Merely said, the Mergers Acquisitions Fourth Edition A Comprehensive Guide is universally compatible gone any devices to read.

Structuring Mergers & Acquisitions - Peter A. Hunt 2011-01-01

Unlike other M&A references, this one-volume guide establishes a framework for analyzing each transaction from a financial perspective, and evaluating your options in terms of how they create value today or better position the company to build value tomorrow. In this newly updated Fifth Edition of *Structuring Mergers & Acquisitions: A Guide to Creating Shareholder Value*, you get clear, authoritative discussions of: How shareholder value relates to mergers and acquisitions, and different methodologies for valuing a transaction, such as discounted cash flow, comparable company, comparable transaction, premiums paid, price/volume relationships, and private company valuation. How accounting can influence value creating in mergers and acquisitions , a critical aspect of understanding and structuring the proper transaction for differing business circumstances. Collars, break-up fees, lock-ups, walk-aways, minority squeeze outs, earnouts, and anti-trust considerations, and other special topics you will encounter in deals Transactions you may encounter, from "plain vanilla" deals like mergers, acquisitions, divestitures, joint ventures, and leveraged buyouts, to more complicated restructuring alternatives like spin-offs, split-offs, share repurchases, recapitalizations and restructuring options that

can enhance shareholder value. Protecting against takeover threats, including legal and structural defenses, with coverage of the most common form of legal defense, the shareholder rights plan. Making aggressive or hostile offers for a company, the pros and cons of "going it alone" in attempting a hostile acquisition. Performing effective and complete due diligence on a company in the context of a transaction, a critical step that is often overlooked as something "someone else should do." Handling the human aspects of mergers and acquisitions, including basic transition tips that can avoid massive pre- and post-deal turnover.

Mergers & Acquisitions - Steven M Bragg 2017-12-27

This book shows how to maximize the benefits to be gained from an acquisition, while reducing the risk of failure. It does so by discussing the strategies that are most successful for buyers, the steps and pitfalls in the acquisition process, how to gain government approval of an acquisition, and how to conduct a sufficiently detailed due diligence investigation. The book goes on to address those legal structures that are most beneficial from a tax perspective, how to develop a sensible purchase price, and how to engage in a seamless operational integration. **Takeovers: A Strategic Guide to Mergers and Acquisitions, 4th Edition** - Brown, Ferrara, Bird, Kubek, Regner 2019-07-05

Takeovers: A Strategic Guide to Mergers and Acquisitions

REITs - David M. Einhorn 2017-12-28

This book provides essential discussion of how the customs of corporate and real estate transactions differ and how conflicts involving letters of intent and contingencies to the deal can be resolved.

Winning at Mergers and Acquisitions - Mark N. Clemente 1998-03-23

A comprehensive new framework for winning at M from up-front planning to postmerger integration The challenges of mergers and acquisitions can be daunting-but the opportunities and benefits they offer forward-thinking companies can be tremendous. *Winning at Mergers and Acquisitions* offers a critical new approach to strategic M&A based on the authors' pioneering concept of marketing due diligence SM. Covering every stage of market-driven M&A planning and integration, this book shows how to look beyond the quick hit to focus on long-term growth rather than short-term cost-cutting. Featuring dozens of real-life case studies-including both failures and extraordinary successes-plus inside comments from leading M&A specialists, this book contains crucial guidance on: * Predeal planning-how to identify your strategic needs and pinpoint the merger candidate(s) that will help you meet them * Sizing up targets for acquisition-how to examine the essential marketing, sales, and product issues that will determine a good company "fit,".strategically and culturally * Revenue enhancement planning-how to identify ways to drive top-line growth and develop action plans to generate near- and long-term revenues * Filling the pipeline-how to prioritize and actualize the critical steps necessary to drive shareholder value * Developing communication programs-how to design and execute communication strategies to garner support for the merger by employees, customers, and other stakeholders * Building a comprehensive postmerger integration plan-how to align diverse corporate cultures, develop training and reward programs, and move beyond the turf wars and lack of productivity that hamper the success of mergers and acquisitions. Last year more than 7,000 mergers and acquisitions were completed, with a collective price tag estimated at more than \$800

billion. And although they are known as highly effective means of achieving corporate growth and strategic advantage, these transactions are fraught with pitfalls: Statistics indicate that a third of these deals will fail and another third will not bear out the expectations of the merger partners. What can businesses looking to undertake strategic mergers and acquisitions do to ensure that they do not fall victim to confusion, multimillion-dollar losses, declining market share and profits, or any number of other negative results of failed transactions? The answers are in *Winning at Mergers and Acquisitions*, a pioneering step-by-step guide to growth-driven planning and swift, effective post-merger integration. Challenging the conventional emphasis on cost-reduction synergies, this book presents the authors' groundbreaking blueprint for mergers that yield strategic synergies and high returns in meeting long-term growth, increased market share, and revenue generation objectives. Mark Clemente and David Greenspan explore in detail the marketing, sales, and organizational issues that are vital aspects of successful M&A ventures. They take executives through the entire strategic M&A process-from setting objectives, to evaluating target companies, to aligning corporate cultures in an effort to ensure problem-free integration. They show how to maintain a sharp focus on the markets that will be reached by the merger-and they offer invaluable advice on charting a steady course through the often tumultuous period of integration, when organizational chaos can cause the merged company to lose momentum, market share, and the backing of customers, prospects, and shareholders. *Winning at Mergers and Acquisitions* is essential reading for CEOs, managers, deal makers, and others looking to capitalize on one of the most important methods of effecting corporate growth in business today-while staying focused on the people, product, and process issues that power that growth.

Financial Statement Analysis - Martin S. Fridson 2002-10-01

Praise for *Financial Statement Analysis A Practitioner's Guide Third Edition* "This is an illuminating and insightful tour of financial statements, how they can be used to inform, how

they can be used to mislead, and how they can be used to analyze the financial health of a company." -Professor Jay O. Light Harvard Business School "Financial Statement Analysis should be required reading for anyone who puts a dime to work in the securities markets or recommends that others do the same." -Jack L. Rivkin Executive Vice President (retired) Citigroup Investments "Fridson and Alvarez provide a valuable practical guide for understanding, interpreting, and critically assessing financial reports put out by firms. Their discussion of profits-'quality of earnings'-is particularly insightful given the recent spate of reporting problems encountered by firms. I highly recommend their book to anyone interested in getting behind the numbers as a means of predicting future profits and stock prices." -Paul Brown Chair-Department of Accounting Leonard N. Stern School of Business, NYU "Let this book assist in financial awareness and transparency and higher standards of reporting, and accountability to all stakeholders." -Patricia A. Small Treasurer Emeritus, University of California Partner, KCM Investment Advisors "This book is a polished gem covering the analysis of financial statements. It is thorough, skeptical and extremely practical in its review." -Daniel J. Fuss Vice Chairman Loomis, Sayles & Company, LP

The Mining Valuation Handbook 4e - Victor Rudenno 2012-05-22

An essential, in-depth guide to mining investment analysis Written by a mining investment expert, The Mining Valuation Handbook: Mining and Energy Valuation for Investors and Management is a useful resource. It's designed to be utilized by executives, investors, and financial and mining analysts. The book guides those who need to assess the value and investment potential of mining opportunities. The fourth edition text has been fully updated in its coverage of a broad scope of topics, such as feasibility studies, commodity values, indicative capital and operating costs, valuation and pricing techniques, and exploration and expansion effects.

Applied Mergers and Acquisitions, University Edition - Robert F. Bruner 2004-03-22

A comprehensive guide to the world of mergers and acquisitions Why do so many M&A

transactions fail? And what drives the success of those deals that are consummated? Robert Bruner explains that M&A can be understood as a response by managers to forces of turbulence in their environment. Despite the material failure rates of mergers and acquisitions, those pulling the trigger on key strategic decisions can make them work if they spend great care and rigor in the development of their M&A deals. By addressing the key factors of M&A success and failure, Applied Mergers and Acquisitions can help readers do this. Written by one of the foremost thinkers and educators in the field, this invaluable resource teaches readers the art and science of M&A valuation, deal negotiation, and bargaining, and provides a framework for considering tradeoffs in an effort to optimize the value of any M&A deal.

The Art of M&A, Fourth Edition - Stanley Foster Reed 2007-05-04

Authoritative and completely up-to-date, the Fourth Edition of The Art of M&A is an unsurpassed, one-stop guide to every facet of mergers and acquisitions that enables you to make winning deals with complete confidence. This definitive resource retains its popular Q&A format, offering quick access to all the changes that have occurred in the field since the merger wave of the 1990s. The book explores every key aspect of winning M&A transactions, and presents advice on avoiding common M&A pitfalls. The Fourth Edition of The Art of M&A features vital information on: Getting Started in Mergers and Acquisitions --learning the basic M&A process, requirements, negotiating skills, and objectives Planning and Finding --deciding what to buy and then locating it Valuation and Pricing -- using multiple valuation methods to discover the true value of an acquired company or unit The Art of Financing and Refinancing -- mastering funding sources and issues Structuring M/A/B Transactions -- managing general, tax, and accounting considerations The Due Diligence Inquiry -- looking into the past, present, and future risks of the business to be purchased Negotiating the Acquisition Agreement and the Letter of Intent-- understanding two vital documents in the M&A process Closing -- synchronizing the many individual items to produce a harmonious transaction Postmerger Integration and

Divestitures -- following through after the M&A deal to capture the economic value of synergies
Special Issues for M&A in Public Companies_examining the unique legal and business considerations of public entities
Workouts, Bankruptcies, and Liquidations -- handling specific financial problems that arise in M&A transactions with entities in the zone of insolvency
Structuring Transactions with International Aspects -- developing the necessary skills and knowledge to do M&A deals across national borders
Filled with detailed examples and case studies, this updated classic also includes discussion of purchase accounting, Section 404, new legal cases with M&A implications, and more.

The CPA's Basic Guide to Mergers & Acquisitions - Ronald G. Quintero 1999

The Complete Guide to Buying a Business - Fred S. Steingold 2015-07-01

Takes readers from thinking, "Hmm, should I buy a business?" right through the process of choosing, investigating, and entering into a legal contract to do so.

Make the Deal - Christopher S. Harrison 2016-01-21

A comprehensive introduction to today's M&A strategies
Make the Deal is a direct and accessible guide to striking a powerful M&A deal. Merging business, finance, and law, this insightful examination of M&A strategy is designed to help you understand M&A negotiations and the ways in which the final outcome affects your financial future. A general overview of an acquisition agreement framework segues into a more detailed discussion of different deal structures, including stock sales, mergers, asset sales, and complex structures, giving you the information you need to know when each one applies best in practice. You'll gain insight into real-world negotiations and the delicate balancing act that occurs as each party attempts to maximize value and minimize risk, and learn the potential pitfalls that can occur. Negotiation statistics and samples from actual contracts back the war stories throughout, and reinforce the idea that there's no single perfect solution. As a topic of study, M&A is constantly evolving; in practice, it changes at the speed of light. Staying ahead of the market is the single

most critical element of making the best deal, and the strategy that worked for one deal most likely won't work for the next. Instead of simply providing a list of strategies that have worked in the past, this book shows you why they worked, so you can tailor your strategy specifically to your next deal. Learn how M&A contract terms affect economic outcomes
Examine the techniques and mechanics of today's acquisition agreements
Develop a legal framework that supports your business strategy
Follow the ups and downs that arise in real-world cases
A successful M&A transaction requires both attention to detail and a big picture view, combined with skill, intellect, and ingenuity.
Make the Deal brings it all together to show you how to run the table and come away with a win.

Law Firm Accounting and Financial Management - John P. Quinn 2001

This book covers topics such as: fundamentals of law firm financial information, with easy-to-understand examples of the data involved and financial management concepts.

Mergers, Acquisitions, and Corporate Restructurings - Patrick A. Gaughan 2017-11-27

The essential M&A primer, updated with the latest research and statistics
Mergers, Acquisitions, and Corporate Restructurings provides a comprehensive look at the field's growth and development, and places M&As in realistic context amidst changing trends, legislation, and global perspectives. All-inclusive coverage merges expert discussion with extensive graphs, research, and case studies to show how M&As can be used successfully, how each form works, and how they are governed by the laws of major countries. Strategies and motives are carefully analyzed alongside legalities each step of the way, and specific techniques are dissected to provide deep insight into real-world operations. This new seventh edition has been revised to improve clarity and approachability, and features the latest research and data to provide the most accurate assessment of the current M&A landscape. Ancillary materials include PowerPoint slides, a sample syllabus, and a test bank to facilitate training and streamline comprehension. As the global economy slows, merger and acquisition activity is expected to increase. This book

provides an M&A primer for business executives and financial managers seeking a deeper understanding of how corporate restructuring can work for their companies. Understand the many forms of M&As, and the laws that govern them Learn the offensive and defensive techniques used during hostile acquisitions Delve into the strategies and motives that inspire M&As Access the latest data, research, and case studies on private equity, ethics, corporate governance, and more From large megadeals to various forms of downsizing, a full range of restructuring practices are currently being used to revitalize and supercharge companies around the world. Mergers, Acquisitions, and Corporate Restructurings is an essential resource for executives needing to quickly get up to date to plan their own company's next moves.

The Complete Guide to Mergers and Acquisitions - Timothy J. Galpin 2010-12-23 Mergers and acquisitions (M&A) experts Tim Galpin and Mark Herndon present an updated and expanded guide to planning and managing the M&A process. This comprehensive book is unique in providing the tools to address both the human and operational sides of integration. Based on the authors' consulting experience with numerous Fortune 500 companies, this resource will help organizations capture deal synergies more quickly and effectively. Augmenting their step-by-step advice with helpful templates, checklists, graphs and tools, Galpin and Herndon provide sound guidance for successfully integrating different processes, organizations, and cultures. The authors also address pre-deal do's and don'ts, people dynamics, common mistakes, communications strategies, and specific actions you can take to create measurable positive results throughout the integration process. The revised edition not only updates case studies and presents recent integration research, but it also adds new tools. *Mergers and Acquisitions from A to Z* - Andrew J. Sherman 2005

The classic, comprehensive guide to mergers and acquisitions, now completely updated for today's market.

Mergers and Acquisitions - Stephen M. Bainbridge 2009

This book is designed for law students taking an

advanced business law course such as Mergers & Acquisitions or Corporate Finance, with a primary emphasis on corporate and securities law issues. While the text has a strong emphasis on the doctrinal issues taught in today's M&A classes, it also places significant emphasis on providing an economic analysis of the major issues in that course. The text thus offers not only with an overview of the black letter law, but also a unifying method of thinking about the subject.

Mergers and Acquisitions - Edwin L. Miller, Jr. 2017-03-15

The legal, financial, and business primer to the M&A process Mergers and Acquisitions offers accessible step-by-step guidance through the M&A process to provide the legal and financial background required to navigate these deals successfully. From the initial engagement letter to the final acquisition agreement, this book delves into the mechanics of the process from beginning to end, favoring practical advice and actionable steps over theoretical concepts. Coverage includes deal structure, corporate structuring considerations, tax issues, public companies, leveraged buyouts, troubled businesses and more, with a uniquely solution-oriented approach to the M&A process. This updated second edition features new discussion on cross-border transactions and "pseudo" M&A deals, and the companion websites provides checklists and sample forms to facilitate organization and follow-through. Mergers and acquisitions are complex, and problems can present themselves at each stage of the process; even if the deal doesn't fall through, you may still come out with less than you bargained for. This book is a multi-disciplinary primer for anyone navigating an M&A, providing the legal, financial, and business advice that helps you swing the deal your way. Understand the legal mechanics of an M&A deal Navigate the process with step-by-step guidance Compare M&A structures, and the rationale behind each Solve common issues and avoid transactional missteps Do you know what action to take when you receive an engagement letter, confidentiality agreement, or letter of intent? Do you know when to get the banker involved, and how? Simply assuming the everything will work out well guarantees that it will—for the other side.

Don't leave your M&A to chance; get the information and tools you need to get it done right. Mergers and Acquisitions guides you through the process step-by-step with expert insight and real-world advice.

Mergers, Acquisitions, and Other Restructuring Activities - Donald DePamphilis
2011-08-22

Two strengths distinguish this textbook from others. One is its presentation of subjects in the contexts wherein they occur. The other is its use of current events. Other improvements have shortened and simplified chapters, increased the numbers and types of pedagogical supplements, and expanded the international appeal of examples.

The Comprehensive Guide to Economic Damages
- Nancy J. Fannon 2016-04-04

The 4rd Edition of *The Comprehensive Guide to Economic Damages*, edited by Nancy J. Fannon and Jonathan Dunitz, Esq., provides a deep and rich resource for financial experts and attorneys seeking guidance on damage calculations. The Guide focuses on financial evidence: how to gather it, interpret it, and tell its story in a lawsuit or litigation setting. Blending the financial expert's knowledge of accepted methods and procedures with the attorney's knowledge of legal issues and insights, it provides in-depth analysis and interpretation of the continually expanding body of case law. Key highlights of the new edition include: Updated and expanded chapters covering all aspects of calculating lost profits / loss of business value - An insightful and comprehensive look at the unjust enrichment remedy - Substantive new materials on forensic accounting - A new chapter covering business interruption - Expanded coverage of benefit of the bargain damages - Expanded insights into intellectual property damages, including patents, trademarks and copyright - New and enhanced abstracts of many of the lost profit and damage cases found throughout the book Ensure that you have the most up-to-date thinking on damages by adding *The Comprehensive Guide to Lost Profits and Other Commercial Damages* to your business library today!

mergers, and acquisitions Addresses how you can interpret the results of a valuation in light of a company's competitive situation Also available: a book plus CD-ROM package (978-0-470-42469-8) as well as a stand-alone CD-ROM (978-0-470-42457-7) containing an interactive valuation DCF model Valuation, Fifth Edition stands alone in this field with its reputation of quality and consistency. If you want to hone your valuation skills today and improve them for years to come, look no further than this book.

Now What? - Jennifer J. Fondrevay 2019-10-14 Companies around the globe are increasingly pursuing M&A as a growth strategy. Odds are, at some point in your career, your company will be one of them. Jennifer J. Fondrevay, an M&A expert who has led teams and brands through three separate multibillion-dollar acquisitions, reveals that these transitions are as stressful as a major loss or moving to another country. The normal human reactions of fear, anger, anxiety, and denial can make the experience hellish, make leading change overwhelming, and keep you from capitalizing on opportunities. To help you navigate the chaos and your emotions and to see how M&A can, in fact, further your career, Jennifer has written NOW WHAT?, the guide she wished for years ago. Based on 60 interviews with M&A integration survivors and practitioners, NOW WHAT?: Explains the drivers behind M&A so that you can anticipate what's coming and start to appreciate where the opportunities might be. Exposes the post-deal experience for what it is: a journey from denial to acceptance through the M&A stages of grief. Identifies the "cast of change" characters (e.g., the Former Rock Star, the Black Widow, etc.) and how to engage them. Helps you construct a total "survive and thrive" game plan for cultivating the right mindset, collaborating with the "other side," and finding your niche to succeed. NOW WHAT? helps anybody in the middle of it all, from C-suite executives to team leaders and players, come out stronger on the other side to help their companies do the same.

How to Value, Buy, or Sell a Financial Advisory Practice - Mark C. Tibergien 2010-05-13

Financial planning is a young industry. The International Association of Financial

Planning—one of the predecessors to the Financial Planning Association—was formed less than forty years ago. But as the profession's first tier of advisers reaches maturity, the decisions that may be part of transition planning for their firms loom large. A sale? A partner buyout? A merger? No matter what the choice, its viability hinges on one critical issue—the value of the firm. Unfortunately, many advisers—whether veteran or novice—simply don't know the worth of their practice or how to influence it. That's why *How to Value, Buy, or Sell a Financial-Advisory Practice* is such an important book. It takes advisers carefully through the logic and the legwork of coming to a true assessment of one of their most important personal assets—their business. Renowned for their years of experience helping advisers tackle the daunting challenges related to the valuation, sale, and purchase of advisory firms, Mark C. Tibergien and Owen Dahl offer guidance that's essential and solutions that work.

The Art of M&A, Fifth Edition: A Merger, Acquisition, and Buyout Guide - Alexandra Reed Lajoux 2019-08-05

Make every deal a major win! The M&A classic has been updated for today's business landscape Since the last edition of this authoritative resource was published, the M&A world has gone from boom to bust and back again—and this new edition brings you completely up to date. Mergers & Acquisitions Integration

Handbook - Scott C. Whitaker 2012-05-22

Proven strategies and tactics to manage the integration of acquired and/or merged companies. *Mergers & Acquisitions Integration Handbook* is a comprehensive resource to help companies create a scalable postmerger or acquisition integration process and framework that accelerates operating and business benefit goal realization. Includes tools, templates, forms, examples and checklists to provide a no-nonsense "handbook" style approach to managing an effective integration. Helps integration managers quickly get up to speed on various integration challenges, including guidance on developing detailed operational and functional integration plans to support flawless execution. Reveals how to avoid integration failure by establishing an in-house integration management office to handle integration projects. Includes a sample integration playbook that can be used to create a core competency within companies to support ongoing integration activity. Botched integration is the number one reason mergers fail. *Mergers & Acquisitions Integration Handbook* shows you how to develop, execute and implement merger integrations and business strategies to realize your organization's mergers

and acquisitions goals.

Intellectual Property Deskbook for the Business Lawyer - Sharon K. Sandeen 2007

The Intellectual Property Deskbook is intended to serve as the business lawyer's starting point for issue identification, perspective, and resources in dealing with intellectual property issues and assets, whether in the context of structuring and consummating transactions or in the day-to-day counseling of clients. It is specifically designed to become the go-to reference for beginning the analysis, refreshing the memory, or seeking direction for in depth research on the wide range of IP-related issues.

Mergers and Acquisitions from A to Z -

Andrew J. Sherman 2018

Revised edition of the author's Mergers & Acquisitions from A to Z, c2011.

Mergers - Patrick A. Gaughan 2005-05-20

A powerful guide for seeking out the best acquisition and merger targets. As increasingly more companies look to mergers and acquisitions (M&As) as a source of new growth and revenue, there is an even greater chance that these M&As will go bad. This insightful guide focuses on one of the most often debated and key issues in mergers and acquisitions—why some deals fail miserably and why others prosper. It provides a complete road map for what potential buyers should look for when picking a target and what characteristics of sellers they should steer clear of, as well as pitfalls to avoid during the M&A process. Real-world examples are provided of high-profile failures—Quaker Oats, United Airlines, Sears, and Mattel—and high-profile successes—General Electric and Cisco. Patrick A. Gaughan (New York, NY) is President of Economatrix Research Associates and a professor of Economics and Finance at the College of Business, Fairleigh Dickinson University. He is actively engaged in the practice of business valuations for mergers and acquisitions, as well as other related applications.

Applied Mergers and Acquisitions - Robert F. Bruner 2004-03-26

A comprehensive guide to the world of mergers and acquisitions. Why do so many M&A transactions fail? And what drives the success of those deals that are consummated? Robert Bruner explains that M&A can be understood as

a response by managers to forces of turbulence in their environment. Despite the material failure rates of mergers and acquisitions, those pulling the trigger on key strategic decisions can make them work if they spend great care and rigor in the development of their M&A deals. By addressing the key factors of M&A success and failure, Applied Mergers and Acquisitions can help readers do this. Written by one of the foremost thinkers and educators in the field, this invaluable resource teaches readers the art and science of M&A valuation, deal negotiation, and bargaining, and provides a framework for considering tradeoffs in an effort to optimize the value of any M&A deal. Applied Mergers and Acquisitions is part of a complete suite of resources on M&A that includes a workbook and a CD-ROM with additional spreadsheets.

ERISA - Paul J. Schneider 2011-01-01

The Fourth Edition of ERISA: A Comprehensive Guide provides a thorough and authoritative analysis of the principal statutory provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the corresponding provisions of the Internal Revenue Code (Code) dealing with employee benefits. It also discusses and explains the multitude of regulations, rulings, and interpretations issued by the Department of the Treasury, the Internal Revenue Service, the Department of Labor, and the Pension Benefit Guaranty Corporation in explanation of ERISA; the Code provisions relating to the requirements for tax-qualified retirement plans; and the subsequent legislation amending or supplementing ERISA and such Code provisions. Cited by the Supreme Court, ERISA: A Comprehensive Guide discusses and explains the multitude of regulations, rulings, and interpretations issued by the Department of the Treasury, the Internal Revenue Service, the Department of Labor, and the Pension Benefit Guaranty Corporation in explanation of ERISA and the subsequent legislation amending or supplementing ERISA. ERISA: A Comprehensive Guide has been updated to include: A new chapter that focuses on the key federal employment laws, such as the antidiscrimination, wage and hour, and leave laws, which often must be considered by benefits professionals when providing benefits advice to their clients. A revised chapter on ERISA

preemption, which includes a new discussion of what constitutes a "plan" for purposes of applying ERISA preemption and an updated discussion of the impact of the Supreme Court's decision in *Cigna Corp. v. Amara* on ERISA preemption. A summary of the requirement of providing health plan participants with a Summary of Benefits and Coverage has been added to the discussion of benefit plan notice requirements. An update on recent court decisions involving 401(k) fee litigation and the extent to which excessive or undisclosed fees can constitute a breach of ERISA fiduciary duty. The Department of Labor's final regulations issued under ERISA Section 408(b)(2), regarding the disclosure that must be made by service providers to plan fiduciaries concerning the direct and indirect compensation that the service providers receive in connection with providing services to a covered plan. A discussion regarding the income tax consequences of employer-paid COBRA premiums. A discussion regarding successor liability in asset sale

transactions has been added to the chapter on mergers and acquisitions. A discussion regarding the extent to which an employer's interference with the benefits of union supporters may constitute an unfair labor practice under the National Labor Relations Act.

Mergers and Acquisitions - Steven M. Bragg
2008-12-03
