**Shift** - Haydn Shaughnessy 2015-01-15

"Shift is a powerful work full of insight stemming from Haydn Shaughnessy's formidable powers of observation and research." -Patrick Reynolds, Chief Strategy Officer, Triton Digital There is a new economy growing all around us. Whether you own a business or lead one, are a freelancer or employee, are beginning a career or working your way up the ladder, Shift provides a guide to the major changes that are reshaping the economy and our lives. Haydn Shaughnessy spells out why the current economic transformation is different from anything that preceded it. The digital economy is not just about new technology. Dramatic changes are taking place in how people work together, how they think about society and wealth, and the risks and options they face in employment and business. Haydn draws a detailed picture of new power groups that are driving this new economy-turning rapid innovation into real-time disruption. These power groups are rendering governments increasingly irrelevant in their traditional job creation and economic growth roles, and putting more demands on companies, online communities, and individuals. Shift is essential reading for anyone who wants to understand the digital revolution that is changing economic policy, work, and prosperity for the vast majority of people. It is a survival guide for the 21st-century economy.

Reset - Johnny C. Taylor Jr. 2021-09-07

A Wall Street Journal bestseller From the CEO and President of the Society for Human Resource Management (SHRM) comes the ultimate book on transforming the way we select, retain and train our employees in a radically changed business environment. With the growth of remote work and an increased focus on diversity and inclusion, companies are increasingly finding themselves in "wars for talent" as they source and recruit candidates from all over the world. They need to find new ways to contact people and new sources of talent. They need to create an enduring and tangible culture that helps everyone feel empowered to do their best work. And they need to develop inclusive organizations that leverage differences for growth and innovation. Informed by more than 70 years of experience and expertise and propelled by extensive original SHRM research, Reset delivers a candid and forward-thinking vision for leaders to reimagine their company cultures in a time of global upheaval. Part call to action, part strategic roadmap, Reset challenges business leaders' underlying assumptions about workers and the workplace, delivers practical strategies for finding and keeping the talent needed to make businesses successful, and introduces dynamic tools to sustain that success over the long haul. Now is the time for leaders to completely reimagine, reorganize, and Reset their operations to create a more daring, resilient and sustainable future. This is the book that will guide them exactly when they most need it.

**Everquest Player's Guide** - Juanita Jones 2001

**The Guild Leader's Handbook** - Scott F. Andrews 2010

Millions of people play massively multiplayer online (MMO) games like World of Warcraft every day. Many of those players belong to guilds, organized groups whose members play together in order to defeat difficult bosses, compete with rivals, or undertake special challenges. Leading a guild is not a trivial matter, but many players dive into this challenging role completely unprepared. Scott F. Andrews has been helping guild leaders and officers since 2007 through his weekly column for WoW.com, Officers' Quarters. In The Guild Leader's Handbook, Andrews offers a complete guide to conceptualizing, establishing, and maintaining a successful guild. The book will help readers decide what sort of structure and focus their guild should have and covers fundamentals like recruiting, managing officers, creating and enforcing reasonable policies, and handling the interpersonal drama that threatens guild harmony. Andrews gives sage advice on how leaders can prepare their guilds for successful PvE (Player vs. Environment) dungeon crawls and raids and explains guidelines for fairly distributing the spoils of

battle. He also covers how to assemble a competitive force in PvP (Player vs. Player) and how to lead a community of roleplaying specialists. The Guild Leader's Handbook is a comprehensive guide to guild creation and success, written by a recognized expert on the subject.
