Change the Workgame - Serilda Summers-McGee 2016-08-27

Research shows that diverse workgroups are more productive, creative and innovative than

homogeneous groups. In a global marketplace, and with the rapidly changing racial makeup of America, having a high function, diverse workforce is imperative for your organization's

success. Change the WorkGame has been designed to show you how establish a diverse workforce throughout all strata of your organization and how to sustain your progress. As a human resources executive, diversity and inclusion consultant, and a member of historically marginalized communities, I have experienced wildly unsuccessful diversity and inclusion strategies; and advised, coached, and led wildly successful diversity and inclusion initiatives. Business leaders and department heads have used the steps outlined in this how-to guide to successfully recruit and retain diverse talent. Chris, a small business owner, says, "the diversity recruitment steps listed in the book, matched with real life scenarios really helps bring to life not only how to go about recruiting and retaining a diverse workforce, but why it is important." I promise that if you follow the 7 steps outlined in Change the WorkGame, you will increase the diversity of your workforce within 6 months following the activation of the

last step and you will increase employee satisfaction by enhancing your managers and the inclusivity of your workplace. Don't wait to activate your diversity initiative. Don't wait to make your workforce stronger, nimbler, more creative, and more dynamic. Don't wait to establish an inclusive work environment where everyone feels respected, appreciated and heard. Be the person to take the lead towards Change. If not you, then who!? The workforce diversity and inclusion strategies and scenarios you are about to read have been proven to create positive and long lasting results for leaders. These strategies will help ALL employees inside your organization, but will specifically help you recruit and retain underrepresented employees. Each chapter will give you new insights towards enhancing your workforce and your workplace. Let me show you how to be the Change for your company. [I Am Not My Hair](#) - Shawneda 2013-04-19 Hairnanigans. Friendship. Big Dreams. The

previously scheduled life Maya Hatton planned has been interrupted for an emergency broadcast announcement. A news station manager threatens to destroy over twenty years of brand and image building with a new contract from hell. Her husband Roddreccus moved into the rental property and refuses to move home without explanation. Instead of finding confidence, fun, and freedom as she enters her mid-fifties she's faced with crises. Fans believed she had it all together but her dream team lost a member, a villain hijacked her fairy tale marriage and now she needs to remember how to be the Maya everyone thinks she is or lose the best thing she ever had. Natural Sistahs series is written by an African American author whose chosen her natural hair since 1998. While one of many indie published black authors she considers her books appropriate for the women's fiction category though most would be shelved in the black fiction, black books, African American women's fiction, or black women's fiction section

**Ancient Book of Daniel** - Ken Johnson

2010-11-27

The ancient Hebrew prophet Daniel lived in the fifth century BC and accurately predicted the history of the nation of Israel from 536 BC to AD 1948. He also predicted the date of the death of the Messiah to occur in AD 32, the date of the rebirth of the nation of Israel to occur in AD 1948, and the Israeli capture of the Temple Mount to take place in AD 1967! Commentary from the ancient rabbis and the first century church reveals how the messianic rabbis and the disciples of the apostles interpreted his prophecies. Daniel also indicated where the Antichrist would come from, where he would place his international headquarters, and identified the three rebel nations that will attack him during the first three-and-a-half years of the Tribulation. Understanding Cross-cultural Management -

Marie-Joëlle Browaeys 2019

Given the global nature of business today and the increasing diversity within the workforce of so many industries and organisations, a cross-cultural component in management education and training has become essential. This is the case for every type of business education, whether it be for aspiring graduates at the start of their careers or senior managers wishing to increase their effectiveness or employability in the international market. The 4th edition of *Understanding Cross-Cultural Management* has been adapted in line with the feedback from our many readers, and boasts new case study material based on recent research, as well as a stronger focus on Asian cultures, thereby providing more non-Western examples.

**Women in High Gear** - Anne Deeter Gallaher

2013-03

Is high gear attainable for today's women and the next generation? Yes! *Women in High Gear* is a first-of-its-kind look at how women in business, on-rampers, and aspiring executives can discern and discover a path to high gear. Whether that looks like financial independence, starting a business, ascending to the C-suite, securing a board seat, or making superconnections, high gear is clearly within reach. Entrepreneurs and small business owners Anne Deeter Gallaher and Amy D. Howell join forces in *Women in High Gear* to tell their stories of two divergent paths to reach the same goal. In 13 easy-to-read and easy-to-relate-to chapters, Amy and Anne lay out their own journeys to high gear and show how others can connect the dots for growth and success. They combine big business principles with small business DNA in hopes that their experiences will shorten the business learning curve of women. Living the realities of staying at home and staying on the fast track, Anne and Amy help

women of all ages understand the necessities for emotional resilience, harnessing the soft skills, exhibiting leadership, mastering self-discipline, understanding the bottom line, connecting on social media, and building a personal brand. Wherever you stand in your business journey, Anne and Amy challenge you to charge ahead with confidence and fresh perspectives. The world needs what you have to offer-high gear awaits! Acclaim for *Women in High Gear*: "Anne Deeter Gallaher and Amy D. Howell are keenly attuned to the need for mentoring, guidance, and inspiration to help prepare current and future generations of women for leadership in business and society. In *Women in High Gear*, Anne and Amy have artfully woven their own high gear journeys to both mark a path for growth and to steer readers clear of roadblocks. They blend advice, personal experience, insight, and accountability in hopes of shortening the learning curves of other women." Kim S. Phipps, Ph.D. President, Messiah College "In a business

world steeped in too much self-help blather, Amy and Anne stand up for accountability, distinctiveness, mental toughness, responsibility, hard work, compassion, and appropriate compromise-the values that forge great leaders. This book is inspiring, true, and even better-entertaining!" Mark W. Schaefer College Educator, Entrepreneur, International Speaker, and Author of *Return on Influence* and *The Tao of Twitter* "*Women in High Gear* is proof of the power of storytelling-at which Anne Deeter Gallaher and Amy D. Howell excel. They turn their hard-won personal and professional experiences into illuminating and engaging examples for others to follow. Early and mid-career professionals will find *High Gear* immediately useful, but even seasoned executives (like me) will see in Amy and Anne's experiences new approaches to today's challenges." Kathleen A. Pavelko President/CEO, WITF, Harrisburg, PA "This book is for anyone wanting to soar to higher goals in business."

Philip H. Trenary CEO, Phil Trenary Associates;  
Former CEO, Pinnacle Airlines Corporation

"After reading Women in High Gear, I immediately wrote out my high gear goals for the next five years. This book is for any woman with a big dream for her life!" Rachael Dymski Author "Wonder duo Anne and Amy provide valuable insight into how independent, driven women can dominate the professional business landscape." Susan R. Ewing Director of Social & Digital Media, Hershey Harrisburg Regional Visitors Bureau "Women in High Gear is the modern guide to overcoming obstacles and achieving success without breaking a sweat-and doing it all in 4-inch heels. Anne and Amy have hit a homerun!" Kaitlin Sawyer Public Relations/Marketing Professional, Hawaii

**The Hypnotic Assassin** - Daniel Jones  
2014-12-25

This book is a metaphysical visionary mystery fantasy novel, a psychological thriller set in a World of secret societies and hidden agenda's.

This is a tale of mind reading, covert influencing and murder. The story explores the power of the mind and the power to influence others using hypnotic techniques. The hypnotic assassin is a master of his own mind, he uses hypnosis on himself to alter his perceptions of time and reality and to enhance what he is capable of physically and mentally. He uses hypnotic techniques to read the minds of others and to plant thoughts and ideas in people's minds and to make people willingly do things he wants them to do. This is the first story in the 'Followers of the Light' series. All hypnosis in this novel is possible, and the final chapter explains some of the techniques used by the 'assassin' in the novel. For thousands of years Hypnotic Assassins have existed to help free the people. 4500 years ago they were known as 'Assassins of the Light', 2000 years ago this changed to 'Followers of the Light'. They have always stood for freedom & peace. In 1938 they were almost all wiped out when an assassin

became hungry for power & domination. Since then few Hypnotic Assassins remain. Sam Carter is one such assassin. Sam lives a quiet life in a small boxy flat, being a Hypnotic Assassin this is all he needs. Every day when Sam isn't on a mission he sits at the same seat in the Marlborough Cafe for 90 minutes, reading minds and drinking tea. One day he picks up a mission to assassinate Michael Rawlins, Ceo of SiLo, a Nuclear Fusion research company who is planning on selling a nuclear weapon and advanced nuclear technology to someone in Europe. This starts out to be a straight forward and simple mission. But Sam's life end's up on the line, with Sam needing to use all his hypnotic skills just to survive."

**Outrageous Promotions That Are Outrageously Effective** - Robert Vico

2015-04-21

Discover A Proven, But Little-Known Secret To Tap Into Your Market And Immediately Bring In More Leads, Sell More Products & Services And

Explode Your Revenue...Even In This Tough Economy. BUT FIRST... Do Not Spend Another Penny On Ordering Promotional Products Until You Read This Important Information! If you're not creating outrageous promotions that are outrageously effective using the power of promo products and are simply just getting "stuff" printed with your logo and randomly giving it away - I have 5 words of advice for you... STOP...Throwing Your Money Away! I know this because with over 15 years in the business I've come to realize that most businesses don't know the first thing about marketing using the power of promotional products and are just throwing money out the window. In this book, I'm breaking the industry "code of silence"...I'm pulling back the curtain and for the first time ever giving you "behind-the-scenes" access. You'll discover how simply combining the power of promotional products with direct response marketing strategies produces outrageously effective marketing for your company. I'll bet

that the expensive Ad Agencies, the over-priced marketing "guru's, the big media sales reps and even the promotional product companies, tell you nothing about it and would prefer you never discover it. And honestly during this ever changing economy you need to forget about TV, Radio, Newspaper, TV and just about every other "Big Media" marketing and advertising and focus on this powerful and proven combination that generates more customers, prospects and sales than you can handle. Plus you'll also discover that you'll have more time and money to do the things you really want to do...like go hit the golf course...spend time with the family...go on a much needed vacation...or whatever! Still think promotional products don't work. Well check out the real life stories from "regular- ordinary" brick and mortar businesses, retail stores, insurance agencies, chiropractors, distributors, manufacturers , service industries, sales professionals (I think you get the point) all using the power of promotional products. Inside

they share actual marketing examples along with the explosive results they've had on their businesses. Go ahead...don't be shy and take a look inside!

**Themselves** - C. B. Daniels 2016-06-26

100 Questions Every Person Should Ask

Themselves is a journal for those who want to dive a little deeper into who they truly are and what they need to do in order to become the person they want to be. It's a wonderful book for anyone going through a big life change or for those who feel like they need a new direction and a fresh start. Just remember that self-examination can be painful. So be ready. This journal pulls no punches. But if you're honest with yourself, and honest in your writing; you'll find that by the end of this journal you'll have learned much more about who you are and what you should be doing to get where you need to be. 100 Questions Every Person Should Ask  
Themselves is set up so that you can go at your own pace; whether that means doing multiple entries in a day or just one a week. Feel free to skip around and choose the question that is perfect for that specific day. And while this journal is aimed specifically at adults, there's

nothing inappropriate inside, so it's suitable for young adults as well.

**Corporate Bravery** - Darrin Murriner  
2015-10-01

American culture has become a culture of fear. Parenting methods and advertising messages scream for safety. Terrorism's threat and the government's response both tell us to take cover. And, of course, social media's unending streams perpetually magnify it all. In this societal context, our business cultures, too, have become cultures of fear. Mistrust is rising between management and co-workers, all seeking to protect personal interests. Advisors push us toward fear-based caution, not

opportunity-seeking strategy. External influences -- from the media to regulators to competition -- focus us on avoiding risks rather than moving boldly ahead. Corporate Bravery is a book about freeing your business from being a culture of fear. It starts by considering fear's impact on decision-making. Then, it explores eight ways that fear can harm culture. Finally, through a three-step process, it shows how to foster a culture that supports engaged employees, provides opportunities for measured risk-taking and innovation, and rewards the brave leadership that drives business success.

Trapped in a Lion's Den - 2013-12-23 Is Jesus Christ merely a dead mystical religious figure who lived 2000 years ago or the living risen Messiah sent for the redemption of mankind from the penalty of personal sin? Is

Jesus actually able to communicate with you and I today with understandable words in our own language? Is He especially viewable and understandable in the pages, words, and cryptograph of the Holy Bible's Book of Daniel? You the reader are now at the threshold of not only a complete teaching of the entire Book of Daniel, but a threshold of human history unprecedented. Both the great Prophets Daniel and the Apostle John said that in the days just preceding the return of Jesus Christ to set up His Millennial 1000 year Kingdom certain signs would appear on the world stage. Those indicators include: A worldwide international banking system; a cashless society; a worldwide common currency; computer technology that would monitor financial transactions, social interaction, and international communications; and a satellite communication system that would allow people to view events simultaneous from any television around the world. Let not this study of the Book of Daniel be entered into with

fear and trepidation, but with wonder, astonishment and enthusiasm. Allow the Spirit of the Living God to cause the eyes of your understanding to be flooded with light, that you might know the truth and be set free. Best of life to you and yours, Dr. Martin W. Oliver PhD, BCPC

The Clarity Project - Liam Thompson 2017-05-11  
A simple step by step easy to understand system for businesses who want to attract new clients faster using the internet and social media. The Clarity Project was written for businesses who are struggling to bring in new clients using their current websites or who are not sure where to start when it comes to marketing online. It's for business owners who want to find and attract new clients or customers, make more sales online and learn how to craft an effective marketing strategy that can transform a business and boost profits. Have you invested time and resources in your website, only to find it has failed to bring you regular sales? I see this

a lot from the businesses I work with and this is why I wrote The Clarity Project. This easy to read and non technical step by step system for growing your business online will teach you: A simple but effective step-by-step strategy to gain clarity about your target market, develop your "killer headline" and create a marketing strategy that will attract new and profitable clients into your business Why the majority of businesses fail to explain their offering in a language that their potential clients understand and lose out on sales because of it, plus how you can easily fix this How to easily get up to 40% of your website visitors to leave you with their contact details instead of the usual 1% most business websites get How your business can make more sales by focusing on solving your client's most pressing problems and showing that you understand what they need How to effectively stand out from your competition by using the power of your story and personality in your marketing How to easily get more referrals and repeat business by forging

and strengthening real life relationships with clients and potential clients The vital business numbers and statistics you must know before you even think about investing a single penny in paid advertising for your business How you can nearly always guarantee a positive return on your online marketing spend

**The Unique Technique** - Maria Higgins  
2016-02-02

I am an optometrist. I owned a very traditional medical, white coat practice in Pittsburgh, Pennsylvania near the University of Pittsburgh for 10 years. I became bored and uninspired in this vanilla business environment and sterile space. Feeling restless, I sold my practice and began the search for a new place to start a fresh concept in optometry. I found Frederick, Maryland, which is a historic, walkable little city that tops the triangle with DC and Baltimore. I relocated to a new town, in a new state with a brand new practice - Unique Optique. I was an outsider and a transplant, trying to win

Frederick's trust and convince the residents of this town to come to my practice to spend money on high-end glasses. To accomplish this feat, I decided that I needed to show our authenticity, exude genuine sincerity, and smile through adversity. I embraced my flaws; I was vulnerable and real. I used social media, in-house events and the decor of the office to display the business's personality. People instantly related to the practice. They saw that I was not perfect, but I was earnest and that I truly cared. I was proud of my venture. Unique Optique's reviews were stellar and real. The practice grew steadily and by the end of the first year, I was recognized as the Start Up Entrepreneur of Frederick County. Soon, I had requests from business owners and entrepreneurs to come and visit the practice and discuss our unique image strategies. People wanted this quality for their own businesses. I realized that I had helpful and valuable information and put my techniques down on paper. While developing my brand and

marketing my business, I have made mistakes, learned from them, and attempted to fix them. I have worked through adversity and difficulties. In the end, I cultivated a brand to which people could relate. This is my experience. I hope it helps you find your Unique Technique."

**Tribalry** - Jared Stewart 2015-03-20

Tribalry is a humorous, insightful parable that will leave you ready to roll up your sleeves and start building your own tribe today.

**The Reality of Our Global Future** - Peter B.

Scott-Morgan, Dr. 2012-03-01

Where are we heading? Stripped of all the hype and fantasy – where really is the world economy set to take us by 2040? Those of us alive today are on an extraordinary course: For several decades our future has largely been determined by a handful of relatively-obscure trends that together generate the awesome propulsion of a High-Tech engine that is launching the international community on a voyage into completely unfamiliar territory. But where will we all end up? Based on unparalleled insights into what organizations across the globe are actually doing, for the first time the world's foremost expert on the hidden inner-workings of society explains in simple and accessible language exactly where the most deeply-established trends are taking us. How, despite claims that its accelerating progress is not sustainable for much longer, Digitization is on an inexorable course to a mind-blowing society of virtual-assistants, robot cars, cyborgs and

everything on-the-record. And how Networking will combine with Digitization to lead by 2040 to computers capable of human-like interaction and an internet a billion times more powerful than today's. Dr. Scott-Morgan reveals how the Miniaturization trend offers nanotech breakthroughs ranging from cancer treatments to quantum computing – but not, as has often been claimed, Star-Trek Replicators or the threat of 'grey goo'. And he shows how exponential Simulation will support fundamental and sweeping advances that lead to almost limitless electricity and maybe almost limitless life-extension. Our world is set for a Global Renaissance. However, the backdraft of the High-Tech launch engine is also stirring up a turbulence of unintended consequences that threaten to disrupt our trajectory. Rather than Global Renaissance, we would then enter Global Chaos. Yet these are not ordinary times. In the startling conclusion to his book, Dr. Scott-Morgan reveals how in only the last couple of

years a brand new exponential trend has begun to emerge out of the turbulence. In terms of influencing our destination - whether we end up in a Global Renaissance or in Global Chaos - it is that trend that will be the most important one of all. NOTE: This is the companion volume to 'The Reality of Global Crises' by the same author.

*International Business Law: Cases and Materials*

- George D. Cameron III 2015-08-09

INTERNATIONAL BUSINESS LAW: CASES AND MATERIALS is a timely and useful book.

Uncounted millions of “international” transactions occur daily, as goods and services are purchased across the national boundaries of some 200 political units. Capital flows from nation to nation, and so—to a lesser extent—do jobs, as companies seek more favorable locations

for their business operations. The “rules” (laws) governing these exchanges quickly become complex, as persons (and governments) from different countries are involved. If problems arise in a cross-border relationship, whose rules apply? What forums are available to resolve disputes? Are there tax implications to the transaction? If so, where? These and similar questions need to be factored into the decision to “go overseas.” Each of the six chapters in this book begins with a brief overview of the subject-matter, followed by short previews of the chosen case examples. The primary content of the chapters consists of some 120 court and arbitration decisions in real disputes, between real parties. The actual text of the decisions in these cases has been edited; some excerpts are quite brief, others are more substantial. Most “background” facts have been summarized by the author, but the edited-decision part of each case is quoted from the actual recorded text of the court or arbitrator who decided it. Clearly, a

minute sample from tens of thousands of cases cannot provide comprehensive coverage of what all the world's legal rules are. Our objectives here are simply to indicate some of the major potential "flash points" of doing international business, to illustrate some of the significant differences in the applicable legal rules, and to provide an exposure to the language and process by which international business disputes are resolved. "Fore-warned is fore-armed." Being aware of these potential trouble spots, a sensible business manager will presumably consider them in making the decision to engage in cross-border transactions, and take appropriate steps to avoid or minimize potential adverse consequences. Chapter I of this book introduces International Law—its course of development and its two major sources (custom and treaties). Chapter II examines the use of national and international courts and arbitrators to resolve cross-border disputes. Chapter III provides basic coverage of the United Nations Convention on

Contracts for the International Sale of Goods: when it applies, how the sale contract is formed, when risk of loss on the goods passes from Seller to Buyer, and what responsibilities the Seller has for the quality of the goods sold. Chapter IV looks at some of the legal questions that might arise in conducting cross-border commercial operations—employment issues, intellectual property issues, and investment issues. Chapter V considers potential questions regarding taxation of international activities, and the regulation of adverse environmental effects. Chapter VI reviews the efforts by national governments to apply their competition regulations to international business transactions, and the difficulties that private parties might have in attempting to enforce legal claims against governments and their agencies. While these are surely not the only legal issues that might arise in connection with international business, they do constitute a significant set of concerns of which managers need to be aware

as they venture into the international “stream of commerce.”

**Lean, Agile and Six Sigma Information Technology Management** - Peter K. Ghavami

*Anemone Enemy* - Ed Claire Fitzpatrick  
2017-07-25

The deep sea is an environment completely unfriendly to mankind; it represents one of the least explored areas on Earth. Pressures in the mesopelagic zone become too great for traditional exploration methods, demanding alternative approaches for deep sea research.

What is beneath the depths of the sea?  
Featuring award-winning authors including  
Deborah Sheldon, Liz Butcher, Gerry Huntman,  
and more!

*Breaking Normal* - Daniel Eisenman 2017-05-30  
Over the past decade of creating epic personal  
development retreats, Daniel Eisenman has  
traveled around the world experiencing  
beautiful, exotic settings and amazing people.  
His one big observation is that so many people  
keep the lid on their growth and opportunities to  
thrive. This is a self-imposed limitation ... nobody  
tells us to do this! Daniel blows the lid off and  
gives you a retreat experience in a book. What's  
inside *Breaking Normal: ReWild Your Inner  
Child and Set the Truth Free*? \*You'll get to feel  
what it means to be raw and vulnerable, excited  
and glowing with a sacred knowledge about your  
future. \*You'll learn to communicate with others  
in a way that cuts through the limitations we  
used to let entangle us. \*You'll have tools and  
insight for building your own tribe, be it your

family or community or the world at large.

*Sequencing* - Michael Metzger 2010-04

Watson and Crick discovered the human DNA. What made the difference was deciphering it. Like the human body, every organization has a DNA. What will make the difference is not seeing it, but sequencing it. It's the key to long-term success at innovation. Sequencing, written by business consultant Michael Metzger, explores what is required for a company to develop a culture that promotes innovation for the long haul. Harvard's Clayton Christensen reports that few companies have the capacity to innovate. The more success a company achieves, the harder it is for the company to innovate. And yet the reality is that companies innovate or die. Metzger outlines the steps necessary to sustain innovation - the culture, conscience, and C-level leadership required. It begins by having an accurate assessment of human nature and reality. Institutional leaders ignore this book at

their peril.

[Back to Venice](#) - Michael Grant 2011-05-26

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an

overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiuser and curiuser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.

Rural Rides - William Cobbett 2020-04-09  
Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing Rural Rides, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what

he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

The Essential Enneagram - David Daniels  
2009-11-24

The First and Only Scientifically Determined Enneagram Personality Test and Guide A centuries-old psychological system with roots in sacred tradition, the Enneagram can be an invaluable guide in your journey toward self-understanding and self-development. In this book, Stanford University Medical School clinical professor of psychiatry David Daniels

and counseling psychologist Virginia Price offer the only scientifically developed Enneagram test based upon extensive research combined with a self-discovery and personal-development guide. The most fundamental guide to the Enneagram ever offered, this book features effective self-tests to determine simply and accurately what your personality type is. Daniels and Price provide step-by-step instructions for taking inventory of how you think, what you feel, and what you experience. They then guide you in your discovery of what your type means for your personal well-being and your relationships with others, and they show you how to maximize your inherent strengths. Brimming with empowering information for each of the nine personality types—Perfectionist, Giver, Performer, Romantic, Observer, Loyal Skeptic, Epicure, Protector, and Mediator—this one-of-a-kind book equips you with all the tools you need to dramatically enhance your quality of life.
