Loud Mouse - Idina Menzel
2022
From writer and teacher Cara

Menzel and her sister, Tony
Award-winner Idina Menzel,
comes this stunning picture

book about a little mouse finding her big voice. Dee loves to sing. She sings during her morning yoga. She even sings while practicing her math facts. She usually sings to herself. But when her teacher asks everyone to share something with the class, Dee knows just what to bring: a song. And as Dee sings la, la, la, la, LOUDly in front of her class for the first time, something extraordinary happens. . . . Complete with gorgeous illustrations and filled with humor and heart, Loud Mouse is a clever tale about learning that sometimes your best self is big, brave, and yes, loud.

Once Upon a Time . . . The Western - Thomas Brent Smith
2017-06-20

The Western is the quintessential American epic--a mythic story of nation building, triumphs, failures, and fantasies. This book accompanies the first major exhibition to examine the Western genre and its evolution from the mid-1800s in fine art, film, and popular

culture, exploring gender roles, race relations, and gun violence--a story that is about more than cowboys and American Indians, pursuits and duels, or bandits and barroom brawls. From 19th-century landscape paintings by Albert Bierstadt and Frederic Remington to works by Andy Warhol, Ed Ruscha, and Kent Monkman; from the legends of "Buffalo Bill" Cody and Billy the Kid to John Ford's classic films and Sergio Leone's spaghetti Westerns and recent productions by Quentin Tarantino, Ang Lee, and Joel and Ethan Coen, The Western observes how the mythology of the West spread throughout the world and endures today.

Melissa (formerly published as GEORGE) - Alex Gino

2022-04-19

BE WHO YOU ARE. When people look at Melissa, they think they see a boy named George. But she knows she's not a boy. She knows she's a girl. Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to

be Charlotte's Web. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all.

Inside Comedy - David Steinberg 2021-07-13

The world of comedy and comedians of the last five decades. By the man the New York Times calls "a comic institution himself," the only comedian (twenty-six years in stand-up) to have made Elie Wiesel laugh, as well as having appeared on The Tonight Show (140 times, second only to Bob Hope, but who's counting).

From the director of TV comedy series Mad About You, Seinfeld, Friends, Weeds and Curb Your Enthusiasm. Larry David: "I'm lucky. I know and love David Steinberg. You don't. Now's your chance. Don't blow it!" "David has always been a comedy hero to me. One of his many gifts is the

ability to inspire funny people to be even funnier, as you will discover in this truly hilarious, insightful book." --Martin Short

From David Steinberg, a rabbi's son from Winnipeg, Canada, who at age fifteen enrolled at Hebrew Theological College in Chicago (the rabbinate wasn't for him) and four years later, entered the master's program in English literature at the University of Chicago, until he saw Lenny Bruce, the "Blue Boy" of Comedy, the coolest guy Steinberg had ever seen, and joined Chicago's Second City improvisational group, becoming, instead, the comedian's comedian, director, actor, working with, inspired by, teaching, and learning from the most celebrated, admired, complicated comedians, then and now--a funny, moving, provocative, insightful look into the soul, wit, and bite of comedy and comedians--a universe unto itself--of the last half-century. From the greats: George Burns, Lenny Bruce, Sid Caesar, Lucille Ball, Mel Brooks, and Carl Reiner, et al.,

to the newer greats: Carol Burnett, Steve Martin, Lily Tomlin, Billy Crystal, Bob Newhart, and the man for all comedy, Martin (Marty) Short; to the greats of right now: Chris Rock, Dave Chappelle, Julia Louis-Dreyfus, Wanda Sykes; and more . . . Steinberg, through stories, reminiscences, tales of directing, touring, performing, and, through the comedians themselves talking (from more than 75 interviews), makes clear why he loves comedy and comedians who have been by his side in his work, and in his life, for more than sixty years. Here are: Will Ferrell, Eric Idle, Whoopi Goldberg, Mike Myers, Groucho himself and the greatest of them all (at least of the last half century), Jonathan Winters . . .

Beyond the Red Carpet - Francine Brokaw 2013-05-28

Ever wonder what really goes on behind the scenes of the Oscars? Want to know which actors are funny and which ones are just plain boring? What is it like to interview Madonna, Robin Williams, and Pierce Brosnan? All of these questions (and many more) are answered by veteran entertainment journalist Francine Brokaw. With a delightful mixture of wit and honesty, Francine gives readers an uncensored view of life as an entertainment journalist. In addition to her own perspective, Francine's colleagues across the country weigh in on questions like . . . • What is the best swag you've ever received? • What is the most memorable interview you've ever conducted? • Have you ever had to interview someone rude? Perfect for a weekend read or as a companion text to an introductory course in mass media, *Beyond the Red Carpet* is an informative and entertaining book that covers every aspect of the business of entertainment journalism.

Francine Brokaw has been a professional writer for over twenty years, focusing on entertainment and political journalism. Her work has appeared in numerous national and international magazines. She frequently interviews A-list celebrities such as Tom Hanks, Blake Lively, Julie Andrews, and Johnny Depp, but her favorite time period to write about is the studio days of Old Hollywood.

Garfield lives his life to the fullest . . . 9 times! Cave Cat -- the first cat crawled out of the sea 10 million years ago. He was happy to be out of the water -- until he met Big Bob! The Vikings -- he was big, he was mean, he was a Viking. Garfield the Orange had looted a lot of cities, but none like St. Paul, Minnesota. Babes and Bullets -- Sam Spayed wasn't the best private investigator in the world, but he did have one terrific thing going for him -- a secretary who made a great cup of coffee. The Exterminators -- no mouse was safe from the exterminators.

Catching mice was their life. It wasn't a pretty job -- especially the way they did it. Lab Animal -- specimen 19-GB was not happy at the prospect of being dissected, so he did something about it. What happened set the federal government on its ear. The Garden -- life was a carefree romp among hovering harmonicas for Cloey and the orange kitten . . . until they confronted the crystal box. Primal Self -- he was an ordinary house cat leading an ordinary existence. A shadowy memory from another time changed all that. Garfield -- the marvelous cat we all know and love. This is his life in a nutshell. Space Cat -- he was lost in space with a computer built by the lowest bidder. And, he was not about to let his life slip away that easily.

A Bride for Isaac - Cat Cahill 2021-04-21

She's not the woman he advertised for. He's not the man she expected. Can their marriage survive a danger that won't stay in the past? When Maggie Richmond loses her only means of survival, she

agrees to the unthinkable-marriage by proxy to a man she's never met. Her new husband, a young and handsome rancher, sounds ideal, and she's always yearned for adventure. She's not quite what he's advertised for, but she's determined to be a good wife. Even when a gang of outlaws holds up her train, Maggie is optimistic that her new life in the Colorado Territory will be everything she's imagined. Isaac Trenton has always wanted a ranch of his own, and now that he finally has land-and a new wife on the way-he's certain he can leave his past behind him. He's spent years doing things he'd much rather forget, all to ensure his younger brother didn't wind up in a noose. However, he's done with that now, and his new wife will never know about his former life. But when Maggie and Isaac meet for the first time, it doesn't take long for her to realize that the handsome man she's already married to is the same one who robbed her train. And it takes even less

time for Isaac to see that rather than the sweet, docile woman he'd requested, he's got a beautiful fireball on his hands. Yet even as their tempers fly, there's something that pulls them together. When Isaac's brother returns with veiled threats, Isaac faces a terrible choice: the only way he can protect Maggie is to return to his old life. When he disappears, Maggie must decide whether her new husband is worth saving. Like all of Cat's books, *A Bride for Isaac* is a sweet and clean romance that will warm your heart and fill you with hope. Set in the same mountain valley as Cat's *Gilbert Girls* series, you'll find some of your favorite characters from that series in *A Bride for Isaac*. This book is part of the multi-author *Proxy Bride* series. Each book in the series is a standalone romance and can be read in no particular order.

Draping the Sky for a Snowfall - Julian Wolfreys
2016-04-04

This is a collection of poetry, reflections and essays by academic and musician Julian Wolfreys. The book includes photographs by the author and paintings by Judy Rodrigues and takes us on a journey from the Isle of Wight to Northern and Central Europe and the Baltic coastline. Julian Wolfreys stays close to his love of phenomenology, Jacques Derrida and modern literature and covers themes like: place ~ home ~ loss ~ translation ~ correspondence ~ grief ~ memory ~ narrative ~ mood archive ~ chance ~ coincidence ~ love ~ absence ~ reading ~ allegory ~ imagination. 'Julian Wolfreys is an extremely distinguished poet... his poems strive again and again to understand, from the perspective of whatever moment he writes a poem now, what occurs in an event, a crisis, and how to bear witness,

to find adequate words for it. ...read these wonderfully melodious and powerful poems for yourself and in your own way. Reading them has been a great, but troubling, delight for me.' J. Hillis Miller (Literary critic and Distinguished Research Professor of English & Comparative Literature at the University of California Irvine) 'Wolfreys has an uncanny ability to capture the most precious of moments and feelings, those that are of manifest importance but paradoxically most elusive.... this book is a gift to our senses.' Tom Ue (University College London) 'What a wonderful read. Just browsing through the pages, the lyrical and the essay and picture parts, is like moving slowly meditating in words (not through or by or on) in the poems, then shifting to 'thinking' in various discourses - plays and experiences confronting / interweaving / reciprocally illuminating all those places and~landscapes of mind.' Anna-Margaretha Horatschek

Design-It-Yourself Clothes - Cal Patch 2013-09-11

If you've ever watched Project Runway and wished you were a contestant, or you're simply ready to take your sewing to a new level, Design-It-Yourself Clothes teaches you the fundamentals of modern patternmaking so that you, too, can create your own inspired clothing. Until now, the aspiring DIY fashionista has been hard-pressed to find self-teaching tools other than dry textbooks or books with outdated looks. Finally, in Design-It-Yourself Clothes, former Urban Outfitters designer Cal Patch brings her youthful aesthetic to a how-to book. If you want to wear

something you can't find on store racks and make clothes that express your individual style, or if you've reached a sewing plateau and want to add pattern drafting to your repertoire, Design-It-Yourself Clothes is the book you have been waiting for. In five key projects (each with four variations)-a perfect-fitting dress, T-shirt, button-down shirt, A-line skirt, and pants-Patch shares the art of patternmaking. At its core, it's much simpler than you think. Patch covers everything an intermediate sewer needs to know in order to become a fabulous fashion designer, from designing the patterns, taking your own measurements, and choosing fabrics to actually sewing the clothing. You will also learn how to stylize patterns by using darts, waistbands, patch pockets, and ruffles. Patch offers tips, explanations, options, and exercises throughout that will make the design process that much easier. But besides showing you how to create clothing from scratch, she also

teaches you how to rub off patterns from existing clothing—so if you have a pair of pants that you love but are worn out, or you have your eye on a piece in the store with a prohibitive price tag, you can figure out how to get the looks you want by using your own two hands.
