He is everything I crave, all I desperately want—and he is everything I can't have. Evan Black embodies my every fantasy. He is brilliant, fierce, and devastatingly handsome. But he is also headstrong, dangerous, and burdened with secrets. My family warned me to stay away, that I could never handle Evan's dark dealings or scarred past. Maybe I should have listened. Maybe I should have run. But our desire is undeniable, and some temptations you just can't fight. And from the moment we touch—the passion between us consuming us both—I know that I will never be the same. Wanted is intended for mature audiences. **Faking It** - Christina Ross 2017-12-02

A sizzling new actress on the rise. A mega-hot action star's career in free fall. Jackson Cruise is super hot, super successful, and his movies have made billions at the box office. But when the paparazzi photograph him kissing another man, Jackson's true sexuality quickly comes into question in ways that might destroy his career. Start the damage control now. Enter emerging actress Sienna Jones, who is offered millions to become Jackson's new girlfriend. Sienna decides to take the job and fake it, and before long, her star starts to rise as her and Jackson's fake relationship begins to trend on Twitter. All while the actor's hunky security guard, Austin Black, looks on at Sienna in lust. As Sienna and Austin become friends--and then a whole lot more after one steamy night of passion--the question is simple: How long can Sienna continue to fake it when she realizes that she's falling in love. With Christina Ross' gift for delivering romance, humor, wit, and characters you'll love and never forget, Faking It will leave readers swooning until the last page is turned. Raves for Faking It: Terrific Romance! I think Austin Black may have moved into a tie with Alex Wenn as my favorite book boyfriend. He's strong, virile, romantic and sexy. Sienna Jones is beautiful, talented, caring and loyal. Together they practically combust on the page. Add in the poignancy of Jackson Cruise struggling with who he really is and how he wants to love, the insatiable need of the public of all things celebrity and the paparazzi/press's infringement on an individual's right to privacy and you have one terrific romance. I loved the tie-in with the Annihilate series and Alex and Jennifer Wenn. Christina Ross has proven once again that she is a truly talented author who crafts her stories for the ultimate reading experience. I am a huge fan! --Melanie M., Reader Another Great book by Christina! I have read all of Christina's books and each one gets better than the previous one. Austin and Sienna are one hot couple. *Annihilate Them: Holiday* - Christina Ross 2017-09-23

From the international best-selling author with more than two million books sold worldwide in six different languages! p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px 'Helvetica Neue'; color: #454545} Description: After one hellish year in which their lives nearly were claimed by a madman—and with a new baby on the way in just a matter of weeks—Jennifer and Alex decide to spend this particular holiday season in Manhattan with their extended family of friends, if only so Jennifer can be close to her doctor. With that

decision made and no travel plans on the horizon, one would think that this holiday should be a breeze, right? Not even close. First, Blackwell and Lisa butt heads over who's the best choice to throw Jennifer's baby shower. As infamously strong-willed as Blackwell is, she's soon rattled to find out that Lisa is no pushover. In fact, she's hellbent on proving that she can stand up to Blackwell with ideas of her own...in ways that might leave the reader howling. Second, there's Cutter and Daniella, who are headed straight for a break-up due to Daniella's insistence that they move in together Will they be kissing under the mistletoe after weeks of not speaking? After Blackwell has a heart-to-heart talk with her daughter, readers might be surprised by the outcome... Third—and perhaps most dire in this book—is the appearance of Ava Kent, Jennifer's abusive and cunning drunk of a mother, who suddenly crashes back into Jennifer's life in ways that are so corrosive and toxic, it sends an already fragile Jennifer literally to her breaking point. In *Annihilate Them: Holiday*, expect all the romance, love, sexy times and laughs that you've come to expect from Christina Ross, but also expect much more drama, especially when it comes to Ava. When she dares to threaten Jennifer with one mother of a deception that sheds new insight into Jennifer's past, she does so with a fierceness that darkens these holidays in the coldest of ways. Note: Make sure to read "Annihilate Them" before you read "Annihilate Them: Holiday."

He promised to take me as far as I could go—and I wanted to go to the edge. My whole life has been a cover, a con, a lie. I was born into the grift, raised on the thrill of playing someone I'm not. Not many women can handle his past, or the truth behind his fierce demands. But something about him beckons me—and our desire is a game I must play. Moreover, the characters are complex, the passion is intense and the ultimate message that love can heal all is inspiring."—The Romance Reviews (five stars) "[J.] Kenner's Most Wanted series is about people who walk a thin line between criminal activity and superstar success, between passionate connections and dangerous desires, between darkness and light. These books succeed because Kenner is willing to walk that line right along with her characters—to probe the darkness that frightens them, to explore the passion that ignites them and to bring readers inside the relationships that set them free. This book is no different. Brutally honest, searing, kinky and seductive, *Ignited* is a book fans will adore and new readers will find enjoyable as well."—RT Book Reviews "Thought-provoking and dramatic . . . Steps to Personal Revival - Helmut HAUBEIL 2020-03-17

On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

*October 16, 1943/Eight Jews* - Giacomo Debenedetti 2020-11-15

For more than fifty years, Giacomo Debenedetti's *October 16, 1943* has been considered one of the best and most accurate accounts of the shockingly brief and efficient roundup of more than one thousand Roman Jews from the oldest Jewish community in Europe for the gas chambers of Auschwitz. Completed a year after the event, Debenedetti's intimate details and vivid glimpses into the lives of the victims are especially poignant because Debenedetti himself was there to witness the event, which forced him and his entire

family into hiding. Eight Jews, the companion piece to October 16, 1943, was written in response to testimony about the Ardeatine Cave Massacres of March 24, 1944. In this essay, Debenedetti offers insights into that grisly horror and into assumptions about racial equality. Both of these stunning works are appearing together, along with Alberto Moravia's preface to Debenedetti's October 16, 1943, for the first time in an American translation. October 16, 1943/Eight Jews gives American readers a first glimpse into the extraordinary mind of the man who was Italy's foremost critic of twentieth-century literature. In addition to probing the deeper, haunting questions of the Holocaust, Debenedetti briefly describes the seizure of the Roman Jewish community's library of early manuscripts and incunables, the most valuable Jewish library in all of Italy. Following the roundup, this library was never seen again. Award-winning translator Estelle Gilson offers an additional essay on the history of the library and modern-day attempts to locate it. October 16, 1943/Eight Jews is a moving work that will continue to challenge readers long after they have closed its pages.

Recommended for those seeking crime drama with spice."—Library Journal "Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them, and this second installment of her Most Wanted series goes a long way toward solidifying that claim. Her characters' scorching, scandalous affair explores the very nature of attraction and desire, redeeming and changing them beyond measure. . . . Fans will no doubt love the games of power, overwhelming passion and self-defining relationship that Kenner has crafted, and come away eager for more."—RT Book Reviews "The plot is complex, the characters engaging, and J. Kenner's passionate writing brings it all perfectly together."—Harlequin Junkie "In Julie Kenner's typical masterful storytelling, nothing is as it seems. **Unleash Me: Wedding** - Christina Ross 2018-10-03

The series with more than two million books sold continues to explode in Unleash Me: Wedding! Make sure that you've at least read the Unleash Me series before reading this book. Two-and-a-half years—and several books later—since security expert Tank McCollister first proposed to best-selling author Lisa Ward (see reading order below)—they've finally set a date. They're getting married! If only it were that easy. After a series of mishaps, Lisa finds herself in Prairie Home, Nebraska, on Tank's parents' cow-and-chicken farm. With the wedding days away, conflict simmers between Lisa and Tank's holy-rolling mother, Ethel McCollister, who's no fan of Lisa—or her books about the undead. Ethel's certain that Lisa's books are sacrilegious. She's worried that Lisa might be demon-possessed. Determined to save her only son from the clutches of the woman of her nightmares, Ethel rises up—and sets out to derail the wedding. Will love win out in the end? If it does, it won't be without one brutal war between Lisa and her potential monster-in-law when events turn vicious—and unexpectedly hilarious—between them. With Jennifer, Blackwell, Alex, Epifania and other fan favorites at Lisa's side, "Unleash Me: Wedding" concludes Lisa and Tank's story. Note: While this book can easily be read as an extension of the Unleash Me series, it will have more impact if you read the entire series. Fight Club: A Novel - Chuck Palahniuk 2005-10-17

The first rule about fight club is you don't talk about fight club. Chuck Palahniuk showed himself to be his generation's most visionary satirist in this, his first book. Fight Club's estranged narrator leaves his lackluster job when he comes under the thrall of Tyler Durden, an enigmatic young man who holds secret after-hours boxing matches in the basements of bars. There, two men fight "as long as they have to." This is a gloriously original work that exposes the darkness at the core of our modern world.
