Toto the Ninja Cat and the Great Snake Escape - Dermot O'Leary 2017-09-21

Meet Toto: she's no ordinary cat, and she can't wait to have an adventure with you! From one of the UK's best-loved broadcasters, purrfect for fans of *The Aristocats*, *The Secret Life of Pets* and *Atticus Claw Breaks the Law*. Toto the cat and her brother Silver live footloose and fancy-free in a townhouse in London. Toto is almost totally blind, and learned to trust her senses from a ninja cat-master who taught her back in Italy where they were born. By day, Toto and Silver seem to be ordinary cats, but by night, they love to have adventures! One evening, news reaches Toto that a king cobra has escaped from London Zoo! Together with help from a very posh cat and two hungry tigers, Toto and Silver must investigate. Can they find the giant snake, before it's too late? Ideal for reading aloud or for children to curl up with and read alone, the story features brilliant black and white illustrations throughout. With gentle themes of friendship, inclusivity and winning in the face of adversity, this is a hilarious must-read for all animal-loving kids! Dermot says: 'The idea for Toto first came to me when my wife and I rescued two stray cats from an olive grove in Italy. One of them, Toto, has been blind from birth, but we quickly realised she had ninja-like reactions. Like a lot of cat owners (or cat servants), we like to imagine our pets having secret lives when we're out or asleep. So before I knew it I was writing about Toto and her brother Silver's nocturnal adventures around London. I really hope that children who pick it up enjoy reading the adventures of our little Italian underdog (cat).' Have you seen Toto's other adventures? The Incredible Cheese Heist and The Superstar Catastrophe are out now, and make perfect Christmas gifts for young readers.

Ciao Bella! - Kate Langbroek 2021-11-04

Kate Langbroek's deliciously funny, irreverent and inspiring memoir about moving to Bologna with her family to seek la dolce vita is a glorious reminder of what we can learn from the Italians about living life to the full - and what really matters when the world goes to hell in a handbasket. 'I wasn't looking to fall in love. It just happened. There were moments, encounters as fleeting as feelings. Sometimes - tellingly - they emerged from chaos.' When Kate Langbroek first dreamed of moving to Italy, she imagined a magnificent sun-drenched pastiche of long lunches and wandering through cobbled laneways clutching a loaf of crusty bread and a bottle of wine, Sophia Loren-style, while handsome men called out 'Ciao Bella!' In the stark light of day the dream Kate shared with her husband Peter after an idyllic holiday in Italy seemed like madness. They didn't speak Italian. They knew no one in Italy. They had four children. Kate also had the best job in the world on a top-rating radio show with her longtime friend, Dave Hughes. But the siren song of Italy was irresistible. This would be the adventure of a lifetime, a precious opportunity to spend more time with their children - Lewis, Sunday, Artie and Jannie - and it came from a deep well inside to seize life after they almost lost Lewis to leukaemia. *Ciao Bella!* is about having a dream and living it as Kate shares the sublime joys and utter chaos of adapting to a new life in Bologna, what you discover about yourself when you are a stranger in a strange land, and how she fell in love. With a country. Deliciously funny, irreverent, inspiring and often deeply moving, *Ciao Bella!* is Kate's love letter to Italy and her family. It is also a glorious reminder of what Italians can teach us about living life to the full - and what really matters when the world goes to hell in a handbasket.

Maybe in Another Life - Taylor Jenkins Reid 2015-07-07

From the New York Times bestselling author of The Seven Husbands of Evelyn Hugo A People Magazine Pick * US Weekly "Must" Pick * Named "Best Book of the Summer" by Glamour * Good Housekeeping * USA TODAY * Cosmopolitan * PopSugar * Working Mother * Bustle * Goodreads A breathtaking new novel about a young woman whose fate hinges on the choice she makes after bumping into an old flame; in alternating chapters, we see two possible scenarios unfold—with stunningly different results. At the age of twenty-nine, Hannah Martin still has no idea what she wants to do with her life. She has lived in six different cities and held countless meaningless jobs since graduating college. On the heels of leaving yet another city, Hannah moves back to her hometown of Los Angeles and takes up residence in her best friend Gabby's guestroom. Shortly after getting back to town, Hannah goes out to a bar one night with Gabby and meets up with her high school boyfriend, Ethan. Just after midnight, Gabby asks Hannah if she's ready to go. A moment later, Ethan offers to give her a ride later if she wants to stay. Hannah hesitates. What happens if she leaves with Gabby? What happens if she leaves with Ethan? In concurrent storylines, Hannah lives out the effects of each decision. Quickly, these parallel universes develop into radically different stories with large-scale consequences for Hannah, as well as the people around her. As the two alternate realities run their course, *Maybe in Another Life* raises questions about fate and true love: Is anything meant to be? How much in our life is determined by chance? And perhaps, most compellingly: Is there such a thing as a soul mate? Hannah believes there is. And, in both worlds, she believes she's found him.

Freshly Picked - Jojo Tullloh 2009

Those of us living in towns and cities might think that the pleasures of growing our own food, watching the seasons pass with the changing produce and getting our hands stuck in to the soil are beyond our reach. But a growing number of urban dwellers are realising that there are ways of connecting with the land, enjoying the satisfaction of watching something grow, even in cities. Jojo Tullloh takes us to her inner-city

allotment and guides us through a year of cooking, inspired by the food that has sprung from her surprisingly fertile patch of East London waste-ground. Tulloh has a lightness of touch and a beguiling style. In the tradition of passionate food writers from MFK Fisher to Simon Hopkinson, *Freshly Picked* is an enchanting book - illustrated with photographs and engravings - about simple, delicious, seasonal food, featuring home-grown produce but also influenced by the cornucopia of markets and ethnic food shops that Britain's cities provide. From gazpacho made with the small plum tomatoes in her allotment, to flat bread bought from the local Turkish corner shop, to picnics in the park, the food, like the writing, is mouth-watering, unusual and authentic. Making good, fresh, seasonally-inspired meals doesn't have to be the preserve of those with ten acres and a walled garden; even the most hardened urbanites among us can grow herbs on a window ledge. It is possible to live a life connected to the earth without giving up the joys of the city - even if you don't have an allotment or vegetable garden, our cities offer up a wealth of good produce. As Jojo Tulloh shows us, there has never been a better time to engage with food, get back to the land and relish the delights of eating food fresh from the ground.

Summer of '69 - Elin Hilderbrand 2019-06-18

Four siblings experience the drama, intrigue, and upheaval of the '60s summer when everything changed in Elin Hilderbrand's #1 New York Times bestselling historical novel. Welcome to the most tumultuous summer of the twentieth century. It's 1969, and for the Levin family, the times they are a-changing. Every year the children have looked forward to spending the summer at their grandmother's historic home in downtown Nantucket. But like so much else in America, nothing is the same: Blair, the oldest sister, is marooned in Boston, pregnant with twins and unable to travel. Middle sister Kirby, caught up in the thrilling vortex of civil rights protests and determined to be independent, takes a summer job on Martha's Vineyard. Only-son Tiger is an infantry soldier, recently deployed to Vietnam. And thirteen-year-old Jessie suddenly feels like an only child, marooned in the house with her out-of-touch grandmother and her worried mother, while each of them hides a troubling secret. As the summer heats up, Ted Kennedy sinks a car in Chappaquiddick, man flies to the moon, and Jessie and her family experience their own dramatic upheavals along with the rest of the country. In her first historical novel, rich with the details of an era that shaped both a nation and an island thirty miles out to sea, Elin Hilderbrand once again earns her title as queen of the summer novel.
