Erin Skye Kelly wrote *Get the Hell Out of Debt* after her own struggle to become consumer-debt free. She was tired of listening to middle-aged men in suits tell her to consolidate and refinance

This book is not only a step-by-step process that will walk you through how to pay off your debt—it's a deeply personal journey centered around changing your mindset. As you master each of the three phases through repetition, you will create your own financial freedom, allowing you to live debt-free forever and create wealth and abundance that will positively impact your life—and the people you love and serve. No matter how much consumer debt you carry, this book is a judgment-free zone from cover-to-cover. Your dreams are welcome here.

AgeProof - Jean Chatzky 2017-02-28

Two of the world's leading experts explain the vital link between health and wealth that could add years to your life and dollars to your retirement savings. All the money in the world doesn't mean a thing if we can't get out of bed. And the healthiest body in the world won't stay that way if we're frazzled about five figures worth of debt. Today Show financial expert Jean Chatzky and the Cleveland Clinic's chief wellness officer Dr. Michael Roizen explain the vital connection between health and wealth-- giving readers all the tactics, strategies, and know-how to live longer, healthier, more lucrative lives. The same principles that allow us to achieve a better body will allow us to do the same for our investment portfolio. For instance, physical and financial stability comes down to the same equation: Inflow versus outflow. Do we

burn more calories than we ingest? Likewise, are we making more money than we spend? The authors detail scientific ways to improve our behavior so that the answers tilt in the readers' favor. They also offer ways to beat the system by automating how we do things and limiting our decisions in the face of too much food or too much debt. Chatzky and Roizen provide a plan for both financial independence and biological strength with action steps to get you there.
