The Sorcerer's House - Gene Wolfe 2010-04-01
In a contemporary town in the American midwest where he has no connections, Bax, an educated man recently released from prison, is staying in a motel. He writes letters to his brother and to others, including a friend still in jail, to whom he progressively reveals the intriguing pieces of a strange and fantastic narrative. When he meets a real estate agent who tells him he is, to his utter surprise, the heir to a huge old house in town, long empty, he moves in. He is immediately confronted by an array of supernatural creatures and events, by love and danger. His life is utterly transformed and we read on, because we must know more. We revise our opinions of him, and of others, with each letter, piecing together more of the story as we go. We learn things about magic, and another world, and about the sorcerer Mr. Black, who originally inhabited the house. And then knowing what we now know only in the end, perhaps we read it again. The Chosen One - Carol Lynch Williams 2010-08-05
Thirteen-year-old Kyra has grown up in an isolated community without questioning the fact that her father has three wives and she has twenty brothers and sisters. That is, without questioning them much - if you don't count her secret visits to the Mobile Library on Wheels to read forbidden books, or her meetings with Joshua, the boy she hopes to choose for herself instead of having a man chosen for her. But when the Prophet decrees that she must marry her sixty-year-old uncle - who already has six wives - Kyra must make a desperate choice in the face of violence and her own fears of losing her family forever.

The Legend of the Indian Paintbrush - Tomie dePaola 1996-04-16
In spring, the hills and meadows of Texas and Wyoming are ablaze with the reds, oranges, and yellows of the Indian Paintbrush. How this striking plant received its name is told in an old Indian legend. Many years ago, when the People traveled the Plains, a young Indian boy had a Dream-Vision in which it was revealed that one day he would create a painting that was as pure as the colors of the evening sky at sunset. The boy grew up to become the painter of the tribe, but although he found a pure white buckskin for a canvas and made paints from the brightest flowers and the reddest berries, he could not capture the sunset. How the young Indian artist finally fulfills his Dream-Vision is lovingly told and illustrated by Tomie dePaola, in words and pictures that capture the spirit and beauty of this dramatic legend.

Across Five Aprils - Irene Hunt 2002-01-08
The Newbery Award-winning author of *Up a Road Slowly* presents the unforgettable story of Jethro Creighton—a brave boy who comes of age during the turbulent years of the Civil War. In 1861, America is on the cusp of war, and young Jethro Creighton is just nine-years-old. His brother, Tom, and his cousin, Eb, are both of fighting age. As Jethro's family is pulled into the conflict between the North and the South, loyalties are divided, dreams are threatened, and their bonds are put to the test in this heart-wrenching, coming of age story. "Drawing from family records and from stories told by her grandfather, the author has, in an uncommonly fine narrative, created living characters and vividly reconstructed a crucial period of history."—Booklist

Endling #1: The Last - Katherine Applegate 2018-05-01
First Katherine Applegate thrilled readers with the action-packed *Animorphs* series. Then she stole our hearts with the award-winning *The One and Only Ivan*. Now she takes us on an unforgettable journey in this first book of an epic middle grade series! Byx is the youngest member of her *dairne* pack. Believed to possess remarkable abilities, her mythical doglike species has been hunted to near extinction in the war-torn kingdom of Nedarra. After her pack is hunted down and killed, Byx fears she may be the last of her species. The Endling. So Byx sets out to find

safe haven, and to see if the legends of other hidden dairnes are true. Along the way, she meets new allies—both animals and humans alike—who each have their own motivations for joining her quest. And although they begin as strangers, they become their own kind of family—one that will ultimately uncover a secret that may threaten every creature in their world. Building upon the success of her critically acclaimed novels such as *The One and Only Ivan*, *Crenshaw*, and *Wishtree*, while also returning to her action-packed fantasy roots of *Animorphs*, the *Endling* series is Katherine Applegate at her finest. With its enthralling characters, unique setting, and gripping adventure, this series is the perfect next read for fans of Rick Riordan, Brian Jacques, and Tui T. Sutherland.

The Grand Miracle - C. S. Lewis 1986-01-12

"Captivating reading that builds the faith while it fills the mind with greatness."—Sherwood Wirt, former editor, *DECISION Magazine* One of this century's greatest writers of fact, fiction, and fantasy explores, in utterly beautiful terms, questions of faith in the modern world: • On the experience of miracles • On silence and religious belief • On the assumed conflict between work and prayer • On the error of trying to lead "a good life" without Christ • On the necessity of dogma to religion • On the dangers of national repentance • On the commercialization of Christmas . . . and more "The searching mind and the poetic spirit of C.S. Lewis are readily evident in this collection of essays edited by his one-time secretary, Walter Hopper. Here the reader finds the tough-mind polemicist relishing the debate; here too the kindly teacher explaining a complex abstraction by means of clarifying analogies; here the public speaker addressing his varied audience with all the humility and grace of a man who knows how much more remains to be unknown."—*The New York Times Book Review*

The Chronicles of Narnia Vol III: The Voyage of the Dawn Treader - C.S.Lewis 2016-08-12

Azagoth: A Demonica Underworld Novella - Larissa Ione 2014-09-26

From *New York Times* and *USA Today* bestselling author Larissa Ione comes a new story in her *Demonica Underworld* series... Even in the fathomless depths of the underworld and the bleak chambers of a damaged heart, the bonds of love can heal...or destroy. He holds the ability to annihilate souls in the palm of his hand. He commands the respect of the most dangerous of demons and the most powerful of angels. He can seduce and dominate any female he wants with a mere look. But for all Azagoth's power, he's bound by shackles of his own making, and only an angel with a secret holds the key to his release. She's an angel with the extraordinary ability to travel through time and space. An angel with a tormented past she can't escape. And when Lilliana is sent to Azagoth's underworld realm, she finds that her past isn't all she can't escape. For the irresistibly sexy fallen angel known as Azagoth is also known as the Grim Reaper, and when he claims a soul, it's forever... **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.**

[My Life in the Bush of Ghosts](#) - Amos Tutuola 2014-07-01

My Life in the Bush of Ghosts, Amos Tutuola's second novel, was first published in 1954. It tells the tale of a small boy who wanders into the heart of a fantastical African forest, the dwelling place of innumerable

wild, grotesque and terrifying beings. He is captured by ghosts, buried alive and wrapped up in spider webs, but after several years he marries and accepts his new existence. With the appearance of the television-handed ghostess, however, comes a possible route of escape. 'Tutuola ... has the immediate intuition of a creative artist working by spell and incantation.' V. S. Pritchett, *New Statesman*

The Crescent Stone - Matt Mikalatos 2018

When Madeline, a teen with terminal lung disease, accepts healing in exchange for a year of service in the Sunlit Lands, she and her friend Jason enjoy being privileged members of Elenil society, until they learn that magic carries a high price.

The Magician's Book - Laura Miller 2008-12-03

Enchanted by Narnia's fantastic world as a child, prominent critic Laura Miller returns to the series as an adult to uncover the source of these small books' mysterious power by looking at their creator, Clive Staples Lewis. What she discovers is not the familiar, idealized image of the author, but a more interesting and ambiguous truth: Lewis's tragic and troubled childhood, his unconventional love life, and his intense but ultimately doomed friendship with J.R.R. Tolkien. Finally reclaiming Narnia "for the rest of us," Miller casts the *Chronicles* as a profoundly literary creation, and the portal to a lifelong adventure in books, art, and the imagination.

Prince Caspian ; The Voyage of the Dawn Treader - Clive Staples Lewis 1989

Prince Caspian must battle the evil Telemarines to protect his right to Narnia's throne and gathers together an army of Talking Beasts to help him in his quest.

The Romantic Rationalist - John Piper 2014-09-08

"We are far too easily pleased." C. S. Lewis stands as one of the most influential Christians of the twentieth century. His commitment to the life of the mind and the life of the heart is evident in classics like the *Chronicles of Narnia* and *Mere Christianity*—books that illustrate the unbreakable connection between rigorous thought and deep affection. With contributions from Randy Alcorn, John Piper, Philip Ryken, Kevin Vanhoozer, David Mathis, and Douglas Wilson, this volume explores the man, his work, and his legacy—reveling in the truth at the heart of Lewis's spiritual genius: God alone is the answer to our deepest longings and the source of our unending joy.

Deeper Heaven - Christiana Hale 2020-12-25

C. S. Lewis' Ransom Trilogy, better known as "the Space Trilogy", is a much-neglected and yet critically important part of Lewis' works. It has captivated and bewildered readers since its publication, and though hundreds of books about Lewis have been written, few seek to navigate the maze that is Lewis's "space-travel story." These books are a distillation in novel form of one of Lewis' favorite subjects, a subject whose melody is woven into almost everything that Lewis ever wrote: the medieval model of the cosmos. *Deeper Heaven* is a guide and companion through the magical web of medieval cosmology, ancient myth, and critique of modern philosophies that makes up the oft-maligned "Space Trilogy." A student and teacher of literature and history herself, Christiana Hale will walk you through the Trilogy one step at a time, with eyes fixed where Lewis himself fixed his: on Deep Heaven and beyond. In the process, many questions will be answered: What does Christ have to do with Jupiter? Why does Lewis care so much about the medieval conception of the heavens? Why should we? And, perhaps the most puzzling question of all: why is Merlin in *That Hideous Strength*?
