The Last Dream Keeper - Amber Benson 2016-01-05

In the second Witches of Echo Park novel, one coven must keep the world in balance and stand against a rising darkness. Lyse MacAllister did not step into an easy role when she took over as master of the Echo Park coven of witches after her great-aunt Eleanora's death. As she begins to forge the bonds that will help her lead her sisters, she struggles to come to terms with her growing powers. And she soon faces a deadly new threat. A group of fanatics intent on bringing about the end of times has invaded the witches Council—but the Council is turning a blind eye to the danger growing in its midst. Only one witch is prophesied to be able to stop the encroaching darkness. And if Lyse and her blood sisters are to have any chance at protecting all we know from being lost forever, they must keep her safe—no matter what the cost... *Standard Wirebound Manuscript Paper (Green Cover)* - Hal Leonard Corp 1986-02

The Revenge of Analog - David Sax 2016-11-08

One of Michiko Kakutani's (New York Times) top ten books of 2016 A funny thing happened on the way to the digital utopia. We've begun to fall back in love with the very analog goods and ideas the tech gurus insisted that we no longer needed. Businesses that once looked outdated, from film photography to brick-and-mortar retail, are now springing with new life. Notebooks, records, and stationery have become cool again. Behold the Revenge of Analog. David Sax has uncovered story after story of entrepreneurs, small business owners, and even big corporations

who've found a market selling not apps or virtual solutions but real, tangible things. As e-books are supposedly remaking reading, independent bookstores have sprouted up across the country. As music allegedly migrates to the cloud, vinyl record sales have grown more than ten times over the past decade. Even the offices of tech giants like Google and Facebook increasingly rely on pen and paper to drive their brightest ideas. Sax's work reveals a deep truth about how humans shop, interact, and even think. Blending psychology and observant wit with first-rate reportage, Sax shows the limited appeal of the purely digital life-and the robust future of the real world outside it.

Hell and Gone - Sam Wiebe 2021-10-23

A captivating new thriller in the Wakeland detective series that explores the depths of Vancouver's criminal underworld. Caught between the grimy and glittering sides of Vancouver's streets, private investigator Dave Wakeland tries to keep his head down at the elite security firm he owns with partner Jeff Chen. But when masked men and women storm an ordinary-looking office building in Chinatown, leaving a trail of carnage, Wakeland finds himself caught up in a mystery that won't let him go, as hard as he tries to elude it. The police have a vested interest in finding the shooters, and so does the leader of the Exiles motorcycle gang. Both want Wakeland's help. The deeper he investigates, the more connections he uncovers: to a reclusive millionaire with ties to organized crime, an international security company with a sinister reputation, and a high-ranking police officer who seems to have a personal connection to the case. When the shooters themselves start turning up dead, Wakeland realizes the only way to guarantee his own safety, and that of the people he loves, is by finding out who hired the shooters and why. What Wakeland uncovers are secrets no one wants known—a botched undercover operation, an ambitious gangster and a double-crossing killer who used the shooting to cover up another crime. With a setup like this, anything can go wrong, and does. Skill and luck are needed for Wakeland and Chen to emerge with the killers, the money and their own lives.

Forgive Me - Amanda Eyre Ward 2008-01-29

From the acclaimed author of *How to Be Lost* comes a gorgeous new novel about love, memory, and motherhood. Nadine Morgan travels the world as a journalist, covering important events, following dangerous leads, and running from anything that might tie her down. Since an assignment in Cape Town ended in tragedy and regret, Nadine has not returned to South Africa, or opened her heart—until she hears the story of Jason Irving. Jason, an American student, was beaten to death by angry local youths at the height of the apartheid era. Years later, his mother is told that Jason's killers have applied for amnesty. Jason's parents pack their bags and fly from Nantucket to Cape Town. Filled with rage, Jason's mother resolves to fight the murderers' pleas for forgiveness. As Nadine follows the Irvings to beautiful, ghost-filled South Africa, she is flooded with memories of a time when the pull toward adventure and intrigue left her with a broken heart. Haunted by guilt and a sense of remorse, and hoping to lose herself in her coverage of the murder trial, Nadine grows closer to Jason's mother as well as to the mother of one of Jason's killers—with profound consequences. In a country both foreign and familiar, Nadine is forced to face long-buried demons, come to terms with the missing pieces of her own family past, and learn what it means to truly love and to forgive. With her dazzling prose and resonant themes, Amanda Eyre Ward has joined the ranks of such beloved American novelists as Anne Tyler and Ann Patchett. Gripping, darkly humorous, and luminous, *Forgive Me* is an unforgettable story of dreams and longing, betrayal and redemption.

The Redstone Diary 2022 - Julian Rothenstein 2021-08-24

The 2022 edition of the beloved cult diary explores worlds beyond ours, with art and writing by Hieronymous Bosch, Frederick Douglass and more "There may be no great diarists, then, but there are still great diaries.... In the midst of one's self-obsessions, the Redstone Diary reminds one of other worlds," declared writer Ian Sansom in the *Guardian*, of the inimitable diaries published by London's Redstone Press. Since its inaugural edition in 1988, the Redstone Diary has been a beloved daily tool of creatives. Carefully curated by editor Julian Rothenstein around a yearly theme, the Redstone Diary features work from a wide selection of writers and artists throughout history. The agenda is designed with practicality as well as aesthetics in mind, with sturdy spiral binding and a weekly layout that provides ample space for one's plans. In 2022, the Redstone Diary's annual theme is "In Another World," encouraging us to explore liminal spaces, alternate universes

and imaginary timelines that may or may not be possible in reality. As the year progresses, the images and text dispersed among the weeks are by turns evocative and beautiful, intended to provoke thought and yield creative inspiration. Contributions by Yolanda Andrade, Fra Angelico, Hieronymous Bosch, William Blake, Frederick Douglass, Radclyffe Hall, Bodys Isek Kingelez, Fernando Pessoa, Leon Trotsky and Oscar Wilde. 2022 Weekly Planner - R. In the Know - Nancy MacDonell 2007-10-30

There are still a few things money can't buy. Love is one, cool is another. But while love can be left to fate, cool doesn't need to be. Though it may seem like something you're born with, cool is actually a code, and you're holding the key to the code in your hands. It's all a matter of getting the right facts straight: Why is Jackson Pollock important? What handbag will get you upgraded at the airport? Who is Jacques Derrida and why does he matter? Covering everything from fashion and design to art and philosophy—all in entertaining, fact-filled bites—Nancy MacDonell has assembled the ultimate cheat sheet. *In the Know* is nothing less than a one-volume guide to navigating life with style and flair.

A Dream to Die For - Susan Z. Ritz 2019-07-16

In Riverton Falls, a small New England town, globe-trotting bartender Celeste Fortune stands in her kitchen puzzling over last night's frightening dream—a woman at a window, lilacs blowing in the breeze, someone's hands tight around her neck. Celeste is sure the dream belongs to someone else. Perhaps she has finally broken through to the collective dreams of Dreamland cult. Hoping her therapist and cult leader will help her untangle it, she heads off into the cold November morning to her final appointment with him—or so she hopes. Her estranged fiancé has delivered an ultimatum: Leave the cult of Dreamers, or end their relationship for good. Instead of help, however, Celeste discovers her therapist dying in a pool of blood, skull stove in by his own healing crystal. His computer, containing the intimate dreams and secrets of half the town, is gone. Suspicion immediately falls on Celeste, known to be a rebellious member of his cult. To clear her name, Celeste enlists the help of her old friend, Gloria. But when the two women discover the power of the stolen dreams, they unwittingly become the killer's next target.

The Material Culture of Writing - Cydney Alexis 2022-11-15

The Material Culture of Writing opens up avenues for understanding writing through scholarship in material culture studies. Contributors to this volume each interrogate an object, set of objects, or writing environment to reveal the sociomaterial contexts from which writing emerges. The artifacts studied are both contemporary and historical, including ink, a Victorian hotel visitors' book, Moleskine notebooks, museum conservators' files, an early twentieth-century baby book, and a college campus makerspace. Close study of such artifacts not only enriches understanding of what counts as writing but also offers up the potential for rich current and historical inquiry into writing artifacts and environments. The collection features scholars across the

disciplines—such as art, art history, English, museum studies, and writing studies—who work as teachers, historians, museum curators/conservators, and faculty. Each chapter features methods and questions from contributors' own disciplines while at the same time speaking to writing studies' interest in writers, writing identity, and writing practice. The authors in this volume also work with a variety of methodologies, including literary analysis, archival research, and qualitative research, providing models for the types of research possible using a material culture studies framework. The collection is organized into three sections—Writing Identity, Writing Work, Writing Genre—each with a contextualizing introduction from the editors that introduces the chapters themselves and imagines possible directions for writing studies research facilitated by material culture studies. The Material Culture of Writing serves as an accessible introduction to work in material culture studies for writing studies scholars, graduate students, and undergraduates, especially as it makes a distinctive contribution to writing studies in its material culture studies approach. Because of the interdisciplinarity of material culture studies and this volume's contributors, this collection will appeal to a wide range of scholars and readers, including those interested in writing studies, the history of the book, print culture, genre studies, archival methods, and authorship studies. Contributors: Cydney Alexis, Debby Andrews, Diane Ehrenpreis, Keri Epps, Desirée Henderson, Kevin James, Jenny Krichevsky, Anne Mackay, Emilie Merrigan, Laura R. Micciche, Hannah J. Rule, Kate Smith

It was a new skill... One that might change the world. What could a person do who could track empathy? His friends call him Lion, he is the first of his kind. Some describe it as emotional foresight, but really, he can see cultural trends before they emerge. What he didn't expect was for Big Pharma to come calling. In 2025, technology has made massive leaps forward. Not every group wants to use it for good. Artic Pharmaceuticals has a new drug and a bad idea. They call on Lion, because he is the key to getting the formula they need. But when he starts to sense their hidden agenda, will they take drastic action? Then Lion discovers a decapitated human head... Is he being hunted? Can he stop a global disaster? You'll love this edge-of-your seat cyberpunk thriller, because it will keep you turning the pages late into the night. Get it now.

The Sweetness of Life - Paulus Hochgatterer 2011-12-22

It is Christmas in the alpine town of Furth am See and a six-year-old girl

is playing ludo with her grandfather. The doorbell rings, and the old man goes to answer. The next time the girl sees him, he is lying with his skull broken, his face a red pulp against the white snow. From that time on, she does not speak a single word. Raffael Horn, the psychiatrist engaged to treat the silent child, reluctantly becomes involved in solving the murder along with Detective Superintendent Ludwig Kovacs. Their parallel researches sweep through the town: a young mother who believes her new-born child is the devil; a Benedictine monk who uses his iPod to drown the voices in his head; a high-spending teenager who tortures cats. The psychological profile of this claustrophobic, winter-

held town is not reassuring - which, if any, of its inhabitants was the brutal night-time slayer of the suffering girl's grandfather?
