What Cloud Is My Grandpa In?

- Kim Vesey 2020-07-07

Experiencing loss, whether sudden or expected, is extremely challenging at any age. Since children may not have friends who have had a similar experience, they may find this to be a scary, overwhelming and lonely time. A little turtle loves doing fun things with Grandpa! The turtle loves having Grandpa in the stands cheering loudly during T-ball games. Suddenly the turtle's world is turned upside down when Grandpa falls ill and goes to the hospital. When the turtle's parents share that "Grandpa has gone to heaven to live with God", the turtle must somehow learn to live without him. The turtle misses Grandpa so much. While the little turtle wonders if Grandpa is living in a cloud, family members and friends help lead the turtle through many feelings during the first year following the grandpa's death. Through this

experience, the young turtle learns that it is okay to cry, laugh and be happy, as well as to forever love Grandpa! In this beautifully illustrated and touching tale, a young turtle learns how to deal with loss and grief after the turtle's grandpa dies. The turtle is left believing Grandpa is watching and sending love from his heavenly cloud. This book provides numerous recommendations for adults supporting the grieving child. These include suggestions for honoring memories, creating tangible remembrances, and working through shared grief in a gentle and supportive way.

My Grandpa Is a Dinosaur -
2016-05-17

This little girl has been watching her grandpa for a very long time, and she is almost absolutely certain that he is a dinosaur. So why is it that nobody believes her? Why can't anyone else see what she sees? He roars! (And no, it's not just a snore.) He has green skin! (And no, he's not from outer space.) He even has a tail! (And no, he's not a horse!)

Determined to get to the bottom of this mystery, the little girl goes straight to the source. It's time to ask Grandpa once and for all: is he a dinosaur? Just like Gorillas in Our Midst, this book is all silliness and fun. Comic artist Richard Fairgray's illustrations are filled with wonderful, quirky details for kids to discover with each read. Kids will love that they can see that Grandpa is a dinosaur when nobody else can. And, of course, a story like this can't end without a surprising twist! Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times

bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

My Grandpa's Giddy Stories -
George Draghici 2008-01-31

God, Grace and Grandpa -

Charles J. Grams 2022-02-03

This book is the true story of a boy who grows up with a great and wonderful man, the love of Christ, and the harsh journey he takes to understanding grace. The desire to follow in his grandfather's footsteps is so overpowering that nothing else matters. The older the boy becomes, the harder to enjoy life outside of his grandfather's presence becomes. The turmoil of his parents and schoolmates causes great distress and pain throughout the rest of his life. The desire to be a friend to everyone and receive the love of others is tragically destroyed by the harshness of children and adults that don't know the love of Christ or care for other's emotions. The daily grind of mean children as well as schoolteachers causes this child to question who he is and if anyone can love him other than his grandfather. A true desire to understand God and

understand those around him becomes too heavy, and the emotional distress that this causes nearly puts an end to this young life. Only the love of Jesus and his grandfather keeps him on the correct path of life. Fighting through the harder years of teenage life, trying to prove his worth to his father, dealing with a religious mother and the hatred of others--this story is how a young man becomes an exceptional athlete as well as a cocky womanizer. He hardens himself to those that have hurt him through the years, including his own family. The desire for his father to accept him becomes a lost cause, and he separates himself from his religious mother to go his own way. He never loses his love for his grandfather and the faith he has in God. There are harsh and emotional situations in this book. It may be hard to understand how people can be so cruel to those who want nothing more than to love and be a part of their life. This book will show you that even though you may not realize it, the Lord

is with you even in times of distress. We all look for the answers in life and why we go through the things we do. This shows us that no matter what you go through there is one who is always with you and will help you get through anything. I truly believe you will enjoy this book and believe and pray the message is loud and clear. May the Lord bless you and keep you.

My Grandfather Would Have Shot Me - Jennifer Teege
2015-04-07

Now in paperback: The New York Times bestselling memoir hailed as “unforgettable” (Publishers Weekly) and “a stunning memoir of cultural trauma and personal identity” (Booklist). At age 38, Jennifer Teege happened to pluck a library book from the shelf—and discovered a horrifying fact: Her grandfather was Amon Goeth, the vicious Nazi commandant

depicted in Schindler's List. Reviled as the "butcher of Płaszów," Goeth was executed in 1946. The more Teege learned about him, the more certain she became: If her grandfather had met her—a black woman—he would have killed her. Teege's discovery sends her into a severe depression—and fills her with questions: Why did her birth mother withhold this chilling secret? How could her grandmother have loved a mass murderer? Can evil be inherited? Teege's story is cowritten by Nikola Sellmair, who also adds historical context and insight from Teege's family and friends, in an interwoven narrative. Ultimately, Teege's search for the truth leads her, step by step, to the possibility of her own liberation.
