**Property Investment for Beginners** - Rob Dix  
2013-04-18

Updated for 2015! The recession is over, house prices are heading steadily upwards

again, and you're convinced that property could be your key to financial freedom. And it could. But where do you start? Do you invest near where you live, or wherever yields are best? Do you rent to families, or professionals, or students? Should you be trawling through Rightmove or lurking at property auctions? This short book covers the big questions you should be asking yourself before you so much as glance at an estate agent's window. It contains a jargon-free explanation of basic investment principles, summaries of the major post-crunch investment strategies, and advice on developing a mindset that will support your long-term success. The book also includes a curated "further reading" list of recommended books, magazines, forums, blogs and podcasts to help you confidently take your next steps in your property investment journey. You'll learn... How to pick an investment strategy that matches your skills and goals  
The only three calculations you

need to know to size up any deal An overview of every major investment approach, from the most safe and boring to the probably-not-a-good-idea-but-here-you-go-anyway How to (safely and sustainably) stretch a limited pot of cash to build whatever size portfolio you want ...although you will need to endure some pretty shocking jokes along the way. Sorry about that. Praise for "Property Investment For Beginners"... "The book is very easy to read and the explanations are very clear, with some good humour to boot! With a good set of references and online links, this book is a must for anyone interested in property investment." - P Cowley "A property investment book that keeps it simple. I really enjoyed it, and will use it as my main point of reference. Unlike most of the other books, the reader doesn't have to endure the rags to riches rubbish and the inevitable sales pitch for further training." - Nesser "I stumbled across this book randomly on Amazon and I'm

so pleased I did - it has given me an excellent overview of what it is to invest in property and has really helped me to focus on my specific goals. It has also opened my eyes to a world of useful tools and contacts which I may never have found without it. Other books may have been able to do this but I'm not sure they would've been so enjoyable to read. If you are thinking of investing in property, or perhaps already are but want to take it further, this is a must read book." - whatkatythinks "When you buy this book, you are not only getting a property wizard, you are also getting a warm-hearted guy. In his book, Rob mentions several times that you can contact him via email and he'll try to help you out. And HE DID! I tentatively emailed him with some questions and he replied right away! Of course, I know he's probably not able to do this for everybody, but even if he just replied to one question, he has proven that he's genuine and kind. And what he replied me with is thoughtful, honest and

probably saved me a fortune in the end. Totally worth every penny. Get the book!" - kaitlinjj Scroll up and hit "Buy Now" to start turning your property dreams into reality!

**The Landlord Entrepreneur** - Bryan M. Chavis 2017-09-05

From the author of the real estate investment bible Buy It, Rent It, Profit! comes a fresh guide to teach new and aspiring landlords how to go from managing a single rental property to successfully managing a large rental portfolio. In his first book, real estate expert Bryan Chavis created the ultimate how-to guide for buying and managing rental properties, with practical, realistic ways to build lasting, long-term wealth. Now, he takes his acclaimed program one step further. The Landlord Entrepreneur shifts

the focus from dealing exclusively with residential real estate to building a dynamic property management business. By following the step-by-step instructions in this new guide, anyone can create a fully functioning, professional property management company in only ten days. With Chavis's modern take on real estate, you will learn the five phases of property management and the skills needed to successfully move through them—as well as the hacks and tricks to build your profitable business from the ground up. Full of smart, practical business advice, The Landlord Entrepreneur is the only guide you need to become a successful property manager in today's real estate market.

**Making Money with Rental Properties** - Kimberly Smith 2014-01-07

On the surface, being a landlord seems pretty simple—you buy property, find renters, and the money rolls in. However, as all too many people have found out, it takes an incredible amount of know-

how and hard work in order to be successful at it. *Idiot's Guides: Making Money with Rental Properties* is written by experts who have made the mistakes, learned the lessons, and have become highly successful at spotting properties with high rental potential, buying them at the right price and time, and finding tenants who pay on time and stay for the long haul. Readers will learn not only how to spot the right neighborhood and property, but how to buy it, when not to buy it, how to find the right tenants, how to manage the money flow, and more. In addition, readers will learn what to do when things go wrong, what legal protections they (as well as the tenants) have, and how to do it all without going broke and losing their minds in the process.

**Managing Rental Properties for Maximum Profit** - Greg M. Perry 2000

Every Rental Property Manager's Complete Handbook  
How would you like to own multiple rental properties,

make money from them, and have lots of spare time in this typically high-maintenance business? You can! Although many property managers lose more money each year on maintenance or long vacancies than they make in profit, with the right management system and some business savvy, you can rent out a house or condominium and still have enough time to enjoy your growing profits—or purchase more properties! Greg Perry shows you how! With more than 40 of his own properties, he has created a foolproof system for rental management that has turned his rental business into a virtual turnkey operation. And now, in this revised edition of his book, he shows you step by step how you can profit from and enjoy managing your rental properties. Inside, you'll learn valuable money-saving tips, such as how to:

- Market your property to attract droves of prospective tenants
- Keep good tenants happy and get rid of bad tenants
- Save a fortune on renovations, advertising, and

other expenses ·Buy new properties and turn them into the most attractive houses on the block ·Use the Internet to market your rentals ·Choose the right insurance and prepare your taxes ·Plus much, much more! Also included are up-to-date samples of leases, rental applications, eviction notices, and other important documents you can copy and customize. "Real estate investors as well as professional property managers can profit from following Perry's practical advice."—San Francisco Sunday Examiner & Chronicle "On a scale of 1 to 10, this excellent book rates a 10!"—Chicago Tribune

**Long-Distance Real Estate Investing** - David Greene  
2017-12-14

Live where you want, and invest anywhere it makes sense. "It is a common misperception in real estate investing that you should buy only where you live. David Greene has put that myth to rest... This is a must-read for investors who want to expand their real estate empire nationwide." --David Osborn, bestselling author of *Wealth Can't Wait* Are you interested in real estate investing, but you live in a hot market that is not suited for buy and hold investing? Do you want to take advantage of wealth-building opportunities, but that seems impossible until the next market crash? Real estate investing is one of the greatest vehicles to build wealth, but it doesn't make sense in every market. Some locations provide incredible returns, while others make it almost impossible to

find a single property that profits. Traditionally, investing out of state has been considered risky and unwise. But the rules, technology, and markets have changed: No longer are you forced to invest only in your backyard! In his book, real estate investor and police officer David Greene shows you exactly how he's built a multi-million dollar portfolio through buying, managing, and flipping out-of-state properties, often without ever even seeing the properties in person. David shares every tip, trick, and system he has put in place for over twenty rental properties, so you can avoid making mistakes and shorten your learning curve immensely! What's inside: How to assemble an all-star team to handle each aspect of a deal from A-Z. How to find great deals in any state, regardless of where you live. How to rehab a project from thousands of miles away without worry or complication. How to speak the language of the agents, contractors, lenders, and property managers you will

use. How to quickly and easily know which neighborhoods to buy, and which to pass in. How to choose the best materials for your rehab projects and pay the least amount of money. ...And more! Don't let your location dictate your financial freedom. Get the inside scoop to invest--and succeed--anywhere!

**The Book on Managing Rental Properties** - Brandon Turner 2015-10-28

No matter how great you are at finding good rental property deals, you could lose everything if you don't manage your properties correctly! But being a landlord doesn't have to mean middle-of-the-night phone calls, costly evictions, or daily frustrations with ungrateful tenants. Being a landlord can actually be fun IF you do it right. That's why Brandon and Heather Turner put together this comprehensive book that will change the way you think of being a landlord forever. Written with both new and experienced landlords in mind, The Book on Managing Rental

Properties takes you on an insider tour of the Turners' management business, so you can discover exactly how they've been able to maximize their profit, minimize their stress, and have a blast doing it! Inside, you'll discover: - The subtle mindset shift that will increase your chance at success 100x! - Low-cost strategies for attracting the best tenants who won't rip you off. - 7 tenant types we'll NEVER rent to--and that you shouldn't either! - 19 provisions that your rental lease should have to protect YOU. - Practical tips on training your tenant to pay on time and stay long term. - How to take the pain and stress out of your bookkeeping and taxes. - And much more!

*ABCs of Buying Rental Property* - Ken McElroy  
2020-09-29

Many Americans dream of financial freedom, but they're stuck in dead-end jobs and don't know how to get there. You don't need to be one of them. If you invested \$35,000 in the stock market today, it could take 52 years for that investment to grow to \$1 million. But if you invested that same amount into one single-family \$140,000 rental property, it would only take 19 years. With just two rental properties, you could generate \$417,000 in profit in just 10 years. Skeptical? Good, because that's the first sign of a smart investor. This book will tackle that skepticism head on... and give you confidence and a path to financial freedom. **THIS BOOK WILL TEACH YOU HOW TO:** - Secure your investment money - Find your ideal market--and a positive-cash-flow property - Efficiently manage your property - Handle your record

keeping - Boost revenues and cut costs - File your taxes using a step-by-step process - Build your real estate portfolio

*The White Coat Investor* - James M. Dahle 2014-01

Written by a practicing emergency physician, *The White Coat Investor* is a high-yield manual that specifically

deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of

residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a "Backdoor Roth IRA" and "Stealth IRA" to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of

the book by clicking on the Look Inside feature Praise For The White Coat Investor "Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place." - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street "Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research." - William J. [Financial Freedom with Real Estate Investing](#) - Michael Blank 2018-07-16

Discover the (surprising) secret to lifelong financial freedom with real estate investing. Real estate has always been a powerful tool for investing, and many people believe that a single-family home investment strategy will help them achieve their goals. However, the true path to financial freedom using real estate is found in apartment buildings. Real estate investing expert and author Michael Blank learned that once investors did their first deal, the curious "Law of the First Deal" led to the second and third deals in rapid succession. Most were able to quit their jobs within 3-5 years of getting started. Of course, when most people hear

"apartment buildings" they immediately assume they need years of investing experience and money saved up to be able get into the game. This simply isn't true. Michael has compiled the results of his research into his new book, *Financial Freedom with Real Estate Investing: The Blueprint to Quitting Your Job with Real Estate - Even without Experience or Cash*. He's outlined the "Financial Freedom Blueprint" that guides you through your first multifamily deal, even if you have no prior experience or your own cash.

**The Complete Guide to Buying and Selling Apartment Buildings** - Steve Berges 2004-12-20

Whether you're a first-time real estate investor or a seasoned professional, *The Complete Guide to Buying and Selling Apartment Buildings* helps you map out your future, find apartment buildings at a fair price, finance purchases, and manage your properties. Create cash flow that lasts forever, and much more

Building Wealth One House at a Time, 2nd Edition reveals how virtually anyone can accumulate houses debt free and earn an income for life.

**Investing in Rental Properties for Beginners** -

Lisa Phillips 2018-08-13

This book is about investing in sub \$30k properties (under \$30,000) and becoming a wealthy real estate investor enjoying the profits now, rather than later ... with only 2-5 properties instead of hundreds or overly priced properties. This book on investing in rental properties for beginners is the foundation of what I've built 47,000 person social media platform on - helping the average person get involved in rental properties on an average income, and building the cash flow of their dreams with 2-5 properties. That's it. This will teach you (the ordinary investor) how to tailor your investment strategy to your pocketbooks (and no one else's). You don't need to ask your parents or friends for loans because the best approach to building a rental portfolio is by purchasing units in modest neighborhoods that offer really high rents (i.e. purchase a \$44,000 rental that earns \$1200 a month in rents). If being a real estate investor is your dream and being a landlord is not, this is the book

for you! The author will personally take you through the steps she's used on over 560 people to build their dream income and lifestyle.

**The American Yawp** - Joseph L. Locke 2019-01-22

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common

threads that help us make sense of the past. Without losing sight of politics and power, *The American Yawp* incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of *The American Yawp* will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. *The American Yawp* traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new

nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, *The American Yawp* gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

A modern, practical guide to buy your first rental property without losing your shirt! If you are looking for a comprehensive and trustworthy resource for investing in rental properties, start with this book! *The Frugal Real Estate Investor* shares the most important lessons learned from a real estate investor's true experience of buying a rental income property for the first time, and being successfully profitable from day one. *The Frugal Real Estate Investor* is full of practical advice from an active real estate investor with his own skin in the game,

minus the unnecessary real estate hype or sales talk. This book has three parts, covering a broad range of topics for real estate investors new and old. Part one focuses on effective strategies to strengthen personal finances at home before diving into real estate investing. Part two takes a holistic look at foundational concepts and tools to build a solid grounding to invest in real estate with confidence. Part three takes the foundational concepts from the earlier parts into action by providing a hands-on, repeatable approach for buying and managing rental properties. For the starting investor, this book will provide inspiration and a solid playbook to help invest more wisely. For the seasoned investor, the hands-on tips from a fellow real estate investor should provide alternative tips and insights. For everyone else, the lessons in this book will help you to build more stability, resilience, and peace of mind into your personal and professional

finances, regardless of whether you ultimately decide to buy a rental property or not.

**Buy, Rent and Sell: How to Profit by Investing in Residential Real Estate -**

Robert Irwin 2001-04-22

The time has never been better for investing in real estate, and this book arms the millions of investors who are returning to real estate as an established instrument of wealth creation with surefire strategies for making a killing in the real

estate market. Due to the pent-up demand for housing caused by the lull in housing starts during the 90s, as many as 11 million would-be American home-owners are currently vying for a rapidly dwindling pool of available properties. In Buy, Rent, and Sell Bob Irwin, one of America's most well-known and respected real estate author/experts, provides nuts-and-bolts advice and guidance on how to find good investment properties, how to successfully rent them, and how to quickly turn them around for a profit. Written in Irwin's trademark down-to-earth, jargon-free style, Buy, Rent, and Sell is an indispensable guide for novices as well as experienced real estate investors.

*The Business of Flipping Homes* - William Bronchick  
2017-02-07

Whether you're looking to make a career out of flipping homes or see it as a part-time venture, you can make fast money legitimately. Before you get started, you need to know the right way to flip, regardless

of local market conditions and current economic trends. There's more to flipping than redoing a kitchen or staging a property. Every deal is different, and each investor must have a clear business strategy. Expert investors William Bronchick and Robert Dahlstrom have learned how to be successful in all types of markets—and now they share their secrets with you. From the bestselling authors of *Flipping Properties*, which brought the term "flipping" to American households, *The Business of Flipping Homes* is an A-to-Z guide for both new and seasoned investors. The book explains what flipping is and isn't, goes beyond the investment of a basic single-family home, and demonstrates

how to find, renovate, and sell properties using proven methods. With more than 40 years combined experience in buying and selling investment properties, Bronchick and Dahlstrom explain how to avoid many of the pitfalls and issues that could drain your funds and come back to haunt you. They give systematic approaches on long-term planning, including how to find and work with partners, structure a business, and utilize your specific talents, resources, and aspirations in realistic ways. You'll learn how to figure out timelines, work with real-estate agents, understand the paperwork, analyze the numbers, utilize technology, and, most important, find the money.
