*Atomic Habits* - James Clear 2018-10-16

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

[American English File](#) - Clive Oxenden 2010-01-07

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

**American English File 3E Starter Workbook** - Christina Latham-Koenig 2020-07-28

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

**English File - Beginner** - Christina Latham-Koenig 2019-02-14

English File's unique, lively and enjoyable lessons are renowned for getting students talking. English File, fourth edition, has been built on tried and trusted methodology and contains uniquely motivating lessons and activities that encourage students to discuss topics with confidence. NEW TO THIS EDITION New and updated texts, topics, and listenings, based on feedback from English File teachers. Each Student Book comes with access to new Online Practice, providing learners with extra practice and activities for each File. Online Practice includes new Sound Bank videos, with the unique opportunity to watch a native speaker pronounce the sound, and new interactive videos where students can take part in the drama themselves. New video listening activities are integrated into each even-numbered File. These short documentaries and dramas make class time more dynamic and exciting. The Classroom Presentation Tool shows the course content on screen, making it easier for you to deliver engaging lessons. Teacher's Resource Centre allows you to manage all English File resources and download teaching materials in one place. Find out more here

**American English File: Multi-pack 2a Pack** - Oxford University Press 2019-08-29

**English File 1** - Clive Oxenden 1996-01-01

English File is a flexible course for adults and young adults which reflects the realities of both learning and teaching. At each of the first two levels, there is a fast-track core of 60 hours' class work, with additional material which can extend the course to more than 120 hours. English File 1 is for beginners and false beginners. English File gives students a real sense of achievement and progress. It offers clear learning objectives, an organized approach to revision and reference work, and a fully integrated home-study programme. For teachers, there are well-planned lessons that work, a realistic syllabus focusing on what can be achieved in a first level course, and a complete source of ready-to-use supplementary materials. • Lessons which cover the grammar pronunciation, and vocabulary syllabus of the course, with in-built revision and recycling. • Systematic pronunciation work, with a memorable and learner-friendly introduction to English sounds. • Graded listening materials and tasks. • Travel with English. Functional language, practical communication in international 'survival' contexts. • Revision and extension. Consolidation and development of core lessons through skills work. • Vocabulary file. Systematic vocabulary development and revision, and learning tips. • Grammar file. Self-check grammar reference in language graded for beginner level. • Word bank. An active picture dictionary for memorable study and reference.

**U.S. History** - P. Scott Corbett 2017-12-19

Published by OpenStax College, *U.S. History* covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. *U.S. History* is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).
