Queen Victoria's Book of Spells - Ellen

Datlow 2013-03-19

"Gaslamp Fantasy," or historical fantasy set in a magical version of the nineteenth century, has long been popular with readers and writers alike. A number of wonderful fantasy novels owe their inspiration to works by nineteenth-century writers ranging from Jane Austen, the Brontës, and George Meredith to Charles Dickens, Anthony Trollope, and William Morris. And, of course, the entire steampunk genre and subculture owes more than a little to literature inspired by this period. Queen Victoria's Book of Spells is an anthology for everyone who loves these works of neo-Victorian fiction, and wishes to explore the wide variety of ways that modern fantasists are using nineteenth-century settings, characters, and themes. These approaches stretch from steampunk fiction to the Austen-and-Trollope inspired works that some critics call Fantasy of Manners, all of which fit under the larger umbrella of Gaslamp Fantasy. The

result is eighteen stories by experts from the fantasy, horror, mainstream, and young adult fields, including both bestselling writers and exciting new talents such as Elizabeth Bear, James Blaylock, Jeffrey Ford, Ellen Kushner, Tanith Lee, Gregory Maguire, Delia Sherman, and Catherynne M. Valente, who present a bewitching vision of a nineteenth century invested (or cursed!) with magic. A Kirkus Reviews Best Fiction Book of 2013 At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Velocity Weapon - Megan E. O'Keefe 2019-06-11
NOMINATED FOR THE PHILIP K. DICK AWARD FOR BEST NOVEL * Dazzling space battles, intergalactic politics, and rogue AI collide in *Velocity Weapon*, the first book in this epic space opera trilogy by award-winning author Megan O'Keefe. Sanda and Biran Greeve were siblings destined for greatness. A high-flying sergeant, Sanda has the skills to take down any

enemy combatant. Biran is a savvy politician who aims to use his new political position to prevent conflict from escalating to total destruction. However, on a routine maneuver, Sanda loses consciousness when her gunship is blown out of the sky. Instead of finding herself in friendly hands, she awakens 230 years later on a deserted enemy warship controlled by an AI who calls himself Bero. The war is lost. The star system is dead. Ada Prime and its rival Icarion have wiped each other from the universe. Now, separated by time and space, Sanda and Biran must fight to put things right. The Protectorate Velocity Weapon

Livre Des Sans-foyer - Edith Wharton 1916
The *Book of the Homeless* includes poems, essays, original art and musical scores by such notables of the time as Henry James, W.B. Yeats, Joseph Conrad, Thomas Hardy, Igor Stravinsky, Jean Cocteau, George Santayana and Paul Claudel, as well as other artists, musicians, writers and poets. Edith Wharton edited the text as a fundraiser for her WWI French charities, The Children of Flanders Relief Committee and The American Hostels for Refugees. The introduction, written by Theodore Roosevelt, stated, "We owe to Mrs. Wharton all the

assistance we can give. We owe this assistance to the good name of America, and above all for the cause of humanity we owe it to the children, the women and the old men who have suffered such dreadful wrong for absolutely no fault of theirs." Wharton's charitable work was so passionate and successful, she was made a Chevalier de l'Ordre National de la Légion d'honneur in 1916 for her efforts.

Ascendant - Michael R Miller 2020-09

As a lowly pot boy, Holt Cook was never meant to be a dragon rider. Until in a moment of madness, he saves a dragon egg doomed to be destroyed. A blind hatchling with a mysterious and unknown magic. Soul-bonding with the dragon, Holt gains access to its magical core. Only through training and perseverance can he cultivate its power to stand a chance in the battles to come. For the riders are preparing for war. Undead horrors are rising across the land. Kings and riders alike die in their strongholds. Order is crumbling. And Holt faces a terrible decision. To do what is expected and maintain order, or do what he knows to be right and cause only chaos?

Futurism - Lawrence S. Rainey 2009

In 1909, F.T. Marinetti published his incendiary Futurist Manifesto, proclaiming, "We stand on the last promontory of the centuries!!" and "There, on the earth, the earliest dawn!" Intent on delivering Italy from "its fetid cancer of professors, archaeologists, tour guides, and

antiquarians," the Futurists imagined that art, architecture, literature, and music would function like a machine, transforming the world rather than merely reflecting it. But within a decade, Futurism's utopian ambitions were being wedded to Fascist politics, an alliance that would tragically mar its reputation in the century to follow. Published to coincide with the 100th anniversary of the founding of Futurism, this is the most complete anthology of Futurist manifestos, poems, plays, and images ever to be published in English, spanning from 1909 to 1944. Now, amidst another era of unprecedented technological change and cultural crisis, is a pivotal moment to reevaluate Futurism and its haunting legacy for Western civilization.

Paternus - Dyrk Ashton 2020-12-10

Book 1 of the completed Paternus Trilogy Even myths have legends. Described as American Gods meets The Avengers and Supernatural meets The Lord of the Rings, Paternus combines

myths from around the world in a modern story of action and intrigue that is "urban fantasy on the surface, but so much more at its core!" "Terrific! Paternus is intelligent, intricate, suspenseful, and epic." -Nicholas Eames, Gemmell Award winning author of Kings of the Wyld and Bloody Rose "Ashton's story is a crucible in which myths are melted and remade to thrilling effect." -M. R. (Mike) Carey, author of The Girl with All the Gifts and the Felix Castor series And not all legends are myth. When a local hospital is attacked by strange and frightening men, Fiona Patterson and Zeke Prisco save a catatonic old man named Peter and find themselves running for their lives with creatures beyond imagination hounding their every step. With nowhere else to turn, they seek out Fi's enigmatic Uncle Edgar. But the more their questions are answered, the more they discover that nothing is what it seems-not Peter, not Edgar, perhaps not even themselves. The gods and monsters, heroes and villains of lore-

they're real. And now they've come out of hiding to hunt their own. In order to survive, Fi and Zeke must join up with powerful allies against an ancient evil that's been known by many names and feared by all. The final battle of the world's oldest war has begun. ***** Genre:

Contemporary Fantasy / Urban Fantasy / Mythic Fiction. Market: Adult to New Adult (as opposed to Teen or YA, though savvy 16 or 17 year olds might survive without permanent damage).

The Things They Carried - Tim O'Brien
2009-10-13

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become

a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

The Illearth War - Stephen R. Donaldson
2012-05-16

"The Thomas Covenant saga . . . will certainly find a place on the small list of true classics in its specialized field."—The Washington Post Book World After scant days in his "real" world, Thomas Covenant finds himself again summoned to the Land. There, forty bitter years have passed, while Lord Foul, immortal enemy of the Land, moves to fulfill his prophecy of doom. The

Council of Lords find their spells useless, now that Foul the Despiser holds the Illearth Stone, ancient source of evil power. At last High Lord Elena turns in desperation to Covenant and the legendary white gold magic of his ring. . . .

An Eames Anthology - Charles Eames

2015-04-28

An Eames Anthology collects for the first time the writings of the esteemed American architects and designers Charles and Ray Eames, illuminating their marriage and professional partnership of fifty years. More than 120 primary-source documents and 200 illustrations highlight iconic projects such as the Case Study Houses and the molded plywood chair, as well as their work for major corporations as both designers (Herman Miller, Vitra) and consultants (IBM, Polaroid). Previously unpublished materials appear alongside published writings by and about the Eameses and their work, lending new insight into their creative process. Correspondence with

such luminaries as Richard Neutra and Eero Saarinen provides a personal glimpse into the advance of modernity in mid-century America.

The Art Happens Here - Michael Connor

2019-04-23

Net Art Anthology aims to represent net art as an expansive, hybrid set of artistic practices that overlap with many media and disciplines. To accommodate this diversity of practice, Rhizome has defined "net art" as "art that acts on the network, or is acted on by it." Rhizome prefers the term "net art" because it has been used more widely by artists than "internet art," which is more commonly used by institutions, or "net.art," which usually evokes a specific mid-90s movement. The informality of the term "net art" is also appropriate not only to the critical use of the web as an artistic medium, but also informal practices such as selfies and Twitter poems.

Thou Shall Not: a Dark Ten Commandments

Anthology - Ally Vance 2019-07-18

The devil whispered in our ears. We listened. We obeyed. We sinned. Shall we repent? Or shall we take you down with us? Thou shall not have any other gods before me. Thou shall not make yourself a carved image. Thou shall not take the Lord's name in vain. Thou shall remember the Sabbath Day and keep it holy. Thou shall honor your mother and father. Thou shall not murder. Thou shall not commit adultery. Thou shall not steal. Thou shall not bear false witness against thy neighbor. Thou shall not covet your neighbor's house. *This is NOT a religious book. This is dark, depraved, and delicious and is intended for a mature audience 18+. The Ten Commandments as you've never seen them before...*

Beyond the Galaxy - Zach Bohannon
2020-06-10

Do you dare to go beyond the galaxy? When the war between the Teku and Krad intensifies, the fate of the entire universe is at stake. A group of superb writers gathered in Seattle, Washington

at the Museum of Pop Culture to collaborate on a stunning science fiction anthology for the "Sci-Fi Seattle" writer's retreat hosted by J. Thorn and Zach Bohannon. Beyond the Galaxy is the new science fiction anthology published by Molten Universe Media. All proceeds will be donated to Techbridge Girls, a non-profit organization in Seattle, Washington promising to excite, educate, and equip girls from low-income communities by delivering high quality STEM programming that empowers a girl to achieve economic mobility and better life chances. Stories by: J. Thorn & Zach Bohannon, Lindsey Pogue, Cameron Coral, Tory Element, Jeannette Bedard, ME Myriade, CR Wills, Heather Lee Dyer, Chris Yee, JP Douglas, Lindsey Farleigh, Jay Key, GP Black, Courtney Harrell
Art of War - Petros Triantafyllou 2018-01-17
How do you get forty fantasy authors to

contribute short stories for a war-themed anthology without paying them? It sounds as if there should be a good punchline to that, but all Petros Triantafyllou did was twist the moral thumbscrews and tell them all the profits would go to Doctors Without Borders, a charity that works tirelessly across the world to alleviate the effects of conflict, sickness and poverty. So, with clear consciences, several busloads of excellent and acclaimed fantasy authors have applied themselves to the task of penning a veritable mountain of words on the subject of The Art of War, expect bloodshed, gore, pathos, insight, passion, and laughs. Maybe even a wombat. Who knows. Anyway, as the original blurb said: "It's good. Buy it." -Mark Lawrence Featuring: Mark Lawrence, Ed Greenwood, Brian Staveley, Miles Cameron, John Gwynne, Sebastien De Castell, Mitchell Hogan, Stan Nicholls, Andrew Rowe, C.T. Phipps, Rob J. Hayes, Nicholas Eames, Mazarkis Williams, Ben Galley, Michael R. Fletcher, Graham Austin-King, Ed McDonald,

Anna Stephens, Anna Smith Spark, RJ Barker, Michael R. Miller, Benedict Patrick, Sue Tingey, Dyrk Ashton, Steven Kelliher, Timandra Whitecastle, Laura M Hughes, J.P. Ashman, M.L. Spencer, Steven Poore, Brandon Draga, D. Thourson Palmer, D.M. Murray, Anne Nicholls, R.B. Watkinson, Charles F Bond, Ulf Lehmann, Thomas R. Gaskin, Zachary Barnes & Nathan Boyce. With a Foreword by Brian D. Anderson. Print version includes 40 black & white interior art pieces.

Blackwing - Ed McDonald 2017-10-03

"A remarkably assured fantasy debut that mixes of the inventiveness of China Miéville with the fast paced heroics of David Gemmell."—Anthony Ryan, New York Times bestselling author of The Legion of Flame Set on a postapocalyptic frontier, Blackwing is a gritty fantasy debut about a man's desperate battle to survive his own dark destiny... Hope, reason, humanity: the Misery breaks them all. Under its cracked and wailing sky, the Misery is a vast and blighted

expanse, the arcane remnant of a devastating war with the immortals known as the Deep Kings. The war ended nearly a century ago, and the enemy is kept at bay only by the existence of the Engine, a terrible weapon that protects the Misery's border. Across the corrupted no-man's-land teeming with twisted magic and malevolent wraiths, the Deep Kings and their armies bide their time. Watching. Waiting. Bounty hunter Ryhalt Galharrow has breathed Misery dust for twenty bitter years. When he's ordered to locate a masked noblewoman at a frontier outpost, he finds himself caught in the middle of an attack by the Deep Kings, one that signifies they may no longer fear the Engine. Only a formidable show of power from the very woman he is seeking, Lady Elizabeth Tanza, repels the assault. Elizabeth is a shadow from Galharrow's grim past, and together they stumble onto a web of conspiracy that threatens to end the fragile peace the Engine has provided. Galharrow is not ready for the truth about the blood he's spilled

or the gods he's supposed to serve...

The Disappearing Deaconess - Brian Patrick Mitchell 2021-03

The Disappearing Deaconess provides a thorough and insightful analysis of the early Church's experience with deaconesses in light of patristic teaching on male and female and the evolution of ministries within the Church.

What You Wish for - Alexander McCall Smith 2011

A collection of stories and poems with the theme of wishes.

Sarah - Robert Gottlieb 2010-09-21

Everything about Sarah Bernhardt is fascinating, from her obscure birth to her glorious career--redefining the very nature of her art--to her amazing (and highly public) romantic life, to her indomitable spirit. Well into her seventies, after the amputation of her leg, she was performing under bombardment for soldiers during World War I and toured America for the ninth time. Though the Bernhardt literature is vast, this is

the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate--and scandalous--daughter of a Jewish courtesan transformed herself into the most famous actress who ever lived, and into a national icon, a symbol of France.--From publisher description.

Ring of Fire - Eric Flint 2005-10-01

The battle between democracy and tyranny is joined, and the American Revolution has begun over a century ahead of schedule. A cosmic accident has shifted a modern West Virginia town back through time and space to land it and its twentieth century technology in Germany in the middle of the Thirty Years War. History must take a new course as American freedom and democracy battle against the squabbling despots of seventeenth-century Europe. Continuing the story begun in the hit novels 1632 and 1633, the

New York Times best-selling creator of Honor Harrington, David Weber, the best-selling fantasy star Mercedes Lackey, best-selling SF and fantasy author Jane Lindskold, space adventure author K. D. Wentworth, Dave Freer, co-author of the hit novels Rats, Bats & Vats and Pyramid Scheme (both Baen), and Eric Flint himself combine their considerable talents in a shared-universe volume that will be a "must-have" for every reader of 1632 and 1633.

A Testament of Steel - Davis Ashura

2020-07-03

A young man with no past must progress into a warrior out of legend. Cinder Shade's life begins on a fateful afternoon at the bottom of a well where he awakens, bruised, battered, and bereft of all memory. His only understanding is a driving imperative--to protect those who can't defend themselves and become a warrior worthy of the name. He discovers within himself a peculiar gift, one in which the codes of combat are made evident and the language of steel is

made clear. When he earns a place at a prestigious elven warrior academy, Cinder fights to enhance his knowledge and perhaps even humble the proud elves who believe no human is their equal. His hard-earned skills are put to the test when strange rumblings emanate from deep in the Dagger Mountains. Monsters out of myth emerge. And so does something far worse . . . An ancient god. The world believes this deity long dead, but he is very much alive. And he remembers his enemies all too well. Even if they don't remember themselves.

[An Anthology of Graphic Fiction, Cartoons, & True Stories](#) - Ivan Brunetti 2006

The Christian Monitors - Brent Sirota

2014-01-28

div This original and persuasive book examines the moral and religious revival led by the Church of England before and after the Glorious Revolution, and shows how that revival laid the groundwork for a burgeoning civil society in Britain. After outlining the Church of England's key role in the increase of voluntary, charitable, and religious societies, Brent Sirota examines how these groups drove the modernization of Britain through such activities as settling immigrants throughout the empire, founding charity schools, distributing devotional literature, and evangelizing and educating merchants, seamen, and slaves throughout the British empire—all leading to what has been termed the “age of benevolence.”/DIV

Dragon Mage - ML Spencer 2020-12-22
Aram Raythe has the power to challenge the gods. He just doesn't know it yet. Aram thinks he's nothing but a misfit from a small fishing village in a dark corner of the world. As far as Aram knows, he has nothing, with hardly a

possession to his name other than a desire to make friends and be accepted by those around him, which is something he's never known. But Aram is more. Much, much more. Unknown to him, Aram bears within him a gift so old and rare that many people would kill him for it, and there are others who would twist him to use for their own sinister purposes. These magics are so potent that Aram earns a place at an academy for warrior mages training to earn for themselves the greatest place of honor among the armies of men: dragon riders. Aram will have to fight for respect by becoming not just a dragon rider, but a Champion, the caliber of mage that hasn't existed in the world for hundreds of years. And the land needs a Champion. Because when a dark god out of ancient myth arises to threaten the world of magic, it is Aram the world will turn to in its hour of need.

Drawn to Enchant - Timothy Garrett Young
2007-01-01

This volume presents over 200 selected original artworks from the collection of Betsy Beinecke Shirley, one of the great collectors of American children's literature. Shirley gathered an authoritative collection of books, original illustrations, manuscripts, as well as drawings and paintings from such children's classics as "Treasure Island" and "Eloise." The artwork in Shirley's collection guides the reader on a tour through the stages of childhood reading, this volume begins with ABC's and nursery books. It continues through adventure stories, magazines, and more, then concludes with a miscellany section of odds and ends. The images demonstrate how children's books evolved, from the nation's first days of independence to modern times. Artists whose works are represented include many of the favorites, among them Ludwig Bemelmans, Maurice Sendak, A.B. Frost, Wanda Gag, Peter Newell, N.C. Wyeth, Tony Sarg, Robert Lawson, and Johnny Gruelle.
