The Wicked Prince - Vivian Wood

There is a razor thin edge between love and hate. As the crown prince of Denmark, duty and honor come first. So when I meet a feisty pink haired girl from the wrong side of the tracks, I keep mum about my royal birth. That way I can have one earth shattering night together with her. Proud, rebellious, gorgeous -- Margot is my weakness. Sleeping with her is the best thing I can't ever do again... until I realize that she's a journalist. Reporters like her have made my life a living hell. And when she shows up again in Copenhagen again? She's tasked with doing a story about me and the future of the royal line. So Margot and I are shackled together. She hates my guts because I ditched her without a word back in New York. And my teeth are set on edge by her endless barrage of questions and snapping photos. I don't want to find her attractive. I want to be repulsed. But... Now that we're forced together, my resolve starts to crumble. Every time our hands brush, every damn time she bites her lip... Eventually, even my strong will can't overcome temptation. Though it's wrong, even though I might lose everything, I can't resist her.

Park Avenue Prince - Louise Bay 2017

THE PRINCE OF PARK AVENUE FINALLY MEETS HIS MATCH IN A FEISTY MANHATTAN PRINCESS. I've made every one of my billions of dollars myself--I'm calculating, astute and the best at what I do. It takes drive and dedication to build what I have. And it leaves no time for love or girlfriends or relationships. But don't get me wrong, I'm not a monk. I understand the attention and focus it takes to seduce a beautiful woman. They're the same skills I use to close business deals. But one night is where it begins and ends. I'm not the guy who sends flowers. I'm not the guy who calls the next day. Or so I thought before an impatient, smart-talking, beyond beautiful heiress bursts into my world. When Grace Astor rolls her eyes at me--I want to hold her against me and show her what she's been missing. When she makes a joke at my expense--I want to silence her sassy mouth with my tongue. And when she leaves straight after we f*ck with barely a goodbye--it makes me want to pin her down and remind her of the three orgasms she just had. She might be a princess but I'm going to show her who rules in this Park Avenue bedroom. A sexy, stand-alone, contemporary romance. What others are saying about Louise Bay: "A fabulous, smouldering love

Last Great Queen? - Unity Elias YANG 2014
Elizabeth II is a model of feminine excellence and an example for young people who may not be born to royal families, but who should consider themselves as princesses and princes of the family to which they have been born. Like Elizabeth, who even as a child knew the significance of the role into which she had been born and started training for the future task, young people should prepare for their future by acquiring training early in their life. Like Elizabeth, who married the first man she fell in love with, young women should insist on marrying the first man they fall in love with, to preserve and protect their womanhood and honour. Finally, Elizabeth trained as a car mechanic and driver, despite her wealthy royal background. How many women have the courage today to train in skills which society considers a man's domain? The Queen of England recommends training to young people with this remark: "It's all to do with the training: you can do a lot if you are properly trained." In this era when the monarchy is considered to be an outdated institution, the British Royal Family has made it known that they will step aside when the British people will ask them to do so. What makes the British monarchy different from other royals in the world? What, in the 1870s, might have motivated the pre-colonial Kings of

Douala on the coast of today's Cameroon to apply to Queen Victoria, the great-grandmother of Queen Elizabeth II, to colonise them? Unity Elias Yang is also the author of: - *The Third World, where is it?* - *A Global State through Democratic Federal World Government* - *Your Baby's long journey to school* - *Little Anita visits the Bank* - *Children and Citizenship levels 1-6* - *Women and Children's Chamber of Parliament: democratising representation.*

Prince William and Duchess Kate - Jennifer MacKay 2015-08-07

This compelling volume focuses on the life of Prince William and Duchess Kate. The book begins by delving into both Will and Kate's childhoods. It then moves into their college years where they met and became a couple and eventually engaged. The book ends with their marriage, the birth of Prince George, and

settling into their royal duties as the future king and queen of England.

The Palace Papers - Tina Brown 2022-04-26
NEW YORK TIMES BESTSELLER • The “addictively readable” (The Washington Post) inside story of the British royal family’s battle to overcome the dramas of the Diana years—only to confront new, twenty-first-century crises “Frothy and forthright, a kind of Keeping Up with the Windsors with sprinkles of Keats.”—The New York Times “Never again” became Queen Elizabeth II’s mantra shortly after Princess Diana’s tragic death. More specifically, there could never be “another Diana”—a member of the family whose global popularity upstaged, outshone, and posed an existential threat to the British monarchy. Picking up where Tina Brown’s masterful *The Diana Chronicles* left off, *The Palace Papers* reveals how the royal family reinvented itself after the traumatic years when Diana’s blazing celebrity ripped through the House of Windsor like a comet. Brown takes readers on a tour de force journey through the scandals, love affairs, power plays, and betrayals that have buffeted the monarchy over the last twenty-five years. We see the Queen’s stoic resolve after the passing of Princess Margaret, the Queen Mother, and Prince Philip, her partner for seven decades, and how she triumphs in her Jubilee years even as family troubles rage around her. Brown explores Prince Charles’s determination to make Camilla Parker Bowles his wife, the tension between William and Harry on “different paths,” the ascendance of Kate Middleton, the downfall of Prince Andrew, and Harry and Meghan’s stunning decision to step back as senior royals. Despite the fragile monarchy’s best efforts, “never again” seems fast approaching. Tina Brown has been observing and chronicling the British monarchy for three decades, and her sweeping account is full of powerful revelations, newly reported details, and searing insight gleaned from remarkable access to royal insiders. Stylish, witty, and erudite, *The Palace Papers* will irrevocably change how the world perceives and understands the royal family. This ebook edition includes a revised epilogue with updates on the passing of Queen Elizabeth II, the ascendance of King Charles III, and more.

[Raising Royalty](#) - Carolyn Harris 2017-04-08

How royal parents dealt with raising their children over the past thousand years, from keeping Vikings at bay to fending off paparazzi. William and Kate, the Duke and Duchess of Cambridge, are setting trends for millions of parents around the world. The upbringing of their children, Prince George and Princess Charlotte, is the focus of intense popular scrutiny. Royalty have always raised their children in the public eye and attracted praise or criticism according to parenting standards of their day. Royal parents have faced unique challenges and held unique privileges. In medieval times, raising an heir often meant raising a rival, and monarchs sometimes faced their grown children on the battlefield. Conversely, kings and queens who lost their thrones in wars or popular revolutions often found solace in time spent with their children. In modern times, royal duties and overseas tours have often separated young princes and princesses from their parents, a circumstance that is slowly changing with the current generation of royalty.

Finding Freedom - Omid Scobie 2020-08-11
INSTANT INTERNATIONAL BESTSELLER *
NEW YORK TIMES BESTSELLER * #1 SUNDAY
TIMES BESTSELLER The first, epic and true story of the Duke and Duchess of Sussex’s life together, finally revealing why they chose to pursue a more independent path and the reasons behind their unprecedented decision to step away from their royal lives, from two top royal reporters who have been behind the scenes since the couple first met. *Finding Freedom* is complete with full color photographs from Harry and Meghan’s courtship, wedding, Archie’s milestones, and many more unforgettable moments. When news of the budding romance between a beloved English prince and an American actress broke, it captured the world’s attention and sparked an international media frenzy. But while the Duke and Duchess of Sussex have continued to make headlines—from their engagement, wedding, and birth of their son Archie to their unprecedented decision to step back from their royal lives—few know the true story of Harry and Meghan. For the very first time, *Finding Freedom* goes beyond the headlines to reveal unknown details of Harry and Meghan’s life together, dispelling the many

rumors and misconceptions that plague the couple on both sides of the pond. As members of the select group of reporters that cover the British Royal Family and their engagements, Omid Scobie and Carolyn Durand have witnessed the young couple's lives as few outsiders can. With unique access and written with the participation of those closest to the couple, *Finding Freedom* is an honest, up-close, and disarming portrait of a confident, influential, and forward-thinking couple who are unafraid to break with tradition, determined to create a new path away from the spotlight, and dedicated to building a humanitarian legacy that will make a profound difference in the world.

American Royalty - Antonia Church 2021-09-21

FROM EXCITING ROMANCE AUTHOR ANTONIA CHURCH Kane Cambridge is a descendent of the secret royal family of the United States. She is the American Princess. Kane Cambridge does not lead a fairy-tale life. She works in an office, her boyfriend just broke up with her and her future looks mundane and unexceptional. Where is the rom-com ending that she's watched in a hundred different movies? Kane is visited by a mysterious benefactor who reveals that he is the grandfather she never knew. He arrives with a lesson in American history. The original framers of the Constitution wrote a clause that created a ceremonial position for American royalty. Kane's ancestor was a secret queen of the United States, and now Kane is the American Princess. *American Royalty* is the story of an average woman who discovers her own independence and grows to accept her position as a princess. Among her potential suitors are a sexy sultan, a prominent British prince and a brave commoner who is her soldier in shining armor. Will she choose the traditional path or make her crown an American version—all rock 'n' roll and a little risqué?

The Making of Modern Burma - Thant Myint-U 2001-03-26

Burma has often been portrayed as a timeless place, a country of egalitarian Buddhist villages, ruled successively by autocratic kings, British colonialists and, most recently, a military dictatorship. *The Making of Modern Burma* argues instead that many aspects of Burmese society today, from the borders of the state to

the social structure of the countryside to the very notion of a Burmese identity, are largely the creations of the nineteenth century - a period of great change - away from the Ava-based polity of early modern times, and towards the 'British Burma' of the 1900s. The book provides a sophisticated and much-needed account of the period, and as such will be an important resource for policy makers and students as a basis for understanding contemporary politics and the challenges of the modern state. It will also be read by historians interested in the British colonial expansion of the nineteenth century.

The False Prince - Jennifer A. Nielsen

2012-06-07

If you love the danger and sword-fighting of *MERLIN*, you'll like this! In a discontent kingdom, civil war is brewing. To unify the divided people, Conner, a nobleman of the court, devises a cunning plan to find an impersonator of the king's long-lost son and install him as a puppet prince. Four orphans are recruited to compete for the role, including a defiant boy named Sage. Sage knows that Conner's motives are more than questionable, yet his life balances on a sword's point - he must be chosen to play the prince or he will certainly be killed. As Sage's journey continues, layer upon layer of treachery and deceit unfold, until finally a truth is revealed that proves more dangerous than all of the lies put together.

Beware, Princess Elizabeth - Carolyn Meyer

2002-09-01

Imprisonment. Betrayal. Lost love. Murder. What more must a princess endure? Elizabeth Tudor's teenage and young adult years during the turbulent reigns of Edward and then Mary Tudor are hardly those of a fairy-tale princess. Her mother has been beheaded by Elizabeth's own father, Henry VIII; her jealous half sister, Mary, has her locked away in the Tower of London; and her only love interest betrays her in his own quest for the throne. Told in the voice of the young Elizabeth and ending when she is crowned queen, this second novel in the exciting series explores the relationship between two sisters who became mortal enemies. Carolyn Meyer has written an intriguing historical tale that reveals the deep-seated rivalry between a determined girl who became one of England's

most powerful monarchs and the sister who tried everything to stop her.

She will one day be England's queen . . . no matter how long it takes.

The Untold Story of Queen Elizabeth, Queen Mother - Lady Colin Campbell 2016-08-18

Packed with stunning revelations, this is the inside story of The Queen Mother from the New York Times bestselling author who first revealed the truth about Princess Diana. Queen Elizabeth The Queen Mother has been called the "most successful queen since Cleopatra." Her personality was so captivating that even her arch-enemy Wallis Simpson wrote about "her legendary charm." Portrayed as a selfless partner to the King in the Oscar-winning movie *The King's Speech*, The Queen Mother is most often remembered from her later years as the smiling granny with the pastel hats. When she died in 2002, just short of her 102nd birthday, she was praised for a long life well lived. But there was another side to her story. For the first time, Lady Colin Campbell shows us that the untold life of the Queen Mother is far more fascinating and moving than the official version that has been peddled ever since she became royal in 1923. With unparalleled sources - including members of the Royal Family, aristocrats, and friends and relatives of Elizabeth herself, this mesmerizing account takes us inside the real and sometimes astonishing world of the royal family.

A Princess in Theory - Alyssa Cole 2018-02-27

From acclaimed author Alyssa Cole comes the tale of a city Cinderella and her Prince Charming in disguise . . . Between grad school and multiple jobs, Naledi Smith doesn't have time for fairy tales...or patience for the constant e-mails claiming she's betrothed to an African prince. Sure. Right. Delete! As a former foster kid, she's learned that the only things she can depend on are herself and the scientific method, and a silly e-mail won't convince her otherwise. Prince Thabiso is the sole heir to the throne of Thesolo, shouldering the hopes of his parents and his people. At the top of their list? His marriage. Ever dutiful, he tracks down his missing betrothed. When Naledi mistakes the prince for a pauper, Thabiso can't resist the chance to experience life—and love—without the burden of his crown. The chemistry between them is instant and irresistible, and flirty friendship quickly evolves into passionate nights. But when the truth is revealed, can a princess in theory become a princess ever after? Selected as one of the New York Times 100 Notable Books of 2018!

Global Security Watch—Saudi Arabia -

Matthew Gray 2014-10-07

Examines the causes and consequences of Saudi Arabia's current security policy and the domestic, regional, and international challenges the country's defense program presents to the general welfare of the Middle East. • Explains the role of oil in sustaining the state-society political bargain, and the impact of population on its effectiveness • Links Islam and Islamic extremism to a range of influencing factors, including political pressure, demographic changes, and the role of globalization in fostering more extreme views • Weaves together an analysis of politics, economics, foreign relations, and social change, showing how these all relate to and impact each other and, above all, shape Saudi Arabia's and the Middle East's security environment

Royals on tour - Robert Aldrich 2018-05-13
Royals on Tour explores visits by European monarchs and princes to colonies, and by indigenous royals to Europe in the 1800s and early 1900s with case studies of travel by royals from Britain, France, Portugal, Germany, Italy, the Netherlands, Belgium, Japan, the Dutch East Indies and French Indochina. Such tours projected imperial dominion and asserted the status of non-European dynasties. The celebrity of royals, the increased facility of travel, and the interest of public and press made tours key encounters between Europeans and non-Europeans. The reception visitors received illustrate the dynamics of empire and international relations. Ceremonies, speeches and meetings formed part of the popular culture of empire and monarchy. Mixed in with pageantry and protocol were profound questions about the role of monarchs, imperial governance, relationships between metropolitan and overseas elites, and evolving expressions of nationalism.

Rebel Prince - Tom Bower 2018-03-22

Best-selling author Tom Bower reveals the power, passion and defiance of Prince Charles. Few heirs to the throne have suffered as much humiliation as Prince Charles. Despite his hard work and genuine concern for the disadvantaged, he has struggled to overcome his unpopularity. After Diana's death, his approval rating crashed to 4% and has been only rescued by his marriage to Camilla. Nevertheless, just one third of Britons now support him to be the next king. Many still fear that his accession to the throne will cause a constitutional crisis. That mistrust climaxed in the aftermath of the trial of Paul Burrell, Diana's butler, acquitted after the Queen's sensational 'recollection'. In unearthing many secrets surrounding that and many other dramas, Bower's book, relying on the testimony

from over 120 people employed or welcomed into the inner sanctum of Clarence House, reveals a royal household rife with intrigue and misconduct. The result is a book which uniquely will probe into the character and court of the Charles that no one, until now, has seen.

To Protect a Princess - Jess Michaels 2021-07-20

A royal new series from 10-Time USA Today Bestselling Author Jess Michaels. All of Society is atwitter about the arrival of the Royal Family of Athawick, a small island country with important ties on a tour to celebrate the coronation of a new king. Or at least...that is the reason on the surface for their Season in London. Princess Ilaria knows the real truth: her family wishes to marry her off to a man of title and influence, in order to strengthen their own "special relationship" with the British Empire. The problem is that only one man has caught her eye and he does not fit any of the criteria required in a husband by her family. Captain Jonah Crawford was part of the Royal Honor Guard that accompanied the Prince Regent on a visit to Athawick two years ago and it was there he first laid eyes on the princess. Since then, much has changed in his life, including a resignation from the position he loved and the undertaking of responsibilities he never asked for. But seeing Ilaria sparks hungers that he cannot deny. As they continue to encounter each other, sometimes even in shocking places like infamous hells, their desire grows, but so is the danger lurking around every corner. And when Ilaria requires a bodyguard, Jonah volunteers. Will burning passion turn to love? And will love be enough to save them when the worst comes to pass? Heat Level: Princesses and Bodyguards and Steamy Clubs...OH MY! CW: Assault This is the first book in the Regency Royals series.

Charles at Seventy - Thoughts, Hopes & Dreams - Robert Jobson 2018-11-01

Based on extensive fresh material and resources, Robert Jobson's biography provides a definitive insight into the extraordinary life of HRH Charles, Prince of Wales as he approaches his seventieth birthday at a watershed in the history of the modern British monarchy. Exploring beyond the banal newspaper headlines that have caricatured Charles over the years, the book debunks the myths about the man who will be

King, telling his full, true story; exploring his complex character, his profoundly held beliefs and deep thinking about religion - including Islam - politics, the armed services, monarchy and the constitution, providing an illuminating portrait of what kind of monarch Charles III will be. Although this book is not an official biography, the Prince's office, Clarence House, has agreed to cooperate with the author - who has spent nearly thirty years chronicling the story of the House of Windsor as an author, journalist and broadcaster. The author, who has met Prince Charles on countless occasions, will draw on the knowledge and memories of a number of sources close to the Prince who have never spoken before, as well as members of the Royal Household past and present who have served the Prince during his decades of public service. It will reveal that there are plans for Charles to serve as Prince Regent once the Queen turns ninety-five, how he already reads ALL the Government papers/boxes at his mother's insistence, and why he feels it is his constitutional duty to pass on to ministers his thoughts and feelings in his controversial 'black spider memos'. Beyond that, Charles at Seventy also reveals the truth about the Prince's deeply loving but occasionally volatile relationship with his second wife and chief supporter, Camilla. The result is an intriguing new portrait of a man on the cusp of kingship.

A Princess in Theory - Alyssa Cole 2018-02-27
From acclaimed author Alyssa Cole comes the tale of a city Cinderella and her Prince Charming in disguise . . . Between grad school and multiple jobs, Naledi Smith doesn't have time for fairy tales...or patience for the constant e-mails claiming she's betrothed to an African prince. Sure. Right. Delete! As a former foster kid, she's learned that the only things she can depend on are herself and the scientific method, and a silly e-mail won't convince her otherwise. Prince Thabiso is the sole heir to the throne of Thesolo, shouldering the hopes of his parents and his people. At the top of their list? His marriage. Ever dutiful, he tracks down his missing betrothed. When Naledi mistakes the prince for a pauper, Thabiso can't resist the chance to experience life—and love—without the burden of his crown. The chemistry between them is instant and irresistible, and flirty friendship quickly evolves into passionate nights. But when the truth is revealed, can a princess in theory become a princess ever after?

The Audience - Peter Morgan 2015-05-15
For sixty years, Queen Elizabeth II has met with

each of her twelve Prime Ministers in a private weekly audience. The discussions are utterly secret, even to the royal and ministerial spouses. Peter Morgan imagines these meetings over the decades of the Queen's remarkable reign, through Prime Ministers from Winston Churchill and Margaret Thatcher to the 2015 incumbent David Cameron. THE AUDIENCE is a glimpse into the woman behind the crown, and the moments that have shaped the modern monarchy.

The Secret Life of the Savoy - Olivia Williams
2021-06-01

The captivating story of the famed Savoy Hotel's founders, told through three generations—and one hundred years—of glamour and high society. For the gondoliers-themed birthday dinner, the hotel obligingly flooded the courtyard to conjure the Grand Canal of Venice. Dinner was served on a silk-lined floating gondola, real swans were swimming in the water, and as a final flourish, a baby elephant borrowed from London Zoo pulled a five-foot high birthday cake. In three generations, the D'Oyly Carte family and London's Savoy Hotel pioneered the idea of the luxury hotel and the modern theater, propelled Gilbert and Sullivan to lasting stardom, made Oscar Wilde a transatlantic celebrity, inspired a P. G. Wodehouse series, and popularized early jazz, electric lights, and Art Deco. Following the history of the iconic Savoy Hotel through three generations of the D'Oyly Carte family, The Secret Life of the Savoy brings to life the extraordinary cultural legacy of the most famous hotel in the world.

The Fox-Hunting Controversy, 1781-2004 -

Allyson N. May 2016-03-16

August 1781 saw the publication of a manual on fox hunting that would become a classic of its genre. Hugely popular in its own day, Peter Beckford's *Thoughts on Hunting* is often cited as marking the birth of modern hunting and continues to be quoted from affectionately today by the hunting fraternity. Less stressed is the fact that its subject was immediately controversial, and that a hostile review which appeared on the heels of the manual's publication raised two criticisms of fox hunting that would be repeated over the next two centuries: fox hunting was a cruel sport and a feudal, anachronistic one at that. This study explores the attacks made on fox hunting from 1781 to the legal ban achieved in 2004, as well as assessing the reasons for its continued appeal and post-ban survival. Chapters cover debates in the areas of: class and hunting; concerns over cruelty and animal welfare; party politics; the hunt in literature; and nostalgia. By adopting a thematic approach, the author is able to draw out the wider social and cultural implications of

the debates, and to explore what they tell us about national identity, social mores and social relations in modern Britain.

A Theory of System Justification - John T. Jost 2020

Psychologist John Jost has spent decades researching poor people who vote for policies of inequality and women who think men deserve higher salaries. He argues that the persecuted often justify and defend the very social systems that oppress them because doing so serves a fundamental need for certainty, security, and social acceptance.

Snow Country - 1992-11

In the 87 issues of *Snow Country* published between 1988 and 1999, the reader can find the defining coverage of mountain resorts, ski technique and equipment, racing, cross-country touring, and the growing sport of snowboarding during a period of radical change. The award-winning magazine of mountain sports and living tracks the environmental impact of ski area development, and people moving to the mountains to work and live.
