Fortress Of Muslim - Sa'id Bin Wahf Al-Qahtani

This book is an abridgment of my earlier work entitled, Adh-Dhikr wad-Du'a wal-'llaj bir-Ruqyah mina'-Kitab was-Sunnah. In order to make it small and easily portable, I have chosen only the section on words of remembrance for this abridgment. To achieve this, I only mentioned the text of the words of remembrance instead of the entire Hadith. I also limited myself to mentioning only one or two references from the original book for each Hadith. Whoever would like to know about the Companion who related a particular Hadith, or more information about where it is recorded, should refer to the original work (mentioned above). I ask Allah the Glorious, the Mighty, by His beautiful Names and by His sublime Attributes to accept this as having been done sincerely for His sake alone. I ask Him to bring me its benefits during my lifetime and after my death. May those who read it, those who print it, or have had any role in distributing it, benefit from it also. Surely He, glory be unto

Him, is Capable of all things. May the peace and blessings of Allah be upon our Prophet, Muhammad, and upon his family and Companions and whoever follows them in piety until the Day of Judgment. Said bin Ali bin Wahaf Al-Qahtani, Safar,1409

Good Morning, I Love You - Shauna Shapiro 2020-01-28

Discover the Transformative Effects of Being Kind to Yourself “This brilliant book offers us both the science and practice of how self-kindness is the secret sauce of fulfillment, transformation, and joy.” —Lorin Roche, meditation teacher and author of The Radiance Sutras Many of us yearn to feel a greater sense of inner calm, ease, joy, and purpose. We have tried meditation and found it too difficult. We judge ourselves for being no good at emptying our minds (as if one ever could) or compare ourselves with yogis who seem to have it all together. We live in a steady state of “not good enough.” It does not have to be this way. In Good Morning, I Love You, Dr. Shauna Shapiro brings alive the brain science behind why we feel the way we do—about ourselves, each other, and the world—and explains why we get stuck in thinking that doesn’t serve us. It turns out that we are hardwired to be self-critical and negative! And this negativity is constantly undermining our experience of life. “It is never too late to rewire your brain for positivity—for calm, clarity, and

joy," writes Dr. Shapiro. "I know this is possible because I experienced it. Best of all, you can begin wherever you are." In short, lively chapters laced with science, wisdom, and story, Shapiro, one of the leading scientists studying the effects of mindfulness on the brain, shows us that acting with kindness and compassion toward ourselves is the key. With her roadmap to guide you, including her signature "Good Morning, I Love You" practice, in which you deliberately greet yourself each day with these simple words, you can change your brain's circuitry and steady yourself in feelings of deep calm, clarity, and joy. For good.

The Soul of a Butterfly - Muhammad Ali 2013-05-18

Former boxing legend Muhammad Ali, one of the best-known and best-loved celebrities and an international good-will ambassador, offers inspiration and hope as he describes the spiritual philosophy that sustains him. "During my boxing career, you did not see the real Muhammad Ali. You just saw a little boxing. You saw only a part of me. After I retired from boxing my true work began. I have embarked on a journey of love." So Muhammad Ali begins this spiritual memoir, his description of the values that have shaped and sustained him and that continue to guide his life. In *The Soul of a Butterfly* the great champion takes readers on a spiritual journey through the seasons of life, from childhood to the present, and shares the beliefs that have served him well. After fighting some of the fiercest bouts in boxing history against Joe Frazier and George Foreman, today Muhammad Ali faces his most powerful foe—outside the boxing ring. Like many people, he battles an illness that limits his physical abilities, but as he says, "I have gained more than I have lost....I have never had a more powerful voice than I have now." Ali reflects on his faith in God and the strength it gave him during his greatest challenge, when he lost the prime years of his boxing career because he would not compromise his beliefs. He describes how his study of true Islam has helped him accept the changes in his life and has brought him to a greater awareness of life's true purpose. As a United Nations "Messenger of Peace," he has traveled widely, and he describes his 2002 mission to Afghanistan to heighten public awareness of that country's desperate situation, as well as his more recent meeting with the Dalai Lama. Ali's reflections on topics ranging from moral

courage to belief in God to respect for those who differ from us will inspire and enlighten all who read them. Written with the assistance of his daughter Hana, *The Soul of a Butterfly* is a compassionate and heartfelt book that will provide comfort for our troubled times.

Les Maladies Du Coeur - Ibn Qudamah 2021-05-19

Comment guérir son coeur ? L'auteur, Ibn Qudamah a dit : "Sache que la partie la plus noble d'une personne est son coeur. Celui qui connaît Allah, oeuvre pour Lui, lutte pour Lui, se rapproche de Lui et découvre ce qui est auprès de Lui, ses membres ne font que suivre son coeur qui les utilise comme les rois utilisent leurs esclaves. Ainsi, celui qui connaît son coeur connaîtra son Seigneur. La plupart des gens sont ignorants de leurs propres coeur et de leurs âmes. Allah peut s'interposer entre une personne et son coeur. Cela se manifeste par le fait qu'elle soit empêchée de Le connaître et d'avoir conscience de Lui. Connaître le coeur et ses caractéristiques constitue donc le fondement de la religion et la base de la voie de ceux qui cheminent vers Allah. Sache que l'état naturel du coeur accepte la guidance. Cependant, en raison des désirs et des passions que l'on peut trouver en son sein, il peut dévier. Un combat constant se produit donc entre les armées des anges et les forces des démons jusqu'à ce que le coeur s'ouvre à l'un des deux camps qui s'y installe."
