**Old Testament 101** - Jodi Green 2016-10-13  
Old Testament 101 is a chronological study through the Old Testament with five daily Bible readings per week. This study is designed for anyone from middle school students to adults who wants to have a more comprehensive understanding of the Old Testament. Many people avoid the Old Testament, thinking it doesn't relate as well to us today. But without a good understanding of God's dealings in the Old Testament, it is impossible to completely understand the magnitude of God's message in the New Testament. We miss so much of the richness of God's grace by studying only the easy parts of His Word. This study is straightforward and takes the history sections in chronological order. There is great benefit in studying the Bible in an orderly way, as opposed to a random passage each day or even a needs-based study (for example, helping you through a

particular situation). If you learn to study the Bible in a sequential way, you will eventually find what God's Word says about every

conceivable human situation. So, grab your Bible and open your heart to the blessings you will receive from daily time in God's Word.
