The White Book - Han Kang 2019-02-19
Shortlisted for the 2018 Man Booker International Prize From Booker Prize-winner and literary phenomenon Han Kang, a lyrical

and disquieting exploration of personal grief, written through the prism of the color white. While on a writer's residency, a nameless narrator wanders the twin white worlds of the blank page and snowy Warsaw. *THE WHITE BOOK* becomes a meditation on the color white, as well as a fictional journey inspired by an older sister who died in her mother's arms, a few hours old. The narrator grapples with the tragedy that has haunted her family, an event she colors in stark white--breast milk, swaddling bands, the baby's rice cake-colored skin--and, from here, visits all that glows in her memory: from a white dog to sugar cubes. As the writer reckons with the enormity of her sister's death, Han Kang's trademark frank and chilling prose is softened by retrospection, introspection, and a deep sense of resilience and love. *THE WHITE BOOK*--ultimately a letter from Kang to her sister--offers powerful philosophy and personal psychology on the tenacity and fragility of the human spirit, and our attempts to graft new life

from the ashes of destruction.

Once, elephants came in two colours: black or white. They loved all other creatures - but each

set wanted to destroy the other. Peace-loving elephants ran and hid in the deepest jungle while battle commenced. The war-mongers succeeded: for a long time it seemed that there were no elephants in the world at all, not of any colour. But then the descendants of the peace-loving ones emerged from the jungle, and by now they were all grey. 'This book was one of my favourites as a kid, I simply relished in the gloriousness of a load of elephants battling it out in a bizarre forest. It wasn't until I was a bit older that I recognised the importance of the message that lay (not so subtly) underneath.'

Penstricken - Andrew Ferguson 2020-12-13

There are short stories, there are very short stories and then there is flash fiction: the delicate and often tricky art of telling a story in as few words as possible. The stories in this tiny little book (all originally published between 2015 and 2020 on the fiction blog, *Penstricken*) are deliberate exercises in brevity. In total, this book contains twelve flash fictions ranging from fifty to 2,000 words apiece, plus six collections of six word stories. While these stories vary in mood and genre, you will find in many that the author's tongue was firmly entrenched in his cheek; whether it be in the brief tale of a Martian liberating his 'kin' from the deep fat fryer of a Glasgow chip shop or the nightmarish tragedy of Santa Claus' true genesis,

Penstricken: Collected Stories is a brief snapshot of one writer's meandering imagination.
