The Opposite of Here - Tara Altebrando 2018-06-05

McManus, New York Times bestselling author of *One of Us Is Lying* There's no hiding on a cruise ship--not even from yourself. Natalie's parents are taking her and her three best friends on a cruise for her seventeenth birthday. A sail-a-bration, they call it. But it's only been a few short months since Natalie's boyfriend died in a tragic accident, and she wants to be anywhere but here. Then she meets a guy on the first night and sparks fly. After a moonlit conversation on a secluded deck of the ship, Natalie pops down to her cabin to get her swimsuit so they can go for a dip. But when she returns, he's gone. Something he said makes

her think he might have . . . jumped? No, he couldn't have. But why do her friends think she's crazy for wanting to make sure he's okay? Also, why do they seem to be hiding something from her? And how can she find him when she doesn't even know his name? Most importantly, why is the captain on the intercom announcing the urgent need for a headcount? With her signature thrilling storytelling, the author of *The Leaving* and *The Possible* explores our vulnerability to the power of suggestion--and the lies we tell others and ourselves--in a twisting, Hitchcock-inspired mystery with high stakes and dark secrets.

The Black Lizard Big Book of Black Mask Stories - Otto Penzler 2012-05-09

An unstoppable anthology of crime stories culled from Black Mask magazine the legendary publication that turned a pulp phenomenon into literary mainstream. Black Mask was the apotheosis of noir. It was the magazine where the first hardboiled detective story, which was written by Carroll John Daly appeared. It was the slum in which such American literary titans like Dashiell Hammett and Raymond Chandler got their start, and it was the home of stories with titles like "Murder Is Bad Luck," "Ten Carets of Lead," and "Drop Dead Twice." Collected here is best of the best, the hardest of the hardboiled, and the darkest of the dark of America's finest crime fiction. This masterpiece collection represents a high watermark of America's underbelly. Crime writing gets no better than this. Featuring • Deadly Diamonds • Dancing Rats • A Prize Fighter Fighting for His Life • A Parrot that Wouldn't Talk Including • Dashiell Hammett's The Maltese Falcon as it was

originally published • Lester Dent's Luck in print for the first time

Robert Elsmere - Mrs. Humphry Ward 2013
First published in 1888, Robert Elsmere was probably the biggest-selling novel of the nineteenth century. Inspired by the religious crises of her father, Ward tells the story of an Oxford clergyman who begins to doubt the doctrines of the Anglican church after he encounters the work of German rationalists. Rather than becoming an atheist, Elsmere pursues the idea of "constructive liberalism," stressing the importance of social work among the poor and uneducated. The Times called it "a clever attack upon revealed religion," and William Gladstone's copy was annotated with objections to

Ward's heterodoxy. In the Victorian age, nothing was more likely to generate publicity than religious controversy, and Robert Elsmere became a runaway success. More than one million copies were sold, generating around 4,000 in royalties, which would today put Ward in the millionaire author bracket. Her earning would have been higher if it weren't for the absence of international copyright laws when Robert Elsmere was first published. Many cheap US editions were hurriedly produced to cash in on its success. Some were sold as loss leaders for just 4 cents, and other copies were given away free with every cake of Maine's Balsam Fir Soap, conveying the idea that cleanliness was next to godliness. Out of print for twenty five years, this new edition brings Ward's publishing phenomenon to a new audience. The text is completely reset, and the edition includes: * critical introduction by Miriam Elizabeth Burstein *

explanatory notes * excerpts
from Gladstone's famous
review of Robert Elsmere *
extracts from Ward's David

Spring According to Humphrey
- Betty G. Birney 2016-01-19
Spring is in the air, and lots of
things are growing—including
the Room 26 family! Signs of
spring are very exciting to
everyone at Longfellow School.
Mrs. Brisbane's class has seen
flowers poking out of snow and
baby birds hatching, and Just-
Joey even brought in tadpoles
that are growing into frogs. It
also means Family Fun Night is
coming up, and all of the
students' families are involved
in making amazing activities.
Humphrey helps in many ways,
of course, but he can't stop
wondering about his own
family. He doesn't know
anything about his mom or dad.
Luckily, all of his wonderful
friends help him see that
families come in many shapes
and sizes, and Humphrey's
might be the biggest (and

best!) one of all.
The Unteachables - Gordon
Korman 2019-01-08
A hilarious new middle grade
novel from beloved and
bestselling author Gordon
Korman about what happens
when the worst class of kids in
school is paired with the worst
teacher—perfect for fans of Ms.
Bixby's Last Day. A good
choice for summer reading or
anytime! The Unteachables are
a notorious class of misfits,
delinquents, and academic
train wrecks. Like Aldo, with
anger management issues;
Parker, who can't read; Kiana,
who doesn't even belong in the
class—or any class; and Elaine
(rhymes with pain). The
Unteachables have been
removed from the student body
and isolated in room 117. Their
teacher is Mr. Zachary Kermit,
the most burned-out teacher in
all of Greenwich. He was once
a rising star, but his career was
shattered by a cheating
scandal that still haunts him.
After years of phoning it in, he
is finally one year away from
early retirement. But the
superintendent has his own

plans to torpedo that idea—and it involves assigning Mr. Kermit to the Unteachables. The Unteachables never thought they'd find a teacher who had a worse attitude than they did. And Mr. Kermit never thought he would actually care about teaching again. Over the course of a school year, though, room 117 will experience mayhem, destruction—and maybe even a shot at redemption.

hobby--making up songs and poems--and he loves listening to his new friends and giving them encouraging BOINGS just when they need them. And there's that steady supply of crickets . . . Og doesn't want to say goodbye to his new life or his furry neighbor. But will his classmates decide to keep Og as their classroom pet or take him back to his old life, at the pond?
