God's Own Land - Shaukat Siddiqi 1991

The Detective - Roderick Thorp 2014-12-02

In this bestselling book that inspired the hit movie by the same name, starring Frank Sinatra, an apparent suicide forces a PI to reconsider his most famous case Joe Leland returned from World War II with a chest full of medals, but his greatest honor came after he traded his pilot's wings for a detective's shield. Catching the Leikman killer made Joe a local hero, but the shine quickly wore off, and it wasn't long before he left the police force to start his own private agency. Years after his greatest triumph, Joe has a modest income and a quiet life—both of which may soon fall apart. When Colin MacIver dies at the local racetrack, the coroner rules that he took his own life, but his widow knows better. Because MacIver's life insurance policy doesn't cover suicide, his wife is left broke, desperate, and afraid for her safety. She hires Leland to find out who could have killed her gentle, unassuming husband—a simple question that will turn this humble city inside out.

A Person of Pakistani Origins - Ziauddin Sardar 2018-09-01

What does it mean to be a Pakistani? Can it mean more than one thing? And what do others think it means? Ziauddin Sardar explores what makes a Pakistani, and whether it's something one wants or ought to be. Reflecting on his culture and heritage through tales of the Pakistanis in his life, A Person of Pakistani Origins is a whirlwind tour of dueling poets, Bollywood films, a bookish auntie who harbors feminist urges, and a vanishing uncle who reappears miles away. Thoughtful and generously laced with humor, this book delves deep into Pakistan's eclectic culture, and the humble insanity of everyday life for a person of Pakistani origins. Sardar richly celebrates the importance of where we come from, and of who we become.

Radical Love - Omid Safi 2018-01-01

This stunning collection showcases the love poetry and mystical teachings at the heart of the Islamic tradition in accurate and poetic original translations At a time when the association of Islam with violence dominates headlines, this beautiful collection offers us a chance to see a radically different face of the Islamic tradition. It traces a soaring, poetic, popular tradition that celebrates love for both humanity and the Divine as the ultimate path leading humanity back to God. Safi brings together for the first time the passages of the Qur'an sought by the Muslim sages, the mystical sayings of the Prophet, and the teachings of the path of "Divine love." Accurately and sensitively translated by leading scholar of Islam Omid Safi, the writings of Jalal al-Din Rumi can now be read alongside passages by Kharraqani, 'Attar, Hafez of Shiraz, Abu Sa'id-e Abi 'l-Khayr, and other key Muslim mystics. For the millions of readers whose lives have been touched by Rumi's poetry, here is a chance to see the Arabic and Persian traditions that produced him.

The Girl of My Dreams - Durjoy Dutta 2016-10-15

We are in the car. She's looking at me. I can see the love in her eyes for me. Then a huge crash. She's flung out of the window. I'm thrown out too. A pool of blood. Her eyes are still on me . . . but now it's a death stare. I am Daman and I wake up to this nightmare. Every. Single. Day. Waking up from a long coma, Daman learns that he was in a massive car crash with a girl who vanished soon after the accident, leaving him for dead. Strangely, all he remembers is a hazy face, her hypnotic eyes, and her name—Shreyasi. To come to terms with his memory lapse he starts piecing together stories about himself and Shreyasi from his dreams, which he then turns into a hugely popular blog. When he's offered a lucrative publishing deal to convert his blog pieces into a novel, he signs up immediately. However, he gives in to editorial pressure and agrees to corrupt the original edgy character of Shreyasi. Big mistake. From then on Daman is stalked and threatened by a terrifying beauty who claims to be Shreyasi and who will stop at nothing to make him pay for being a sell-out. Before Daman fights back, he needs to know: Is she really who she claims to be? What does she want from him now? What if he doesn't do what she wants him to? The Girl of My Dreams is definitely not your usual love story.

The House of Fear - IbnESafi 2011-12-02

The Mirror of Beauty - Shamsur Rahman Faruqi 2014-03-21

It is the sunset of the Mughal Empire. The splendour of imperial Delhi flares one last time. The young daughter of a craftsman in the city elopes with an officer of the East India Company. And so we are drawn into the story of Wazir Khanam: a dazzlingly beautiful and fiercely independent woman who takes a series of lovers, including a Navab and a Mughal prince—and whom history remembers as the mother of the famous poet Dagh. But it is not just one life that this novel sets out to capture: it paints in rapturous detail an entire civilization. Beginning with the story of an enigmatic and gifted painter in a village near Kishangarh, The Mirror of Beauty embarks on an epic journey that sweeps through the death-giving deserts of Rajputana, the verdant valley of Kashmir and the glorious cosmopolis of Delhi, the craft of miniature painting and the art of carpet designing, scintillating musical performances and recurring paintings of mysterious, alluring women. Its scope breathtaking, its language beguiling, and its style sumptuous, this is a work of profound beauty, depth and power.

The Sword of Allah - Ibn Kathir 2017-10-18

The Sword of Allah: Khalid Bin Al-Waleed, His Life and Campaigns Khalid bin Al-Waleed was one of the greatest generals in history, and one of the greatest heroes of history. Besides him, Genghis Khan was the only other general to remain undefeated in his entire military life. Khalid was sent to the Persian Empire with an army consisting of 18,000 volunteers to conquer the richest province of the Persian empire, Euphrates region of lower Mesopotamia, (present day Iraq). Khalid entered lower Mesopotamia with this force. He won quick victories in four consecutive battles: the Battle of Chains, fought in April 633; the Battle of River, fought in the third week of April 633; the Battle of Walaja, fought in May 633 (where he successfully used a double envelopment manoeuvre), and Battle of Ullais, fought in the mid-May 633. In the last week of May 633, al-Hira, the regional capital city of lower Mesopotamia, fell to Khalid. The inhabitants were given peace on the terms of annual payment of jizya (tribute) and agreed to provide intelligence for Muslims. After resting his armies, in June 633, Khalid laid siege to Anbar which despite fierce resistance fell in July 633 as a result of the siege imposed on the town. Khalid then moved towards the south, and captured Ein ul Tamr in the last week of July, 633.

Maut Ke Saudagar - 2017

Ibn al-'Arabi and the Sufis - Binyamin Abrahamov 2014-03-27

Ibn al-'Arabi and the Sufis is a fascinating and groundbreaking analysis of the extent to which various major Sufi figures contributed to the mystical philosophy of Ibn al-'Arabi. While recent scholarship has tended to concentrate on his teachings and life, little attention has so far been paid to the influences on his thought. Each chapter is dedicated to one of Ibn al-'Arabi's predecessors, from both the early and later periods, such as al-Bistami, al-Hallaj and al-Jilani, showing how he is discussed in the works of the 'Greatest Master' and Ibn al-'Arabi's attitude towards him. As the author makes clear, Ibn al-'Arabi was greatly influenced by the early Sufis as regards his philosophy and by the later Sufis in matters of practice. This naturally raises the question: how original was Ibn al-'Arabi? Abrahamov tackles this complex question in his conclusion. This

book brings into sharp relief the highly original nature of Ibn al-'Arabi's mystical theory, unprecedented in Islamic Mysticism, and the unique way in which he interwove the ideas of others into his own thought.

Classics and Comics - George Kovacs 2011

Since at least 1939, when daily-strip caveman Alley Oop time-traveled to the Trojan War, comics have been drawing (on) material from Greek and Roman myth, literature and history. At times the connection is cosmetic—as perhaps with Wonder Woman's Amazonian heritage—and at times it is almost irrelevant—as with Hercules' starfaring adventures in the 1982 Marvel miniseries. But all of these make implicit or explicit claims about the place of classics in modern literary culture. Classics and Comics is the first book to explore

the engagement of classics with the epitome of modern popular literature, the comic book. This volume collects sixteen articles, all specially commissioned for this volume, that look at how classical content is deployed in comics and reconfigured for a modern audience. It opens with a detailed historical introduction surveying the role of classical material in comics since the 1930s. Subsequent chapters cover a broad range of topics, including the incorporation of modern theories of myth into the creation and interpretation of comic books, the appropriation of characters from classical literature and myth, and the reconfiguration of motif into a modern literary medium. Among the well-known comics considered in the collection are Frank Miller's 300 and Sin City, DC Comics' Wonder Woman, Jack Kirby's The Eternals, Neil Gaiman's Sandman, and examples of Japanese manga. The volume also includes an original 12-page "comics-essay," drawn and written by Eisner Award-winning Eric Shanower, creator of the graphic novel series Age of Bronze.

The Weary Generations - Abdullah Hussein 2014-10-01

Published ahead of Paul Scott's Raj Quartet and long before Midnight's Children, Abdullah Hussein's ambitious saga of social struggle The Weary Generations was a bestseller in Urdu. Published in 1963 and now beyond its 40th edition, it has never been out of print. A vivid depiction of the widespread disillusionment and seismic upheavals of the Partition era that lead to the creation of Pakistan and Bangladesh, there has never been a more opportune time to discover one of the most important writings about the post-colonial trauma in the region. Naim, son of a peasant, marries Azra, the daughter of a rich landowner. Fighting for the British during World War I he loses an arm. Invalided home, he becomes angered at the subjugation of his countrymen under the Raj and aligns himself with the opposition. His ideals are swept away after Independence in 1947 when he realizes that, as Muslims, his family is no longer safe in their Indian home and that they must migrate to the newly created Pakistan. Regarded as one of the half-dozen most influential novels dealing with Partition or post-colonial malaise, this is an immensely powerful novel in its own right and is essential reading for English language readers seeking to comprehend the historical origins of the tensions in the Indian subcontinent.

Nakli Naak - Ibne Safi 2015-11-03

Sufi Narratives of Intimacy - Sa'diyya Shaikh 2012-03-05

Thirteenth-century Sufi poet, mystic, and legal scholar Muhyi al-Din ibn al-'Arabi gave deep and sustained attention to gender as integral to questions of human existence and moral personhood. Reading his works through a critical feminist lens, Sa'diyya Shaikh opens fertile spaces in which new and creative encounters with gender justice in Islam can take place. Grounding her work in Islamic epistemology, Shaikh attends to the ways in which Sufi metaphysics and theology might allow for fundamental shifts in Islamic gender ethics and legal formulations, addressing wide-ranging contemporary challenges including questions of women's rights in marriage and divorce, the politics of veiling, and women's leadership of ritual prayer. Shaikh deftly deconstructs traditional binaries between the spiritual and the political, private conceptions of spiritual development and public notions of social justice, and the realms of inner refinement and those of communal virtue. Drawing on the treasured works of Sufism, Shaikh raises a number of critical questions about the nature of selfhood, subjectivity, spirituality, and society to contribute richly to the prospects of Islamic feminism as well as feminist ethics more broadly.
