There are moments in it that seem to transcend our impasse.”—Harold Bloom The enigmatic billionaire founder of Tetration, the world’s most powerful tech company, hires a failed novelist, Josh Cohen, to ghostwrite his memoirs. The mogul, known as Principal, brings Josh behind the digital veil, tracing the rise of Tetration, which started in the earliest days of the Internet by revolutionizing the search engine before venturing into smartphones, computers, and the surveillance of American citizens. Principal takes Josh on a mind-bending world tour from Palo Alto to Dubai and beyond, initiating him into the secret pretext of the autobiography project and the life-or-death stakes that surround its publication. In this exhaustive and enlightening biography—nearly two decades in the making—Gerald Martin dexterously traces the life and times of one of the twentieth century’s greatest literary titans, Nobel Prize-winner Gabriel García Márquez. Martin chronicles the particulars of an extraordinary life, from his upbringing in backwater Colombia and early journalism career, to the publication of *One Hundred Years of Solitude* at age forty, and the wealth and fame that followed. Based on interviews with more than three hundred of Garcia Marquez’s closest friends, family members, fellow authors, and detractors—as well as the many hours Martin spent with ‘Gabo’ himself—the result is a revelation of both the writer and the man. It is as gripping as any of Gabriel García Márquez’s powerful journalism, as enthralling as any of his acclaimed and beloved fiction.

**Secrets of the Baby Whisperer** - Tracy Hogg 2001-06-01

"TRACY HOGG HAS GIVEN PARENTS A GREAT GIFT—the ability to develop early insight into their child's temperament." -Los Angeles Family When Tracy Hogg's *Secrets of the Baby Whisperer* was first published, it soared onto bestseller lists across the country. Parents everywhere became "whisperers" to their newborns, amazed that they could actually communicate with their baby within weeks of their child's birth. Tracy gave parents what for some amounted to a miracle: the ability to understand their baby's every coo and cry so that they could tell immediately if the baby was hungry, tired, in real distress, or just in need of a little TLC. Tracy also dispelled the insidious myth that parents must go sleepless for the first year of a baby's life—because a happy baby sleeps through the night. Now you too can benefit from Tracy's more than twenty years' experience. In this groundbreaking book, she shares simple, accessible programs in which you will learn:

- E.A.S.Y.—how to get baby to eat, play, and sleep on a schedule that will make every member of the household's life easier and happier.
- S.L.O.W.—how to interpret what your baby is trying to tell you (so you don't try to feed him when he really wants a nap).
- How to identify which type of baby yours is—Angel, Textbook, Touchy, Spirited, or Grumpy—and then learn the best way to interact with that type.
- Tracy's Three Day Magic—how to change any and all bad habits (yours and the baby's) in just three days. At the heart of Tracy's simple but profound message: treat the baby as you would like to be treated yourself. Reassuring, down-to-earth, and often flying in the face of conventional wisdom, *Secrets of the Baby Whisperer*

promises parents not only a healthier, happier baby but a more relaxed and happy household as well.
