**L'Italia e la rivoluzione italiana nel 1848, parti due della principessa C. Triulzi-Belgiojoso. Traduzione a parola** - Princess Cristina TRIULZI-BELGIOJOSO 1849

**A Cena Con Fluffy** - Giovanni Tempesta  
2019-04-19  
Tempesta's stories explore complexities that are

both profound and profoundly human, for example in cultural differences between life in the USA and in Italy. Most of his stories ask the reader to consider such questions as whether friendship possesses substance beyond illusion, and whether new life and new joy can emerge from surrender to aestheticized memories.

Translating short stories is an arduous task but

he succeeded in recreating in English, the emotional impact of his original stories in Italian. The importance of his writing lies in his capacity to generate dialogue. A reader must actively engage his texts, not to arbitrarily construct meaning, but to capture the abundance of subtlety and nuance that his work evokes. His prose (just like his poetry) does not ask to be received or decoded. Rather, it asks the reader to reflect on it and converse with it.

Choice and Change - John Davis 2021-01-08  
This volume in honour of Professor Mair reflects the range of her interests, and those of the Department in which she taught, in many areas of social anthropology, for it reports on research

in Africa, Asia and the Mediterranean, on the tensions between tradition and modernity, between the individual and society, deviance and conformity, stability and conflict. The ambiguities of social change and the choices thus presented to individuals are examined in all the essays and issues of modern politics and development dominate most of them.
