In fact, the two become great friends: they play in the fields, leap hay bales, and play ring-around-the-rosy by Mud Pond. But when Otis is replaced with the big yellow tractor, he is cast away behind the barn, unused, unnoticed . . . until the little calf gets stuck in Mud Pond. Then there is only one tractor—and it's not big or yellow—who can come to the rescue. It is little old Otis who saves his friend. It is Otis who saves the day. In a wonderful new palette, and in the tradition of classics like Mike Mulligan and His Steam Shovel and The Story of Ferdinand, Loren Long has crafted an unforgettable new story—and character—celebrating the power of friendship and perseverance.
