Pentecostal Exorcism - Opoku Onyinah
2019-05-21

"Witchcraft" and exorcism have long been dominant features of life in African cultures. This unique book provides a thorough, field research-based description and analysis of a specifically Pentecostal Christian response to these phenomena within the Akan culture of Ghana, using interdisciplinary studies with a theological focus. In order to develop a properly safeguarded ministry of exorcism in an African context, the author examines contextualisation and suggests the integration into African Christianity of divinatory consultation, which has strong resonances with the biblical concept of prayer.

Canon Law as Ministry - James A. Coriden
2000

"James Coriden offers a vision of canon law in the Catholic Church - seeing it not as an instrument of control but as a guide and guarantee of freedom for believers. In the process he emphatically joins the ongoing debate about the role of church law, a debate that he believes "will have profound implications for the long term," possibly reshaping the law and indeed "the very face of the church." While his message is addressed primarily to professional canonists, it will resonate among all Catholics who care about the way their church functions." "The view of canon law that unfolds in these pages is that of a ministry that upholds the freedom of believers and the good order of the community. This is based on the assumption that "church" is first of all a local community rather than a global structure. The test of effective law depends upon its service to the lived experience of its members in their own

cultural, economic and social situations." "The concluding section of this book sets forth "An Urgent Agenda for the Future of the Ministry," particularly in the way church law is revised and amended."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

The Apostolic Constitutions - Apostle Arne Horn 2018-05-26

The Constitutions of the Holy Apostles (Latin: *Constitutiones Apostolorum*) is a Christian collection of eight treatises which belongs to the Church Orders, a genre of Early Christian literature, that offered authoritative "Apostolic" prescriptions on moral conduct, Liturgy and Church organization. The work can be dated from 375 to 380 AD. The provenance is usually regarded as Syria, probably Antioch. The author is unknown, even if since James Ussher it was considered to be the same author of the letters of Pseudo-Ignatius, perhaps the 4th-century Eunomian bishop Julian of Cilicia.

The Apostolic Constitution "Preach the Gospel" (Praedicate Evangelium) - Promulgated by Pope Francis 2022-08-15

Praedicate Evangelium (Preach the Gospel) is one of the most important legislative acts that Pope Francis has promulgated since his election in 2013. In addition to the full text of this new constitution, this book features world-renowned theologian Massimo Faggioli's explanation of the significance and limitations of this document. Bringing his unique insight as an Italian church historian, Faggioli explains how the constitution tries to apply, in a way that is different from the reforms of both Paul VI in 1967 and John Paul II in 1988, the ecclesiology of Vatican II to the structure and culture of the Roman Curia. It puts into motion many different aspects of the whole pontificate of Francis, including his desire for more diversity in the college of cardinals, decentralization of papal power, the reform of the economic and financial institutions of the

Vatican, and the necessary structure to manage the global clergy abuse crisis in the Catholic Church.

John Calvin's Commentaries On The Acts Vol. 2 (Annotated Edition) - John Calvin 2012

This is the extended and annotated edition including * an extensive biographical annotation about the author and his life Calvin produced commentaries on most of the books of the Bible. His commentaries cover the larger part of the Old Testament, and all of the new excepting Second and Third John and the Apocalypse. His commentaries and lectures stand in the front rank of Biblical interpretation. THE present COMMENTARY, necessarily partaking of the character of the Book which it is designed to illustrate, is more historical than doctrinal; and hence does not contain so much profound theological discussion as some of Calvin's other Commentaries. The leading topic is the progress of the Gospel under the inspired teachers to whom its first propagation was entrusted, and, in immediate connection with this, the Constitution of the Apostolic Church, and the privileges enjoyed by its members. To this latter point the attention of the religious world is now

more especially directed; and whatever be the views entertained with regard to it by any reader into whose hands this Commentary may fall, if he feels aright, he will not think that his study of the controversy is complete until he has made himself acquainted with what has been said upon it by such a man as Calvin. This edition contains the commentaries on Acts 14 - 28.

Doctrine of the Spirit-Filled Church - Francis Vlok 2022-04-13

This exhaustive doctrinal book contains all the teachings of Jesus Christ. It draws the reader to conform to the Bible's message which says about the early apostolic church: and they continued steadfastly in the apostles' doctrine and fellowship, in the breaking of bread, and in prayers (Acts 2:42). Every tenet of the original apostles' doctrine detailed in the New Testament is thoroughly explained. The teachings of Jesus and the ministry gifts He gave to the church found in Ephesians 4:11 are covered in depth to help establish the church of Jesus Christ which Jesus said He will build and the gates of hell would not prevail against it (Matthew 16:18).

This book gives deep insight into doctrinal issues and is a great guide for ministers, elders and all lay person who are ardent biblical students and desire a deeper walk with the Lord Jesus Christ.

Manual of Presbytery - Samuel Miller
2015-07-09

Excerpt from Manual of Presbytery: Comprising I, Presbyterianism the Truly Primitive and Apostolic Constitution of the Church of Christ While I rejoice in the increased interest which questions of Church government are awakening, and the demand for fresh publications on the subject which that interest is calling forth, I have nothing to add to the statements of the former Preface, except that in this New Edition I have endeavoured to bring down the question of Presbytery to the present day, by supplying a Chapter on Presbytery as Favourable to Catholic Views of the Church of Christ; another on the Free Church movement, as furnishing a favourable illustration of the operation of Presbytery; and by also giving the most recent

information respecting the progress of this form of ecclesiastical government in other Christian Churches. A Treasure to be Shared - Walter Oxley
2022-07

A Treasure to Be Shared is intended to promote a more widespread knowledge of the Apostolic Constitution Anglicanorum coetibus, promulgated by Pope Benedict XVI in 2009. The Apostolic Constitution provided for Personal Ordinariates for Anglicans entering into full communion with the Catholic Church. On the occasion of the 10th anniversary of the Apostolic Constitution, an academic symposium in the year 2019 sponsored by the Pontifical Gregorian University and the Congregation for the Doctrine of the Faith, provided historical, liturgical, canonical and ecumenical perspectives on the fruits of the Apostolic Constitution for the wider Church. The hope is that the reader will see the Personal Ordinariates of The Chair of Saint Peter in the United States and Canada, Our Lady of Walsingham in Great Britain and Our Lady of the Southern Cross in Australia as a gift to the Church, and a treasure to be shared by all.

Dogmatic Constitution on the Church - Pope Paul

VI 2000-11

The central document of the Second Vatican Council, *Lumen Gentium* was promulgated by Pope Paul VI on November 21, 1964. This document is "the keystone" of the Councils whole Magisterium. It focuses on the whole Church as a communion of charity. With it, according to John Paul II, the Second Vatican Council wished to shed light on the Church's reality: a wonderful but complex reality consisting of human and divine elements, visible and invisible.

Pentecostal and Holiness Statements on War and Peace - Jay Beaman 2013-08-30

Many Pentecostal groups have forgotten their legacy of war resistance and doctrinal history opposing killing. To rectify this loss, we have catalogued Holiness and Pentecostal

denominational statements on war and peace. Numerous Holiness groups and virtually all early Pentecostal groups had some form of pacifist statement against war. This antiwar collection gives us an almost uniform picture of the early Pentecostal movement as largely pacifist in orientation. The commonality of these statements across both Holiness and Pentecostal movements is evidence they are a continuous group and not two separate movements. While their early doctrines opposed killing, many named in this book are now widely considered to be stalwarts of the Religious Right, or at least staunch supporters of Christian participation in war. Our hope is that this book will frame the official position of early Pentecostals on war and peace, and encourage Pentecostals today to reflect on their antiwar heritage.
