A Form Of Godliness - Shane Johnson 2004
Weaving contemporary world events into a futuristic vision of today's society, "A Form of Godliness" presents a chilling picture of a manmade utopia without God.

The Silence - Jim Kraus 2004

Global catastrophes throw the world into mass panic...and virtual silence. A solar storm burns

communication satellites and computers. Earthquakes shake North America. Is it the end of the world? Out of the chaos, Reverend Jerry Moses grows a tiny Illinois farm church into the "Garden of Eden," a cult-like community touting food as the new currency for a world gone silent. Tom Lyton, Megan Smith, and Peter Wilson embark on individual journeys that lead them to confront Moses' heretical teaching. This tantalizing, futuristic novel takes readers on a roller-coaster ride toward the truth as seen through the eyes of engaging characters. When global catastrophe sends the world into chaos and a small-town pastor unexpectedly rises to power, three believers journey to Illinois to challenge his claims.

Alhazred - Donald Tyson 2012-04-08

H. P. Lovecraft's compelling character, Abdul Alhazred, is brought to life in this epic tale detailing the mad sorcerer's tragic history and magical adventures. Alhazred tells his own life story, beginning with himself as a poor, handsome boy in Yemen who attracts the attention of the king for his divine skill in poetry. As the court poet, young Abdul lives a luxurious life at the palace, where he studies necromancy and magic. But falling in love with the king's daughter leads to a foolish tryst, which is ultimately discovered. As punishment, Abdul is tortured, brutally mutilated, and cast into the

desert, known as the Empty Space. Battling insanity, he joins a tribe of ghouls and learns forbidden secrets from a stranger called Nyarlathotep. Thus begins his downward spiral into wickedness. Renamed Alhazred, he escapes the desert and embarks on a quest to restore his body and reunite with his true love. Traveling across the ancient world and fantastic realms, he is hounded by foes and tormented by the demands of his dark lord.

Showdown - Ted Dekker 2008-08-31

Welcome to Paradise. Epic battles of good and evil are happening all around us. Today that battle comes to town with the sound of lone footsteps clacking down the blacktop on a hot, lazy summer afternoon. The black-cloaked man arrives in the sleepy town of Paradise and manages to become the talk of the town within the hour. Bearing the power to grant any unfulfilled dream, he is irresistible. Seems like bliss . . . but is it? Or is hell about to break loose in Paradise?

The Last Guardian - Shane Johnson 2011-04-13
In 1975, the life of Cornell graduate student T.G. Shass is forever changed when he finds himself in possession of a mysterious and ancient artifact. Unable to remember how he acquired it and powerless to rid himself of it, T.G. is soon shaken not only by the object's presence, but by a chilling encounter with evil and a jarring journey to another world. He was the most unlikely of all prophets. His was the most critical of all missions. Upon his return, T.G. discovers that Earth is no longer the home he knew. His sweetheart, Jenni, is missing, and all evidence indicates that she's been caught up into the macabre, unnatural realm he's just departed. His determination to find Jenni overrides the bitter aftertaste of his otherworldly experience, and T.G. seeks a way to go back. But his second journey holds far more than he imagines. Can T.G. fulfill his key role in God's plan to defeat the forces of darkness? Or will his imperfect faith lead to destruction as the last days draw to a

climactic end?

Dead Petals - An Apocalypse - Eric Ortlund

2013-03-01

Not just your garden-variety zombie apocalypse... It was a week ago when I heard the stomping on the front porch. It sounded like someone was drunk. I opened the door and it was my neighbor. She lunged at me. Dead Petals is a different species of zombie tale. Apocalypse, Rapture and the transformation of reality, all sprouting from the same seed.

More Food: Road to Survival - Roberto Pilu
2017-06-16

More Food: Road to Survival is a comprehensive analysis of agricultural improvements which can be achieved through scientific methods. This reference book gives information about strategies for increasing plant productivity, comparisons of agricultural models, the role of epigenetic events on crop production, yield enhancing physiological events (photosynthesis, germination, seedling emergence, seed properties, etc.), tools enabling efficient exploration of genetic variability, domestication of new species, the detection or induction of drought resistance and apomixes and plant breeding enhancement (through molecularly assisted breeding, genetic engineering, genome editing and next generation sequencing). The book concludes with a case study for the

improvement of small grain cereals. Readers will gain an understanding of the biotechnological tools and concepts central to sustainable agriculture *More Food: Road to Survival* is, therefore, an ideal reference for agriculture students and researchers as well as professionals involved sustainability studies.

Strength for the Journey - Shane Johnson 2012

The Pilgrim's Progress by John Bunyan has been a source of encouragement for Christians for almost four centuries now. Lately, however, it has fallen out of style. Most Christians under the age of thirty have not taken the time to read this great classic, and sadly, some have never even heard of it. Yet a hundred years ago there was not a Christian in the Western World who was not intimately familiar with Christian and his journey to the Celestial City. Brothers and sisters, this ought not to be so. This little devotional attempts to revive a new interest in The Pilgrim's Progress by explaining some of its

most treasured metaphors and analogies. If successful, this devotional will inspire you to read or re-read Bunyan's original story with fresh insight, and will instruct and challenge you to press on in your own journey, face your own giants and climb your own hills until the day we cross the Final River or are caught up to meet our Savior in the air. In the words of John Bunyan himself, "This book will make a traveler of thee, if by its counsel thou wilt ruled be."

Hidden Things - Andrea Boeshaar 2003

To face her future, Kylie must discover her mother's past. But secrets of the past bring Kylie to a God who knows all.

Ice - Shane Johnson 2002-07-16

In the late 1960s, NASA proposed hardware and mission parameters for an extended Apollo program that never materialized. Decades later, the existence of ice beds at the lunar south pole was discovered by NASA's space probe Clementine and confirmed by the lunar satellite Lunar Prospector. Now, author and Apollo

missions historian Shane Johnson explores the fantastic possibilities of what might have transpired, had the more ambitious version of the Apollo program gone forward as originally planned. It is February, 1975. Apollo 19, the last of the manned lunar missions, has successfully landed. Exhilarated and confident, Commander Gary Lucas and Lunar Module pilot Charlie Shepherd set out to explore a vast, mysterious depression at the lunar south pole. There, in the icy darkness—where temperatures reach 334 degrees below zero—the astronauts search for the fragments of crystalline bedrock the scientists back home had hoped for. But when tragedy strikes, the men are driven deeper into the lethal realm, where they find much more than they bargained for, including a strange machine that seemingly transports Lucas back to a pre-flood Earth, and startling evidence that could transform mankind's perspective on all creation and its Creator— if only the men could miraculously make their way back home to earth

to reveal it.

Black Mountain - Greig Beck 2012

Alex Hunter, code named 'Arcadian', wakes up with no knowledge of who he is, in the care of a woman he doesn't recognise, in a country not his own. But there is a calling deep within him, to return home to Black Mountain. Formed a billion years ago, the Appalachian's Black Mountain hosts a terrible legend. Only one elder remains to guard its long-forgotten, deadly secret and now the old evil is rising again. Some hikers have gone missing, and a rescue team searching for them has not returned. Meanwhile, in nearby Asheville, Professor Matt Kearns is drawn into the mystery of an ancient artefact recovered from the mountainside, and an image too grotesque to be real. A survivor is then found half-alive, covered in blood - blood revealed to be not quite human. Alex must face an age-old enemy of man and discover the truth about his past. He must confront the horror that stalks the frozen mountain; the one that haunts his very

soul.

Superstition - David Ambrose 2008-12-14

Parapsychologist Sam Towne believes that ghosts come from the human mind, not from "beyond". To prove his theory, he invites eight volunteers, including skeptical reporter Joanna Cross, to take part in an experiment. In a series of seances they invent "Adam Wyatt," a tragic Revolutionary War hero, and are thrilled when he starts rapping on tables and spelling out messages. But when members of the group

begin dying in horrifying ways, it becomes clear that Adam has taken on a strange and dangerous life of his own -- one feeding on their very thoughts and emotions. Now Sam and Joanna must destroy Adam before he destroys everything in their world -- and even the love they have found for each other turns into an endless, terrifying, inescapable nightmare...From cult classic author David Ambrose comes a story based on the true case of an experiment into the paranormal, a story that will change forever the way you feel about...

A Form of Godliness - Shane Johnson

2010-09-08

Experience the Nightmare of a Perfect World Welcome to America: where every school child is completely healthy; where an all-embracing church speaks only of unconditional love and acceptance; where diseases once thought beyond reach have been conquered; and where those who have lost loved ones receive soothing messages of hope. Yet beneath the surface of

this seeming utopia lies a horrifying darkness. In a world long since reshaped in the wake of 9/11, Matthew Bridger, president of the United States, Bryson Lawe, a Secret Service agent, and Karen Foley, a Christian activist must face the atrocity the American dream has become. Life has lost its value, deception is epidemic, and in a nation of more than three million square miles, there is no room for God. As a Russian oil embargo jeopardizes American petroleum reserves, a massive terrorist strike forces the United States to withdraw its support of Israel. Finally given their long-awaited opening, enemies of the Jewish state attack, igniting a war that threatens to sweep the globe. Amid the escalating chaos, Bridger, Lawe and Foley race to uncover the truths that will secure their survival--and that of America itself.

Eternity Road - Jack McDevitt 2009-10-13

The Roadmakers left only ruins behind -- but what magnificent ruins! Their concrete highways still cross the continent. Their cups, combs and

jewelry are found in every Illyrian home. They left behind a legend, too -- a hidden sanctuary called Haven, where even now the secrets of their civilization might still be found. Chaka's brother was one of those who sought to find Haven and never returned. But now Chaka has inherited a rare Roadmaker artifact -- a book called *A Connecticut Yankee in King Arthur's Court* -- which has inspired her to follow in his footsteps. Gathering an unlikely band of companions around her, Chaka embarks upon a journey where she will encounter bloodthirsty river pirates, electronic ghosts who mourn their lost civilization and machines that skim over the ground and air. Ultimately, the group will learn the truth about their own mysterious past.

Crawlspace - Herbert Lieberman 2013-07-30

In this novel of mounting psychological suspense from an award-winning author, a surprise waits beneath the home of a quiet, childless New England couple . . . Albert and Alice Graves live a normal, if monotonous, domestic life. They've never had children; they spend their days tending to their home and enjoying their time together. One day, when the oil man, Richard, is refilling their furnace, Alice invites him to dinner, never suspecting that a casual act of charity will lead to a horrifying, morbid discovery in the crawlspace underneath their beloved house. The Graves take Richard into their lives, becoming attached to his presence as though to the son they never had. Their town, though, is not nearly so welcoming. When the locals lash out against the Graves and their strange houseguest, the contented household is irrevocably drawn into a darkness they could not have imagined.

Pastor Johann Christoph Blumhardt - Friedrich Zündel 2010-04-12

Though relatively unknown in America, Johann Christoph Blumhardt (1805-1880) is widely recognized in his native Germany, in part because of Friedrich Zundel's landmark biography, now available in English for the first time. The terrifying battle between the spiritual forces of good and evil described here, and the awakening that followed, catapulted Blumhardt's parish into the public eye and still draws seekers to it. Zundel's account is fascinating on a historical level, but it is also infused with enduring pastoral insights and spiritual wisdom. Here is an almost unbelievable account of one person's faith in the inbreaking of God's kingdom and its victory over powers that bind and divide humanity.

Atlas of CT Angiography - Gratian Dragoslav Miclaus 2014-06-26

This atlas presents normal and pathologic findings observed on CT angiography with 3D

reconstruction in a diverse range of clinical applications, including the imaging of cerebral, carotid, thoracic, coronary, abdominal and peripheral vessels. The superb illustrations display the excellent anatomic detail obtained with CT angiography and depict the precise location of affected structures and lesion severity. Careful comparisons between normal imaging features and pathologic appearances will assist the reader in image interpretation and treatment planning and the described cases include some very rare pathologies. In addition, the technical principles of the modality are clearly explained and guidance provided on imaging protocols. This atlas will be of value both to those in training and to more experienced practitioners within not only radiology but also cardiovascular surgery, neurosurgery, cardiology and neurology.

Alone - Cyn Balog 2017-11-07

This must-read for lovers of Stephen King's *The Shining* will leave readers breathless as Seda and her family find themselves at the mercy of a murderer in an isolated and snowbound hotel. Get ready for what Kirkus calls "A bloody, wonderfully creepy scare ride." When her mom inherits an old, crumbling mansion, Seda's almost excited to spend the summer there. The grounds are beautiful and it's fun to explore the sprawling house with its creepy rooms and secret passages. Except now her mom wants to renovate, rather than sell the estate—which means they're not going back to the city...or Seda's friends and school. As the days grow shorter, Seda is filled with dread. They're about to be cut off from the outside world, and she's not sure she can handle the solitude or the darkness it brings out in her. Then a group of teens get stranded near the mansion during a blizzard. Seda has no choice but to offer them shelter, even though she knows danger lurks in the dilapidated mansion—and in herself. And as

the snow continues to fall, what Seda fears most is about to become her reality...
