Doctor Who: In the Blood - Jenny T Colgan
2016-05-12

All over the world, people are venting their fury at one another on social media. Dropping their friends, giving vent to their hatred, and everywhere behaving with incredible cruelty. Even Donna has found that her friend Hettie, with her seemingly perfect life and fancy house, has unfriended her. And now, all over the world, internet trolls are dying... As more and more people give in to this wave of bitterness and aggression, it's clear this is no simple case of modern living. This is unkindness as a plague. From the streets of London to the web cafes of South Korea and the deepest darkest forests of Rio, can the Doctor and Donna find the cause of this unhappiness before it's too late? An original novel featuring the Tenth Doctor and Donna, as played by David Tennant and Catherine Tate.

Doctor Who: The Drosten's Curse - A. L. Kennedy
2015-07-14

From award-winning author A.L. Kennedy, an original Doctor Who novel featuring the beloved Fourth Doctor, as played by Tom Baker. "I shall make you the jewel at the heart of the universe." Something distinctly odd is going on in Arbroath. It could be to do with golfers being dragged down into the bunkers at the Fetch Brothers' Golf Spa Hotel, never to be seen again. It might be related to the strange twin grandchildren of the equally strange Mrs Fetch--owner of the hotel and fascinated with octopuses. It could be the fact that people in the surrounding area suddenly know what others are thinking, without anyone saying a word. Whatever it is, the Doctor is most at home when faced with the distinctly

odd. With the help of Fetch Brothers' Junior Receptionist Bryony, he'll get to the bottom of things. Just so long as he does so in time to save Bryony from quite literally losing her mind, and the entire world from destruction. Because something huge, ancient and alien lies hidden beneath the ground and it's starting to wake up...

The Way Through the Woods - Una McCormack
2011

England, today. Between the housing estate and the motorway lies an ancient wood. The motorway bends to avoid it. Last week, teenager Laura Brown went missing. Tonight, Vicky Caine will miss her bus and take a shortcut through the wood. And she will disappear too. England, 1917. Between the village and the main road lies an ancient wood. The old Roman road bends to avoid it. Tonight Emily Bostock and a man called Rory Williams will go to the woods. Investigating events in the present day and back in 1917, the Doctor and Amy are desperate to find out what's happened to Rory. He was supposed to look after Emily — and now they've both vanished. Something is waiting in the woods. Something that's been there for thousands of years. Something that is now waking up...

Doctor Who: Engines of War - George Mann 2014-09-09

"I've had many faces. Many lives. I don't admit to all of them. There's one life I've tried very hard to forget-the Doctor who fought in the Time War." The Great Time War has raged for centuries, ravaging the universe. The Daleks and the Time Lords deploy ever more dangerous weapons in desperate attempts at victory, but there is no end in sight. On the outer rim of the Tantalus Eye, scores of human colony planets are now overrun by Dalek occupation forces. A weary, angry Doctor leads a flotilla of Battle TARDISES against the Dalek stronghold but in the midst of the carnage, the Doctor's TARDIS crashes to a planet below: Moldox. As the Doctor

is trapped in an apocalyptic landscape, Dalek patrols roam amongst the wreckage, rounding up the remaining civilians. But why haven't the Daleks simply killed the humans? Searching for answers, the Doctor meets 'Cinder', a young Dalek hunter. Their struggles to discover the Dalek plan take them from the ruins of Moldox to the halls of Gallifrey and set in chain events that will change everything. And everyone.

Doctor Who - 2005

This book collects together the entire shooting scripts for the first series. Seven of the scripts are by Russell T. Davies, with the remainder by Steven Moffat, Robert Shearman, Paul Cornell and The League of Gentlemen's Mark Gatiss. Each story contains the essential ingredients of time travel, adventure, and the mixing of the ordinary with the fantastical that have always characterized the series, while at the same time being thoroughly in tune with contemporary culture and society. This is a Doctor Who for an age defined by irony, technology, celebrity, and the shadow cast by 9/11. It is also a more cinematic series, with fast cutting and special

effects that will satisfy viewers brought up on contemporary film and television sci-fi.

Doctor Who: Prisoner of the Daleks - Trevor Baxendale 2009-04-02

The Daleks are advancing, their empire constantly expanding. The battles rage on across countless solar systems - and the Doctor finds himself stranded on board a starship near the frontline with a group of ruthless bounty hunters. Earth Command will pay these hunters for every Dalek they kill, every eyestalk they bring back as proof. With the Doctor's help, the bounty hunters achieve the ultimate prize: a Dalek prisoner - intact, powerless, and ready for interrogation. But with the Daleks, nothing is what it seems, and no one is safe. Before long the tables will be turned, and how will the Doctor survive when he becomes a prisoner of the Daleks? An adventure featuring the Tenth Doctor, as played by David Tennant

This is a case for the Great Detective, Madame Vastra. Rick Bellamy, bare-knuckle boxer, has the life drawn out of him by a figure dressed as an undertaker. This angers Strax the Sontaran. The Carnival of Curiosities, a collection of bizarre and fascinating sideshows and performers. This is where Jenny Flint looks for answers. How are these things connected? And what does Orestes Milton, rich industrialist, have to do with it all? This is where the Doctor and Clara come in. The Doctor and his friends find themselves thrust into a world where nothing and no one are what they seem. Can they unravel the truth before the most dangerous weapon ever developed is unleashed on London?

Doctor Who: The Ninth Doctor Vol. 4: Sin Eaters - Cavan Scott 2018-07-10

Don't miss the stunning fourth collection of the Ninth Doctor's all-new comics adventures with Rose Tyler and Captain Jack Harkness! Two staggering adventures see the Doctor and his companions facing psyche-shattering conspiracies and ancient secrets in equal measure! First, the Doctor goes undercover at a prisoner rehabilitation facility held within a

collapsing singularity - a place where the scientists claim to be able to 'cure' murderers and psychopaths by removing all of their negative emotions. But the Doctor's dark side - and Time Lord physiology - give birth to a horrendously real 'id' that rampages through the station! Has the Doctor's carefree approach to planning finally met a threat that he can't charm or think his way out of? Meanwhile, Captain Jack has left the TARDIS, and is tracking down more information about his missing years - time and memories he had erased while working as a Time Agent. When the object of an assassination he was supposedly responsible for turns up alive and well, Jack must delve deep into the past he would rather leave behind, in order to prove worthy of the TARDIS crew... Collects Doctor Who: The Ninth Doctor Ongoing #11-15

Doctor Who: The Legends of River Song - Jenny T Colgan 2016-02-11

'Hello, sweetie!' Melody Pond, Melody Malone, River Song...She has had many names. Whoever she really is, this archaeologist and time traveller has had more adventures (and got into more trouble) than most people in the universe. And she's written a lot of it down. Well, when you're married to a Time Lord (or possibly not), you have to keep track of what you did and when. Especially as it may not actually have happened to both of you yet. These are just a few of River Song's exploits, extracted from her journals. Sometimes, she is with the Doctor. Sometimes she's on her own. But wherever and whenever she may be, she is never far from danger and excitement. This is just a tiny portion of her impossible life. But it will reveal more than you've ever known about the legend that is River Song.

Doctor Who: The Ninth Doctor Vol. 3: Official Secrets - Cavan Scott 2018-01-09

DON'T MISS THE STUNNING THIRD COLLECTION OF THE NINTH DOCTOR'S ALL-NEW COMICS ADVENTURES WITH ROSE TYLER AND CAPTAIN JACK HARKNESS! Team TARDIS are in hot pursuit of a monster they accidentally sent back to the 1970s (or was it the 1980s?), but there are more monsters than they ever could have imagined... and they're being controlled by an unknown source! Then the search for Jack's missing memories takes the TARDIS to 17th Century Brazil! Will Jack find what he seeks, and keep the trust of his friends? *Doctor Who: Big Bang Generation* - Gary Russell 2015-09-08

An original adventure tying in to the ninth season of Doctor Who, the spectacular hit series from BBC Television, featuring the new 12th Doctor as played by Peter Capaldi. "I'm an archaeologist, but probably not the one you were expecting." Christmas 2015, Sydney, New South Wales, Australia. Imagine everyone's surprise when a time portal opens up in Sydney Cove. Imagine their shock as a massive pyramid now sits beside the Harbour Bridge, inconveniently blocking Port Jackson and glowing with energy. Imagine their fear as Cyrrus "the mobster" Globb, Professor Horace Jaanson and an alien assassin called Kik arrive to claim the glowing pyramid. Finally imagine everyone's dismay when they are followed by a bunch of con artists out to spring their greatest grift yet. This gang consists of Legs (the sexy comedian), Dog Boy (providing protection and firepower), Shortie (handling logistics), Da Trowel (in charge of excavation and history) and their leader, Doc (busy making sure the universe isn't destroyed in an explosion that makes the Big Bang look like a damp squib). And when someone accidentally reawakens The Ancients of the Universe - which, Doc reckons, wasn't the wisest or best-judged of actions - things get a whole lot more complicated...

Doctor Who: The Target Storybook - Terrance Dicks 2019-10-24

Doctor Who: How to be a Time Lord - The Official Guide - 2018-08-30

This ancient Time Lord manual has been kicking around the TARDIS for thousands of years, giving the Doctor plenty of time to 'improve' it with scribbles, doodles and post-it notes as a gift for his successor, the Twelfth Doctor. He's even ripped out the middle of the book and replaced it with a scrapbook packed with everything important to our hero, and how to be just like him! So if you have ever wondered if you'd cut it in the Time Lord Academy, how to fly the TARDIS, or the correct way to dip a fish finger into custard, this is the book for you! Essential reading for all aspiring Time Lords!

Doctor Who: At Childhood's End - Sophie Aldred
2020-02-06

Past or future, which path do you choose? Past, present and future collide as the Thirteenth Doctor meets classic Doctor Who companion Ace - in the first epic novel from the woman who played her, Sophie Aldred. Once, a girl called Ace travelled the universe with the Doctor - until, in the wake of a terrible tragedy they parted company. Decades later, she is known as

Dorothy McShane, the reclusive millionaire philanthropist who heads global organisation A Charitable Earth. And Dorothy is haunted by terrible nightmares, vivid dreams that begin just as scores of young runaways are vanishing from the dark alleyways of London. Could the disappearances be linked to sightings of sinister creatures lurking in the city shadows? Why has an alien satellite entered a secret orbit around the Moon? Investigating the satellite with Ryan, Graham and Yaz, the Doctor is thrown together with Ace once more. Together they must unravel a malevolent plot that will cost thousands of lives. But can the Doctor atone for her past incarnation's behaviour - and how much must Ace sacrifice to win victory not only for herself, but for the Earth?

The Eleventh is investigating a rift in space-time in the present day. And one other - the man they used to be but never speak of - is fighting the Daleks in the darkest days of the Time War. Driven by demons and despair, this battle-scarred Doctor is set to take a devastating decision that will threaten the survival of the entire universe... a decision that not even a Time Lord can take alone. On this day, the Doctor's different incarnations will come together to save the Earth... to save the universe... and to save his soul.

The Doctor Who Wasn't There - Jeremy A. Greene 2022-10-26

"The Doctor who wasn't there traces the long arc of enthusiasm for-and skepticism of-electronic media for health and medicine, showing that the same challenges now facing telehealth and the use of electronic medical records can be found in the medical reception of

the telephone in the late nineteenth century and the radio, television, and mainframe computer across the twentieth. Wielding a rich trove of archival materials, physician/historian Jeremy Greene explores the role that new electronic media play, for better and for worse, in the past, present, and future of American health. Today's telehealth devices are far more sophisticated than the hook-and-ringer telephones that became widespread by the 1920s, the FM radio technologies used to broadcast health information in the 1940s, the televisions used to pioneer telemedical evaluation in the 1950s, or the first full-scale attempts to establish electronic medical records in the mid-1960s. But the ethical, economic, and logistical concerns they raise are prefigured in these earlier episodes, as are the gaps between what was promised and what was delivered. Each of these platforms produced subtle transformations in health and healthcare that we have learned to

forget, displaced by promises of ever newer communications platforms to take their place. When is telemedicine good enough, and when is it not? And how do the uses of telemedical technologies shape patient relationships with health care providers? Who benefits and who suffers when new technologies are adopted? And what do these communication technologies, whose promised revolutions have all failed, bring to our understanding of health and disease?"--

Doctor Who: Into the Nowhere (Time Trips)

- Jenny T Colgan 2014-01-16

The Eleventh Doctor and Clara land on an unknown alien planet. To the Doctor's delight and Clara's astonishment, it really is unknown. It's a planet the Doctor has never seen. It's not on any maps, it's not referenced on any star charts or in the TARDIS data banks. It doesn't even have a name. What could be so terrible that its existence has been erased?
