How To Make Millions Of Dollars Without A Record Deal

- TJ Clemons

This book is designed to create a multi million dollar independent recording artist with or without a contract. This is the blueprint to making real money in the music industry without depending on other people making decision on your career. You are in complete control of you future. In order to do this I took an in depth detailed look into the record industry. It is a legally binding contract once signed if one chooses to do so. Never walk blindly into the light. Focus your eyes and cautiously approach. You could be walking right of a cliff or into another mortal danger. It may not seem like life or death when signing a seemingly harmless piece of paper but it can be regretted later. There is a limited time on the life of a potential recording career. There is only so much viability in its creation and sustenance. Power is information and it is my intention to provide you with the information needed to move your recording career to the next level. You are miles ahead of the competition. You have to knowledge to advance at a faster pace. The stronger and more powerful survive against all odds. Not only are you more powerful you are more confident. You have the skills ability and talent to outshine the sun the moon and the stars. Keep in mind that the record business is shady. It is full of smiles and promises. Trust none of them. Trust yourself and your motives and instincts. Welcome to the world of music!

You are ready to make your talent work for you! You are ready to make your dream a reality! The world is yours! What I have to offer you is the american dream! The road to riches and fame for the low low price of \$19.95! I put this book together to reach talented individuals pursuing their dream of become a top selling recording artist. Take your artform to the highest level! The product is here! The time is now! Reach out and take control of your destiny! I put together much needed information that music industry executives don't want you to know. They want total control over their artists through their recording contracts.
