Fluent Forever - Gabriel

Wyner 2014-08-05

NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle

words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Power Thoughts Devotional -

Joyce Meyer 2013-10-22

Based on Joyce Meyer's New York Times bestseller *Power Thoughts*, this devotional includes 365 opportunities to tap into God's power in your daily life by thinking and speaking His way. The **POWER THOUGHTS DEVOTIONAL** will provide you with life-changing declarations of truth, directly from God's Word, to think and speak over your life every day of the year. Proverbs 18:21 says, "Death and life are in the power of the tongue." Simply

put, words are containers for power--positive or negative, creative or destructive. Therefore, it is imperative that you learn to think and speak on purpose, using the life-giving wisdom in God's Word. When you do, your life will never be the same! If you struggle with being negative, critical, or judgmental of people and situations, don't be discouraged. God wants to help you renew your mind to think and speak as He would. It won't happen overnight--but each day you will make progress as you choose power thoughts to be more like Jesus. It's time for you to experience and enjoy the life God created you to live, and Joyce wants to help you get there. You can do it with this devotional by learning how to think and speak power thoughts daily.

Themes in Dickens - Peter J. Ponzio 2018-03-04

The Victorian age is often portrayed as an era of repressive social mores. Yet this simplified view ignores the context of Great Britain's profound shift, through rapid industrialization, from rural to metropolitan life during this time. Throughout his career, Charles Dickens addressed the numerous changes occurring in Victorian society. His

portrayals of organized religion, class distinction, worker's rights, prison reform and rampant poverty resonated with readers experiencing social upheaval. Focusing on his novels, nonfiction writing, speeches and personal correspondence, this book explores Dickens's use of these themes as both literary devices and as a means to effect social progress.

A Word a Day - Joseph Piercy 2019-09-19

A Word a Day contains 365 carefully selected words that

will enhance and expand your vocabulary, along with their meanings, origins and sample usage and fascinating word-related facts and trivia. It is estimated that on average an English-speaking adult has acquired a functioning vocabulary of 25,000 words by the time they reach middle age. That sounds like a lot - and more than enough for the daily purposes of communicating with each other in speech and writing. However, it is hard to feel quite so sanguine about our word power when considering those 25,000 words account for less than fifteen per cent of the total words in current usage in the English language. Furthermore, new words are created all the time and, as the word pool flourishes, can we afford to allow our vocabulary to stagnate? Logophile Joseph Piercy has the answer: a simple challenge to learn A Word a Day from this user-friendly onomasticon (that's a word list designed for a specific purpose - in case you were wondering). Each of the 365 words have

been carefully selected for their elegance and pertinence in everyday situations and every entry contains a clear and concise outline of meaning, origin and sample usage in context, alongside fascinating word related facts and trivia. A Word a Day is a treasure trove of fascination and fun for all language lovers - delve in and enhance your vocabulary.
