and on the run, Tadhg O'Malley has one mission: escape with the valuable dagger of Jerusalem before a brutal nobleman hunts him down. Highland warrior, Malcolm Montgomery has been ordered by King Robert the Bruce to steal Rose and her son from the suspected traitor she is about to marry - gifting him with an ancient and much sought after dagger as payment. woman he is sworn to protect. Shouldn't desire her, for she's not meant to be his... Succumbing to passion threatens them both, and falling in love is absolutely not an option. Stolen by a Highland Rogue, by Vonda Sinclair 1619 - When the infamous dagger is stolen from Highland chief, Dugald MacKerrick, he will do whatever it takes to reclaim it, even abduct the wife of the aristocratic thief, but what if his beautiful French hostage isn't who he thinks she is? His first assignment is to keep independent and spirited Aila MacKerrick safe from a madman determined to get his

hands on a treasure she unwittingly possesses. But Aila isn't going to simply allow some Highlander-as handsome as he might be-to capture her and whisk her away to an abandoned castle. She'll fight to the death for her freedom...as soon as she rids herself of this pesky, insistent desire that makes her far more inclined to run into his arms than away from them....
