Loving Her Highland Thief - Maeve Greyson 2021-09-28

Stay? Lose all she's ever known. Go? Lose the love of a lifetime. As a struggling, 21st century farmer, Kenzie MacMartin knows if she doesn't recover that registered ram that cost her a bundle, her dog won't be the only one howling in the Highlands. And to make matters worse, when she chases that fool sheep through a cave, she discovers a troupe of trespassing re-enactors mucking up her land with some kind of clan skirmish complete with realistic weapons, monstrous warhorses, and a restless herd of Highland cows. The only upside is their strikingly handsome leader—until he kidnaps her. Mathias Stronach questions his sanity in laying claim to the strangely dressed woman and her vicious wee dog. Perhaps he should have let the MacPhersons take her prisoner. Then, she would've distracted them instead of him. Such daring and fire in this feisty lass. He'd bet his best dagger; her passions burn just as

fiercely. And that fine round backside of hers nestled between his thighs as they ride. Makes a man think twice about choices he's made. Like promising to marry a woman he's never loved so he can be the next chieftain of Clan Stronach. When Kenzie realizes she's barged into the thirteenth century, her priority is getting back to that cave and hoping if she retraces her steps, she'll find her way back home. But vengeful clans, a medieval sociopath, and the mesmerizing warrior who draws her in like a bee to sweet clover thwarts that priority at every turn. Her head knows better. Her heart refuses to listen. She misses her family, is worried about her farm, and would kill for coffee and a toothbrush. But those aren't the worst things about traveling back several centuries. The worst thing is loving a man who, once she returns to her time, will have been dead for over eight hundred years.

Coerced into a marriage with Hawk, Adrienne vowed to keep him at arm's length—but his sweet seduction played havoc with her resolve. A prisoner in time... She had a perfect "no" on her perfect lips for the notorious laird, but Hawk swore she would whisper his name with desire, begging for the passion he longed to ignite within her. Not even the barriers of time and space would keep him from winning her love. Despite her uncertainty about following the promptings of her own passionate heart, Adrienne's reservations were no match for Hawk's determination to keep her by his side. . . .

"Take thirty days off or you're fired." To 21st century Dr. Evie Wortham, confirmed Londoner and obsessively driven surgeon; her hospital's ultimatum of thirty days leave in the calming wilderness of the Scottish Highlands so she can get a handle on her anger issues means one thing: unbearable boredom. But she agrees out of pity for her best friend who Human Resources nominated to pass out the punishment. That and the fact she did massively overstep her bounds this time-even by her standards. So, she heads to her friend's cottage on the outskirts of Inverness for a month of hiking, biking, and becoming one with nature. But a climb behind a waterfall to rescue a kitten with an odd fondness for water permanently strikes the word boredom from her vocabulary. Instead of finding the cat, she discovers a man with a bloody gash in his head floating face down in the pool below. When Chieftain Quinn MacTaggart opens his eyes to the lovely, but strangely dressed Englishwoman, he's certain the enemy has captured him. He'd put nothing past Edward I's arrogance and determination to break Scotland, especially after the sacking of Berwick. But when the sharp-tongued lass turns out to be an extraordinary healer and confesses England has banished her, honor demands he not only offer her the protection of his clan, but the added safety of taking his name. After all, she did save his life. And not only is she fearless, canny, and filled with fire, but bonny as a prize filly. What better choice for a wife? The arrangement could serve them both. Finding herself trapped in 13th century Scotland, Evie has no choice but to accept Quinn's offer of protection. While she had always

thought to marry for love, marrying to stay alive seems a good enough reason, too. What she didn't count on was falling in love. Or how hard it would be to hide the truth of her past from Quinn. And then there's the assassin intent on killing her new husband. Who knew there could be so many obstacles to wedded bliss?
