The Art and Practice of Geomancy - John

Michael Greer 2009-03-01

Have you ever lost an important object? Are you taking on a new job? Looking for buried treasure? The Art and Practice of Geomancy teaches readers how to divine the answers to life's everyday questions about health, luck, new jobs, and love, as well as those less mundane tasks such as finding buried treasure, predicting the weather, being released from prison, and identifying secret enemies. Greer delivers to readers an ancient system of divination in an easy-to-use form requiring little more than a pen and a piece of paper. Using a system of counting odd and even numbers--from a deck of cards, a roll of the dice, or even by hitting sand or dirt with a stick to generate patterns--readers learn how to cast their own geomantic chart. And for

those who wish to delve further, he offers exercises for geomantic meditation and ritual magic. The Art and Practice of Geomancy will appeal to pagans, followers of the Western Mystery tradition, scholars of folk magic and divination, and anyone who wants to take their past, present, and future into their own hands.

2019-07-01

Out of Darkness Comes the Light of Transformation Each of us has a shadow that darkens our inner and outer lives. In *Tarot for Troubled Times*, Shaheen Miro and Theresa Reed show us how working with the shadow—facing it directly, leaning into it rather than away—releases power that can free ourselves from negative mental habits and destructive emotions to find healing ourselves and others. Tarot, as the authors show, offers a rich and subtle path for this profound transformation. Through this book, you will discover a different approach to tarot, life, and self-empowerment. Befriend our shadow by working with the archetypes of the Major Arcana Discover—through affirmations, tarot prescriptions, and other healing modalities—how to empower ourselves and find our true voices Take our newly found powers and speak out so that we can become a helpful ally for the light and begin to do your greater work in the world

Tarot for Troubled Times is not just another book on how to read the tarot—the authors provide specialty readings and suggested practices for issues such as grief, addiction, depression, fear, anger, divorce, illness, abuse, and oppression, and provide practical suggestions for stepping up as an ally or leader so that you can shape social policies. With a selection of mindful, introspective tarot spreads, you'll learn how the Tarot can help you rewrite your healing story and change your life, and help transform the world.

The Leather Couch - Stefani Goerlich 2020-09-08
Winner of the 2021 AASECT Book Award!
Winner of the SSTAR Professional Book Award 2021!
Winner of the SASH Media Award 2022!
The Leather Couch provides a comprehensive overview of the BDSM and kink community and guides clinicians on how to meet the unique relational and mental health needs of its members. The text offers a 101-style introduction to BDSM before delving into topics

ranging from intersectionality within the kink community, to conducting a kink-affirming risk assessment and how to discern between domestic violence and consensual power-exchange. The author explores differential diagnoses and clinical concerns that are relevant to health care providers, including social workers and therapists as well as primary care physicians and sex educators. Interwoven throughout with real-world case studies, each chapter presents practical suggestions, tools, and handouts the reader can use to inform their practice and serve clients in ways that meet the needs of each individual, couple, or partnership. Written in a conversational, accessible style for clinicians and members of the BDSM community alike, *The Leather Couch* is the go-to resource for any mental health professional or educator looking to transform their practice from kink aware to kink affirming.

Modern Tarot - Michelle Tea 2017-06-13

The beloved literary iconoclast delivers a fresh twenty-first century primer on tarot that can be used with any deck. While tarot has gone mainstream with a diverse range of tarot decks widely available, there has been no equally mainstream guide to the tarot—one that can be applied to any deck—until now. Infused with beloved iconoclastic author Michelle Tea's unique insight, inviting pop sensibility, and wicked humor, Modern Tarot is a fascinating

journey through the cards that teaches how to use this tradition to connect with our higher selves. Whether you're a committed seeker or a digital-age skeptic—or perhaps a little of both—Tea's essential guide opens the power of tarot to you. Modern Tarot doesn't require you to believe in the supernatural or narrowly focus on the tarot as a divination tool. Tea instead provides incisive descriptions of each of the 78 cards in the tarot system—each illustrated in the charmingly offbeat style of cartoonist Amanda Verwey—and introduces specially designed card-based rituals that can be used with any deck to guide you on a path toward radical growth and self-improvement. Tea reveals how tarot offers moments of deep, transformative connection—an affirming, spiritual experience that is gentle, individual, and aspirational. Grounded in Tea's twenty-five years of tarot wisdom and her abiding love of the cards, and featuring 78 black and white illustrations throughout, Modern Tarot is the ultimate introduction to the tradition

of the tarot for millennial readers.

Restorative Yoga Therapy - Leeann Carey 2015-06-15

Foster Tranquility to Restore and Invigorate Body and Mind Leeann Carey's approach to yoga, the Yajana Way, provides a unique and insightful refuge from the imbalances of our

frenzied lifestyle. In this book, she introduces a prop-supported practice that will help deepen and extend the benefits of yoga. This restorative practice meets you where you are, using props to extend the time you remain in a posture and encouraging self-inquiry, reflection, and relaxation. The use of props allows everyone to receive the benefits of these poses, regardless of physical ability or injury. Restorative Yoga Therapy includes over one hundred photos and clear instructions for seated and supine forward bends, back bends, twists, and inversions, as well as breath work and final relaxation poses. Carey also provides helpful hints and suggested poses to relieve common complaints, including stress, lower back pain, stiff shoulders, PMS and menopause discomfort, and overexertion. Carey suggests that those who consider yoga simply an exercise regimen miss out on the transformative powers of a complete practice. When we pause to transcend competition with the self and others, we embrace the true essence and

wisdom of yoga — the development of presence and self-acceptance throughout all aspects of life.

Tarot for Life - Paul Quinn 2012-12-19

Meditations on the Tarot - 2005-08-25

Now in a fully corrected edition, one of the true spiritual classics of the twentieth century.

Published for the first time with an index and Cardinal Hans Urs von Balthasar's afterword, this new English publication of Meditations on the Tarot is the landmark edition of one of the most important works of esoteric Christianity. Written anonymously and published

posthumously, as was the author's wish, the intention of this work is for the reader to find a relationship with the author in the spiritual dimensions of existence. The author wanted not to be thought of as a personality who lived from 1900 to 1973, but as a friend who is communicating with us from beyond the boundaries of ordinary life. Using the 22 major arcana of the tarot deck as a means to explore some of humanity's most penetrating spiritual questions, Meditations on the Tarot has attracted an unprecedented range of praise from across the spiritual spectrum.

The Ancient Fae - Terry Spear 2012-09
Princess Ritasia misses the adventure of getting
her brother and cousins out of trouble, but when
the hawk fae king arrives to court her, she
becomes involved in trouble nothing like she's
ever faced before. The hawk fae king, Tiernan,
must find a bride, but being a tyrant king, or so
his people believe, he must find a woman who
would help him to change his people's view of
how he and his queen shall rule. Princess Ritasia

isn't anything like what he'd envision his queen would be like. Rough and tumble, unafraid of danger, and speaking her mind, the lady might just be the one for him. The princess believes the king is a tyrant, at least at times. But she discovers he's not all that he seems, and she wants to learn even more. The problem is that Ritasia stumbles across an ancient queen's magical artifact and nothing will ever be the same between her people, his, and what is dug up at the ancient fae dig site.

WTF is Tarot? - Bakara Wintner 2017-10-10
"...In *WTF Is Tarot*, author and tarot reader Bakara Wintner unpacks the magic of the Major and Minor Arcana with shamanic wisdom and girl boss wit, illuminating their meaning with thoughtful anecdotes and analogies that reveal how deeply rooted these symbols already are in our everyday lives: we can feel the Moon in a howling barefoot run through Prospect Park, accept the grace of Temperance in falling in love or a divine intervention, "ghost the haters" with the Six of Swords, or identify when it's time to let go of an ex with the Hanged Man..."--Back cover.

Tarot: No Questions Asked - Theresa Reed

2020-09-01

Tap into your "sixth sense" and become a better, more confident tarot reader. Most all tarot books present card-by-card interpretations as well as an instruction on how to read spreads. This book takes the next logical step inward by presenting the art of reading in a workbook format, and helps you learn to interpret the cards intuitively. The book falls into two parts. The first part concerns learning about the cards, and includes exercises for each card that teaches you to trust your interpretation of the card. The second part helps you develop that ability, a skill that Reed calls "intuition." All the exercises, stories, card meanings, and techniques really serve one purpose: to go beyond learning Tarot to living it. It's not enough to memorize the meanings of the cards, and you can't do a reading with a workbook at your side forever. In order to deliver a meaningful, accurate tarot reading, you need to hone your intuition. Without a

comfortable connection to your sixth sense, the tarot readings lack finesse and becomes nothing more than cookie-cutter interpretations. When you're fluent in your intuition, you can develop better readings and unique interpretations for each person. In this book, Reed teaches by example. She presents the basics of intuitive tarot reading—reading without any questions, any backstory, anything to go on. This book is filled with exercises to hone your intuition and sharpen your interpretation skills.

The Druidcraft Tarot - Philip Carr-Gomm

2005-04-05

A guide to Tarot reading by a prominent member of the Mind, Body and Spirit pagan movement combines wiccan and druid spiritualities, explaining how symbols and teachings of significance to both traditions can enable more detailed spread interpretations. 15,000 first printing.

- Card-by-card insights on the symbolism, meaning, and hidden wisdom of all 78 Major and Minor Arcana
- Guidance for coloring—what the classic colors mean, and why it's sometimes even better to choose your own
- Easy, jargon-free explanations about the history and practice of Tarot
- Beginner-friendly spreads to help you get to answers fast and aid in decision-making
-

Tarot-to-Go—a handy quick-reference guide for the essential meaning of each card "As you color the images, you'll find yourself seeing symbols that you may not have noticed before," writes Theresa. "You'll see stories and patterns begin to emerge. You'll find your own meanings while learning the traditional ones." Now you can master the entire deck with a unique and enjoyable guidebook for exploring the hidden aspects of this classic divination system.

Strengthening Forensic Science in the United States - National Research Council
2009-07-29

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable

standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress

and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.
