just a few minutes of preparation, dump your ingredients in the crock pot, and a few hours later you'll get a homemade meal that your family will love. Save time, energy and money preparing delicious home cooked meals. Slow cookers allow you to go home to food that's not only ready for you to eat but also still tasty and warm. No mess, no dishes to clean, and not much effort compared to other kitchen appliances. You get a one-pot meal ready to eat, and more time to enjoy your meal and to do other household tasks. Compared to ovens, slow cookers require a significantly lower amount of electricity. This means lower bills for you to pay. Plus, ovens have a tendency to heat up not only the food but also the entire kitchen. With slow cookers, you can prevent that. Another money-saver is that with slow cookers, you can buy the less expensive, tougher meats. You

don't need the expensive choice cuts because slow cooking will make the meat tender and delicious. Because of how slow cooking works, flavors do not escape through smoke.
