*Index Medicus* - 2002

**Millar and McNiven's Nemesis** - Mark Millar 2018-05-08

CIVIL WAR? Nothing. KICK-ASS? A warmup. What if the smartest, toughest costumed bad ass in the world was totally evil? Meet Nemesis. He's systematically been destroying the lives of every police chief in Asia, and he's now set his sights on Washington, DC. Between you and me, the police don't have a chance. Do not miss the book that EVERYONE is talking about by the creative team that made CIVIL WAR the biggest book of the decade. Collecting MILLAR & MCNIVEN'S NEMESIS #1-4.

**The Diabolic** - S. J. Kincaid 2016-11-01

"The perfect kind of high-pressure adventure." —TeenVogue.com A New York Times bestseller! Red Queen meets The Hunger Games in this epic novel about what happens when a senator's daughter is summoned to the galactic court as a hostage, but she's really the galaxy's most dangerous weapon in disguise. A Diabolic is ruthless. A Diabolic is powerful. A Diabolic has a single task: Kill in order to protect the person you've been created for. Nemesis is a Diabolic, a humanoid teenager created to protect a galactic senator's daughter, Sidonia. The two have grown up side by side, but are in no way sisters. Nemesis is expected to give her life for Sidonia, and she would do so gladly. She would also take as many lives as necessary to keep Sidonia safe. When the power-mad Emperor learns Sidonia's father is participating in a rebellion, he summons Sidonia to the Galactic court. She is to serve as a hostage. Now, there is only one way for Nemesis to protect Sidonia. She must become her. Nemesis travels to the court disguised as Sidonia—a killing machine masquerading in a world of corrupt politicians and two-faced senators' children. It's a nest of vipers with threats on every side, but Nemesis must keep her true abilities a secret or risk everything. As the Empire begins to fracture and rebellion looms closer, Nemesis learns there is something more to her than just deadly force. She finds a humanity truer than what she encounters from most humans. Amidst all the danger, action, and intrigue, her humanity just might be the thing that saves her life—and the empire.

*Hitler* - Ian Kershaw 2000-01

It is impossible to offer an adequate parallel to Hitler's situation in 1936. With the peaceful resolution of the Rhineland crisis, Hitler became both the adored object of the vast majority of Germans and an international symbol of modernity and dynamism. He managed this while in reality being the dictator of a system of single-minded viciousness new to human experience.

*Chrysalis* - Brendan Reichs 2020-03-03

Now in paperback, the stunning finale of the Project Nemesis trilogy from New York Times bestselling author Brendan Reichs. The 64 members of Fire Lake's sophomore class have managed to survive the first two phases of the Program—and each other. Now, they alone have emerged into the dawn of a new era on Earth, into a Fire Lake valley that's full of otherworldly dangers and challenges. Although staying alive in this broken world should force Min, Noah, Tack, and the others to form new alliances, old feuds die hard, and the brutality of the earlier Program phases cannot be forgotten. But being a team isn't easy for the sophomores, and when they discover that they may not be alone on the planet after all, they'll have to decide if they're going to work together . . . or die together.

*John Xántus* - János Xántus 1986-06

Offers a brief profile of Xantus, a colorful charlatan who collected specimens for the Smithsonian

Institution, and shares his letters describing his work in California

*The Churn: An Expanse Novella* - James S. A. Corey 2014-04-29

A novella set in the hard-scrabble world of James S. A. Corey's NYT-bestselling Expanse series, The Churn takes the bestselling sci-fi series to the dark world of organized crime, drugs, secrets, and murder that shaped the Rocinante's mechanic, Amos. Now a Prime Original series. This story will be available in the complete Expanse story collection, Memory's Legion. HUGO AWARD WINNER FOR BEST SERIES Before his trip to the stars, before the Rocinante, Timmy was confined to a Baltimore where crime paid you or killed you. Unless the authorities got to you first. On a future Earth beset by overpopulation, pollution, and poverty, people do what they must to survive. The Churn follows a crime boss named Burton as his organization is threatened by a new private security force tasked with cleaning up the city. When the police start cracking down, Burton and his footsoldiers-loyal lieutenant Erich, former prostitute Lydia, and young enforcer Timmy-become increasingly desperate to find a way out. **Handbook of Multimedia Computing** - Borko Furht 1998-09-29

Multimedia computing has emerged as a major area of research. Coupled with high-speed networks, multimedia computer systems have opened a spectrum of new applications by combining a variety of information sources, such as voice, graphics, animation, images, audio, and video. Handbook on Multimedia Computing provides a comprehensive resource on advanced topics in this field, considered here as the integration of four industries: computer, communication, broadcasting/entertainment, and consumer electronics. This indispensable reference compiles contributions from 80 academic and industry leaders, examining all the major subsets of multimedia activity. Four parts divide the text: Basic Concepts and Standards introduces basic multimedia terminology, taxonomy, and concepts, including multimedia objects, user interfaces, and standards Multimedia Retrieval and Processing Techniques addresses various aspects of audio, image, and video retrieval; indexing; and processing techniques and systems Multimedia Systems and Techniques covers critical multimedia issues, such as multimedia synchronization, operating systems for multimedia, multimedia databases, storage organizations, and processor architectures Multimedia Communications and Networking discusses networking issues, such as quality of service, resource management, and video transport An indispensable reference, Handbook on Multimedia Computing covers every aspect of multimedia applications and technology. It gives you the tools you need to understand and work in this fast-paced, continuously changing field.

*Medical Nemesis* - Ivan Illich 1982

*Dreadnought* - April Daniels 2016-01-24

An action-packed series-starter perfect for fans of The Heroine Complex and Not Your Sidekick. "I didn't know how much I needed this brave, thrilling book until it rocked my world. Dreadnought is the superhero adventure we all need right now."—Charlie Jane Anders, author of All the Birds in the Sky Danny Tozer has a problem: she just inherited the powers of Dreadnought, the world's greatest superhero. Until Dreadnought fell out of the sky and died right in front of her, Danny was trying to keep people from finding

out she's transgender. But before he expired, Dreadnought passed his mantle to her, and those secondhand superpowers transformed Danny's body into what she's always thought it should be. Now there's no hiding that she's a girl. It should be the happiest time of her life, but Danny's first weeks finally living in a body that fits her are more difficult and complicated than she could have imagined. Between her father's dangerous obsession with "curing" her girlhood, her best friend suddenly acting like he's entitled to date her, and her fellow superheroes arguing over her place in their ranks, Danny feels like she's in over her head. She doesn't have time to adjust. Dreadnought's murderer—a cyborg named Utopia—still haunts the streets of New Port City, threatening destruction. If Danny can't sort through the confusion of coming out, master her powers, and stop Utopia in time, humanity faces extinction.

**Operation Nemesis** - Eric Bogosian 2015-04-21

A masterful account of the assassins who hunted down the perpetrators of the Armenian Genocide In 1921, a tightly knit band of killers set out to avenge the deaths of almost one million victims of the Armenian Genocide. They were a humble bunch: an accountant, a life insurance salesman, a newspaper editor, an engineering student, and a diplomat. Together they formed one of the most effective assassination squads in history. They named their operation Nemesis, after the Greek goddess of retribution. The assassins were survivors, men defined by the massive tragedy that had devastated their people. With operatives on three continents, the Nemesis team killed six major Turkish leaders in Berlin, Constantinople, Tiflis, and Rome, only to disband and suddenly disappear. The story of this secret operation has never been fully told, until now. Eric Bogosian goes beyond simply telling the story of this cadre of Armenian assassins by setting the killings in the context of Ottoman and Armenian history, as well as showing in vivid color the era's history, rife with political fighting and massacres. Casting fresh light on one of the great crimes of the twentieth century and one of history's most remarkable acts of vengeance, Bogosian draws upon years of research and newly uncovered evidence. Operation Nemesis is the result--both a riveting read and a profound examination of evil, revenge, and the costs of violence.

*The Nemesis* - S. J. Kincaid 2020-08-25

In the heart-pounding conclusion to the New York Times bestselling Diabolic series, the Empire teeters on the edge of destruction as rumors spread that Nemesis is still alive. Three years ago, Tyrus Domitrian shocked the galaxy by killing the woman he swore to love forever. The woman for whom he upended the Empire. The woman with whom he wanted to build a new and brighter future. Now, the once-idealistic heir apparent has become the cruel Emperor Tyrus, wielding his authority with an iron fist, capable of destroying planets with a single word, controlling all technology with a simple thought. He has bent the Grandiloquy to their knees, and none has the power to stand against him. But there is a muttering among the Excess. They say that Nemesis is not truly gone. They whisper of her shadow spotted in distant star systems. They say that Nemesis lives. That she will rise, and rally the people to topple the man who was once her truest love—and is now her fiercest enemy.

Nemesis - Brendan Reichs 2017-03-21

Orphan Black meets Lord of the Flies in this riveting new thriller from the co-author of the Virals series. It's been happening since Min was eight. Every two years, on her birthday, a strange man finds her and murders her in cold blood. But hours later, she wakes up in a clearing just outside her tiny Idaho hometown—alone, unhurt, and with all evidence of the horrifying crime erased. Across the valley, Noah just wants to be like everyone else. But he's not. Nightmares of murder and death plague him, though he does his best to hide the signs. But when the world around him begins to spiral toward panic and destruction, Noah discovers that people have been lying to him his whole life. Everything changes in an eye blink. For the planet has a bigger problem. The Anvil, an enormous asteroid threatening all life on Earth, leaves little room for two troubled teens. Yet on her sixteenth birthday, as she cowers in her bedroom, hoping not to die for the fifth time, Min has had enough. She vows to discover what is happening in Fire Lake and uncovers a lifetime of lies: a vast conspiracy involving the sixty-four students of her sophomore class, one that may be even more sinister than the murders.

**The Breath of Allah** - Tempest O'Rourke 2009

From yearbook advertisements, postcard mailings, and promotions to website development and digital graduation announcements, every corner of the teen and senior portrait market is covered in this book of

advice. Featuring the artistry of top senior portrait experts, this book showcases the blending of posing techniques with creative compositional and design methods in order to capture each subject's full personality. Advice on posing, communication and expression during sessions, studio lighting, outdoor lighting, working with different client personalities, pricing, and proofing is provided.

*The Fourth Talisman Boxed Set: Nocturne, Solis, Monstrum, Nemesis and Inferno* - Kat Ross 2021-03-10  
Nocturne, a wilderness of eternal night. Solis, a wasteland of endless day. It's been a thousand years since the Avas Vatrás tried to burn the world to ashes. A thousand years since they were imprisoned in the arid death zone called the Kiln. But revenge is a dish best served cold—even, apparently, by the children of fire. As war brews again, a young woman named Nazafareen must learn to control her own volatile power to stop the creatures whose mad king sundered the realm into light and dark. Praise for the Fourth Talisman "A historical fantasy that crackles with electricity... Ross plots with Olympian vigor, packing her alternate version of Persia with complex characters and a multilayered mythos. A complicated follow-up that pushes its cast to the physical and emotional brink." -Kirkus Reviews "If you haven't read this series, you definitely need to get on it. Like yesterday." -Haddie's Haven "The world of Nocturne and Solis is comparable to the expansive fantasy worlds found in epics by Tamora Pierce, Cassandra Clare, and Sarah J. Maas. With her lyrical prose, expansive world-building, and mastery of various voices, Ross is my new favorite for long-running fantasy epics." -Crazy for YA "The world building is excellent. The book is fast-paced. What else can I say? Kat Ross hits another one out of the park." -I Love a Good Book "Absolutely fantastic! From page one it just hit the ground running... Ross has managed to create something truly magical, beautiful and complex." -Rattle the Stars "Perfect for fans of City of Brass... As much as I loved the characters, I have to say the plot in this story stole the show. I could not put this book down. I loved it, I loved it, I loved it." -Book Briefs "This series is an adrenaline rush." -Books2Blog "A passionate and riveting action-packed fantasy that will draw readers into a world of danger, deception and powerful forces... Fast paced, exciting and with so much going on, Nocturne was a superb read and leaves me dying to delve into the next novel Solis as soon as I can!" -The Rest Is Still Unwritten "The storytelling is lush and the adventure had me burning the midnight oil." -Love Books Group

*Codename Nemesis* - Tobias Jenkinson 2021-08-31

Crime is the province of a country's police and security forces, but what can these organisations do when the criminals have better resources, organisation and support than the police? The police must abide by the rules or civilisation would fall into anarchy. The security forces and even the army, the famous 'Dogs of War' must also play it by the book, but criminals have no such limitations. The ancient Greeks relied on the god Nemesis and maybe, in these modern times, when all the advantages are with those who are able to disregard civilisation's legal conventions, it is time for the return of this bringer of justice, but if we do, how can we control it?

*WBCN and the American Revolution* - Bill Lichtenstein 2021-11-30

How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award-winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of The Daily Show; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone "Listener Line" fielded questions on any subject, day and night. From 1968 to Watergate, Boston's WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston Common. Interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the "news dissector" Danny Schechter, Marsha Steinberg,

and Mitchell Kertzman. Lichtenstein's documentary WBCN and the American Revolution is available as a DVD sold separately.

*It's Not Me, It's You* - Stephanie Kate Strohm 2016-11-03

Avery Dennis is a high school senior and one of the most popular girls in her class. But a major breakup with her boyfriend threatens to ruin her plans for prom. Avery tracks down her exes and interviews them, compiling a total account of her dating history. She discovers some truths about herself along the way... just in time for prom night!

Project Legion - Jeremy Robinson 2016-10-25

THE SIGNAL WAS RECEIVED Ten years after a deep space transmission was broadcast from a futuristic citadel hidden in the Arctic ice, Jon Hudson finds himself in a position beyond comprehension. His days of lazy Sasquatch hunting on behalf of the DHS's Fusion Center--Paranormal (FC-P) have been a fading memory since the appearance of Nemesis, the goddess of vengeance, reborn through genetic tinkering. Now he longs for those quiet days once more. THE AEROS HAVE RETURNED Facing down giant kaiju has become almost commonplace for Hudson and the FC-P, who he regards as his family, but the threat now facing them is global. An alien race known as the Aeros, summoned to Earth ten years ago, have arrived in orbit, hell-bent on destroying their ancient enemy, the Ferox, along with all of humanity...in all dimensions of reality. ALL EARTHS WILL BE DESTROYED Facing off against an invasion of city-destroying kaiju, a massive mothership and an assault in a parallel world, Hudson must bolster the FC-P's ranks. Joined by Milos 'Cowboy' Vesely, Hudson must journey through alternate dimensions to gather a one-of-a-kind legion of defenders, including a smart-mouthed soldier, a woman who can animate the lifeless, a time traveler, a robot-man, a powerful king and an assassin who can slip between frequencies of reality. With Project Legion, Jeremy Robinson has created an epic series finale, bringing together characters and plot elements from more than a dozen different novels and series. The result is a crossover novel, ten years in the making, the likes of which have never been seen outside of comic books and movies like Captain America - Civil War. Project Legion is an apocalyptic end to the first story arc of the bestselling kaiju-thriller series: The Nemesis Saga. Novels whose characters or plot elements are featured in Project Legion include: The Nemesis Saga, Island 731, The Didymus Contingency, Raising the Past, Nazi Hunter: Atlantis, The Last Hunter (The Antarktos Saga), Xom-B (aka: Uprising), the Jack Sigler Thrillers and MirrorWorld. Also mentioned are elements from the following novels: Refuge, Kronos and Beneath. Although reading all these novels is NOT a prerequisite for enjoying Project Legion, they will help flesh out the included characters.

**Baryonic Dark Matter** - D. Lynden-Bell 2012-12-06

The visible universe is a small perturbation on the material universe. Zwicky and Sinclair Smith in the 1930s gave evidence of invisible mass in the Coma and Virgo Clusters of Galaxies. Better optical data has only served to confound their critics and the X-ray data confirms that the gravitational potentials are many times larger than those predicted on the basis of the observed stars. Dynamical analyses of individual galaxies have found that significant extra mass is needed to explain their rotational velocities. On much larger scales, tens of megaparsecs, there is suggestive evidence that there is even more mass per unit luminosity. What is this non-luminous stuff of which the universe is made'? How much of it is there? Need there be only one kind of stuff? There are three basic possibilities:- all of it is ordinary (baryonic) matter, all of it is some other kind of (non-baryonic) matter, or some of it is baryonic and some is non-baryonic.

**Island 731** - Jeremy Robinson 2013-03-26

On board a research vessel in the Pacific, expert tracker Mark Hawkins is trapped on a tropical island with the crew and uncovers evidence of the island's history as the site of a brutal World War II human experimentation program.

*Paper Towns* - John Green 2013

Quentin Jacobson has spent a lifetime loving Margo Roth Spiegelman from afar. So when she cracks open a window and climbs into his life - dressed like a ninja and summoning him for an ingenious campaign of revenge - he follows. After their all-nighter ends, Q arrives at school to discover that Margo has disappeared.

*Born of Vengeance* - Sherrilyn Kenyon 2017-02-07

A fate worse than death . . . Bastien Cabarro survived the brutal slaughter of his entire family only to have

his wife pin their murders on him. Made Ravin by The League, he is now a target for their assassins-in-training to hunt and kill. The average life expectancy for such beings is six weeks. But defying the odds is what this Gyron Force officer does best, and Bastien won't rest until he lays his betrayers in their graves. Ten years later, he has one chance to balance the scales of justice, provided he relies on his former wingman— the very sister of the woman who testified against him. Major Ember Wyldestarrin joined the outlaw Tavali the day Kirovar fell into the hands of a tyrant, and she and her sister-team were left on an outpost to die under the barrage of enemy fire. The last thing she wants is to be involved in politics again. But the one thing she wants more than anything is revenge on the tyrant who murdered her parents and forced her and her sisters into exile. Carrying a secret she knows Bastien will annihilate her over, she must find some way to trust her former wingman before he catches on and kills her. Even so, treachery doesn't come easy to a woman who took a loyalty oath to protect her homeworld and comrades-in-arms, especially when Bastien is much more to her than just a former wingman. Yet as she tries to do right for her family, she learns that Bastien doesn't just hold the key to the fate of Kirovar, he is vital to The Sentella-League war, and to The Tavali. If she doesn't ensure he survives this mission, three nations fall, and time for all of them is quickly running out.

Pirate Nemesis - Carysa Locke 2016-07-26

A smuggler running from her past, Mercy desperately wants answers to her mother's disappearance. All roads lead her to the one place she can't return: home. Killers. Thieves. Pirates. Family. Mercy has spent her life evading the Pirate Queen who attempted to murder her as a child. Now, living as a smuggler with the outlawed Talent of telepathy, she keeps her head down, takes jobs that keep her moving, and searches for answers about her mother's disappearance fifteen years ago. But living outside the law has consequences. Tricked and captured, Mercy must choose between two rival factions: the terrorists who will do anything to exploit her gifts for themselves, and the pirates she's been eluding since childhood. Her only ally is the most dangerous killer of them all, and trusting him may be her final mistake. Star Wars meets Firefly in this space fantasy series readers compare to Ilona Andrews and Nalini Singh.

Limits to Medicine - Ivan Illich 1995

The medical establishment has become a major threat to health, says Ivan Illich. He outlines the causes of iatrogenic diseases.

**Ostkrieg** - Stephen G. Fritz 2011-09-08

On June 22, 1941, Germany launched the greatest land assault in history on the Soviet Union, an attack that Adolf Hitler deemed crucial to ensure German economic and political survival. As the key theater of the war for the Germans, the eastern front consumed enormous levels of resources and accounted for 75 percent of all German casualties. Despite the significance of this campaign to Germany and to the war as a whole, few English-language publications of the last thirty-five years have addressed these pivotal events. In *Ostkrieg: Hitler's War of Extermination in the East*, Stephen G. Fritz bridges the gap in scholarship by incorporating historical research from the last several decades into an accessible, comprehensive, and coherent narrative. His analysis of the Russo-German War from a German perspective covers all aspects of the eastern front, demonstrating the interrelation of military events, economic policy, resource exploitation, and racial policy that first motivated the invasion. This in-depth account challenges accepted notions about World War II and promotes greater understanding of a topic that has been neglected by historians.

*Kingdom of Hook* - Joshua Gibbs 2017-12-19

What is the true story of Captain Hook? As debut author Joshua B. Gibbs reveals with this swashbuckling story, Captain Hook's true origin will surprise you! His story begins on Blackbeard's own ship, the Queen Anne's Revenge. Scrawny James Crichton may not have the physique of a pirate, but he certainly has the attitude. It doesn't take long for the scheming sailor to take over the ship for himself, but his ambition leads him to a wondrous and frightening new place. In his zeal to replace Blackbeard, James drinks from the tiny vial the pirate captain wears around his neck. He is instantly transported to the island of Neverland. Here, in a land of monsters and myth, the captain can live forever, but it comes at a price. James is ripped away from the only world he has ever known and suddenly dropped into a land where magic is real and all the legends are true. To escape his fairy-tale prison, James turns to the one whose name is whispered throughout the island-Peter Pan. He believes the boy has the key to getting back to the real world, but at

what terrible cost?

*Dangerous Seduction* - Zoë Archer 2013-11-26

In Zoë Archer's *Dangerous Seduction*, Alyce Carr has no time for the strange man in her little Cornwall village, no matter how breathtakingly handsome he is. Life in Trewyn doesn't allow for much fun—the managers of the copper mine barely provide the miners and their families with enough food. Outsiders are suspect and flirts are unimaginable, but Simon Sharpe is as keen as his name...and Alyce can't ignore him for long. As the founder of Nemesis, Unlimited, Simon Addison-Shawe is well accustomed to disguise and deceit. Yet he's not prepared for Alyce's dogged defense of her people and the injustices the copper mine has dealt them. With Alyce's help he can change the fate of an entire town, and convincing her to join him is only part of the thrill. Together, they ignite a desire in each other much too powerful to deny. But at what cost?

**Fahrenheit 451** - Ray Bradbury 1968

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

Project Nemesis (a Kaiju Thriller) - Jeremy Robinson 2012-11

Jon Hudson, lead investigator for the Department of Homeland Security's Fusion Center-P, thinks his job is a joke. While other Fusion Centers focus on thwarting terrorist activity, Hudson's division is tasked with handling paranormal threats to national security, of which there have been zero during his years at the DHS. When yet another Sasquatch sighting leads to a research facility disguised as an abandoned Nike missile site in the back woods of Maine, Hudson's job becomes deadly serious. Hudson and the local Sheriff, Ashley Collins, suddenly find themselves on the run from a ruthless ex-Special Forces security team, but the human threat is short-lived as something very much not-human destroys the facility and heads for civilization, leaving only a single clue behind—a name scrawled in blood: Nemesis. Working with his team at Fusion Center-P, Sheriff Collins and a surly helicopter pilot named Woodstock, Hudson pursues the creature known as Nemesis, attempts to uncover the corporate secrets behind its creation and accidental release and tries to comprehend why several clues lead to a murdered little girl named Maigo. But as the body-count explodes, along with the monster's size, it quickly becomes clear that nothing short of a full military response can slow Nemesis's progress. Coordinating with every branch of the U.S. military, Hudson simultaneously searches for clues about Nemesis's origins and motivations, and leads the counterattack that will hopefully stop the monster before it reaches Boston and its one million residents. Witness the birth of a legend as Jeremy Robinson, bestselling author of *SecondWorld* and *Ragnarok*, combines the pacing of Matthew Reilly with the mystery of James Rollins and creates the first iconic American Kaiju\* story since King Kong. Includes original creature designs by legendary Godzilla artist, Matt Frank. \*Kaiju is Japanese for "strange beast." The genre includes classic monsters such as Godzilla, Gamera, Mothra, Rodan and King Ghidorah.

**Narrative of the Life of Frederick Douglass, an American Slave** - Frederick Douglass 2019-06-12

Narrative of the Life of Frederick Douglass is an 1845 memoir and treatise on abolition written by famous orator and former slave Frederick Douglass during his time in Lynn, Massachusetts. It is generally held to be the most famous of a number of narratives written by former slaves during the same period. In factual detail, the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. Narrative of the Life of Frederick Douglass encompasses eleven chapters that recount Douglass's life as a slave and his ambition to become a free man.

*I Like Me Better* - Susan Renee 2021-09

Sugar and spice and everything nice? No way. She's sugar and sass and a pain in my...well...you know. It was just supposed to be a two-month leave from my cushy job in Chicago. Stabilize the family bakery business following the death of my father, and then get back to the city. It would have gone flawlessly had I not run smack dab into Hadley Hutton on my first night back. That spit-fire competitive girl was my college nemesis, always one-upping me, until she mysteriously didn't return for our senior year. So, imagine my surprise when I'm introduced to the bakery's newest manager and it's her! Now I have to work closely with her nearly everyday. Words fly and tempers flare between us, just like they did in college, except something

is different about her now. There's more to Hadley Hutton than her sweet looks and salty attitude. Maybe if I can figure her out, she'll see I'm not the jerk she thinks I am. Or maybe I'm just creating a recipe for disaster.

**John Xántus** - Ann Zwinger 2022-03-01

John Xántus was a bit of a charlatan; of that there is little doubt. He lied about his exploits, joined the U.S. Army under an assumed name, and managed to alienate most of the people he met. Yet this Hungarian immigrant became one of the Smithsonian Institution's most successful collectors of natural history specimens in the mid-nineteenth century, and he is credited with the discovery of many new species in the American West. From his station at Ft. Tejon in California's Tehachapi Mountains, Xántus carried on a lengthy correspondence with Spencer Baird at the Smithsonian, to whom he shipped the specimens he had trapped or shot in the surrounding sierra and deserts. A prolific letter writer, Xántus faithfully reported his findings as he bemoaned his circumstances and worried about his future. Working from Smithsonian archives, natural history writer Ann Zwinger has assembled Xántus's unpublished letters into a book that documents his trials and triumphs in the field and reveals much about his dubious character. The letters also bring to life a time and place on the western frontier from which Xántus was able to observe a broad panorama of American history in the making. Zwinger's lively introduction sets the stage for Xántus's correspondence and examines the apparent contradictions between the man's personal and professional lives. Her detailed notes to the letters further clarify his discoveries and shed additional light on his checkered career.

**Please Understand Me** - David Keirse 1984

Describes sixteen basic personality types, argues that people try to reshape their spouses, children, friends, and coworkers into models of themselves, and discusses different styles of leadership

*The Bean Trees* - Barbara Kingsolver 2009-03-17

"The Bean Trees is the work of a visionary. . . . It leaves you open-mouthed and smiling." — Los Angeles Times A bestseller that has come to be regarded as an American classic, *The Bean Trees* is the novel that launched Barbara Kingsolver's remarkable literary career. It is the charming, engrossing tale of rural Kentucky native Taylor Greer, who only wants to get away from her roots and avoid getting pregnant. She succeeds, but inherits a three-year-old Native American girl named Turtle along the way, and together, from Oklahoma to Arizona, half-Cherokee Taylor and her charge search for a new life in the West. Hers is a story about love and friendship, abandonment and belonging, and the discovery of surprising resources in seemingly empty places. This edition includes a P.S. section with additional insights from the author, background material, suggestions for further reading, and more.

Genesis - Brendan Reichs 2019-02-05

"Reichs knows exactly how to mix action, suspense, and characters into a breathless read." —Marie Lu, New York Times bestselling author of *Warcross* The blistering sequel to the instant New York Times bestselling *Nemesis* by Brendan Reichs. Noah Livingston knows he is destined to survive. The 64 members of Fire Lake's sophomore class are trapped in a place where morals have no meaning and zero rules apply. But Noah's deaths have trained him-hardened him-to lead the strongest into the future ... whatever that may be. And at any cost. Min Wilder knows that survival alone isn't enough. In a violent world where brute force passes for leadership, it's tempting to lay back and let everyone else battle it out. But Min's instincts rebel against allowing others to decide who lives and who dies. She's ready to fight for what she believes in. And against whomever might stand in her way.

*Computer Gaming World* - 1997

**Wicked Appetite** - Janet Evanovich 2010-09-14

Life in Marblehead has had a pleasant predictability, until Diesel arrives. Rumor has it that a collection of priceless ancient relics representing the Seven Deadly Sins have made their way to Boston's North Shore. Partnered with pastry chef Lizzie Tucker, Diesel bullies and charms his way through historic Salem to track them down—and his criminal mastermind cousin Gerewulf Grimorie. The black-haired, black-hearted Wulf is on the hunt for the relic representing gluttony. Caught in a race against time, Diesel and Lizzie soon find out that more isn't always better, as they battle Wulf and the first of the deadly sins. With delectable

characters and non-stop thrills that have made Janet Evanovich a household name, *Wicked Appetite* will leave you hungry for more.

**Born of Silence** - Sherrilyn Kenyon 2012-05-01

In a universe where corruption and deception rule all aspects of life, sparks of rebellion threaten to ignite. . . *BORN OF SILENCE* As the Resistance leader, Zarya Starska's only goal is to topple the government that destroyed her entire family and left her penniless. Her biggest asset is a mysterious man known only as Kere. But Kere has a dark secret. Born into a world that is as privileged as it is corrupt, his real name is Darling Cruel and he is heir to the government Zarya wants to overthrow. No one has ever seen the real man behind the legend. No one except Zarya. But when she allows a weapon he designed to be used against his beloved sister, all bets are off. Betrayed by the Resistance, Darling's goal is not only to reign, but to kill every Resistance member he can find. Zarya must stop Darling's reign of terror, but can she reach past his insanity to restore the hero who once fought by her side?

**Nemesis** - Peter Evans 2009-03-17

Peter Evans's biography of Aristotle Onassis, Ari, met with great acclaim when it was published in 1986. Ari provided the world with an unprecedented glimpse of the Greek shipping magnate's orbit of dizzying wealth, twisted intrigues, and questionable mores. Not long after the book appeared, however, Onassis's daughter Christina and his longtime business partner Yannis Georgakis hinted to Evans that he had missed the "real story" -- one that proved Onassis's intrigues had deadly results. "I must begin," Georgakis said, "with the premise that, for Onassis, Bobby Kennedy was unfinished business from way back..." His words launched Evans into the heart of a story that tightly bound Onassis not to Jackie's first husband, but to his

ambitious younger brother Bobby. A bitter rivalry emerged between Bobby and Ari long before Onassis and Jackie had even met. *Nemesis* reveals the tangled thread of events that linked two of the world's most powerful men in their intense hatred for one another and uncovers the surprising role played by the woman they both loved. Their power struggle unfolds against a heady backdrop of international intrigue: Bobby Kennedy's discovery of the Greek shipping magnate's shady dealings, which led him to bar Onassis from trade with the United States; Onassis's attempt to control much of Saudi Arabia's oil; Onassis's untimely love affair with Jackie's married sister Lee Radziwill; and his bold invitation to First Lady Jackie to join him on his yacht -- without the president. Just as this self-made Greek tycoon gloried in the chance to stir the wrath of the Kennedys, they struggled unsuccessfully to break his spell over the woman who held the key to all of their futures. After Jack's death, Bobby became ever closer to Camelot's holy widow, and fought to keep her from marrying his sworn rival. But Onassis rarely failed to get what he wanted, and Jackie became his wife shortly after Bobby was killed. Through extensive interviews with the closest friends, lovers, and relatives of Onassis and the Kennedys, longtime journalist Evans has uncovered the shocking culmination of the Kennedy-Onassis-Kennedy love triangle: Aristotle Onassis was at the heart of the plot to kill Bobby Kennedy. Meticulously tracing Onassis's connections in the world of terrorism, *Nemesis* presents compelling evidence that he financed the assassination -- including a startling confession that has gone unreported for nearly three decades. Along the way, this groundbreaking work also daringly paints these international icons in all of their true colors. From Evans's deeply nuanced portraits of the charismatic Greek shipping magnate and his acquisitive iconic bride to his probing and revelatory look into the events that shaped an era, *Nemesis* is a work that will not be soon forgotten.
