Spacings--of Reason and Imagination - John Sallis 1987-04-15

By applying the tools of deconstruction to crucial texts of German Idealism, John Sallis reveals the suppressed but essential role of imagination in even the most ambitious attempts to represent pure reason. Sallis focuses on certain operations of "spacing" in metaphysics—textual lapses and leaps in which reason is displaced or suspended or abridged. In the project of establishing priority of reason, such operations can appear only in disguise, and Sallis reveals the play of imagination and metaphor that masks them. Concentrating on what has been called the closure of metaphysics, he examines texts in which the suppression of spacing would be carried out most rigorously, texts in which even metaphysics itself is seen as only an errant roaming, a spacing that must still be secured, to be replaced by a pure space of truth. And yet, in these very texts Sallis identifies outbreaks of spacing that would disrupt the tranquil space of reason. Rather than closure, he finds an opening of reason to imagination. Sallis's reading of a metaphorical system in the Critique of Pure Reason reveals a fissuring and historicizing of what would otherwise be called pure reason. Next he traces in Fichte's major work as well as in several lesser-known texts a decentering from reason to imagination, which he characterizes as a power of hovering between opposites and beyond being. Sallis then returns to the Critique of Pure Reason to expose, in relation to the famous question of the common root of reason and sensibility, a certain eccentricity of reason. Proceeding to the Critique of Judgment, he traces a divergence of sublime nature away from that supersensible space of reason to which Kant would otherwise assimilate it—a withdrawal toward an abyss. Finally, Sallis turns to Hegel's Encyclopedia, supplementing his reading with previously unknown notes from Hegel's lectures on those sections dealing with imagination; his reading of those sections serves to expose, within the most rigorous reduction of spacing in the history of metaphysics, an irrepressible and disseminative play of imagination.

**Widow's Run** - TG Wolff 2019-11-11

One night in Rome. One car. One dead scientist. Italian police investigate, but in the end, all they have are kind words for the new widow. Months later, a video emerges challenging the facts. Had he stepped into traffic, or was he pushed? The widow returns to the police, but they have little interest and no answers. Exit the widow. Enter Diamond. One name for a woman with one purpose. Resurrecting her CIA cover, she follows the shaky video down the rabbit hole. Her widow's run unearths a plethora of suspects: the small-time crook, the mule-loving rancher, the lady in waiting, the Russian bookseller, the soon-to-be priest. Following the stink greed leaves in its wake reveals big lies and ugly truths. Murder is filthy business. Good thing Diamond plays dirty. Praise for WIDOW'S RUN: "Tina Wolff's novel is for crime-fiction fans who like it action-packed and hard-edged. Written with feisty panache, it introduces Diamond, one of the most aggressive, ill-tempered, and wholly irresistible heroines to ever swagger across the page." —David Housewright, Edgar Award-winning author of Dead Man's Mistress

**If We Break** - Kathleen Buhle 2022-06-14

NATIONAL BESTSELLER • Kathleen Buhle shares her story of resilience and self-discovery after her marriage to Hunter Biden unraveled in the wake of substance abuse and infidelity in this intimate, astonishing memoir. "Kathleen Buhle's brave and honest story transcends politics, division, hearsay, and judgment."—Connie Britton This is not a story about good versus evil. Or who was right. Or who was better. For decades, Kathleen Buhle chose to play the role of the good wife, beginning when, as a naïve young woman from a working-class family on the South Side of Chicago, she met the dashing son of a senator at the Jesuit Volunteer Corps in Oregon. Within months of falling in love, Kathleen found herself pregnant and engaged, living a life beyond anything she'd ever known. Determined to build her family on a foundation of love, Kathleen was convinced her and Hunter's commitment to each other could overcome any obstacle. But when Hunter's drinking evolved into dependency, she was forced to learn how rapidly and irrevocably a marriage can fall apart under the merciless power of addiction. When the lies became insurmountable, Kathleen was forced to reckon with the compromises she had made to try to save her marriage. She wondered if she could survive on her own. The result is a memoir that is page-turning and heart-breaking. Here Kathleen asks why she kept so much hidden—from her daughters and herself—for so many years, why she became dependent on one man, and why she was more faithful to a vow of secrecy than to her own truth. This inspiring chronicle of radical honesty and self-actualization speaks to women who have lost part of their identity and want to reclaim it.

**Widow's Walk: Wandering in the Wilderness of Grief** - Barbara Fusco 2017-05-18

"Your husband has to be rushed to OR. He needs to have a chest tube put in to drain pleural fluid. Every one we've seen like this is malignant. Don't you have family in New Jersey? We think you'd better go back there." Thus begins the first step of the wanderings—from diagnosis, through death, and followed by the first two years of widowhood. Grief is multiplied. Within several weeks, her family of eight-daughters, sons-in-law, grandchildren, and beloved twelve-year-old cat—had shrunk to two. Based on daily journal entries, this is a present-tense, transparent, honest journey of a woman's psychological and theological search for meaning, wholeness, and healing. The journal ritual connects her to God and becomes her friend, counselor, and gateway to self-awareness, as she explores the subconscious in meditation, prayer, and dreamwork. In addition to love of God and family, love of Chincoteague Island permeates the story. Water, sky, birds in abundance are messengers of healing which inspire feelings of joy and gratitude in the midst of tears. This is a story of hope. It leads the reader on a journey through a wilderness of pain, confusion, and feelings of betrayal to a place of confidence revealing that there is life after death—death of a beloved or death of a dream. The grace, power, and love of God is confidently asserted to be more than sufficient to bring us to experience—along with Julian of Norwich—that all is well and all manner of things shall be well. *Traffic in Opium and Other Dangerous Drugs* - United States. Bureau of Narcotics 1964

*Smacked* - Eilene Zimmerman 2020-02-04

A journalist pieces together the mysteries surrounding her ex-husband's descent into drug addiction while trying to rebuild a life for her family, taking readers on an intimate journey into the world of white-collar drug

abuse. "A rare combination of journalistic rigor, personal courage, and writerly grace."—Bill Clegg, author of *Portrait of an Addict as a Young Man* Something was wrong with Peter. Eilene Zimmerman noticed that her ex-husband looked thin, seemed distracted, and was frequently absent from activities with their children. She thought he looked sick and needed to see a doctor, and indeed, he told her he had been diagnosed with an autoimmune disorder. Yet in many ways, Peter seemed to have it all: a beautiful house by the beach, expensive cars, and other luxuries that came with an affluent life. Eilene assumed his odd behavior was due to stress and overwork—he was a senior partner at a prominent law firm and had been working more than sixty hours a week for the last twenty years. Although they were divorced, Eilene and Peter had been partners and friends for decades, so when she and her children were unable to reach Peter for several days, Eilene went to his house to see if he was OK. So begins *Smacked*, a brilliant and moving memoir of Eilene's shocking discovery, one that sets her on a journey to find out how a man she knew for nearly thirty years became a drug addict, hiding it so well that neither she nor anyone else in his life suspected what was happening. Eilene discovers that Peter led a secret life, one that started with pills and ended with opioids, cocaine, and methamphetamine. He was also addicted to work; the last call Peter ever made was to dial in to a conference call. Eilene is determined to learn all she can about Peter's hidden life, and also about drug addiction among ambitious, high-achieving professionals like him. Through extensive research and interviews, she presents a picture of drug dependence today in that moneyed, upwardly mobile world. She also embarks on a journey to re-create her life in the wake of loss, both of the person—and the relationship—that profoundly defined the woman she had become.

**Running Joe's True Life** - Johnny Lee Williams 2007-05-30

My name is Johnnie Williams. I have completed my book. I'm gonna highlight this story for you. I'm updating this on the Black Widow. The Black Widow has been changed for protection. It is so sad that the Black Widow can't kick the drug habit. The Black Widow has been in rehab many times, I have tried to help, but now I am tired. Now I decided I wanted to talk about this. The Black Widow's daughter told her that she was going with another lady. The daughter is 14 yrs old. The Black Widow talked about the daughter seeing this lady, I said "talk to her, she'll get over it". Two days later, I walked in the Black Widow's house and her daughter was keeping company to a 19-year-old man. I said to the Black Widow, "What have you done? You have took her from a wolf and gave her to the lion." The Black Widow looked at me and said, "Mind your own business! I'm her mother, I tell her what to do!" When you're an addict you do not have full responsibility for yourself or for being a mother. The Black Widow has another daughter, which is 18 years old. Her daughter was seeing a 14-year-old boy. The boy's mother came to the Black Widow's house and asked, "Do you have a problem with my son seeing your daughter?" The Black Widow said, "No, I have no problem." She gave her 18 yr old daughter permission to move in with the 14 yr old boy, and they are living together now. It is so sad that two mothers know it's wrong, but look the other way. The 14 yr old daughter is living in the house With Black Widow, and has a twenty-something year old man living there too. There's something wrong with that. When you're an addict, you are not responsible. I've been around addicts for 35 years and there's one thing about addicts, you cannot trust them no way at all. They call me Running Joe. We was born a slave in Mississippi. We were not owned by a white man but by a black man. If you have no rights to speak; if you're being told what to do, then you are a slave. If you are told what to do and when to do it, then you are a slave. I'm gonna tell you some things in this book. There is a lot of profanity and X-rated things in it. There's my brother who murdered his first woman. One of my brothers was a slave driver. There are things about when I ran the clubs and even about me getting raided. So I hope you enjoy what you read and I hope that maybe you learn something from it. Enjoy.

**The Heart and Other Monsters** - Rose Andersen 2020-07-07

"Impossible to put down. It haunts me still." -Alex Marzano-Lesnevich, author of *The Fact of a Body: A Murder and a Memoir* A riveting, deeply personal exploration of the opioid crisis—an empathic memoir infused with hints of true crime. In November 2013, Rose Andersen's younger sister Sarah died of an overdose in the bathroom of her boyfriend's home in a small town with one of the highest rates of opioid use in the state. Like too many of her generation, she had become addicted to heroin. Sarah was 24 years old. To imagine her way into Sarah's life, Rose revisits their volatile childhood, marked by their stepfather's omnipresent rage and their father's pathological lying. As the dysfunction comes into focus, so does a broader picture of the opioid

crisis and the drug rehabilitation industry in small towns across America. And when Rose learns from the coroner that Sarah's cause of death was a methamphetamine overdose, the story takes a wildly unexpected turn. As Andersen sifts through her sister's last days, we come to recognize the contours of grief and its aftermath: the psychic shattering which can turn to anger, the pursuit of an ever-elusive verdict, and the intensely personal rites of imagination and art needed to actually move on. Reminiscent of Alex Marzano-Lesnevich's *The Fact of a Body*, Maggie Nelson's *Jane: A Murder*, and Lacy M. Johnson's *The Other Side*, Andersen's debut is a potent, profoundly original journey into and out of loss.

*The Rise of the Widow-Maker* - Zoez Lajoune 2020-12-29

The soul-chilling story of Carlos MacIntyre continues with exploration into the darkest unswept chambers of his mind. Therein, his innermost fears are revealed, including his fear of the Light of Death himself, his dark side, the Widow-Maker. Since the Widow-Maker emerged from the darkness within him in *The Awakening of the Widow-Maker*, Carlos MacIntyre has sought to understand the mission of this Egyptian Blackness and be at one with his teacher. With the aid of his psychiatrist, Dr. Marcus Rutowski, who is his mother's old college psychology professor, the journey into his mind through hypnosis proves that the walls between different worlds no longer exist. From the Johnson Parkway tunnel underneath the Seventh Street railroad tracks in St. Paul, to the halls of the Bell Museum of Natural History at the University of Minnesota campus, in Downtown Minneapolis. As Li'l Carlos gives in more and more to the darkness, he becomes the living embodiment of requital. A cyanide cocktail in a chalice of destruction waiting for a worthy soul to take a drink. There is no safe haven to flee to, no bargaining chip to use for leverage, and no plea to offer that will obtain mercy. Only a terrible fate awaits those that fall on his list. He is armed with a brand-new set of construction skills from Summit Academy. The contortion of disfigured bodies in crawl spaces at renovated stores and the nauseous scents reported at numerous residential homes all seems unending and baffling for Lead Detective Tommy Soprano and his rookie partner, Mike Kowalski, whom are assisted by criminal pathologist Raj Sarkozy from the FBI, along with several police agencies. Many people in the neighborhood praise the Widow-Maker for the peace he's brought. Some want his head for the lives that he took. He is the walking curse upon many, the writing on the wall at the hospital, and the whisper in the minds of the unrepentant, reminding them of their deeds that they won't even dare utter in prayer. All know him, and none will forget him. As he casts his dark shadow upon the Twin Cities, they will witness the rise of the Widow-Maker.

**A HANDBOOK FOR THE TREATMENT OF ALCOHOLISM/ADDICTION, FAMILY INVOLVEMENT AND RECOVERY** - Alice M. Lebron, LCSW, MSWAC, BCD Emeritus 2014-05-23

Alcoholism, like other forms of addiction, is a complex disease, but treatment does not have to be complicated. The stigma/shame of the disease comes from the behaviors developed from the disease. These behaviors must be addressed and changed using a therapy program. Sobriety is more than abstinence and relapse prevention. Family members are severely emotionally and mentally injured and need as much treatment as the alcoholic/addict so they can become healthy persons. A clinical social worker, author Alice M. Lebron has dedicated her career to finding and developing information to help individuals suffering from alcoholism/addiction, as well people directly affected by the disease-their families. The author believes that "recovery enables a person to become the person they were born to become," and through this book, she aims to guide you and your family down the path of change and healing, which she has been doing for more than forty years.
