Spirit Legacy - E. E. Holmes 2013

College student Jess Ballard's mother has gone-dead under mysterious circumstances; her life uprooted to stay with estranged relatives she's never met; and ... and there's something odd about some of the people she's been meeting at school: They're dead! Aided by Tia, her neurotic roommate, and Dr. David Pierce, a ghost-hunting professor, Jess must unravel the mystery behind her hauntings. But the closer she gets to the truth, the more danger shadows her every move. An ancient secret, long-buried, is about to claw its way to the surface, and nothing can prepare Jess for one terrifying truth ... .. her encounters with the world of the dead are only just beginning

**A Mandaic Dictionary** - E. S. Drower 2021-07-26

Conspiracy Theories - J. Byford 2011-10-12

Through a series of specific questions that cut to the core of conspiracism as a global social and cultural phenomenon this book deconstructs the logic and rhetoric of conspiracy theories and analyses the broader social and psychological factors that contribute to their persistence in modern society.

*Paranormal Encounters in Iceland 1150-1400* - Ármann Jakobsson 2020-03-23

This anthology of international scholarship offers new critical approaches to the study of the many manifestations of the paranormal in the Middle Ages. The guiding principle of the collection is to depart from symbolic or reductionist readings of the subject matter in favor of focusing on the paranormal as human experience and, essentially, on how these experiences are defined by the sources. The authors work with a variety of medieval Icelandic textual sources, including family sagas, legendary sagas, romances, poetry, hagiography and miracles, exploring the diversity of paranormal activity in the medieval North. This volume questions all previous definitions of the subject matter, most decisively the idea of saga realism, and opens up new avenues in saga research.

**The Widow of Rose House** - Diana Biller 2019-10-08

"The Widow of Rose House is close to perfection and any lover of historical romance will adore this debut." - Smart Bitches Trashy Books  
It's 1875, and Alva Webster is ready for a fresh start. After three years of being pilloried in the presses for fleeing her abusive husband, his sudden death allows her to return to New York where she is determined to restore a dilapidated Hyde Park mansion, and hopefully her reputation at the same time. She is decidedly not supposed to fall in love. But when a haunting at her new home threatens her careful plans, she must seek help from the eccentric and brilliant and - much to her dismay - very handsome Professor Samuel Moore. Alva doesn't need more complications in her life, especially not a convention-flouting, scandal-raising one like Sam. Unfortunately, Sam is the only one who can help. Together, the two delve into the tragic secrets wreathing Alva's new home while Sam attempts to unlock Alva's history—and her heart. Set during the Gilded Age in New York City, *The Widow of Rose House* is a gorgeously romantic debut by Diana Biller, with an intrepid and resilient American heroine guaranteed to delight readers as she starts over and finds true love. "A chemistry-fueled debut with a bit of a ghost story, great for readers of gothic romance." - Booklist "Biller mirrors Wharton's genius for revealing the emotional gold lying beneath the Gilded Age, which motivates the novel's massive romantic turmoil." - Bookpage (Most Anticipated Romances)

**Guardian** - A. J. Messenger 2016-08-23

A "must-read romance" featured in USA TODAY Eighteen-year-old Declan Jane is just trying to make it through senior year in San Mar, the Northern California coastal town she's lived in all her life. Perpetually under the radar, she's surprised by the pull she feels to a mysterious and attractive new student, Alexander Ronin. Despite all the girls vying for his attention, Declan is the one he's drawn to, and she finds herself returning his interest. As the intensity of their attraction builds and she

discovers the truth behind his appearance in San Mar, he reveals the danger she's in and why their relationship holds deadly consequences. But as Declan overcomes her fears and fights for her life, the connection between the two lovers may be the only thing that can save them both. Deeply romantic and extraordinarily suspenseful, this story will stay with readers long after the last page is turned.

The Ampleforth Journal - 1905

**Guardian of Secrets** - Brenda Drake 2017-02-07

The follow up to the New York Times bestselling novel, THIEF OF LIES! Being a Sentinel isn't all fairytales and secret gardens. Sure, jumping through books into the world's most beautiful libraries to protect humans from mystical creatures is awesome. No one knows that better than Gia Kearns, but she could do without the part where people are always trying to kill her. Oh, and the fact that Pop and her had to move away from her friends and life as she knew it. And if that isn't enough, her boyfriend, Arik, is acting strangely. Like, maybe she should be calling him "ex," since he's so into another girl. But she doesn't have time to be mad or even jealous, because someone has to save the world from the upcoming apocalypse, and it looks like that's going to be Gia. Maybe. If she survives. The Library Jumpers series is best enjoyed in order. Reading Order: Book #1 Thief of Lies Book #2 Guardian of Secrets Book #3 Assassin of Truths

*Archaeoastronomy* - Giulio Magli 2020-09-28

This is a second edition of a textbook that provides the first comprehensive, easy-to-read, and up-to-date account of the fascinating discipline of archaeoastronomy, in which the relationship between ancient constructions and the sky is studied in order to gain a better understanding of the ideas of the architects of the past and of their religious and symbolic worlds. The book is divided into three sections, the first of which explores the past relations between astronomy and people, power, the afterworld, architecture, and landscape. The second part then discusses in detail the fundamentals of archaeoastronomy, including the celestial coordinates; the apparent motion of the sun, moon, stars, and planets; observation of celestial bodies at the horizon;

the use of astronomical software in archaeoastronomy; and current methods for making and analyzing measurements. The final section reviews what archaeoastronomy can now tell us about the nature and purpose of such sites and structures as Stonehenge, the Pyramids of Giza, Chichen Itza, the Angkor Temples, the Campus Martius, and the Valley of the Temples of Agrigento. In addition, it provides a set of exercises that can be performed using non-commercial free software, e.g., Google Earth and Stellarium, and that will equip readers to conduct their own research. This new edition features a completely new chapter on archaeoastronomy in Asia and an "augmented reality" framework, which on the one hand enhances the didactic value of the book using direct links to the relevant sections of the author's MOOC (online) lessons and, on the other, allows readers to directly experience - albeit virtually - many of the spectacular archaeological sites described in the book. This is an ideal introduction to what has become a wide-ranging multidisciplinary science.

*Luminescence* - J. L. Weil 2014-01-07

My dreams were anything but normal. My temper sucked. And the new guy at school was anything but average. I was a goner. We are talking, picking my drooling tongue off the floor kind of gone. One reckless decision to skip school and I found myself in the arms of a bad boy with an attitude, disarming smirks, and uber mystery shrouding him. Gavin Mason was mouthwatering hot, and his stormy sapphire eyes were filled with secrets. Gavin might be dark and dreamy, but he wasn't the guy who captivated my nights. Lukas Devine looked like the boy next door, and it was his sunny face that heated up my unusual dreams. The closer I get to Gavin, the crazier they become. Then the unexpected happens. Gavin literally froze an object mid-air saving my ass from what could have been a life-threatening situation. Turned out the guy I am crushing hardcore on, was a witch. Yep. You got it. A full-blooded witch. Magic just wasn't a myth, and Gavin and his family weren't the only witches in town. But will I be able to accept my fate, a fate that might be unavoidable.

*Crossing Danger* - Colleen Helme 2015-04-21

Shelby Nichols isn't your average soccer-mom turned private investigator. She's more on the quirky side with a little wild thrown in. That's because a near-fatal gunshot wound to the head left her with the ability to read minds. This lands her in all kinds of trouble, and this time is no exception. Helping a reporter, Billie Jo, get the low-down on a case is just the tip of the iceberg. When her best friend's niece goes missing, Shelby is pulled into a conspiracy that involves the police and the leader of a violent drug ring. Add to that a stranger in town with ties to the mob-boss she works for, along with a known assassin out to kill him, and Shelby is crossing danger at every turn. Will she find the answers in time? Or will this be her last adventure?

*White Raven* - J. L. Weil 2021-02-07

DREADFUL LIES. UNEXPECTED LOVE. IMPOSSIBLE TRUTH. It only took one heartbeat to change my life--one chilling phone call in the middle of the night. And then, as if my life didn't already suck, my dad sends my brother and me to some idyllic island for the summer to live with a grandma we never met. WTH. Naturally, I rebel. In the end, I find myself shipped off to Raven Hollow...and bored to tears. Until I get an eyeful of the mind-bendingly gorgeous Zane Hunter. The dark-hair cutie makes my pulse go bonkers, and I think, maybe this might not be so bad after all. Six feet of swoon inducing looks, with a hint of Celtic charm in his voice, he was the type of guy that left a string of broken hearts in his wake. And I had all the heartbreak I could handle. Yet, there is something uncanny, almost supernatural about Zane, and it's not just his devastating smirk. No matter how much distance I put between us, Raven Hollow isn't big enough, and the sparking tension between is undeniable. Of course, the one person I want to avoid becomes my salvation. My past comes back to terrorize me. Someone wants me dead, and the closer I get to the truth, the more I realize my whole life is a lie. I am no longer sure what is more frightening--the attempts on my life or the guy whose heart and soul are synchronized with mine. WHITE RAVEN is the enthralling first installment in The Raven series. A YA paranormal romance full of atmosphere, self-discovery, and love that will keep you captivated until the very last page. If you love the romance of Twilight, the emotion of Mortal Instruments, and the soul of the Iron Fey, you'll fall in love with White Raven.

**Hidden Deception** - Colleen Helme 2016-07-15

Just back from Paris, Shelby barely has time to get over her jet lag before she is right back in the thick of things. Uncle Joey, the local mob boss, needs her help to find out what his son is hiding from him. Detective Harris, AKA Dimples, has an unsolved homicide on his hands, along with

a missing engagement ring. Shelby's husband, Chris, just got promoted to partner in his law firm, and she has yet to see his new office or meet his new secretary. Add to that the opportunity to purchase a beautiful home, and Shelby is racing from one thing to the next while trying to keep them all straight. When a courier in Uncle Joey's organization turns up dead, it's up to Shelby and her mind-reading powers to find out who killed him and why. The house Shelby wants to buy has a few problems that go beyond the building code, and the murder she's helping Dimples solve has ties to Chris' law firm. Even using all of her skills, Shelby finds one hidden deception after another. And if she's not careful, it might be the one she least expects that will kill her.

**Iniquitous** - Bianca Scardoni 2017-05-19

For there to be light, you must first suffer the darkness. The end came at me jagged and skewed like puzzle pieces to a game I didn't know I was playing. There was a distinct method to the madness, every move propagated to force my hand, to lure me out of hiding with the sweet promise of finality. I took solace in knowing that something better waited for me on the other side, something as pure and deep as the ocean itself. But there was no end in sight. No peace to be found. The end was only the beginning. INIQUITOUS is the heart-pounding third installment in The Marked saga, a fast-paced YA paranormal romance that grapples with love, loss, and self-discovery in a unique supernatural world filled with vampires, witches, shifters, and angels. This book is part of a series and ends in a cliff-hanger. INFERNAL (The Marked Book 4) will be available this summer 2017.

**The Buddha's Ancient Path** - Piyadassi Thera 2017-10-01

A thorough exposition of the Four Noble Truths and the Eightfold Noble Path by a renowned scholar-monk from Sri Lanka, who also traveled and studied in the West. The lively explanations are illuminated with many appropriate stories and quotations from the Buddha's words. Included is an "Indices" of proper names, and Pali and English terms.

**The Demonologist: The Extraordinary Career of Ed and Lorraine Warren** - Gerald Brittle 2013-07-18

If you think ghosts are only responsible for hauntings, think again. The Demonologist reveals the grave religious process behind supernatural events and how it can happen to you. Used as a text in seminaries and classrooms, this is one book you can't put down. For over five decades Ed and Lorraine Warren have been considered America's foremost experts on demonology and exorcism. With over 3,000 investigations to their credit, they reveal what actually breaks the peace in haunted houses. Expertly written by Gerald Daniel Brittle, a nonfiction writer with advanced degrees in literature and psychology specializing in mystical theology. Don't miss the Warrens in the new movie "The Conjuring."

**The Parochial History of Cornwall** - Davies Gilbert 1838

**Invidious** - Bianca Scardoni 2016-06-17

The steep descent into Hell is always paved with good intentions. My name is Jemma Blackburn and I'm a Slayer. Finding out I wasn't human was only the beginning of my problems. My best-friend, Taylor, is still missing, and so is the Immortal Amulet, and it's my job alone to get them both back. I don't know who I can trust, and I'm still not sure I'm cut out for any of this, but I'm determined to figure it all out, or die trying. As if that wasn't bad enough, there's a new enemy in town and they've come bearing gifts--an ancient prophesy that is going to blur the very lines between good and evil. And, apparently, my blood is tied to the center of it. I don't have all the answers yet, but I'm getting closer and closer to discovering the truth. The truth about my bloodlines, and about who I really am. And, believe me when I say, it's going to change everything. Invidious is the highly anticipated second installment in The Marked series, a fast-paced paranormal romance filled with self-discovery, mystery, love, and a unique supernatural world that will leave you captivated and hungry for more.

**Covetous** - Victoria Evers 2018-08-09

Heaven Wants Me Dead. Hell Wants Me As Their Weapon. And I'm in Bed With A Devil. I was just your average seventeen-year-old girl, until I was Marked. Some may sell their souls; mine was taken. Not only are angelic hunters out to kill me, but Hell's deadliest Mage--the devilishly charming Crown Prince of Lust--is just as desperate to get his hands on me...again. No, he doesn't want me dead. This seductive trickster only has one thing on his mind: making me his new blushing bride. He can call me his "mate" all he wants. I'm not about ready to sign my soul away into eternal damnation, no matter how gorgeous he may be. But after two months on the run, I realize I can't escape the ugly truth. If I wish to fight another day, I may just have to make a deal with the worst kind of devil. The kind that loves me. I thought I knew what rock bottom was,

but this is only the beginning. As the great poet once said, "Hell is empty and all the devils are here."

**The Happiness Philosophers** - Bart Schultz 2017-05-09

A colorful history of utilitarianism told through the lives and ideas of Jeremy Bentham, John Stuart Mill, and its other founders In *The Happiness Philosophers*, Bart Schultz tells the colorful story of the lives and legacies of the founders of utilitarianism—one of the most influential yet misunderstood and maligned philosophies of the past two centuries. Best known for arguing that "it is the greatest happiness of the greatest number that is the measure of right and wrong," utilitarianism was developed by the radical philosophers, critics, and social reformers William Godwin (the husband of Mary Wollstonecraft and father of Mary Shelley), Jeremy Bentham, John Stuart and Harriet Taylor Mill, and Henry Sidgwick. Together, they had a profound influence on nineteenth-century reforms, in areas ranging from law, politics, and economics to morals, education, and women's rights. Their work transformed life in ways we take for granted today. Bentham even advocated the decriminalization of same-sex acts, decades before the cause was taken up by other activists. As Bertrand Russell wrote about Bentham in the late 1920s, "There can be no doubt that nine-tenths of the people living in England in the latter part of last century were happier than they would have been if he had never lived." Yet in part because of its misleading name and the caricatures popularized by figures as varied as Dickens, Marx, and Foucault, utilitarianism is sometimes still dismissed as cold, calculating, inhuman, and simplistic. By revealing the fascinating human sides of the remarkable pioneers of utilitarianism, *The Happiness Philosophers* provides a richer understanding and appreciation of their philosophical and political perspectives—one that also helps explain why utilitarianism is experiencing a renaissance today and is again being used to tackle some of the world's most serious problems.

Guernsey Folk Lore - Sir Edgar MacCulloch 1903

*Insidious* - Victoria Evers 2020-04-02

What's worse than being hunted by a devil? Discovering you've been mated to one. Since moving to Mystic Harbor, Maine, I've made it my life's mission to avoid Reese Blackburn at all costs. Sure, he has cheekbones that could cut glass, not to mention bedroom eyes that could melt any girl into a puddle on the floor. Too bad that doesn't change the fact he's completely stab-worthy. When a fun night out on the town turns deadly, I quickly discover the quaint little hamlet of Mystic Harbor houses more than sandy beaches and adorable B&B's. Beneath the New England charm rests a deadly world where shifters, demons, vampires, and angelic hunters all vie for power. A world where magic is the greatest weapon. Magic that people are willing to kill for. Magic that I now possess. After that one fateful night, I can feel the changes beginning to take hold of me. Worse yet, I have no idea what I'm even turning into! All I know is someone wants me dead, and someone even worse wants me alive. Hell's mystifying Crown Prince of Lust has just marked me to be his Mate, and this handsome devil won't stop until he claims what is his. My only real ally rests in the one person I can't stand: the insufferably gorgeous Reese Blackburn. I was just your average seventeen-year-old girl. Now, my very soul is at stake. Can my unlikely partnership challenge fate itself before it's too late, or will I be forever damned as a Princess of Hell? Dark. Romantic. Dangerous. And Sexy As Hell. Perfect for fans of *The Vampire Diaries*, *Teen Wolf*, and all things Supernatural. If you love paranormal romances, urban fantasy, fated mates, magic, vampires, shifters, demons, teen fantasy, mythology, tragic romances, Gothic themes, supernatural creatures, young adult dark fantasy, and some devilish bad boys, then the world of *THE MARKED MAGE CHRONICLES* awaits you!

impact in culture and society.

**Slasher** - Chuck Wendig 2009-01-21

**Inception** - Bianca Scardoni 2015-09-25

"My name is Jemma Blackburn, and I have a secret. I know vampires are real. I watched one murder my father eight months ago, and even though they tried to convince me it didn't happen -- that I'd lost touch with reality due to the trauma, I know what I saw was real. Hollow Hills is now the place I call home. It was supposed to be my chance at a normal life. My chance to bury my secret and start over. But everyone around me is keeping their own secrets, whispering lies into my ears like promises, and one of them is about to turn my entire world upside down. I thought I had it all figured out. I thought I had the answers. I thought I knew who I was. The truth is, I didn't even know the half of it. There's a reason these vampires are still after me. There's a reason they will always hunt me. Because I'm not human. I'm the devil they fear and the angel they crave. Only problem is, I don't know it yet..." --Page [4] of cover.

*Marked* - P. C. Cast 2010-04-01

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with

Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a

little help from her new vampyre friends.

**Letters on Demonology and Witchcraft** - Walter Scott 1885

*The Animus* - Barbara Hannah 2011-06

Authenticity and comprehensiveness were priorities in editing this work, as well as the preservation of the excellence and comprehensiveness of her work on the animus - a most complex and vexing topic - while retaining the wonderfully natural spirit of Barbara Hannah herself.

**Infernal** - Bianca Scardoni 2018-07-31

Hell is empty. The Devil is here. There is no road so long and winding as the one that leads you to the finish line. Every bend is meant to test you, every junction meant to bring you closer to that place where love and sacrifice meet. To that place in the valley where the sun doesn
