**Stay** - Bobbie Pyron 2019-08-13

Fans of Pax and A Dog's Way Home will love this heartwarming story of a girl living in a shelter and the homeless dog she's determined to

reunite with his family. Piper's life is turned upside down when her family moves into a shelter in a whole new city. She misses her house, her friends, and her privacy—and she

hates being labeled the homeless girl at her new school. But while Hope House offers her new challenges, it also brings new friendships, like the girls in Firefly Girls Troop 423 and a sweet street dog named Baby. So when Baby's person goes missing, Piper knows she has to help. But helping means finding the courage to trust herself and her new friends, no matter what anyone says about them—before Baby gets taken away for good. Told in alternating perspectives, this classic and heartfelt animal tale proclaims the importance of hope, the power of story, and the true meaning of home.

**Owen** - Kevin Henkes 1993-09-15

Owen had a fuzzy yellow blanket. "Fuzzy goes where I go," said Owen. But Mrs. Tweezers disagreed. She thought Owen was too old for a blanket. Owen disagreed. No matter what Mrs. Tweezers came up with, Blanket Fairies or vinegar, Owen had the answer. But when school started, Owen's mother knew just what to do, and everyone -- Owen, Fuzzy, and even Mrs.

Tweezers -- was happy.

**The Law of Finders Keepers** - Sheila Turnage  
2019-09-10

The heart-warming conclusion to the beloved Mo & Dale Mysteries by Newbery Honor author Sheila Turnage featuring the most shocking case yet! Pirate fever sweeps through the town after an opportunistic treasure hunter shows up looking to lay claim to Blackbeard's lost gold buried somewhere in Tupelo Landing. When the (probably) world-famous Desperado Detectives-- Mo and Dale and Harm--are hired by Mayor Little's mother to find the pirate loot for her, and the high-stakes race for riches is on! But that's not the only treasure hunt in town. Mo LoBeau unearths shocking new clues that may lead to her long-lost Upstream Mother--in the riskiest, scariest, and possibly richest case of her life. Will Mo find her Upstream Mother? Can the Desperados sidestep Blackbeard's curse and outsmart a professional treasure hunter? Will Dale faint under the pressure of Valentine's Day?

Could the stakes be any higher? Yes. With twin treasures hanging in the balance, Mo, Dale, and Harm realize one of them may have to leave Tupelo Landing. For good. Readers can come to this new Mo & Dale Mystery right after Three Times Lucky if they like. And don't miss the rest of the Mo & Dale Mysteries! **The Stone Child** - Dan Poblocki 2010-08-24

What if the monsters from your favorite horror books were real? Eddie Fennicks has always been a loner, content to lose himself in a mystery novel by his favorite author, Nathaniel Olmstead. That's why moving to the small town of Gatesweed becomes a dream come true when Eddie discovers that Olmstead lived there before mysteriously disappearing thirteen years ago. Even better, Eddie finds a handwritten, never-before-seen Nathaniel Olmstead book printed in code and befriends Harris, who's as much an Olmsteady as he is. But then the frightening

creatures of Olmstead's books begin to show up in real life, and Eddie's dream turns into a nightmare. Eddie, Harris, and their new friend, Maggie, must break Olmstead's code, banish all gremlins and monster lake-dogs from the town of Gatesweed, and solve the mystery of the missing author, all before Eddie's mom finishes writing her own tale of terror and brings to life the scariest creature of all.

*Hold Fast* - Blue Balliett 2013-03-01

From NYT bestselling author Blue Balliett, the story of a girl who falls into Chicago's shelter system, and from there must solve the mystery of her father's strange disappearance. Where is Early's father? He's not the kind of father who would disappear. But he's gone . . . and he's left a whole lot of trouble behind. As danger closes in, Early, her mom, and her brother have to flee

their apartment. With nowhere else to go, they are forced to move into a city shelter. Once there, Early starts asking questions and looking for answers. Because her father hasn't disappeared without a trace. There are patterns and rhythms to what's happened, and Early might be the only one who can use them to track him down and make her way out of a very tough place. With her signature, singular love of language and sense of mystery, Blue Balliett weaves a story that takes readers from the cold, snowy Chicago streets to the darkest corner of the public library, on an unforgettable hunt for deep truths and a reunited family.

**"C" Is for Corpse** - Sue Grafton 1986-05-15

You haven't read a thriller until you read #1  
New York Times bestselling author Sue

Grafton's novels with her unforgettable P.I. Kinsey Millhone... "C" is for Corpse He was young-maybe twenty or so-and he must once have been a good-looking kid. Kinsey could see that. But now his body was covered in scars, his face half-collapsed. It saddened Kinsey and made her curious. She could see he was in a lot of pain. But for three weeks, as Kinsey'd watched him doggedly working out at the local gym, putting himself through a grueling exercise routine, he never spoke. Then one Monday morning when there was no one else in the gym, Bobby Callahan approached her. His story was hard to credit: a murderous assault by a tailgating car on a lonely rural road, a roadside smash into a canyon 400 feet below, his Porsche a bare ruin, his best friend dead. The doctors had managed to put his body back together again-sort of. His mother's money had seen to that. What they couldn't fix was his mind, couldn't restore the huge chunks of memory wiped out by the crash. Bobby knew someone

had tried to kill him, but he didn't know why. He knew he had the key to something that made him dangerous to the killer, but he didn't know what it was. And he sensed that someone was still out there, ready to pounce at the first sign his memory was coming back. He'd been to the cops, but they'd shrugged off his story. His family thought he had a screw loose. But he was scared-scared to death. He wanted to hire Kinsey. His case didn't have a whole lot going for it, but he was hard to resist: young, brave, hurt. She took him on. And three days later, Bobby Callahan was dead. Kinsey Millhone never welshed a deal. She'd been hired to stop a killing. Now she'd find the killer. The Line Tender - Kate Allen 2020-04-21

Funny, poignant, and deeply moving, *The Line Tender* is a story of nature's enduring mystery

and a girl determined to find meaning and connection within it. Wherever the sharks led, Lucy Everhart's marine-biologist mother was sure to follow. In fact, she was on a boat far off the coast of Massachusetts, collecting shark data when she died suddenly. Lucy was seven. Since then Lucy and her father have kept their heads above water--thanks in large part to a few close friends and neighbors. But June of her twelfth summer brings more than the end of school and a heat wave to sleepy Rockport. On one steamy day, the tide brings a great white--and then another tragedy, cutting short a friendship everyone insists was "meaningful" but no one can tell Lucy what it all meant. To survive the fresh wave of grief, Lucy must grab the line that connects her depressed father, a stubborn fisherman, and a curious old widower to her mother's unfinished research on the Great White's return to Cape Cod. If Lucy can find a way to help this unlikely quartet follow the sharks her mother loved, she'll finally be able to

**Three Times Lucky** - Sheila Turnage

2012-05-10

Newbery honor winner, New York Times bestseller, Edgar Award Finalist, and E.B. White Read-Aloud Honor book. A hilarious Southern debut with the kind of characters you meet once in a lifetime. Rising sixth grader Miss Moses LoBeau lives in the small town of Tupelo Landing, NC, where everyone's business is fair game and no secret is sacred. She washed ashore in a hurricane eleven years ago, and

she's been making waves ever since. Although Mo hopes someday to find her "upstream mother," she's found a home with the Colonel--a café owner with a forgotten past of his own--and Miss Lana, the fabulous café hostess. She will protect those she loves with every bit of her strong will and tough attitude. So when a lawman comes to town asking about a murder, Mo and her best friend, Dale Earnhardt Johnson III, set out to uncover the truth in hopes of saving the only family Mo has ever known. Full of wisdom, humor, and grit, this timeless yarn will melt the heart of even the sternest Yankee.

**The Orc of Many Answers** - Shane Michael Murray 2015-01-25

Down the mountain, one orc who asks too many questions tumbles, fleeing his past, with only an elven horse, a pair of boots, and an old book for company. Below the whole world awaits him, filled with humans, elves, trolls, and a thousand other monsters that make a habit of killing little

orcs like Talking-Wind. Worse than any of them is the Lady of Firebrand Peak, the dragon who told Talking-Wind to stay put and wait to be eaten like a good orc. Orcs hate questions, but the one thing they hate more than orcs that ask too many questions is an orc looking for all the answers. The pursuit of dangerous knowledge only ever leads to trouble for the tribe. The Lady is not kind, nor is she forgiving. If Talking-Wind wishes to have any kind of chance to survive he will have to understand why dragons are what they are, and what makes dragons do what dragons do. If he can stay one step ahead of the Lady of Firebrand Peak maybe, just maybe, he might even find a way to fight back. Talking-Wind will need answers. And a lot of them.

**Can You Learn to Be Lucky?** - Karla Starr  
2018-08-14

"I don't know when I've been so wowed by a new author" -Chip Health, co-author of The Power of Moments and Switch A talented journalist reveals the hidden patterns behind what we call "luck" -- and shows us how we can all improve outcomes despite life's inevitable randomness. "Do you believe in luck?" is a polarizing question, one you might ask on a first date. Some of us believe that we make our own luck. Others see inequality everywhere and think that everyone's fate is at the whim of the cosmos. Karla Starr has a third answer: unlucky, "random" outcomes have predictable effects on

our behavior that often make us act in self-defeating ways without even realizing it. In this groundbreaking book, Starr traces wealth, health, and happiness back to subconscious neurological processes, blind cultural assumptions, and tiny details you're in the habit of overlooking. Each chapter reveals how we can cultivate personal strengths to overcome life's unlucky patterns. For instance:

- Everyone has free access to that magic productivity app—motivation. The problem? It isn't evenly distributed. What lucky accidents of history explain patterns behind why certain groups of people are more motivated in some situations than others?
- If you look like an underperforming employee, your resume can't override the gut-level assumptions that a potential boss will make from your LinkedIn photo. How can we make sure that someone's first impression is favorable?
- Just as people use irrelevant traits to make assumptions about your intelligence, kindness, and trustworthiness,

we also make inaccurate snap judgments. How do these judgments affect our interactions, and what should we assume about others to maximize our odds of having lucky encounters? We don't always realize when the world's invisible biases work to our advantage or recognize how much of a role we play in our own lack of luck. By ending the guessing game about how luck works, Starr allows you to improve your fortunes while expending minimal effort.

Lucky Luna - Diana Lopez 2018-08-28

Award-winning author Diana López returns to her middle-grade sweet spot in this delightful novel perfect for fans of Wendy Mass, Charise Mericle Harper, and Angela Cervantes. You can choose your friends, but you can't choose your primas...Luna Ramos has more cousins than she can count, and even though her mom says that makes her lucky, Luna knows that every time she gets in trouble, one of her primas is

responsible. But when Luna locks her know-it-all cousin Claudia in the bathroom at their cousin's quinceañera, Luna has no one to blame but herself. Her punishment? No hats for a whole month—which is a big deal because Luna's always been embarrassed by her hair, and hats make her feel more comfortable. To make things even worse, Claudia is transferring to her school, and now she'll have a chance to tattle on Luna even more than she already does! Her grandmother offers some sage advice, but since it's in Spanish, Luna gets it all wrong, and when the kids at school begin making fun of Claudia, Luna must decide what matters more: family or her reputation.

**Lucky Jim** - Kingsley Amis 2012-10-02  
A hilarious satire about college life and high class manners, this is a classic of postwar English literature. Regarded by many as the finest, and funniest, comic novel of the twentieth century, Lucky Jim remains as trenchant, withering, and eloquently misanthropic as when it first scandalized readers in 1954. This is the story of Jim Dixon, a hapless lecturer in medieval history at a provincial university who knows better than most that “there was no end to the ways in which nice things are nicer than nasty ones.” Amis’s scabrous debut leads the reader through a gallery of emphatically English bores, cranks, frauds, and neurotics, with each of whom Dixon must contend in one way or another

in order to hold on to his cushy academic perch and win the girl of his fancy. More than just a merciless satire of cloistered college life and stuffy post-war manners, Lucky Jim is an attack on the forces of boredom, whatever form they may take, and a work of art that at once distills and extends an entire tradition of English comic writing, from Fielding and Dickens through Wodehouse and Waugh. As Christopher Hitchens has written, "if you can picture Bertie or Jeeves being capable of actual malice, and simultaneously imagine Evelyn Waugh forgetting about original sin, you have the combination of innocence and experience that makes this short romp so imperishable."

*A Wrinkle in Time* - Madeleine L'Engle  
2019-07-18

*A Wrinkle in Time* is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular

boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

**The Absolutely True Diary of a Part-Time Indian** - Sherman Alexie 2012-01-10

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only

other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.
