**Le Bugatti di Marsiglia** - Henri Verneuil

2020-03-06T00:00:00+01:00

In fuga dal genocidio del loro popolo, arrivano a Marsiglia dopo un avventuroso viaggio in mare

cinque fragili sagome: un padre, una madre, il figlioletto di soli quattro anni, Achod, e le sue due zie. Per bagaglio, un piccolo fagotto e, come unico patrimonio, otto bottoni rivestiti di stoffa cuciti sul vestito della mamma: otto monete d'oro. Tre donne e un uomo completamente indigenti, che non parlano francese, e che hanno un solo scopo: vivere e prosperare per amore del piccolo Achod. Al capezzale della morente mayrig, "mammina" in armeno, questo figlio scampato all'orrore - ormai adulto e professionista affermato - torna alla sua vita di bimbo e di adolescente, rievocando i sentimenti e le emozioni, le fatiche e le speranze di un piccolo apolide che ha combattuto per crescere e affermare la propria identità in un Paese straniero. Un racconto intimo e poetico, ricco di squarci e di aneddoti che lasciano spazio al sorriso, all'umorismo e alla speranza. Uno struggente inno alla lotta per la sopravvivenza e agli affetti familiari. Un'acuta riflessione sul valore delle proprie radici. Chi ha amato La

masseria delle allodole si innamorerà di questo romanzo forte e vero come la vita di chi l'ha scritto.

**ZeroZeroZero** - Roberto Saviano 2016-08-30

An electrifying, internationally bestselling investigation of the global cocaine trade now a series on Prime Video starring Andrea Riseborough, Dane DeHaan, and Gabriel Byrne, from the author of the #1 international bestseller Gomorrah "Zero zero zero" flour is the finest, whitest available. It is also the nickname among narcotraffickers for the purest cocaine on the market. And it is the title of Roberto Saviano's unforgettable exploration of the inner workings of the global cocaine trade—its rules and armies, and the true depth of its reach into

the world economy. Saviano's Gomorrah, his explosive account of the Neapolitan mob, the Camorra, was a worldwide sensation. It struck such a nerve with the Camorra that Saviano has lived with twenty-four-hour police protection for more than eight years. During this time he has come to know law enforcement agencies and officials around the world. With their cooperation, Savaiano has broadened his perspective to take in the entire global "corporate" entity that is the drug trade and the complex money-laundering operations that allow it to function, often with the help of the world's biggest banks. The result is a harrowing and groundbreaking synthesis of literary narrative and geopolitical analysis exploring one of the most powerful dark forces in our economy. Saviano tracks the shift in the cocaine trade's axis of power, from Colombia to Mexico, and relates how the Latin American cartels and gangs have forged alliances with crime syndicates across the globe. He charts the

increasing sophistication of these criminal entities as they diversify into other products and markets. He also reveals the astonishing increase in the severity of violence as they have fought to protect and extend their power. Saviano is a writer and journalist of rare courage and a thinker of impressive intellectual depth, able to see connections between far-flung phenomena and bind them into a single epic story. Most drug-war narratives feel safely removed from our own lives; Saviano offers no such comfort. Both heart-racing and eye-opening, *ZeroZeroZero* is an investigative story like none other. Praise for *ZerZeroZero*: “[Saviano] has developed a literary style that switches from vivid descriptions of human depravity to a philosophical consideration of the meaning of violence in the modern world. . . . Most important of all is the hope Saviano gives to countless victims of criminal violence by standing up to its perpetrators.” —Financial Times

The Body Where I was Born - Guadalupe Nettel 2015-06-16

The first novel to appear in English by one of the most talked-about and critically acclaimed writers of new Mexican fiction. From a

psychoanalyst's couch, the narrator looks back on her bizarre childhood—in which she was born with an abnormality in her eye into a family intent on fixing it. In a world without the time and space for innocence, the narrator intimately recalls her younger self—a fierce and discerning girl open to life's pleasures and keen to its ruthless cycle of tragedy. With raw language and a brilliant sense of humor, both delicate and unafraid, Nettel strings together hard-won, unwieldy memories—taking us from Mexico City to Aix-en-Provence, France, then back home again—to create a portrait of the artist as a young girl. In these pages, Nettel's art of storytelling transforms experience into inspiration and a new startling perception of reality. "Nettel's eye...gives rise to a tension, subtle but persistent, that immerses us in an uncomfortable reality, disquieting, even disturbing—a gaze that illuminates her prose like an alien sun shining down on our world." —Valeria Luiselli, author of *Sidewalks and Faces*

in the Crowd "It has been a long time since I've found in the literature of my generation a world as personal and untransferable as that of Guadalupe Nettel." —Juan Gabriel Vásquez, author of *The Sound of Things Falling* "Nettel reveals the subliminal beauty within beings...and painstakingly examines the intimacies of her soul." —Magazine *Littéraire* "Guadalupe Nettel's storytelling power is majestic." —Typographical Era *In Praise of Natural Histories* "Five flawless stories..." —The New York Times "Nettel's stories are as atmospheric and emotionally battering as Chekhov's." —*Asymptote Gazzetta letteraria* - 1884

*Tango* - Robert Farris Thompson 2006-12-05  
In this generously illustrated book, world-renowned Yale art historian Robert Farris Thompson gives us the definitive account of

tango, "the fabulous dance of the past hundred years—and the most beautiful, in the opinion of Martha Graham." Thompson traces tango's evolution in the nineteenth century under European, Andalusian-Gaicho, and African influences through its representations by Hollywood and dramatizations in dance halls throughout the world. He shows us tango not only as brilliant choreography but also as text, music, art, and philosophy of life. Passionately argued and unparalleled in its research, its synthesis, and its depth of understanding, *Tango: The Art History of Love* is a monumental achievement.

Katzenmacher - Cristina Valenti 2004

Poets of the Italian Diaspora - Luigi Bonaffini 2014

In the century between 1870 and 1970, about twenty-seven million migrants left Italy to work and live abroad. As a result, the worldwide Italian diaspora reportedly numbers more than sixty million people. Until now, however, there has not been an anthology devoted to the literature of the Italian diaspora that places it in a global context. This landmark volume presents a truly international selection of works by more than seventy Italian-language poets who are writing in countries from Australia to Venezuela.

Their poetry is collected here into eleven geographical regions. The history and current state of Italian-language poetry in each region receives a critical overview by a knowledgeable scholar, who also introduces each poet and provides a bibliography of his or her work. All poems appear on facing pages in both Italian and English. Poets of the Italian Diaspora is part of a long-range project, by the editors and contributors, to expand the boundaries of the Italian literary canon.

**Handbook of International Futurism** - Günter Berghaus 2018-12-17

The Handbook of International Futurism is the first reference work ever to presents in a comparative fashion all media and countries in which the movement, initiated by F.T. Marinetti in 1909, exercised a particularly noteworthy influence. The handbook offers a synthesis of the state of scholarship regarding the international radiation of Futurism and its influence in some fifteen artistic disciplines and thirty-eight

countries. While acknowledging the great achievements of the movement in the visual and literary arts of Italy and Russia, it treats Futurism as an international, multidisciplinary phenomenon that left a lasting mark on the manifold artistic manifestations of the early twentieth-century avant-garde. Hundreds of artists, who in some phase in their career absorbed Futurist ideas and stylistic devices, are presented in the context of their national traditions, their international connections and the media in which they were predominantly active. The handbook acts as a kind of multidisciplinary, geographical encyclopaedia of Futurism and gives scholars with varying levels of experience a detailed overview of all countries and disciplines in which the movement had a major impact.

**Ocean Sea** - Alessandro Baricco 2000-06-27

"Exotic...erotic... Ocean Sea is highly romantic and breathtakingly lyrical."--The New York Times Book Review With Silk, his first novel to appear in English, Alessandro Baricco immediately proved himself to be a magical storyteller. With Ocean Sea, he has been acclaimed as the successor to Italo Calvino, and a major voice in modern literature. In Ocean Sea, Alessandro Baricco presents a hypnotizing postmodern fable of human malady--

psychological, existential, erotic--and the sea as a means of deliverance. At the Almayer Inn, a remote shoreline hotel, an artist dips his brush in a cup of ocean water to paint a portrait of the sea. A scientist pens love letters to a woman he has yet to meet. An adulteress searches for relief from her proclivity to fall in love. And a sixteen-year-old girl seeks a cure from a mysterious condition which science has failed to remedy. When these people meet, their fates begin to interact as if by design. Enter a mighty tempest and a ghostly mariner with a thirst for vengeance, and the Inn becomes a place where destiny and desire battle for the upper hand. Playful, provocative, and ultimately profound, *Ocean Sea* is a novel of striking originality and wisdom.

**Italy's Divided Memory** - J. Foot 2009-12-07

This book argues that contemporary Italian history has been marked by a tendency towards divided memory. Events have been interpreted in contrasting ways, and the facts themselves

often contested. Moreover, with so little agreement over what happened, and why it happened, it has been extremely difficult to create any consensus around memory. These divisions have been seen at all levels, but take on particular importance when linked to the great traumatic and life-changing events of the Twentieth century - war, terrorism, disaster - but can also be applied to more cultural fields such as sport and everyday life. Social change also has an impact on memory. This book will take the form of a voyage through Italy (and into Italy's past), looking at stories of divided memory over various periods in the twentieth century. These stories will be interwoven with analysis and discussion.

*Cristalli velati* - Giuliano Tramaloni 2021-09-01  
Quest'opera prima di Giuliano Tramaloni incarna la complessità della sua ricerca poetica, tracciando un percorso incessantemente teso all'emersione di un senso salvifico, di una pienezza luminosa, a partire dal basso, da parole

rotte e sorgive, da un'anima che trova nelle sue lacerazioni i preziosi affacci sull'infinito amare. Le sue composizioni coniugano il piccolo e l'immenso, la figura del mendicante e il dio che si nasconde, le melodie di aperti paesaggi mediterranei e gli scorci di inesorabile solitudine. Il suo stile si modella sul mutevole e inquieto spartito interiore, dilatandosi o contraendosi, in poesie ora narrative, ora fortemente dense, fino alle più scarse brevità. Tramaloni è calamitato dall'assoluto che è nel rimanente, nelle porte a picco, nel rudere albeggiante e versa la malinconia dei "cristalli velati" dentro i palpiti di una febbre dolce e battente, svelando la bellezza di un umano creaturale, esile, esule, sempre desiderante.

*L'anima della Calabria* - Kazimiera Alberti  
2011-08-09T00:00:00+02:00  
Kazimiera Alberti, poetessa polacca, esule in

Italia dopo la seconda guerra mondiale, compie nella primavera-estate del 1949 un lungo viaggio in Calabria, percorrendola tutta, nella tradizione del grand tour, in gran parte a piedi. Il risultato è una deliziosa, vivace, erudita, ironica e tenera guida-reportage della Calabria. Come il classico *old Calabria* di Norman Douglas, l'anima della Calabria non è solo un grande travelogue. La Aberti cerca un'evasione dal XX secolo devastato dalla guerra e la Calabria, con la bellezza dei suoi paesaggi, l'onnipresente testimonianza della sua millenaria cultura e la dinamicità del suo presente, le offre una cura ai traumi dellaguerra. Così l'anima della Calabria riesce a riportare in vita la sua anima ferita. [Clicca qui e guarda lo spot di "Viaggio in Calabria"](#)

For Rocco has stepped on one too many people's toes over the years, namely the mafia that is still being rooted out in Aosta. To complicate matters, the kidnapped teenager that Rocco saved has not fully recovered. But all is not as it appears with that family. Her mother, father, and boyfriend are all running some sort of farce that Rocco can't easily crack. And now he must grapple between these two parallel investigations and find answers once and for all...before one too many skeletons come after him. With the same clever insights, vitality, and humor readers have come to expect from Manzini, *Spring Cleaning* is another engaging, page-turning mystery.
