## **Chesil Beach** - Ian McEwan 2017-09-13

Tienen poco más de veinte años, y se conocieron en una manifestación contra las armas nucleares. Florence es una chica de clase media alta, su padre es un exitoso hombre de negocios y su madre una activa profesora universitaria, y viven en una casa donde se comen quesos franceses y yogur. Edward, en cambio, pertenece a una familia que apenas se sostiene en la zona baja de la clase media; su padre es maestro, y su madre, tras un imprevisible accidente, vive desde hace años en una nebulosa. Y en su casa no hay comidas caras o extranjeras, las camas nunca se hacen, las sábanas rara vez se cambian, ni se limpian los lavabos. Florence es violinista, y Edward ha estudiado Historia. Y ambos son inocentes, y vírgenes, y se aman, y tras uno de esos largos cortejos de tira y afloja, se han casado. Es un día de julio de 1962, un año antes de que, según Philip Larkin, en Inglaterra se empezara a follar, cuando El amante de Lady Chatterley aún estaba prohibido y no había aparecido el primer LP de los Beatles... Edward y Florence van a pasar su noche de bodas en un hotel junto a Chesil Beach, y lo que sucede esa noche entre esos dos inocentes, esos jóvenes esposos de una clase social y unos años donde hablar sobre problemas sexuales era imposible, es la materia con que McEwan construye su chejoviano, delicadísimo, terrible mapa de una relación, del amor, del sexo, y también de una época, y de sus discursos y sus silencios.

## **The Cockroach** - Ian McEwan 2019-10-01

Kafka meets the world of Brexit in a biting funny political satire from Ian McEwan That morning, Jim Sams, clever but by no means profound, woke from uneasy dreams to find himself transformed into a gigantic creature. Jim Sams has undergone a metamorphosis. In his previous six-legged existence he was ignored or loathed, but in his new incarnation he has woken up to discover he is the most powerful man in Britain: the Prime Minister. His mission: a nationalist revival, with or without Europe. Nothing must get in his way: not the opposition, nor the dissenters within his own party. Not even the rules of parliamentary democracy. In this biting funny, Kafkaesque satire, Ian McEwan engages with scabrous humour a very recognizable political world and turns it on its head.

## **Ian McEwan Bestsellers** - Ian McEwan 2020-10-16

These three bestselling novels by the Booker Award-winning author explore the dark sides of love, family and sexuality. The Child in Time On a routine Saturday morning trip to the supermarket, a father's brief moment of distraction turns his life upside down when his

daughter is kidnapped. His spiral of guilt and bereavement has effects on his marriage, his psyche—and time itself. The Cement Garden When their mother suddenly dies, four siblings hide her body in the basement to prevent others from discovering her death and placing them in foster care. **Love and Summer** - William Trevor 2009-09-17 It's summer and nothing much is happening in Rathmoye. So it doesn't go unnoticed when a dark-haired stranger appears on his bicycle and begins photographing the mourners at Mrs. Connolly's funeral. Florian Kilderry couldn't know that the Connollys are said to own half the town: he has only come to Rathmoye to photograph the scorched remains of its burnt-out cinema. A few miles out in the country, Dillahan, a farmer and a decent man, has married again: Ellie is the young convent girl who came to work for him when he was widowed. Ellie leads a quiet, routine life, often alone while Dillahan runs the farm. Florian is planning to leave Ireland and start over. Ellie is settled in her new role as Dillahan's wife. But Florian's visit to Rathmoye introduces him to Ellie, and a dangerously reckless attachment begins. In a characteristically masterly way Trevor evokes the passions and frustrations felt by Ellie and Florian, and by the people of a small Irish town during one long summer.

**Atonement** - Ian McEwan 2009-03-19 From the Booker Prize winning author of *Amsterdam*, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, son of the Tallis's cleaning lady, whose education has been subsidized by Cecilia's and Briony's father, and who, like Cecilia, has recently come down from Cambridge. By day's end, their lives will be changed - irrevocably. Robbie and Cecilia will have crossed a boundary they had not imagined

at its start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone... Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, *An Atonement* is a profound - and profoundly moving - exploration of shame and forgiveness, of atonement and of the possibility of absolution.

**In Between the Sheets** - Ian McEwan 2011-02-08

Darkly brilliant short fiction by the New York Times-bestselling, Booker Prize-winning author of *Machines Like Me* and *Atonement*. A two-timing pornographer becomes the unwilling object in the fantasies of one of his victims. A jaded millionaire buys himself the perfect mistress and plunges into a hell of jealousy and despair. Over the course of a weekend, a guilt-ridden father with his teenage daughter discovers the depths of his own blundering innocence. Whether these are the written transcripts of dreams or deadly accurate maps of the tremor zones of our psyche, all seven stories in this collection implicate us in the most fearful ways imaginable. "His stories are complex and his prose, like Orwell's, is as clear as windowpane... McEwan's comic edge gives these stories a moral force. They are not meant simply to shock and horrify middle-class readers. Rather, like all good satire, they seek to unmask hypocrisy and cruelty."—The Washington Post Book World

If you want to know how to become rich relatively quickly, and avoid spending years working back-breakingly hard without ever breaking even, then read on. The answers to escaping poverty and becoming wealthy are actually well known and based on a number of powerful principles that have been tested by time and replicated in different countries, by families and individuals who have become astonishingly rich. They all work. They will make you richer. They remove the emotion, the politics and the clutter from our thoughts about wealth, and they go straight to the heart of one simple issue: what it genuinely takes to become rich. *The David Foster Wallace Reader* - David Foster Wallace 2014-11-11

Where do you begin with a writer as original and brilliant as David Foster Wallace? Here -- with a carefully considered selection of his extraordinary body of work, chosen by a range of great writers, critics, and those who worked with him most closely. This volume presents his most dazzling, funniest, and most heartbreaking work -- essays like his famous cruise-ship piece, "A Supposedly Fun Thing I'll Never Do Again," excerpts from his novels *The Broom of the System*, *Infinite Jest*, and *The Pale King*, and legendary stories like "The Depressed Person." Wallace's explorations of morality, self-consciousness, addiction, sports, love, and the many other subjects that occupied him are represented here in both fiction and nonfiction. Collected for the first time are Wallace's first published story, "The View from Planet Trillaphon as Seen In Relation to the Bad Thing" and a selection of his work as a writing instructor, including reading lists, grammar guides, and general guidelines for his students. A dozen writers and critics, including Hari Kunzru, Anne Fadiman, and Nam Le, add afterwords to favorite pieces, expanding our appreciation of the unique pleasures of Wallace's writing. The result is an astonishing volume that shows the breadth and range of "one of America's most daring and talented writers" (Los Angeles Times Book Review) whose work was

full of humor, insight, and beauty.

Rethinking Mimesis - Saija Isomaa 2012-04-25

Literary mimesis is an age-old concept which has been variously interpreted and at times highly contested, and which has recently been brought back to the forefront of scholarly interest. The debate around mimesis has been reactivated by approaches that re-evaluate its meaning both in the ancient texts in which it first appeared, and in the contemporary discussions of the power of literary representation. This volume presents a selection of central contributions to both the theoretical debate on mimesis and to its up-to-date critical practice. This volume approaches mimesis by emphasising the principles of knowledge, understanding and imagination that have been associated with mimesis since Aristotle's *Poetics*. The articles consider the various aspects of the concept throughout history, and explore the ways in which literature produces its peculiar reality effects and negotiates its relationship to value systems connecting it to the world of everyday experience and ethics, as well as to different ideologies, emotions, world views and fields of knowledge. Building on this rich theoretical background, the articles examine the limits and possibilities of mimesis through detailed textual analyses that present acute challenges to our current understanding of literary representation.

**The Cement Garden** - Ian McEwan 2011-02-08

Orphaned siblings create a macabre secret world for themselves in this "irresistibly readable" novel by the New York Times bestselling author (The New York Review of Books). This "powerful and disconcerting" novel by the Booker Prize-winning author of *The Children Act* and *Atonement* (The Daily Telegraph) tells the story of a dying family who live in a dying part of the city. A father of four children decides, in an effort to make his garden easier to control, to pave it over. In the process, he has a heart attack and dies, leaving the cement garden unfinished and the children to the care of their mother. Soon after, the mother too dies and the children, fearful of being separated by social services, decide to cover up their parents' deaths: they bury their mother in the cement garden. The story is told from the point of view of Jack, one of the sons, who is entering adolescence with all of its attendant curiosity and appetites. Julie, the eldest, is almost a grown woman. Sue is rather bookish and observes all that goes on around her. And Tom is the youngest and the baby of the lot. The children seem to manage in this perverse setting rather well—until Julie brings home a boyfriend who threatens their secret by asking too many questions. "[A] beautiful but disturbing novel."—The AV Club "McEwan's evocative detail and perfect British prose lend a genteel decorum to the death and decay that surround the family."—The New Yorker

*First Love, Last Rites* - Ian McEwan 2011-02-11

Somerset Maugham Award winner: Dark early fiction by the author of *Nutshell*—"a splendid magician of fear" (Village Voice Literary Supplement). Taut, brooding, and densely atmospheric, the stories here show us how murder can arise out of boredom, perversity from adolescent curiosity—and how sheer evil can become the solution to unbearable loneliness. These short fiction pieces from the early career of the New York Times bestselling and Man Booker Prize-winning author of *Atonement* and *On Chesil Beach* are claustrophobic tales of childhood, twisted psychology, and disjointed family life as

terrifying as anything by Stephen King—and finely crafted with a lyricism and an intensity that compels us to confront our secret kinship with what repels us. “A powerful talent that is both weird and wonderful.” —The Boston Sunday Globe “Ian McEwan’s fictional world combin[es] the bleak, dreamlike quality of de Chirico’s cityscapes with the strange eroticism of canvases by Balthus. Menace lies crouched between the lines of his neat, angular prose, and weird, grisly things occur in his books with nearly casual aplomb.” —The New York Times

**The Sacred and Profane Love Machine** - Iris Murdoch 1984-03-06

*My Purple Scented Novel* - Ian McEwan 2018-06-19

A jewel of a short story from the bestselling, award-winning author of *Atonement*—“*My Purple Scented Novel*” follows the perfect crime of literary betrayal, scrupulously wrought yet unscrupulously executed. Published to celebrate Ian McEwan's 70th birthday. “You will have heard of my friend the once celebrated novelist Jocelyn Tarbet, but I suspect his memory is beginning to fade. . . . You'd never heard of me, the once obscure novelist Parker Sparrow, until my name was publicly connected with his. To a knowing few, our names remain rigidly attached,

like the two ends of a seesaw. His rise coincided with, though did not cause, my decline. . . . I don't deny there was wrongdoing. I stole a life, and I don't intend to give it back. You may treat these few pages as a confession."

**Women vs Hollywood** - Helen O'Hara

2021-02-18

'A fascinating polemic' Sunday Times 'A powerful, sobering and vital work' The Mail on Sunday 'A page-turning read, peppered with humour' Sight & Sound 'A must read' Edgar Wright A call to arms from Empire magazine's 'geek queen', Helen O'Hara, that explores women's roles - both in front of and behind the camera - since the birth of Hollywood, how those roles are reflected within wider society and what we can do to level the playing field. Hollywood was born just over a century ago, at a time of huge forward motion for women's rights. With no rules in place to stop them, there were women who forged ahead in many areas of filmmaking. Yet, despite the work of early pioneers like Dorothy Arzner, Mabel Normand, Mary Pickford and Alice Guy-Blaché, it soon came to embody the same old sexist standards. Women found themselves fighting a system that fed on their talent, creativity and beauty but refused to pay them the same respect as their male contemporaries - until now . . . The tide has finally begun to turn. A new generation of women, both in front of and behind the camera, are making waves in the industry and are now shaping some of the biggest films to hit our screens. In *Women vs Hollywood: The Fall and Rise of Women in Film*, film critic Helen O'Hara takes a closer look at the pioneering and talented women of Hollywood and their work in film since Hollywood began. And in understanding how women were largely written out of Hollywood's own origin story, and how the films we watch are put together, we can finally see how to put an end to a picture that is so deeply unequal - and discover a multitude of stories out there just waiting to be told.

*Machines Like Me* - Ian McEwan 2019-04-23

From the Booker Prize winner and bestselling author of *Atonement*—"a sharply intelligent novel of ideas" (*The New York Times*) that asks whether a machine can understand the human heart, or whether we are the ones who lack understanding. Set in an uncanny alternative 1982 London—where Britain has lost the Falklands War, Margaret Thatcher battles Tony Benn for power, and Alan Turing achieves a breakthrough in artificial intelligence—*Machines Like Me* powerfully portrays two lovers who will be tested beyond their understanding. Charlie, drifting through life and dodging full-time employment, is in love with Miranda, a bright student who lives with a terrible secret. When Charlie comes into money, he buys Adam, one of the first generation of synthetic humans. With Miranda's assistance, he codesigns Adam's personality. The near-perfect human that emerges is beautiful, strong, and smart—and a love triangle soon forms. Ian McEwan's subversive, gripping novel poses fundamental questions: What makes us human—our outward deeds or our inner lives? Could a machine understand the human heart? This provocative and thrilling tale warns against the power to invent things beyond our control. Don't miss Ian McEwan's new novel, *Lessons*, coming in September!

**Black Dogs** - Ian McEwan 2010-07-20

Set in late 1980s Europe at the time of the fall of the Berlin Wall, *Black Dogs* is the intimate story of the crumbling of Bernard and June Tremaine's marriage, as witnessed by their son-in-law, Jeremy, who seeks to comprehend how their

deep love could be defeated by ideological differences that seem irreconcilable. In writing June's memoirs, Jeremy is led back to a moment, that was, for June, as devastating and irreversible in its consequences as the changes sweeping Europe in Jeremy's own time. Ian McEwan weaves the sinister reality of civilization's darkest moods — its black dogs — with the tensions that both create love and destroy it.

*Saturday* - Ian McEwan 2009-02-24

From the pen of a master — the #1 bestselling, Booker Prize-winning author of *Atonement* — comes an astonishing novel that captures the fine balance of happiness and the unforeseen threats that can destroy it. A brilliant, thrilling page-turner that will keep readers on the edge of their seats. *Saturday* is a masterful novel set within a single day in February 2003. Henry Perowne is a contented man — a successful neurosurgeon, happily married to a newspaper lawyer, and enjoying good relations with his children. Henry wakes to the comfort of his large home in central London on this, his day off. He is as at ease here as he is in the operating room. Outside the hospital, the world is not so easy or predictable. There is an impending war against Iraq, and a general darkening and gathering pessimism since the New York and Washington attacks two years before. On this particular Saturday morning, Perowne's day moves through the ordinary to the extraordinary. After an unusual sighting in the early morning sky, he makes his way to his regular squash game with his anaesthetist, trying to avoid the hundreds of thousands of marchers filling the streets of London, protesting against the war. A minor accident in his car brings him into a confrontation with a small-time thug. To Perowne's professional eye, something appears to be profoundly wrong with this young man, who in turn believes the surgeon has humiliated him — with savage consequences that will lead Henry Perowne to deploy all his skills to keep his family alive.

**Indignation** - Philip Roth 2008-09-16

Against the backdrop of the Korean War, a young man faces life's unimagined chances and terrifying consequences. It is 1951 in America, the second year of the Korean War. A studious, law-abiding, intense youngster from Newark,

New Jersey, Marcus Messner, is beginning his sophomore year on the pastoral, conservative campus of Ohio's Winesburg College. And why is he there and not at the local college in Newark where he originally enrolled? Because his father, the sturdy, hard-working neighborhood butcher, seems to have gone mad -- mad with fear and apprehension of the dangers of adult life, the dangers of the world, the dangers he sees in every corner for his beloved boy. As the long-suffering, desperately harassed mother tells her son, the father's fear arises from love and pride. Perhaps, but it produces too much anger in Marcus for him to endure living with his parents any longer. He leaves them and, far from Newark, in the midwestern college, has to find his way amid the customs and constrictions of another American world. *Indignation*, Philip Roth's twenty-ninth book, is a story of inexperience, foolishness, intellectual resistance, sexual discovery, courage, and error. It is a story told with all the inventive energy and wit Roth has at his command, at once a startling departure from the haunted narratives of old age and experience in his recent books and a powerful addition to his investigations of the impact of American history on the life of the vulnerable individual.

### **The Comfort of Strangers** - Ian McEwan

2011-02-08

A twisted relationship between two couples reaches a terrible climax in this novel by the New York Times bestselling author of *Machines Like Me*. Colin and Mary are lovers on holiday in Italy, their relationship becoming increasingly problematic as they become increasingly alienated from one another. They move from place to place in this foreign land but seemingly without aim or purpose, seemingly bored and without attachment. Then they meet a man named Robert and his disabled wife, Caroline. Colin and Mary seem happy for the diversion—happy to meet another couple that takes their focus off of each other for a while. But things become strange when they attempt to leave: Robert and Caroline insist that they stay with them for a while longer. While Mary and Colin do rediscover an erotic attraction to each other during this time, they also find that their relationship with Robert and Caroline is taking a dreadful and horrific turn, in this “fine novel” by the Booker Prize-winning author of *Saturday* and *On Chesil Beach* (New Statesman). “McEwan perfectly captures the thrill of travel when one is divorced from familiar surroundings and the chance of something unusual and out-of-character seems possible. Of course, this being a McEwan fiction, the possibility is a brutal truth about how people find love in extreme ways.”—The Daily Beast

NOW A MAJOR MOTION PICTURE The #1 bestselling author of *Saturday* and *Atonement* brilliantly illuminates the collision of sexual longing, deep-seated fears and romantic fantasy in his unforgettable, emotionally engaging novel. The year is 1962. Florence, the daughter of a successful businessman and an aloof Oxford academic, is a talented violinist. She dreams of a career on the concert stage and of the perfect life she will create with Edward, the earnest young history student she met by chance and who unexpectedly wooed her and won her heart. Edward grew up in the country on the outskirts of Oxford where his father, the headmaster of the local school, struggled to keep the household together and his mother, brain-damaged from an accident, drifted in a world of her own. Edward's native intelligence, coupled with a longing to experience the excitement and intellectual fervour of the city, had taken him to University College in London. Falling in love with the accomplished, shy and sensitive Florence—and having his affections returned with equal intensity—has utterly changed his life. Their marriage, they believe, will bring them happiness, the confidence and the freedom to fulfill their true destinies. The glowing promise of the future, however, cannot totally mask their worries about the wedding night. Edward, who has had little experience with women, frets about his sexual prowess. Florence's anxieties run deeper: she is overcome by conflicting emotions and a fear of the moment she will surrender herself. From the precise and intimate depiction of two young lovers eager to rise above the hurts and confusion of the past, to the touching story of how their unexpressed misunderstandings and fears shape the rest of their lives, *On Chesil Beach* is an extraordinary novel that brilliantly, movingly shows us how the entire course of a life can be changed—by a gesture not made or a word not spoken.
