Michael Levin 1996

These four books provide sincerely

straightforward advice that goes right to the heart of every male-female relationship.

The Book of Lost Friends - Lisa Wingate

2020-04-07

NEW YORK TIMES BESTSELLER • From the bestselling author of *Before We Were Yours* comes a dramatic historical novel of three young women searching for family amid the destruction of the post-Civil War South, and of a modern-day teacher who learns of their story and its vital connection to her students' lives. "An absorbing historical . . . enthralling."—Library Journal

Bestselling author Lisa Wingate brings to life startling stories from actual "Lost Friends" advertisements that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away. Louisiana, 1875: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a now destitute plantation; and Juneau Jane, Lavinia's Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads

rife with vigilantes and soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery's end, the pilgrimage west reignites an agonizing question: Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope. Louisiana, 1987: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt—until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is suspicious of new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything.

How to Be a Friend - Marcus Tullius Cicero

2018-10-09

A splendid new translation of one of the greatest books on friendship ever written. In a world where social media, online relationships, and relentless self-absorption threaten the very idea of deep and lasting friendships, the search for true friends is more important than ever. In this short book, which is one of the greatest ever written on the subject, the famous Roman politician and philosopher Cicero offers a compelling guide to finding, keeping, and appreciating friends. With wit and wisdom, Cicero shows us not only how to build friendships but also why they must be a key part of our lives. For, as Cicero says, life without friends is not worth living. Filled with timeless advice and insights, Cicero's heartfelt and moving classic—written in 44 BC and originally titled *De Amicitia*—has inspired readers for more than two thousand years, from St. Augustine and Dante to Thomas Jefferson and John Adams. Presented here in a lively new translation with

the original Latin on facing pages and an inviting introduction, *How to Be a Friend* explores how to choose the right friends, how to avoid the pitfalls of friendship, and how to live with friends in good times and bad. Cicero also praises what he sees as the deepest kind of friendship—one in which two people find in each other “another self” or a kindred soul. An honest and eloquent guide to finding and treasuring true friends, *How to Be a Friend* speaks as powerfully today as when it was first written.

[The Little Book of Friendship](#) - Zack Bush
2020-07-10

Friendships are like flowers. If you take care of them, they grow and bloom until you have a beautiful garden! *The Little Book of Friendship* shows young readers what they need to know to make a friend and to be one too.

Growing from the Roots - Barbara S Olinger
Msw 2016-05-07

The roots of healthy development are nurtured when children's needs are met and they are

allowed to experience life for themselves with guidance, not control. This is the foundation of the non-judgmental, emotionally connected style of parenting presented in "Growing From the Roots: A Practical Guide to the Art of Parenting". This book provides many down-to-earth parenting tools to help promote connections between parents and children as well as valuable examples that model how to communicate with children to support their growth into confident and compassionate adults. This is a comprehensive look at parenting; from helping our children gain self-esteem to how we can get through the day without feeling we are going to explode! The author's own experiences as a mother, a child and family therapist and a preschool teacher contribute to a rich understanding of what parents and children experience, providing relevant and invaluable tools and support for parents of young children.

The Glass Elevator - Ora Shtull 2012
Breaking through glass ceilings in the workplace

is dangerous business. There is now an easier (and safer) way for women to rise and succeed professionally. The Glass Elevator: A Guide to Leadership Presence for Women on the Rise shares the 9 critical skills that will enhance your ability to engage, connect, and influence in the workplace. Have you been holding yourself back by: - Not speaking up at meetings when you have value to add? - Failing to promote yourself to seniors in the workplace? - Shying away from challenges because you lack confidence? - Neglecting your networking inside and outside the company? - Living in a state of overwhelm at home and work? The author - one of New York's leading Executive Coaches - will teach you how to stop retreating and start ascending, employing the same expertise she uses to help her executive clients rise to the top. With Ground Floor Quizzes, Elevator Workouts, and Power Profiles of women leaders, this engaging book helps you master the must-have skills that will propel you upward. Pursue your professional

aspirations one floor at a time by riding The Glass Elevator.

Albert Is My Friend - Jan Luck 2022-01-09
Meet Albert. He doesn't say much, but has a lot of great ideas. Mary Louise likes Albert even though he is different from her other friends. Albert and Mary Louise want everyone to know that being different is okay. "Albert is My Friend: Helping Children to Understand Autism" is about the friendship between a young boy, Albert, who is on the autism spectrum and his friend, Mary Louise. Together they describe and explain some common autism behaviors at a child's level of understanding. This read-aloud book has engaging color pictures that will hold the attention of children and adults. This book presents a positive attitude and is a must read for family members, teachers, and community members.

Fire Your Friends - Shalena Diva 2013-01-16
Become the CEO of your Life! Have the courage to fire, hire, or promote people within your inner

circle. "Fire Your Friends: A Woman's Guide to Becoming Her Own Best Friend" introduces you to 5 powerful girlfriends who live within all women. Your new best friends will make you laugh, cry, think, and ultimately fall in love with the woman in the mirror: YOU. They teach you valuable lessons that will help you create a healthy relationship with yourself FIRST. Here are a few things your new best friends will teach you to help you fall in love with one of the most interesting and exciting people on the planet: YOU: • Discover your life purpose and God-given gifts • Look within yourself FIRST for answers you seek • Use the pain of your past to create a successful future • Design the life you REALLY want with positive thinking • Overcome the fear of failure to achieve your wildest dreams After your new best friends show you how to become your biggest fan, they will help you to develop emotional intelligence to manage relationships that will TRULY nourish your life. Here's why? Did you know that food IS NOT the

PRIMARY source of nourishment in your life? Did you know that your relationships ARE the primary source of nourishment in your life? Have you ever noticed your eating habits AFTER you have a fight with someone you care about? Since relationships play a major role in life, your new best friends will help you to: •Identify and eliminate toxic relationships •Create an exit strategy from an unhealthy relationship •Learn how and when to distance yourself from someone •Network to build meaningful relationships that will add value to your life Finally... advice about your most important relationship: the one with yourself. Establishing this important relationship will set the tone for all others in your life. WHIP OUT SOME PINK SLIPS!!!

[The Batz Guide for Bedside Advocacy, Teaming Up for the Patient](#) - Laura Batz Townsend
2012-12-13

The Story: Every day in the United States an estimated 550 people die from preventable

medical errors, which is approximately 200,000 people a year, making it the 3rd leading cause of death in the United States. (Healthgrades 2004) On April 14, my mom, Louise Batz, went to have knee replacement surgery. That night, a medical error caused Mom to sustain an injury from which she could not recover. She lost her life eleven days later. The Mission: The mission of the Louise H. Batz Patient Safety Foundation is to help prevent medical errors by ensuring that patients and families have the knowledge they need to promote a safe hospital experience for their loved ones and to support innovative advancements in patient safety. Our greatest hope is that families, patients, and caregivers will work together as a TEAM to improve safety in our hospitals. The Use of the Guide: Our hope is that you and your family can use this guide in order to improve the quality of your loved one's hospital stay. We hope that by using the guide, you will be better equipped to aid the care team in the reduction of adverse events. Organize

your questions and concerns as soon as you learn about an upcoming surgery or procedure. This packet will be useful during pre-surgery appointments, during your time in the hospital, at home post-surgery and for follow up visits and appointments. We encourage you to include personal questions based on feelings or concerns and utilize the questions provided in the Batz Guide for Bedside Advocacy. What's in the Guide: In this guide you will find all sorts of tools that will help you in all aspects of your hospital stay. You will find places to store personal information such as medication logs, the names of your medical team, and surgery summaries; you will find information on who to contact in case of emergency, charts of who is in charge, and who to call to get things done; and you will find advice, definitions, must ask questions, and places to keep and store all of those little details that can and will help keep you or your loved one more safe.

A Family and Friend's Guide to Sexual

Orientation - Bob Powers 1996

First Published in 1996. Routledge is an imprint of Taylor & Francis, an informa company.

The Dog's Guide to Your Happiness - Garry McDaniel 2017-02-07

How do we define happiness in a world where people regularly feel rushed, stressed, and overwhelmed by the daily demands of life? Authors Garry McDaniel and Sharon Massen suggest that we look to our canine companions to learn what happiness is really about. Based on the authors' research and insights as well as real-life stories about dogs and their people, this eye-opening guide helps us explore seven essential traits for happiness through the eyes of our trusted furry friends. Inside The Dog's Guide to Happiness: •The value of loyalty in our personal and business relationships •Canine communication tactics; namely, vocalizations, body language, and eye contact; and a discussion on interpersonal communication •The lost art of play and why it is important for people; and

dogs; of all ages • The unconditional love that dogs bestow on their humans and how it applies to our relationships with other people • How an unwillingness to forgive others holds us back, and why dogs are able to "forgive and forget" • How to nurture an optimistic outlook on life's ups and downs • A dog's approach to life balance and why a lack of balance is detrimental to emotional health • Exercises, charts, and worksheets to guide readers in self-exploration through applying the principles set forth in each chapter • Suggestions and activities to help readers attain the seven secrets of happiness

[The Survival Guide for Making and Being Friends](#) - James J. Crist, Ph.D. 2014

Counsels middle-grade students on how to improve health and self-esteem through friendship, offering practical advice ranging from meeting someone new to overcoming conflicts while sharing real-world vignettes, self-evaluation quizzes and advice from real kids.

Original.

A Friend's and Relative's Guide to Supporting the Family with Autism - Ann Palmer 2012-04-15

When a child is diagnosed with an autism spectrum disorder (ASD), what the family really need, and often lack, is positive reassurance and understanding from those closest to them. This book is packed with advice on how extended family members and friends can provide the necessary support. Explaining the diagnosis and characteristics of ASD, this helpful guide uses examples from real families to illustrate the complex feelings that parents and each member of the family are likely to go through after a child is diagnosed. It gives practical tips on help that might be needed most, details the possible changes that will take place as the family adjusts and concludes with a comprehensive guide to other useful sources of information. This book will help strengthen relationships between parents and their extended family and friends, enabling a reliable support system to develop which will remain crucial to the child throughout

their life.

Coconut's Guide to Life - Elizabeth Chobanian
2003

Coconut's golden rules for life.

How To Win Friends And Influence People - Dale Carnegie 2022-05-17

Twelve Things This Book Will Do For You: Get you out of a mental rut, give you new thoughts, new visions, new ambitions. Enable you to make friends quickly and easily. Increase your popularity. Help you to win people to your way of thinking. Increase your influence, your prestige, your ability to get things done. Enable you to win new

clients, new customers. Increase your earning power. Make you a better salesman, a better executive. Help you to handle complaints, avoid arguments, keep your human contacts smooth and pleasant. Make you a better speaker, a more entertaining conversationalist. Make the principles of psychology easy for you to apply in your daily contacts. Help you to arouse enthusiasm among your associates. Dale Carnegie (1888-1955) was an American writer and lecturer and the developer of famous courses in self-improvement, salesmanship, corporate training, public speaking, and interpersonal skills. Born into poverty on a farm in Missouri, he was the author of *How to Win Friends and Influence People* (1936), a massive bestseller that remains popular today. *How to Be a Friend* - Laurene Krasny Brown 2009-07-10
Dinosaur characters illustrate the value of

friends, how to make friends, and how to be and not to be a good friend.

Kindness Starts with You - At School -

Jacquelyn Stagg 2018-04-22

Kindness is the single most powerful thing that we can teach our children. Follow Maddy through her day at school, where your child will learn how easy it can be to spread kindness! From taking turns on the swing to including everyone in the game - this storybook shows that no act of kindness, no matter how small, is ever wasted. A lightbulb lesson of kindness is found on each page! Included in the book is a Weekly Kindness Challenge to help encourage your child to: Say Sorry, Be Polite, Take Turns, Be a Helping Hand, Include Others, and Show Respect. If you value raising kind kids that make the world a better place, then this book is for you!

God Is My Friend - Lisa O Engelhardt

2014-10-21

Everyone needs a best friend—someone who

knows you and loves you just the way you are. Someone who hugs you when you're sad and celebrates when you're happy. Best friends like to spend time with each other. Best friends stay in touch and help each other out. This book introduces children to their very own Best Friend-God. Through childlike images and charming illustrations, it helps young believers to come to know God as an everyday, everywhere, anytime kind of Friend. A down-to-earth primer for children (and adults too!) on God.

A Hoser's Guide to Canadian History - Kirt

Purdy 2016-03

The great thing about being Canadian is simply this: we don't take ourselves too seriously, which works out pretty well because no one else on the planet takes us seriously, either. If you're reading this book, there's a good chance you're a Canadian. But what does that mean? There are the stereotypical nods, such as politeness and apologizing, but there's so much more! To be

honest, you've probably taken part in (or at least talked about) hockey, poutine, curling, canoes, health care, snowshoes, parkas, camping, beer, road work, Canadian Tire, Slurpees, moose, maple syrup, and Tim Hortons in the last 24 hours. "A Hoser's Guide to Canadian History" is your ticket to even more things "Canadian" that you may have missed during your water-cooler discussions, online chats, or your seventeen-hour wait in the local emergency room. As you read this book, you'll discover new and exciting facts about Canada that simply weren't taught in school. As a History teacher, I found the need to spread the unvarnished truth of this great nation's past. People like Sir John "Eh" MacDonald, Tommy Douglas, and Pierre Trudeau all had a distinct impact on this great country of ours, and part of their stories are included in these pages. Even less-famous folks who helped to shape Canada got a mention: John Humphrey, Laura Secord, and Egerton Ryerson. (Yes, "Egerton" is a real name.) Canada has an

exciting past, full of events that have brought us to where we are now. Like all countries, we have some things we'd like to forget, but most of those unpleasant moments happened because we had morons in Parliament, something that doesn't happen anymore. Canadians have no need to apologize for being nice, honest, and caring people. So, please enjoy this book, and if you don't, well, I'm sorry.

A Woman's Guide to Being a Man's Best Friend - Michael Levin 1996

These four books provide sincerely straightforward advice that goes right to the heart of every male-female relationship.

How To Break Up With Friends - Hannah Korrel 2020-10-07

We all have that one friend. The one who expects the world, but never remembers your birthday. The one who constantly ditches your dinner plans when you're already halfway to the restaurant. The one who leaves you feeling exhausted, used and completely emotionally

battered. Why do we let these people into our lives? When is their friendship actually friend-shit? How do we dump these crappy companions? This is the no-bullshit, essential guide for anyone devoting their precious time and energy into maintaining friendships with toxic friends. Using activities, truth bombs, and real-life examples, neuropsychologist Dr Hannah Korrel will help you to identify the bad friends in your life, understand what true friendship should look like, learn how to attract the best people, and become the best friend you can be yourself. Provocative, funny, and brutally honest, How To Break Up With Friends will change the way you look at friendship forever.

A Family and Friend's Guide to Sexual Orientation - Bob Powers 2013-12-02

A Family and Friend's Guide to Sexual Orientation helps individuals and families to bridge the divide between gay and straight, to heal wounds that often accompany individuals and families' negative feelings about lesbians,

gay men, bisexuals, and transgendered persons. Consisting of thirty stories by individuals who have come to accept and embrace their own sexuality, twelve of the stories are by heterosexuals who, in addition to talking about their own sexuality, speak of the homosexuality of a loved one. The book also includes five personal stories from two families.

The Complete Practical Fishpond Book - Lloyd Mathews 2013-02-06

My aim in this book is to give essential advice on all the main aspects of freshwater garden fish ponds. I have tried to include some of the science of ponds while keeping the information easy to understand. Each chapter begins with an outline of the main points of the topic. Each point is then expanded on. My experience with ponds has mainly been in the warm temperate climate in Perth, Western Australia. The principles for fish ponds are similar worldwide but warm temperate climates like that of Perth intensify some of the problems in ponds. This

book will therefore be particularly useful to pond owners in sunny climates. The book begins with pond design, starting with the position of the pond in the garden. I discuss the consequences of different pond sizes and depths, and of natural and artificial ponds. I talk about the advantages of a dual pond system. I give guidelines for these and for self-cleaning ponds. I also say why I recommend designing the pond with a sump, overflow, leaf skimmer, and automatic top-up valve. Lastly, I give my colour preference for the pond bottom and sides. Next, I advise on pond construction. Ponds can be built with concrete, bricks, rigid polyethylene, fibreglass or liners. I write about my experiences with ponds made from each of these materials and also my preferences for pipework materials. In the following chapter, I recommend various pumps, filters (including ultraviolet clarifiers), water features, underwater lights and copper ionizers. Choosing the right equipment will give you the right effect for the lowest cost and for

the least effort. The chapter on fish gives information on types of fish, especially goldfish and koi. I advise on when a new pond is ready for fish and on the number of fish a pond can support. I give information on the handling, transporting, and feeding of fish, and on diseases and predators. The next chapter delivers general information on water plants, why you should have them and their role in the ecology of the pond. Plants provide shade, oxygen, food, habitat and cover from predators. They filter toxins and excessive nutrients from the water. I give advice on keeping plants, including information on fertilizer and pests. Finally, I give recommendations for pond maintenance including a routine. My advice is directed at pumps, filters, pond cleanliness, exchanging water and maintaining the pH and hardness. The maintenance is largely directed at algae control. I discuss the various forms of nuisance algae and control methods for microalgae, blanket weed, and slime algae.

Other advice includes information on water testing and water treatments. Maintaining good water quality is fundamental to the success of any fish pond. "Good" water quality means the water's suitability for its proposed purpose. Water quality is affected by every aspect of a pond, from its design and construction to its pumps, filters and maintenance. Each chapter of this book tells how each aspect of the pond affects the water. Every fish pond is different. The solutions to one pond's problems may be very different to another pond's.

Words from a Friend - Marty Keary 2016-10-18
"This collection of 366 daily thoughts, insights, and encouragements is intended to share some of the wisdom I have gleaned and lessons I have learned"-- Back cover.

Achieve your maximum potential with this

updated version of a classic—a must-read for the 21st century.

Helping Her Get Free - Susan Brewster

2006-01-02

Almost ten years after its original publication, this groundbreaking and practical guide remains a wise, informed, and vital resource for those who want to assist a friend or loved one in her struggle to escape an abusive relationship.

Susan Brewster, a longtime psychotherapist whose practice includes working with abused women and their families, recognizes that friends and family need specific tools and ideas to help them develop a relationship with their abused loved one that will ultimately benefit her, not control her. The survivor of an abusive relationship herself, Brewster teaches readers how to recognize the signs of abuse, handle negative feelings, become an effective advocate, deal with the abuser, and more. This compassionate book is just as timely and important as ever, offering the information

needed to give strength to women who are trying to break free. *Helping Her Get Free* was previously published as *To Be an Anchor in the Storm*.

Growing Friendships - Eileen Kennedy-Moore
2017-07-18

From psychologist and children's friendships expert Eileen Kennedy-Moore and parenting and health writer Christine McLaughlin comes a social development primer that gives kids the answers they need to make and keep friends. Friendship is complicated for kids. Almost every child struggles socially at some time, in some

way. Having an argument with a friend, getting teased, or even trying to find a buddy in a new classroom...although these are typical problems, they can be very painful. And friendships are never about just one thing. With research-based practical solutions and plenty of true-to-life examples--presented in more than 200 lighthearted cartoons--Growing Friendships is a toolkit for both girls and boys as they make sense of the social order around them. Children everywhere want to fit in with a group, resist peer pressure, and be good sports--but even the most socially adept children struggle at times. But after reading this highly illustrated guide on their own or with a caring adult, kids everywhere will be well equipped to face any friendship challenges that come their way.
