlds are simply too fantastic to ignore. But did you know that myths are different because they also hold clues on the culture and tradition of a certain country? The popularity of these stories is the secret of the survival of the local customs and traditions. In this book, let's talk about Hercules.

My First Greek Letters - Myrto Kyprianidi 2017-12

This book is aimed at 5-7 years old children who learn Greek as a second language and whose both or one parent is a Greek speaker. Through my experience and in-depth observation on this group of students at Greek schools in Greece and in San Francisco, I identified and documented the unique educational needs of this specific group of students. Based on this observation arose the need for a teaching tool - handbook for children who learn the Greek language as a second or a foreign language. The main concern and goal for this book was it to be enjoyable for every student and easy-to-use, while at the same time ensuring that the student works effectively, independently, confidently and structured, regarding the learning objectives set. This book aspires to support educators who are teaching Greek to Greek-as-a-second or foreign language students. My goal is through this textbook to ensure a pleasant and friendly experience to the student, allowing for effective, independent, and structured, learning. Through this book, the student will: be introduced to the Greek Alphabet. recognize the Sound - Letter correspondences [relationships between sounds (or phonemes) and the letters (or graphemes)]. learn the shape and morphology of each letter as well as how it is written. learn basic vocabulary associated with each letter. practice visual and auditory recognition of the letters. write correctly every letter of the Greek Alphabet. spell and by finishing the book also read small words. enrich the vocabulary and broaden his/her imagination, with the stories at the end of every letter - unit. The main focus of this handbook is the Greek Alphabet, presented in various forms of activities that promote the experiential learning method and language development. Among other activities in the book, students are asked to phonetically identify the letters of the Alphabet and match them to visual images as well as to the respective letter. This way students practice and build vocabulary and spelling skills. Additionally, by using the included interactive software, students are given the opportunity to interact independently and actively with the alphabet. In addition, students can color in pictures at the book related to each letter of the alphabet. Approaching learning from a variety of learning styles students increase

their ability to learn and improve their learning strategies and skills.

Children of the Greek Civil War - Loring M. Danforth 2011-10-28

At the height of the Greek Civil War in 1948, thirty-eight thousand children were evacuated from their homes in the mountains of northern Greece. The Greek Communist Party relocated half of them to orphanages in Eastern Europe, while their adversaries in the national government placed the rest in children's homes elsewhere in Greece. A point of contention during the Cold War, this controversial episode continues to fuel tensions between Greeks and Macedonians and within Greek society itself. Loring M. Danforth and Riki Van Boeschoten present

here for the first time a comprehensive study of the two evacuation programs and the lives of the children they forever transformed. Marshalling archival records, oral histories, and ethnographic fieldwork, the authors analyze the evacuation process, the political conflict surrounding it, the children's upbringing, and their fates as adults cut off from their parents and their homeland. They also give voice to seven refugee children who poignantly recount their childhood experiences and heroic efforts to construct new lives in diaspora communities throughout the world. A much-needed corrective to previous historical accounts, *Children of the Greek Civil War* is also a searching examination of the enduring effects of displacement on the lives of refugee children.
